SPAC will be the sole manager (the “Manager”) of the Umbrella Merger Surviving Company.

Provisions in the Umbrella A&R LLCA are intended to ensure that the total number of Umbrella Merger Surviving Company’s Class A Common Units (“Umbrella Common Units”) outstanding is always equal to the total number of outstanding shares of SPAC Class A Common Stock. The shares of SPAC Class B Common Stock (which is solely voting stock with no economic rights) will be “paired” to the Umbrella Merger Surviving Company Class B Common Units (which are economic units pursuant to which the holders of Class B Common Units effectively receive the economics they would have received had they instead held SPAC Class A Common Stock), with the holders of Umbrella Merger Surviving Company Class B Common Units (other than SPAC) holding one (1) share of Class B Common Stock for each Class B Common Unit held.

The Umbrella A&R LLCA provides that transfers of the Class B Common Units may not be made without the Manager's consent except in the case of certain permitted transfers. The Umbrella A&R LLCA also provides for terms and conditions upon which holders of Umbrella Common Units can exchange one (1) Umbrella Class B Common Unit and one (1) share of SPAC Class B Common Stock (together, a "Paired Interest") for, at SPAC's option, either a number of shares of SPAC Class A Common Stock equal to the Exchange Rate (as defined therein) or (ii) cash in an amount based upon the sale price of SPAC Class A Common Stock in a private sale or the price to the public.

A copy of the form of Umbrella A&R LLCA is included as Exhibit D to the Business Combination Agreement, filed as Exhibit 2.1 to this Current Report on Form 8-K, and incorporated herein by reference.

#### ***Tax Receivable Agreement***

At the Closing, SPAC will enter into the Tax Receivable Agreement with the TWMH Members, the TIG GP Members, the TIG MGMT Members and their advisory firm. The Tax Receivable Agreement will generally provide for certain payments and make certain arrangements with respect to any tax benefits to be derived by SPAC and its subsidiaries as the result of any exchanges by such TWMH Members, TIG GP Members and TIG MGMT Members of their Paired Interests for SPAC Class A Common Stock in accordance with the Umbrella A&R LLCA and the making of payments under the Tax Receivable Agreement.

Pursuant to the terms of the Tax Receivable Agreement, SPAC generally will pay an amount equal to 85% of the net tax benefit that it receives from such exchanges to the TWMH Members, the TIG GP Members and the TIG MGMT Members. The costs and expenses of administering the Tax Receivable Agreement will be borne 15% by SPAC and 85% by the TWMH Members, the TIG GP Members and the TIG MGMT Members, or in certain instances, all or a portion of such 85% amount may be borne by Umbrella.

A copy of the form of Tax Receivable Agreement is included as Exhibit G to the Business Combination Agreement, filed as Exhibit 2.1 to this Current Report on Form 8-K, and incorporated herein by reference.

The foregoing description of the Alvarium Exchange Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Alvarium Exchange Agreement, which is filed as Exhibit 10.4 to this Current Report on Form 8-K, and incorporated herein by reference.

The closing of the sale of PIPE Shares (the “PIPE Closing”) will occur immediately prior to the Closing. The PIPE Closing will be subject to customary conditions, including, but not limited to:

- i. all representations and warranties of SPAC and the PIPE Investor contained in the relevant PIPE Subscription Agreement will be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Material Adverse Effect (as defined in the PIPE Subscription Agreements), which representations and warranties will be true in all respects) at, and as of, the PIPE Closing;
- ii. all conditions precedent to the Closing will have been satisfied or waived; and
- iii. without the consent of the PIPE Investor, the Business Combination Agreement cannot be amended, modified or waived in a manner that reasonably would be expected to materially and adversely affect the economic benefits the PIPE Investor reasonably would expect to receive under the PIPE Subscription Agreement.

Pursuant to the PIPE Subscription Agreements, SPAC agreed that, within 45 calendar days after the consummation of the Business Combination, it will file with the SEC a registration statement registering the resale of the PIPE Shares, and SPAC will use its commercially reasonable efforts to have such registration statement declared effective as soon as practicable after the filing thereof; provided, however, that SPAC’s obligations to include the shares held by a PIPE Investor in such registration statement will be contingent upon the respective PIPE Investor furnishing in writing to SPAC such information regarding the PIPE Investor, the securities of SPAC held by such PIPE Investor and the intended method of disposition of the shares, as will be reasonably requested by SPAC to effect the registration of such shares, and will execute such documents in connection with such registration, as SPAC may reasonably request that are customary of a selling stockholder in similar situations.

Each PIPE Subscription Agreement will terminate upon the earlier to occur of (i) such date and time as the Business Combination Agreement is terminated in accordance with its terms, (ii) upon the mutual written agreement of each of the parties to the PIPE Subscription Agreement; or (iii) if any of the conditions to PIPE Closing set forth in Sections 3.2 and 3.3 of such PIPE Subscription Agreement are not satisfied on or prior to the Closing Date and, as a result thereof, the transactions contemplated by such PIPE Subscription Agreement are not consummated at the PIPE Closing.

The foregoing description of the PIPE Subscription Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the PIPE Subscription Agreement, a copy of which is included as Exhibit 10.5 to this Current Report on Form 8-K and incorporated herein by reference.

#### ***Side Letter re Subscription Agreement***

Concurrently with the execution of the Business Combination Agreement, SPAC entered into a side letter with a PIPE Investor, who is also a shareholder of Alvarium, in relation to its Subscription Agreement (the "Side Letter"), pursuant to which, SPAC will issue to the PIPE Investor, contingent on and concurrently with the Closing and the consummation of its Subscription Agreement, an aggregate of 100,000 shares of SPAC Class A Common Stock.

The foregoing description of the Side Letter does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Side Letter, a copy of which is included as Exhibit 10.6 to this Current Report on Form 8-K and incorporated herein by reference.

#### ***Option Agreements***

Concurrently with the execution of the Business Combination Agreement, the Sponsor entered into option agreements (the "Option Agreements") with each of the PIPE Investors pursuant to which, among other things, Sponsor granted such PIPE Investors a non-transferable option to purchase an aggregate of 3,625,000 shares of SPAC Class A Common Stock held by the Sponsor (the "Option Shares"), at an exercise price of \$11.50 per share (subject to adjustment to reflect any changes to the exercise price of the SPAC warrants) (the "Option").

The Option may be exercised only during the period commencing on the earlier to occur of (A) one year after the date of the Closing Date or (B) such time, at least 150 days after the Closing Date, that the closing price of the Class A Ordinary Shares equals or exceeds \$12.00 per share (as adjusted for share splits, share dividends, reorganizations and recapitalizations) for any 20 trading days within any 30-trading day period and (ii) terminating at the earliest to occur of (A) 5:00 p.m., New York City time on the date that is five years after the Closing Date and (B) the liquidation of the SPAC in accordance with the SPAC's certificate of incorporation, which if approved by the SPAC's shareholders, would take effect upon the Closing Date.

The Option may be cancelled, at the option of the Sponsor, at any time during the Exercise Period (but not during the first 2 years), upon notice to the option holder, at a price of \$0.01 per Option Share if the last sales price of SPAC Class A Common Stock reported has been at least \$23.00 per share on each of 20 trading days within any 30 trading-day period commencing once the Option becomes exercisable.

The foregoing description of the Option Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Option Agreement, a copy of which is included as Exhibit 10.7 to this Current Report on Form 8-K and incorporated herein by reference.

#### ***Investor Rights Agreements***

At the Closing, SPAC will enter into an investor rights agreement with a shareholder of Alvarium pursuant to which, among other things, the shareholder will have the right to designate one nominee to the Board of Directors of the Surviving Company (as defined in the Shareholder IRA) (the "Shareholder Designee"), and any committee of the Board of Directors of the Surviving Company will include the Shareholder Designee as a member or, if the Shareholder Designee does not meet applicable independence requirements to serve on any audit, compensation or nominating committee of the Surviving Company, the Shareholder Designee will have the right to participate in such committee meetings as an observer (the "Shareholder IRA"). The Shareholder IRA will terminate automatically on the date that the shareholder owns less than 50% of the SPAC Class A Common Stock held by it immediately following the Closing. In addition, at the Closing, SPAC will enter into investor rights agreements with certain Voting Parties (as defined in the agreement) pursuant to which, among other things, the Voting Party will agree to vote in favor of the election or re-election of the Shareholder Designee as director of the Surviving Company (each, a "Voting IRA" and, collectively with the Shareholder IRA, the "Investor Rights Agreements"). Each Voting IRA will terminate automatically on the earlier of the date that (i) the shareholder owns less than 50% of the SPAC Class A Common Stock held by it immediately following the Closing, and (ii) the applicable Voting Party owns less than 50% of the SPAC Class A Common Stock held by it immediately following the Closing.

The foregoing description of the Investor Rights Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Shareholder IRA and the form of the Voting IRA, copies of which are included as Exhibit 10.8 and Exhibit 10.9 to this Current Report on Form 8-K and incorporated herein by reference.

### ***Employment Agreement (Michael Tiedemann)***

Concurrently with the execution of the Business Combination Agreement, SPAC and Michael Tiedemann (“Tiedemann”) entered into an executive employment and restrictive covenant agreement (the “Tiedemann Employment Agreement”) (which will be effective as of the Closing Date) pursuant to which Tiedemann agreed to serve in the capacity of Chief Executive Officer of SPAC for an initial term of five years from the Closing Date.

For his services, Tiedemann will be (a) paid a base salary of \$575,000 per annum, (b) eligible to receive a bonus with respect to each fiscal year during the Employment Term (as defined in the Tiedemann Employment Agreement) under the SPAC’s annual incentive compensation plan, program and/or arrangements applicable to senior-level executives as established and modified from time to time by the Compensation Committee of the Board of Directors of SPAC, provided, however, that in no event will the target bonus in any fiscal year (including any partial year in which the Tiedemann Employment Agreement is executed) be less than the 50<sup>th</sup> percentile of annual bonuses, determined based on the Benchmarking Methodology, and (c) entitled to an equity grant with respect to each fiscal year (including any partial year in which the Tiedemann Employment Agreement becomes effective) under SPAC’s equity and/or equity-based compensation plan(s) adopted and maintained by SPAC from time to time (if any) for the benefit of select employees of the Company Entities (as defined in the Tiedemann Employment Agreement) (which any Equity Awards (as defined in the Tiedemann Employment Agreement) granted to Tiedemann under the Executive Incentive Plan (as defined in the Tiedemann Employment Agreement), and the terms and conditions thereof, will be determined by the Compensation Committee of the Board, provided, however, that in no event will the terms and conditions thereof be any less favorable to Tiedemann than any other senior executive participating in an Executive Incentive Plan, and further provided that the value and vesting term for each Equity Award will not be less than the 50<sup>th</sup> percentile of incentive equity grants, determined based on the Benchmarking Methodology). The Base Compensation (as defined in the Tiedemann Employment Agreement) will be subject to annual review for increase, but not decrease, by the Board; provided, however, that such review may be delegated to the Compensation Committee of the Board.

Tiedemann’s employment and employment term will terminate upon the earliest to occur of the following (the applicable date of Tiedemann’s termination of employment, the “Termination Date”): (a) the date of Tiedemann’s death; (b) a termination of Tiedemann’s employment by SPAC due to Tiedemann’s Disability (as defined in the Tiedemann Employment Agreement); (c) Tiedemann’s resignation without Good Reason; (d) a termination of Tiedemann’s employment by SPAC for Cause; (e) a termination of Tiedemann’s employment by SPAC without Cause; (f) the resignation of Tiedemann for Good Reason; or (g) the conclusion of the employment term in the event of non-renewal. Notwithstanding the foregoing, prior to the third anniversary of the Closing Date, SPAC will not be entitled to terminate Tiedemann’s employment without Cause unless the determination to do so is made by a unanimous vote of the Board (after Tiedemann has been given the opportunity to make a presentation to the Board in opposition to such determination, if he so desires), excluding Tiedemann and any members who affirmatively indicate, in writing, that they are abstaining or recusing themselves from voting and provided that following any such abstentions or recusals, a quorum exists as under the applicable corporate documents (such determination, an “Early TWOC”). None of SPAC, Tiedemann, or any Board member will take any undue action (including but not limited to the use of financial incentives or disincentives) to encourage or induce any Board member to vote, abstain, or recuse themselves from voting on an Early TWOC.

If Tiedemann’s employment ends for any reason, Tiedemann will be entitled to the following: (a) any earned but unpaid Base Compensation through the Termination Date; (b) reimbursement for any unreimbursed business expenses incurred through the Termination Date; (c) any accrued but unused PTO (as defined in the Tiedemann Employment Agreement) in accordance with SPAC policy; and (d) any other accrued and vested payments (measured as of the Termination Date), benefits or fringe benefits to which Tiedemann may be entitled under the terms of any applicable compensation arrangement, benefit or fringe benefit plan or program.

If Tiedemann’s employment is terminated by SPAC without Cause or by Tiedemann with Good Reason, in addition to the Accrued Amounts (as defined in the Tiedemann Employment Agreement), Tiedemann will be entitled to the following continued compensation (the “Continued Compensation”): (a) continuation of Tiedemann’s then Base Compensation for the longer period of (i) the remaining duration of the Initial Term as of the Termination Date or (ii) twelve (12) months (such longer period, the “Severance Period”), payable as and when those amounts would have been payable had the Employment Term not ended; (b) for each fiscal year (including any partial fiscal years) during the Severance Period, an amount equal to the Bonus payable for the fiscal year ending immediately prior to the Termination Date, payable in monthly installments over the Severance Period; (c) immediate vesting of all Equity Awards previously granted to Tiedemann; and (d) continuation of the health benefits provided to Tiedemann and his covered dependents, pursuant to COBRA, at SPAC’s sole cost, for a period of 18.

If Tiedemann's employment terminates as a result of Tiedemann's death or Disability, in addition to the Accrued Amounts, Tiedemann will be entitled to a (a) continuation of Tiedemann's then Base Compensation for 12 months, payable as and when those amounts would have been payable had the Employment Term not ended; (b) an amount equal to the Bonus payable for the fiscal year ending immediately prior to the Termination Date, payable in monthly installments over 12 months; and (c) continuation of the health benefits provided to Tiedemann and his covered dependents, pursuant to COBRA, at SPAC's sole cost, for a period of 12 months.

If Tiedemann's employment terminates as a result of a non-renewal, Tiedemann will only be entitled to payment of the Accrued Amounts. Additionally, if Tiedemann's employment terminates as a result of non-renewal by either party, Tiedemann's post-employment non-competition and non-solicitation obligations will be immediately null and void.

The Continued Compensation will only be payable if Tiedemann complies with all terms and conditions of the Tiedemann Employment Agreement and Tiedemann (or his estate) executes and delivers to SPAC a customary general release of claims in the form attached to the Tiedemann Employment Agreement.

The Tiedemann Employment Agreement also includes certain restrictive covenants for Tiedemann, including a customary (a) 12-month non-compete (provided that if Tiedemann's employment is terminated (i) without Cause prior to the third anniversary of the Closing Date, the non-compete will end six months following the Termination Date or (ii) as a result of non-renewal of the Agreement, there will be no non-compete), (b) 12-month non-solicitation of SPAC's employees and clients (and prospective clients) and confidentiality, company work product, cooperation and non-disparagement provisions. In addition, Tiedemann has agreed that SPAC currently owns the rights to, uses, and may at its option continue to use, "Tiedemann" as a trade name and/or as trademark or service mark (or portion thereof) (the "Tiedemann Marks") and Tiedemann has agreed not to challenge the validity or enforceability of the Tiedemann Marks and, until such time as SPAC (or, if the Tiedemann Marks are assigned along with substantially all the assets of SPAC's business, SPAC's successors or assigns) ceases to use the Tiedemann Marks, will not market, promote, distribute, or sell (or authorize others to market, promote, distribute or sell) to any third party, any private wealth or asset management services under the "Tiedemann" name or utilizing trademarks that are the same or similar to the Tiedemann Marks. Subject to the foregoing, nothing contained in the Tiedemann Employment Agreement will prohibit, limit or otherwise impair Tiedemann in using the "Tiedemann" name with respect to any activities following Tiedemann's employment with SPAC.

"Benchmarking Methodology" is defined as: the results of a benchmarking study of executives of similar title and role to Executive at comparable public companies, based on a peer group of executives and companies to be agreed upon in advance in writing by SPAC and Tiedemann, with such benchmarking study prepared by an independent third-party consulting firm that is agreed upon by SPAC and Tiedemann and engaged at SPAC's expense.

"Good Reason" is defined as: the occurrence of any of the following events without Executive's consent: (a) a material reduction in Executive's Base Compensation; (b) a material diminution in Executive's duties, authority or responsibilities, or a change in Executive's title or reporting line; (c) a relocation of more than thirty (30) miles from Executive's primary place of employment in New York, New York; or (d) the material breach of this Agreement by the Company.

"Cause" is defined as: (a) a conviction of Tiedemann to a felony or other crime involving moral turpitude, (b) gross negligence or willful misconduct by Tiedemann resulting in material economic harm to the Company and/or the Company Entities, taken as a whole; (c) a willful and continued failure by Tiedemann to carry out the reasonable and lawful directions of the Board issued in accordance with the Company's Bylaws, Certificate of Incorporation or other governing documents; (d) Executive engaging in (A) fraud, (B) embezzlement, (C) theft or (D) knowing and material dishonesty resulting in material economic harm to the Company or any of the Company Entities. For the avoidance of doubt, subpart (C) of the preceding sentence is not intended to include any *de minimis*, incidental conduct by Executive (e.g., taking office supplies home, etc.) or inadvertent actions such as accidental personal use of a Company credit card or accidental errors in mileage reimbursement or other accidental or inadvertent actions that are not materially injurious to the Company; (e) a willful or material violation by Tiedemann of a material policy or procedure of the Company or any of the Company Entities; or (f) a willful material breach by Tiedemann of this Agreement.

The foregoing description of the Tiedemann Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Tiedemann Employment Agreement, which is filed as Exhibit 10.10 to this Current Report on Form 8-K, and incorporated herein by reference.

**Item 3.02 Unregistered Sales of Equity Securities.**

The disclosure set forth above in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein. In connection with the Closing, Parent will issue 16,936,715 shares of SPAC Class A Common Stock to PIPE Investors. The SPAC Class A Common Stock to be issued in connection with the Initial Private Placements will not be registered under the Securities Act, and will be issued in reliance on the exemption from the registration requirements thereof provided by Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder as a transaction by an issuer not involving a public offering.

**Additional Information and Where to Find It**

In connection with the proposed Business Combination, SPAC intends to file with the SEC a registration statement on Form S-4 containing a preliminary proxy statement/prospectus of SPAC, and after the registration statement is declared effective, SPAC will mail a definitive proxy statement/prospectus relating to the proposed Business Combination to its stockholders. This Current Report on Form 8-K does not contain any information that should be considered by SPAC's stockholders concerning the proposed Business Combination and is not intended to constitute the basis of any voting or investment decision in respect of the Business Combination or the securities of SPAC. SPAC's stockholders and other interested persons are advised to read, when available, the preliminary proxy statement/prospectus and the amendments thereto and the definitive proxy statement/prospectus and other documents filed in connection with the proposed Business Combination, as these materials will contain important information about SPAC, the Companies and the Business Combination. When available, the definitive proxy statement/prospectus and other relevant materials for the proposed Business Combination will be mailed to stockholders of SPAC as of a record date to be established for voting on the proposed Business Combination. Stockholders will also be able to obtain copies of the preliminary proxy statement/prospectus, the definitive proxy statement/prospectus and other documents filed with the SEC, without charge, once available, at the SEC's website at [www.sec.gov](http://www.sec.gov), or by directing a request to: Cartesian Growth Corporation, 505 Fifth Avenue, 15th Floor, New York, NY 10017.

**No Offer or Solicitation**

This Current Report on Form 8-K shall not constitute a “solicitation” as defined in Section 14 of the Exchange Act. This Current Report on Form 8-K does not constitute an offer, or a solicitation of an offer, to buy or sell any securities, investment or other specific product, or a solicitation of any vote or approval, nor shall there be any sale of securities, investment or other specific product in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. Any private offering of securities in connection with the Business Combination (the “Securities”) will not be registered under the Securities Act, and will be offered as a private placement to a limited number of “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) or institutional “accredited investors” (within the meaning of Rule 501(a) under the Securities Act). Accordingly, until registered for resale, the Securities must continue to be held until a subsequent disposition is exempt from the registration requirements of the Securities Act. Investors should consult with their counsel as to the applicable requirements for a purchaser to avail itself of any exemption from registration under the Securities Act. The transfer of the Securities may also be subject to conditions set forth in an agreement under which they are to be issued. Investors should be aware that they might be required to bear the final risk of their investment for an indefinite period of time. Neither SPAC nor any Company is making an offer of the Securities in any state or jurisdiction where the offer is not permitted.

**Participants in the Solicitation**

SPAC, the Companies and their respective directors and executive officers may be deemed participants in the solicitation of proxies from SPAC’s stockholders with respect to the proposed Business Combination. A list of the names of SPAC’s directors and executive officers and a description of their interests in SPAC is contained in SPAC’s final prospectus relating to its initial public offering, dated February 23, 2021, which was filed with the SEC and is available free of charge at the SEC’s website at [www.sec.gov](http://www.sec.gov), or by directing a request to Cartesian Growth Corporation, 505 Fifth Avenue, 15th Floor, New York, NY 10017. Additional information regarding the interests of the participants in the solicitation of proxies from SPAC’s stockholders with respect to the proposed Business Combination will be contained in the proxy statement/prospectus for the proposed Business Combination when available.

## Forward-Looking Statements

Certain statements in this Current Report on Form 8-K may be considered “forward-looking statements” within the meaning of the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements herein generally relate to future events or the future financial or operating performance of SPAC, the Companies or the combined company expected to result from the Business Combination (the “Combined Company”). For example, statements regarding the outcomes of the proposed Business Combination, the expected transaction and ownership structure and the likelihood and ability of the parties to successfully consummate the proposed Business Combination, are forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as “may,” “should,” “expect,” “intend,” “will,” “estimate,” “anticipate,” “believe,” “predict,” “project,” “target,” “plan,” or “potentially” or the negatives of these terms or variations of them or similar terminology. Such forward-looking statements are provided for illustrative purposes only and are subject to risks, uncertainties, and other factors which could cause actual results to differ materially from those expressed or implied by such forward-looking statements.

These forward-looking statements are based upon estimates and assumptions, whether or not identified in this Current Report on Form 8-K, that, while considered reasonable by SPAC, the Companies and their respective management, as the case may be, are inherently uncertain and subject to material change. New risks and uncertainties may emerge from time to time, and it is not possible to predict all risk and uncertainties. Factors that may cause actual results to differ materially from current expectations include, but are not limited to, various factors beyond management’s control, including (i) the inability to complete the business combination in a timely manner or at all (including due to the failure to receive required shareholder approvals, failure to receive approvals or the failure of other closing conditions); (ii) the inability to recognize the anticipated benefits of the proposed business combination; (iii) the inability to obtain or maintain the listing of SPAC’s shares on Nasdaq following the business combination; (iv) costs related to the business combination; (v) the risk that the business combination disrupts current plans and operations as a result of the announcement and consummation of the business combination; (vi) SPAC and the Companies’ ability to manage growth and execute business plans and meet projections; (vii) potential litigation involving SPAC or any of the Companies; (viii) changes in applicable laws or regulations, particularly with respect to wealth management and asset management; (ix) general economic and market conditions impacting demand for SPAC’s or the Companies’ services, and in particular economic and market conditions in the financial services industry in the markets in which SPAC or any of the Companies operate; and (x) other risks, uncertainties and factors set forth in the section entitled “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements” in SPAC’s final prospectus relating to its initial public offering, dated February 23, 2021, and other filings with the SEC. If any of these risks materialize or the assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither SPAC nor the Companies presently know or that SPAC or any of the Companies currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements.

Nothing in this Current Report on Form 8-K should be regarded as a representation by any person that the forward-looking statements set forth herein will be achieved or that any of the contemplated results of such forward-looking statements will be achieved. You should not place undue reliance on forward-looking statements in this Current Report on Form 8-K, which speak only as of the date they are made and are qualified in their entirety by reference to the cautionary statements herein and the risk factors of SPAC and the Companies described above. None of SPAC or any Company undertakes any duty to update these forward-looking statements.

(iv) The limited liability company interests of Umbrella Merger Sub held by SPAC and issued and outstanding immediately prior to the Umbrella Merger Effective Time shall be automatically converted into and exchanged for a number of Umbrella Class A Common Units equal to the number of shares of SPAC Class A Common Stock held by the stockholders of SPAC immediately following the Umbrella Merger Effective Time.

#### Section 3.04 Exchange of Certificates.

(a) Exchange Agent. On the Closing Date (and after the Umbrella Merger Effective Time), SPAC shall deposit, or shall cause to be deposited, with a bank or trust company that shall be designated by SPAC and is reasonably satisfactory to the Companies (the "Exchange Agent"), it being agreed that CST is satisfactory to all Parties, for the benefit of the Alvarium Shareholders, the TWMH Members, the TIG GP Members and the TIG MGMT Members, for exchange in accordance with this Article III, (i) the number of shares of SPAC Common Stock (in uncertificated form or book-entry form) sufficient to deliver the (A) Alvarium Shareholders Share Consideration and (B) Aggregate Voting Share Consideration (such shares of SPAC Common Stock, together with any dividends or distributions with respect thereto pursuant to Section 3.04(d), being hereinafter referred to as the "Securities Exchange Fund") and (ii) cash sufficient to deliver the Aggregate Cash Consideration (the "Cash Exchange Fund" and together with the Securities Exchange Fund, the "Exchange Fund"). SPAC shall cause the Exchange Agent, pursuant to irrevocable instructions, to pay (i) the (A) Alvarium Shareholders Share Consideration and (B) Aggregate Voting Share Consideration out of the Securities Exchange Fund and (ii) the Aggregate Cash Consideration out of the Cash Exchange Fund, in each case, in accordance with this Agreement and Payment Spreadsheets. Except as contemplated by this Section 3.04, the Exchange Fund shall not be used for any other purpose.

(b) Exchange Procedures. As promptly as practicable after the Umbrella Merger Effective Time, to the extent the Parties agree with the Exchange Agent that it is necessary or required, SPAC shall use its reasonable best efforts to cause the Exchange Agent to mail to each Alvarium Shareholder, TWMH Member, TIG GP Member, and TIG MGMT Member a letter of transmittal, which shall be in a form reasonably acceptable to SPAC and the Companies (the "Letter of Transmittal") and shall specify, if applicable to the Alvarium Shares and the Umbrella Class B Common Units: (i) that delivery shall be effected, and risk of loss and title to the certificates evidencing such Alvarium Shares and Umbrella Class B Common Units, respectively, if any (collectively, the "Certificates") shall pass, only upon proper delivery of the Certificates to the Exchange Agent or confirmation of cancellation of such Certificates from the transfer agent and (ii) instructions for use in effecting the surrender of the Certificates pursuant to the Letter of Transmittal. Within two (2) Business Days after the surrender to the Exchange Agent of all Certificates held by such holder for cancellation (but in no event prior to the Umbrella Merger Effective Time), together with a Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto and such other documents as may be required pursuant to such instructions, the holder of such Certificates shall be entitled to receive in exchange therefor, and SPAC shall cause the Exchange Agent to deliver the Alvarium Shareholders Share Consideration, the Aggregate Voting Share Consideration, and the Aggregate Cash Consideration in accordance with Section 3.03 and the provisions of this Section 3.04, and the Certificates so surrendered shall be forthwith cancelled. Until surrendered as contemplated by this Section 3.04, each Certificate entitled to receive the Alvarium Shareholders Share Consideration, the Aggregate Voting Share Consideration, and the Aggregate Cash Consideration in accordance with Section 3.03 shall be deemed at all times after the Umbrella Merger Effective Time to represent only the right to receive upon such surrender the Alvarium Shareholders Share Consideration, the Aggregate Voting Share Consideration, and the Aggregate Cash Consideration that such holder is entitled to receive in accordance with the provisions of Section 3.03.

(c) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed in form and substance satisfactory to the Exchange Agent, the Exchange Agent will deliver in exchange for such lost, stolen or destroyed Certificate, the Alvarium Shareholders Share Consideration, the Aggregate Voting Share Consideration, and the Aggregate Cash Consideration, as the case may be, that such holder is otherwise entitled to receive pursuant to, and in accordance with, the provisions of Section 3.03.

(d) Distributions with Respect to Unexchanged Shares of SPAC Class A Common Stock. No dividends or other distributions declared or made after the Umbrella Merger Effective Time with respect to shares of SPAC Class A Common Stock with a record date after the Umbrella Merger Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to shares of SPAC Class A Common Stock represented thereby until the holder of such Certificate shall surrender such Certificate in accordance with this Section 3.04(d). Subject to the effect of escheat, Tax or other applicable Laws, following surrender of any such Certificate, SPAC shall pay to the holder of the certificates representing any shares of SPAC Class A Common Stock issued in exchange therefor, without interest, (i) the amount of dividends or other distributions with a record date after the Umbrella Merger Effective Time and theretofore paid with respect to such shares of SPAC Class A Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Umbrella Merger Effective Time but prior to surrender and a payment date occurring after surrender, payable with respect to such shares of SPAC Class A Common Stock.

(e) No Further Rights. The (i) Alvarium Shareholders Share Consideration (payable upon the transfer of the Alvarium Shares pursuant to the Alvarium Exchange), (ii) Aggregate Voting Share Consideration (payable upon the conversion of the Umbrella Class B Common Units pursuant to the Umbrella Merger), and (iii) Aggregate Cash Consideration (payable upon the conversion of the Umbrella Class B Common Units pursuant to the Umbrella Merger), shall be, in each case, deemed to have been paid and issued in full satisfaction of all rights pertaining to such Alvarium Shares and the Umbrella Class B Common Units.

(f) Adjustments to Alvarium Shareholders Share Consideration and Aggregate Voting Share Consideration. The Alvarium Shareholders Share Consideration and the Aggregate Voting Share Consideration shall be adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to shares of SPAC Common Stock occurring on or after the date hereof and prior to the Umbrella Merger Effective Time.

(g) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of Alvarium Shares and Umbrella Class B Common Units for six (6) months after the Umbrella Merger Effective Time shall be delivered to SPAC, upon demand, and such holders of Alvarium Shares and Umbrella Class B Common Units who have not theretofore complied with this Section 3.04 shall thereafter look only to SPAC for the Alvarium Shareholders Share Consideration, the Aggregate Voting Share Consideration, and the Aggregate Cash Consideration. Any portion of the Exchange Fund remaining unclaimed by the holders of Alvarium Shares and Umbrella Class B Common Units as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any government entity shall, to the extent permitted by applicable Law, become the property of SPAC free and clear of any claims or interest of any person previously entitled thereto.

(h) No Liability. None of the Exchange Agent, SPAC or any of their respective Affiliates shall be liable to any former holder of Alvarium Shares and Umbrella Class B Common Units for any such Alvarium Shares and Umbrella Class B Common Units, respectively (or dividends or distributions with respect thereto) or cash delivered to a public official pursuant to any abandoned property, escheat or similar Law in accordance with this Section 3.04.

(i) Withholding Rights. SPAC shall be entitled to deduct and withhold from the consideration otherwise payable to any person pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax Law. Prior to making any such deduction or withholding (excluding for this purpose, any payments of a compensatory nature made in connection with the performance of services or payments made to a person failing to provide a duly completed and executed Internal Revenue Service Form W-9 or applicable W-8 series form), SPAC shall use commercially reasonable efforts to provide any party on behalf of which such deduction or withholding is proposed to be made with reasonable notice of the intention to make such deduction or withholding. To the extent that amounts are so withheld by SPAC, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction and withholding was made by SPAC. Amounts withheld by the SPAC shall be paid over and remitted to the applicable Governmental Authority in accordance with applicable Law. Without limiting the foregoing, SPAC may give effect to withholding hereunder by withholding any consideration issued in the form of SPAC capital stock or other securities or other consideration issued in kind, and then selling such portion of such SPAC capital stock or other securities or other consideration issued in kind as it may determine and using the proceeds thereof to satisfy applicable withholding obligations and remitting such proceeds to applicable Governmental Authorities.

Section 3.05 Treatment of Alvarium LTIP. Alvarium shall pay all amounts due in cash to the relevant participants in the Alvarium LTIP, as determined by the committee responsible for administering the Alvarium LTIP, in the next practicable payroll following the Closing, subject to deduction of any applicable Taxes (including without limitation any amounts of income Tax and primary Class 1 National Insurance contributions required to be withheld under the Pay As You Earn withholding mechanism).

Section 3.06 SPAC Warrants. Each SPAC Warrant that is outstanding immediately prior to the Domestication Effective Time shall cease to represent a right to acquire the number of SPAC Class A Ordinary Shares set forth in such SPAC Warrant and shall be converted, at the Domestication Effective Time, into a right to acquire shares of SPAC Class A Common Stock on substantially the same terms as were in effect immediately prior to the Domestication Effective Time under the terms of the SPAC Warrant Agreement. The Parties shall take all lawful action to effect the aforesaid provisions of this Section 3.06, including causing the SPAC Warrant Agreement to be amended or amended and restated to the extent necessary to give effect to this Section 3.06.

Section 3.07 Earn-out.

(a) Alvarium Shareholders Earn-Out Consideration. Following the Closing, in addition to the consideration to be received pursuant to Section 3.03(a), if, at any time during the period following the Closing and expiring on the fifth anniversary of the Closing Date (the “Earn-Out Period”), (i) the VWAP of the shares of SPAC Class A Common Stock equals or exceeds \$12.50 for any twenty (20) Trading Days within a period of thirty (30) consecutive Trading Days (the “First Level Earn-Out Target”), then as soon as possible and in any event within ten (10) Business Days following the achievement of the First Level Earn-Out Target, SPAC shall issue 50% of the Alvarium Shareholders Earn-Out Consideration to the Alvarium Shareholders in accordance with, and pursuant to, the Alvarium Payment Spreadsheet and (ii) the VWAP of the shares of SPAC Class A Common Stock equals or exceeds \$15.00 for any twenty (20) Trading Days within a period of thirty (30) consecutive Trading Days (the “Second Level Earn-Out Target” and, together with the First Level Earn-Out Target, the “Earn-Out Targets”), then as soon as possible and in any event within ten (10) Business Days following the achievement of the Second Level Earn-Out Target, SPAC shall issue 50% of the Alvarium Shareholders Earn-Out Consideration to the Alvarium Shareholders in accordance with, and pursuant to, the Alvarium Payment Spreadsheet. Notwithstanding the foregoing, none of the Alvarium Shareholders Earn-Out Consideration issuable pursuant to this Section 3.07(a) shall be released to any Alvarium Shareholder who is required to file a notification pursuant to the HSR Act or under any applicable Antitrust Laws until any applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws has expired or been terminated. Prior to the issuance of any Alvarium Shareholders Earn-Out Consideration, if applicable, Alvarium shall provide notice to SPAC regarding (a) any such Alvarium Shareholder that is required to make a filing pursuant to the HSR Act or applicable Antitrust Laws and (b) the expiration or termination of the applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws and, as soon as possible and in any event within ten (10) Business Days of such expiration or termination, SPAC shall issue to the applicable Alvarium Shareholders Earn-Out Consideration to such Alvarium Shareholder in accordance with, and pursuant to, the Alvarium Payment Spreadsheet. In the event that any mandatory consent, clearance, approval or expiration or termination of any mandatory waiting period under Antitrust Laws is not received or satisfied in respect of an applicable Alvarium Shareholder (who was required to submit an antitrust filing in accordance with this Section 3.07(a)), Alvarium, SPAC and the Alvarium Shareholder shall use their reasonable best efforts to agree on a structure (or other solution) (such as the implication of “voting cutbacks” or other similar solutions) so as to mitigate the requirement for such Alvarium Shareholder to make a filing pursuant to the HSR or applicable Antitrust Laws (but which shall not, for the avoidance of doubt, require any such party to divest of any asset or accept any other conditions of approval or consent of a Governmental Authority other than in their absolute discretion). In lieu of such Parties being able to agree on any such solution, the SPAC shall, subject always to (x) any covenants or restrictions placed on the SPAC (and its Subsidiaries at such time) by any of the SPAC’s (or its Subsidiaries’) financing agreements, (y) the SPAC having available cash on hand to satisfy such payment, and (z) the sole and absolute discretion of the SPAC’s board of directors, pay an amount to such Alvarium Shareholder in lieu of the issuance of such Alvarium Shareholder’s portion of the Alvarium Shareholders Earn-Out Consideration equal to the Alvarium Shareholder’s portion of the Alvarium Shareholders Earn-Out Consideration that such Alvarium Shareholder would otherwise have been entitled.

(b) TWMH Members Earn-Out Consideration. Following the Closing, in addition to the consideration to be received pursuant to Section 3.03(b)(i), if, at any time during the Earn-Out Period, (i) First Level Earn-Out Target is achieved, then within ten (10) Business Days following the achievement of the First Level Earn-Out Target, SPAC shall issue, and shall cause Umbrella to issue, 50% of the TWMH Members Earn-Out Consideration to the TWMH Members in accordance with, and pursuant to, the TWMH Payment Spreadsheet and (ii) Second Level Earn-Out Target is achieved, then within ten (10) Business Days following the achievement of the Second Level Earn-Out Target, SPAC shall issue, and shall cause Umbrella to issue, 50% of the TWMH Members Earn-Out Consideration to the TWMH Members in accordance with, and pursuant to, the TWMH Payment Spreadsheet. Notwithstanding the foregoing, none of the TWMH Members Earn-Out Consideration issuable pursuant to this Section 3.07(b) shall be released to any TWMH Member who is required to file a notification pursuant to the HSR Act or under any applicable Antitrust Laws until any applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws has expired or been terminated. Prior to the issuance of any TWMH Members Earn-Out Consideration, if applicable, TWMH shall provide notice to SPAC regarding (a) any such TWMH that is required to make a filing pursuant to the HSR Act or applicable Antitrust Laws and (b) the expiration or termination of the applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws and, within ten (10) Business Days of such expiration or termination, SPAC shall issue, and shall cause Umbrella to issue, the applicable TWMH Members Earn-Out Consideration to such TWMH Member in accordance with, and pursuant to, the TWMH Payment Spreadsheet. In the event that any mandatory consent, clearance, approval or expiration or termination of any mandatory waiting period under Antitrust Laws is not received or satisfied in respect of an applicable TWMH Member (who was required to submit an antitrust filing in accordance with this Section 3.07(b)), TWMH, SPAC and the TWMH Member shall use their reasonable best efforts to agree on a structure (or other solution) (such as the implication of “voting cutbacks” or other similar solutions) so as to mitigate the requirement for such TWMH Member to make a filing pursuant to the HSR or applicable Antitrust Laws (but which shall not, for the avoidance of doubt, require any such party to divest of any asset or accept any other conditions of approval or consent of a Governmental Authority other than in their absolute discretion). In lieu of such Parties being able to agree on any such solution, the SPAC shall, subject always to (x) any covenants or restrictions placed on the SPAC (and its Subsidiaries at such time) by any of the SPAC’s (or its Subsidiaries’) financing agreements, (y) the SPAC having available cash on hand to satisfy such payment, and (z) the sole and absolute discretion of the SPAC’s board of directors, pay an amount to such TWMH Member in lieu of the issuance of such TWMH Member’s portion of the TWMH Members Earn-Out Consideration equal to such TWMH Member’s portion of the TWMH Members Earn-Out Consideration that such TWMH Member would otherwise have been entitled.

(c) TIG Entities Members Earn-Out Consideration. Following the Closing, in addition to the consideration to be received pursuant to Section 3.03(b)(ii) (with respect to the TIG GP Members) or Section 3.03(b)(iii) (with respect to the TIG MGMT Members), if, at any time during the Earn-Out Period, (i) the First Level Earn-Out Target is achieved, then within ten (10) Business Days following the achievement of the First Level Earn-Out Target, SPAC shall issue, and shall cause Umbrella to issue, 50% of the TIG Entities Members Earn-Out Consideration to the TIG GP Members and the TIG MGMT Members in accordance with, and pursuant to, the TIG Entities Payment Spreadsheet and (ii) Second Level Earn-Out Target is achieved, then within ten (10) Business Days following the achievement of the Second Level Earn-Out Target, SPAC shall issue, and shall cause Umbrella to issue, 50% of the TIG Entities Members Earn-Out Consideration to the TIG GP Members and the TIG MGMT Members in accordance with, and pursuant to, the TIG Entities Payment Spreadsheet. Notwithstanding the foregoing, none of the TIG Entities Members Earn-Out Consideration issuable pursuant to this Section 3.07(c) shall be released to any TIG GP Member or TIG MGMT Member who is required to file a notification pursuant to the HSR Act or under any applicable Antitrust Laws until any applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws has expired or been terminated. Prior to the issuance of any TIG Entities Members Earn-Out Consideration, if applicable, TIG GP or TIG MGMT, as the case may be, shall provide notice to SPAC regarding (a) any such TIG GP Member or TIG MGMT Member, as applicable, that is required to make a filing pursuant to the HSR Act or applicable Antitrust Laws and (b) the expiration or termination of the applicable waiting period pursuant to the HSR Act or applicable Antitrust Laws and, within ten (10) Business Days of such expiration or termination, SPAC shall issue, and shall cause Umbrella to issue, the applicable TIG Entities Members Earn-Out Consideration to such TIG GP Member or TIG MGMT Member, as applicable, in accordance with, and pursuant to, the TIG Entities Payment Spreadsheet. In the event that any mandatory consent, clearance, approval or expiration or termination of any mandatory waiting period under Antitrust Laws is not received or satisfied in respect of an applicable TIG GP or TIG MGMT Member (who was required to submit an antitrust filing in accordance with this Section 3.07(c)), TIG GP, TIG MGMT, SPAC and the TIG GP Member or TIG MGMT Member, as applicable, shall use their reasonable best efforts to agree on a structure (or other solution) (such as the implication of “voting cutbacks” or other similar solutions ) so as to mitigate the requirement for such TIG GP Member or TIG MGMT Member, as applicable, to make a filing pursuant to the HSR or applicable Antitrust Laws (but which shall not, for the avoidance of doubt, require any such party to divest of any asset or accept any other conditions of approval or consent of a Governmental Authority other than in their absolute discretion). In lieu of such Parties being able to agree on any such solution, the SPAC shall, subject always to (x) any covenants or restrictions placed on the SPAC (and its Subsidiaries at such time) by any of the SPAC’s (or its Subsidiaries’) financing agreements, (y) the SPAC having available cash on hand to satisfy such payment, and (z) the sole and absolute discretion of the SPAC’s board of directors, pay an amount to such TIG GP Member or TIG MGMT Member, as applicable, in lieu of the issuance of such TIG GP Member’s or TIG MGMT Member’s, as applicable, portion of the TIG Entities Members Earn-Out Consideration equal to such TIG GP Member’s or TIG MGMT Member’s, as applicable, portion of the TIG Entities Members Earn-Out Consideration that such TIG GP Member or TIG MGMT Member, as applicable, would otherwise have been entitled.

(d) Achievement of Both Earn-Out Targets. For the avoidance of doubt, the First Level Earn-Out Target and the Second Level Earn-Out Target may both be satisfied over the same period of Trading Days or any other periods that have overlapping Trading Days, and if each Earn-Out Target is separately met (i) the Alvarium Shareholders' Earn-Out Consideration, the TWMH Members Earn-Out Consideration and the TIG Entities Members Earn-Out Consideration in connection with each such Earn-Out Target shall be earned and no longer subject to the restrictions set forth in this Section 3.07, and shall be cumulative with the Alvarium Shareholders' Earn-Out Consideration, the TWMH Members Earn-Out Consideration, and the TIG Entities Members Earn-Out Consideration earned prior to such time and (ii) in no event shall the Alvarium Shareholders, the TWMH Members and TIG Entities Members be entitled to receive in the aggregate more than the Aggregate Earn-Out Consideration.

(e) If any Earn-Out Target shall not be satisfied during the Earn-Out Period, the obligations in this Section 3.07 with respect to such Earn-Out Target shall terminate and no longer apply.

(f) Notwithstanding anything in this Agreement to the contrary, if a SPAC Change of Control occurs during the Earn-Out Period, then, immediately prior to the consummation of such SPAC Change of Control, (i) any Earn-Out Target that has not been previously satisfied shall be deemed to be satisfied and (ii) the Alvarium Shareholders' Earn-Out Consideration, the TWMH Members Earn-Out Consideration, and the TIG Entities Members Earn-Out Consideration in connection with each such Earn-Out Target shall be earned and no longer subject to the restrictions set forth in this Section 3.07. For the purposes of this Section 3.07, a "SPAC Change of Control" means (A) a sale, lease, license or other disposition, in a single transaction or a series of related transactions, of fifty percent (50%) or more of the assets of SPAC and its Subsidiaries, taken as a whole; (B) a merger, consolidation or other business combination of SPAC in any person or "group" (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act as in effect on the Closing Date) acquiring at least fifty percent (50%) of the combined voting power of the then outstanding securities of SPAC or the surviving person outstanding immediately after such merger, consolidation or other business combination; or (C) any person or "group" (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act as in effect on the Closing Date) obtaining beneficial ownership (as defined in Rules 13d-3 and 13d-5 under the Exchange Act) of the voting stock of SPAC representing more than fifty percent (50%) of the voting power of the capital stock of SPAC entitled to vote for the election of directors of SPAC.

(g) The Aggregate Earn-Out Consideration and the Earn-Out Targets shall be adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into shares of SPAC Class A Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to shares of SPAC Class A Common Stock, occurring on or after the date hereof and prior to the time any such Aggregate Earn-Out Consideration is delivered to the Alvarium Shareholders, the TWMH Members, the TIG GP Members, or the TIG MGMT Members, if any.

(a) The Domestication is intended to qualify as a reorganization within the meaning of Section 368(a)(1)(F) of the Code, and this Agreement shall be adopted as a plan of reorganization.

(b) Any portion of the amounts that are deemed to be contributed to Umbrella by the SPAC pursuant to the Umbrella Merger and that are not included in the TIG Entities Members Cash Consideration, or the TWMH Members Cash Consideration are intended to be governed by Section 721 of the Code.

(c) Any portion of the amounts that are deemed to be contributed to Umbrella by the SPAC pursuant to the Umbrella Merger and that are included in the TIG Entities Members Cash Consideration, or the TWMH Members Cash Consideration, are intended to be treated as a disguised sale of partnership interests governed by Section 707(a)(2) (B) of the Code and the Treasury Regulations thereunder (the “Deemed Sale”).

(d) The Alvarium Exchange shall be treated as an exchange (i) subject to Section 1001 of the Code, and (ii) governed by IRS Revenue Ruling 99-6, 1999-1 C.B. 432 (Situation 2), and, pursuant thereto, (A) with respect to the SPAC, (1) the Alvarium Topco shall be deemed to make a liquidating distribution of its assets to the Alvarium Shareholders, and (2) the SPAC shall be deemed to acquire, by purchase, all such assets; and (B) with respect to the Alvarium Shareholders, the Alvarium Shareholders shall be treated as selling partnership interests.

(e) The Alvarium Contribution is intended to be governed by Section 721 of the Code.

TWMH has all necessary power and authority to execute and deliver this Agreement and each of the other Transaction Documents to which it is a party, to perform its obligations hereunder and thereunder and to consummate the Transactions. The execution and delivery by TWMH of this Agreement, the execution and delivery at Closing by TWMH of each of the other Transaction Documents to which it is a party, and the consummation by TWMH of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of TWMH are necessary to authorize the entry into this Agreement or such other Transaction Documents or to consummate the Transactions. This Agreement has been and, at the Closing, each of the other Transaction Documents to which TWMH is a party will be, duly and validly executed and delivered by TWMH and, assuming the due authorization, execution and delivery by the other Parties thereto constitutes, or will at the Closing constitute, a legal, valid and binding obligation of TWMH, enforceable against TWMH in accordance with its terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, by general equitable principles (the "Remedies Exceptions").

Section 4.05 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement by TWMH and each of the other Transaction Documents does not and, subject to receipt of the consents, approvals, authorizations or permits, filings and notifications contemplated by Section 4.05(b), the performance of its obligations under this Agreement and each of the other Transaction Documents by TWMH will not (i) conflict with or violate the TWMH Corporate Documents (in the case of TWMH) or equivalent organizational documents (in the case of the TWMH Subsidiaries), (ii) conflict with or violate any United States or non-United States statute, law, ordinance, regulation, rule, code, executive order, injunction, judgment, decree or other order ("Law") applicable to TWMH or any TWMH Subsidiary or by which any property or asset of TWMH or any TWMH Subsidiary is bound or affected, or (iii) result in any breach of or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, result in any material payment or penalty under, or give to others any right of termination, amendment, acceleration or cancellation of any Indebtedness, or result in the creation of a Lien (other than any Permitted Lien) on any material property or asset of TWMH or any TWMH Subsidiary pursuant to, any TWMH Material Contract, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries, taken as a whole.

(b) The execution and delivery by TWMH of this Agreement and each other Transaction Document to which it is a party does not and will not, and the performance by TWMH of its obligations under this Agreement and each other such Transaction Document will not, require any consent, approval, authorization or permit of, or filing with or notification to, any United States federal, state, county or local or non-United States government, governmental, supra-national, regulatory or administrative authority, agency, instrumentality or commission or any court, tribunal, or judicial or arbitral body (a “Governmental Authority”), except (i) for applicable requirements, if any, of the Exchange Act, Securities Act, state securities or “blue sky” laws (“Blue Sky Laws”) and the pre-merger notification requirements of the HSR Act, or (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries, taken as a whole.

No suspension or cancellation of any of the TWMH Permits is pending or, to the knowledge of TWMH, threatened in writing. Neither TWMH nor any TWMH Subsidiary is in conflict with, or in default, breach or violation of, (a) any Law applicable to TWMH or any TWMH Subsidiary or by which any property or asset of TWMH or any TWMH Subsidiary is bound or affected, or (b) any TWMH Material Contract or TWMH Permit, except, in each case, for any such conflicts, defaults, breaches or violations that would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries, taken as a whole. “TWMH Permits” means all of the material franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Authority held by TWMH or any TWMH Subsidiary necessary for TWMH or any applicable TWMH Subsidiary to own, lease and operate its or their properties or to carry on its or their business as it is now being conducted.

Since January 1, 2018, none of TWMH, any TWMH Subsidiary or, to the knowledge of TWMH, any officer or key employee of TWMH or any such TWMH Subsidiary has threatened or harassed or in any other manner discriminated against an employee of TWMH or any TWMH Subsidiary in the terms and conditions of employment because of any act of such employee described in 18 U.S.C. sec. 1514A(a).

(g) All accounts receivable of TWMH and the TWMH Subsidiaries reflected on the TWMH 2021 Balance Sheet or arising thereafter have arisen from bona fide transactions in the ordinary course of business consistent with past practices and in accordance with US GAAP and, to the knowledge of TWMH, are collectible, subject to bad debts reserved on the TWMH 2021 Balance Sheet. To the knowledge of TWMH, such accounts receivables are not subject to valid defenses, setoffs or counterclaims, other than routine credits granted for errors in pricing, discounts, rebates, returns in the ordinary course of business and other similar matters. To the knowledge of TWMH, TWMH's reserve for contractual allowances and doubtful accounts is adequate in all material respects and has been calculated in a manner consistent with past practices. Since the date of the TWMH 2021 Balance Sheet, neither TWMH nor any of the TWMH Subsidiaries has modified or changed in any material respect its sales practices or methods including, without limitation, such practices or methods in accordance with which TWMH or any of the TWMH Subsidiaries sell services, fill orders or record sales.

(h) All accounts payable of TWMH and the TWMH Subsidiaries reflected on the TWMH 2021 Balance Sheet or arising thereafter are the result of bona fide transactions in the ordinary course of business and have been paid or are not yet due or payable (including, for the avoidance of doubt, where any applicable contract permits the counterparty a grace period and such grace period is yet to expire, or the parties to such contract have otherwise agreed that the applicable payment date shall be extended). Since the date of the TWMH 2021 Balance Sheet, neither TWMH nor the TWMH Subsidiaries have altered in any material respects their practices for the payment of such accounts payable, including the timing of such payment.

Section 4.08 Absence of Certain Changes or Events. Since the date of the TWMH 2021 Balance Sheet, except as otherwise reflected in the TWMH Audited Financial Statements, or as expressly contemplated by this Agreement, (a) TWMH and the TWMH Subsidiaries have conducted their respective businesses in all material respects in the ordinary course and in a manner consistent with past practice, (b) TWMH and the TWMH Subsidiaries have not sold, assigned or otherwise transferred any right, title, or interest in or to any of their material assets (including Intellectual Property and Business Systems) other than non-exclusive licenses or assignments or transfers in the ordinary course of business, (c) there has not been any TWMH Material Adverse Effect, and (d) none of TWMH nor any TWMH Subsidiary has taken any action that, if taken after the date of this Agreement, would reasonably be expected to constitute a material breach of any of the covenants set forth in Section 9.01.

Section 4.09 Absence of Litigation. There is no material Action pending or, to the knowledge of TWMH, threatened against TWMH or any TWMH Subsidiary, or any property or asset of TWMH or any TWMH Subsidiary, before any Governmental Authority. Neither TWMH nor any TWMH Subsidiary nor any material property or asset of TWMH or any TWMH Subsidiary is, subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the knowledge of TWMH, continuing investigation by, any Governmental Authority, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Authority.

Section 4.10 Employee Benefit Plans.

(a) All non-standard employment contracts or agreements and contracts or agreements with non-entity, individual consultants to which TWMH or any TWMH Subsidiary is a party, except those that would not be material to TWMH and the TWMH Subsidiaries taken as a whole, with respect to which TWMH or any TWMH Subsidiary has any severance and/or change in control obligations (and, for the avoidance of doubt, excluding standard form agreements for employees outside of the United States and contracts or agreements that can be terminated at any time without severance or termination pay or upon notice of not more than 60 days), have been made available to SPAC (collectively, the “TWMH Service Agreements”) and set forth on Section 4.10(a) of the TWMH Disclosure Schedule. In addition, Section 4.10(a) of the TWMH Disclosure Schedule lists, as of the date of this Agreement, all employee benefit plans (as defined in Section 3(3) of ERISA, whether or not subject thereto) and all bonus, equity or equity-based compensation, incentive, deferred compensation, retiree medical or life insurance, supplemental retirement, severance, change in control, fringe benefit, sick pay and vacation and other material employee benefit plans, programs or arrangements, in each case, which are sponsored, maintained and/or contributed to by TWMH or any TWMH Subsidiary for the benefit of any current or former employee, member, director or consultant, or under which TWMH or any TWMH Subsidiary has or could reasonably be expected to incur any material liability (contingent or otherwise) (collectively, the “TWMH Plans”).

(b) With respect to each TWMH Plan, TWMH has made available to SPAC, if applicable (i) a true and complete copy of the current plan document and all material amendments thereto and each trust or other funding arrangement, (ii) copies of the most recent summary plan description and any summaries of material modifications, (iii) copies of the Internal Revenue Service (“IRS”) Form 5500 annual report and accompanying schedules and nondiscrimination testing results, in each case, for the three (3) most recent plan years, (iv) copies of the most recently received IRS determination, opinion or advisory letter for each such TWMH Plan, and (v) any material non-routine correspondence from any Governmental Authority with respect to any TWMH Plan since January 1, 2018. Neither TWMH nor any TWMH Subsidiary has any express commitment to modify, change or terminate any TWMH Plan, other than with respect to a modification, change or termination required by ERISA or the Code, or other applicable Law.

(c) Neither TWMH nor any of its ERISA Affiliates currently sponsors, maintains or contributes to, nor has, in the past six years, sponsored, maintained or been required to contribute to, nor has any liability or obligation (contingent or otherwise) under (i) a multiemployer plan (within the meaning of Section 3(37) or 4001(a)(3) of ERISA), (ii) a single employer pension plan (within the meaning of Section 4001(a)(15) of ERISA) subject to Section 412 of the Code or Title IV of ERISA, (iii) a multiple employer plan subject to Section 413(c) of the Code, or (iv) a multiple employer welfare arrangement under ERISA as defined under Section 3(40) of ERISA.

The Transactions shall not be the direct or indirect cause of any amount paid or payable by TWMH or any TWMH Subsidiary being classified as an “excess parachute payment” under Section 280G of the Code.

(e) None of the TWMH Plans nor TWMH Service Agreements provides, nor does TWMH nor any TWMH Subsidiary have or reasonably expect to have any obligation to provide retiree medical benefits to any current or former employee, officer, director or consultant of TWMH or any TWMH Subsidiary after termination of employment or service except as may be required under Section 4980B of the Code and Parts 6 and 7 of Title I of ERISA and the regulations thereunder.

No Action is pending or, to the knowledge of TWMH, threatened with respect to any TWMH Plan (other than claims for benefits in the ordinary course) or TWMH Service Agreement and, to the knowledge of TWMH, no fact or event exists that could reasonably be expected to give rise to any material liability to TWMH or any TWMH Subsidiary in respect of any such Action.

(g) Each TWMH Plan that is intended to be qualified under Section 401(a) of the Code or Section 401(k) of the Code has (i) timely received a favorable determination letter from the IRS covering all of the provisions applicable to the TWMH Plan for which determination letters are currently available that the TWMH Plan is so qualified and each trust established in connection with such TWMH Plan is exempt from federal income taxation under Section 501(a) of the Code or (ii) is entitled to rely on a favorable opinion letter from the IRS and, in either case, to the knowledge of TWMH, no fact or event has occurred since the date of such determination or opinion letter or letters from the IRS that could reasonably be expected to result in the loss of the qualified status of any such TWMH Plan or the exempt status of any such trust.

(h) There has not been any prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) nor any reportable events (within the meaning of Section 4043 of ERISA) with respect to any TWMH Plan that would reasonably be expected to result in material liability to TWMH or any of the TWMH Subsidiaries. There have been no acts or omissions by TWMH or any ERISA Affiliate that have given or could reasonably be expected to give rise to any material fines, penalties, Taxes or related charges under Sections 502 or 4071 of ERISA or Section 511 or Chapter 43 of the Code in respect of any TWMH Plan for which TWMH or, to the extent TWMH could reasonably be expected to incur any liability, any ERISA Affiliate may be liable.

(i) All contributions, premiums or payments required to be made with respect to any TWMH Plan have been timely made to the extent due or properly accrued to the extent required under US GAAP on the consolidated financial statements of TWMH and the TWMH Subsidiaries, except as would not result in material liability to TWMH and the TWMH Subsidiaries.

(k) TWMH and each TWMH Plan that is a “group health plan” as defined in Section 733(a)(1) of ERISA (each, a “TWMH Health Plan”) is and has been in compliance, in all material respects, with the Patient Protection and Affordable Care Act of 2010 (“PPACA”), and no event has occurred, and no condition or circumstance exists, that could reasonably be expected to subject TWMH, any ERISA Affiliate (to the extent TWMH could reasonably be expected to incur any liability) or any TWMH Health Plan to any material liability for penalties or excise taxes under Code Section 4980D or 4980H or any other provision of the PPACA.

(l) Each TWMH Plan and each TWMH Service Agreement that constitutes a nonqualified deferred compensation plan subject to Section 409A of the Code has been administered and operated, in all material respects, in compliance with the provisions of Section 409A of the Code and the Treasury Regulations thereunder. (f) As of the date hereof, no TWMH RIA Entity is currently subject to, or has received written notice of, an examination, inspection, investigation or inquiry by a Governmental Authority. Each TWMH RIA Entity that has in the past undergone an examination, inspection, investigation or inquiry from a Governmental Authority and that has received, at the conclusion thereof, communication from such Governmental Authority regarding the outcome of such examination, inspection, investigation or inquiry (e.g., a “deficiency letter” or other such communication), has (i) timely responded, to the extent required, to such communication and (ii) remedied or otherwise corrected any issue(s) or compliance matter(s) identified in such communication in the manner asserted in such responsive communication, and has experienced no repeated incidents of the nature identified by the Governmental Authority in its communication to the TWMH RIA Entity that would lead to possible “recidivist” status, except to the extent as would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries (including as a result of discovery by any Governmental Authority in a future examination, inspection, investigation or inquiry), taken as a whole.

(g) No TWMH RIA Entity is prohibited from charging fees to any Person pursuant to “pay-to-play” rule or requirement applicable to such TWMH RIA Entity (including, with respect to each TWMH U.S. RIA Entity, Rule 206(4)-5 under the Investment Advisers Act), except as would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries, taken as a whole.

(h) Neither TWMH nor any TWMH Subsidiary has, since January 1, 2018, entered into or been a party to any effective agreement with any person to (i) solicit or find investors for investment in any Fund or (ii) solicit or find investment advisory clients for TWMH or any TWMH Subsidiary, except (A) in the case of (i), persons who either are and at all times relevant were registered with any and all Government Authorities and/or Self-Regulatory Organizations as required by Law to conduct such activities or are and at all times relevant were exempt from such registration under applicable Law and (B) in the case of (ii), pursuant to a written agreement in conformance with the “cash solicitation rule” then applicable under the Investment Advisers Act.

(b) Except as would not, individually or in the aggregate, reasonably be expected to be material to TWMH and the TWMH Subsidiaries, taken as a whole, each Client's account is being managed, and has since January 1, 2018 (or inception of the relationship, if later) been managed, by the applicable TWMH RIA Entity in compliance with (i) applicable Law, (ii) the Client's Advisory Agreement, and (iii) the Client's written investment objectives, policies and restrictions agreed to by such TWMH RIA Entity.

(c) No TWMH RIA Entity provides Investment Advisory Services to any person other than the Clients. Each TWMH RIA Entity provides Investment Advisory Services to Clients solely pursuant to written Advisory Agreements.

(i) Each Private Fund advised by TWMH or any TWMH Subsidiary currently is, and has since January 1, 2018 been operated, in compliance with (A) applicable Law, (B) its governing documents, registration statements, prospectuses, offering documents and agreements, and (C) its written investment objectives, policies and restrictions.

(ii) No Private Fund advised by TWMH or any TWMH Subsidiary since January 1, 2018 is or was while under such management required to register as an investment company under the Investment Company Act.

(iii) Since January 1, 2018, none of the offering memoranda used in connection with an offering of shares, units or interests of any Private Fund advised by TWMH or any TWMH Subsidiary, including any supplemental advertising and marketing materials prepared by or on behalf of TWMH or any TWMH Subsidiary thereof, contained an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(iv) There are no liabilities or obligations of any Fund advised by TWMH or any TWMH Subsidiary of any kind whatsoever, whether known or unknown, accrued, contingent, absolute, determined, determinable or otherwise other than for each Private Fund advised by TWMH or any TWMH Subsidiary, which such liabilities or obligations are disclosed and provided for in the balance sheet of such Private Fund or referred to in the notes thereto contained in the most recent report (A) distributed by such Private Fund to its shareholders or other interest holders or (B) as applicable, filed with a non-US Governmental Authority or Self-Regulatory Organization.

(v) There are no Actions pending or, to the knowledge of TWMH, threatened in writing, before any Governmental Authority or Self-Regulatory Organization, or before any arbitrator of any nature, brought by or against any of the Private Funds advised by TWMH or any TWMH Subsidiary or any of their officers or directors involving or relating to such Private Funds, the assets, properties or rights of any such Private Funds.

(vi) No Private Fund advised by TWMH or any TWMH Subsidiary is suspending redemptions and there are no material outstanding written requests for redemptions in any of such Funds.

None of TWMH, any TWMH Subsidiary, or any affiliate of TWMH has been: (a) registered as a Broker-Dealer with the SEC or any state and other jurisdictions in which it would be required to be so registered, or has been required to be so registered or (b) a member firm of FINRA or any other broker-dealer Self-Regulatory Organization. No natural person controlling, controlled by, or under common control with TWMH, or otherwise associated with such an entity has been or is now engaged in functions that require him or her to be licensed as a representative or principal of, and registered with, any Broker-Dealer or a member firm of FINRA or under any state or other jurisdiction or, if so registered, any such registration is not and has not been, suspended, revoked or rescinded and remain in full force and effect.

Neither TWMH nor any TWMH Subsidiary is required to be registered as a CPO/CTA (the "Exempt CTA/CPO Entities"). Each Exempt CTA/CPO Entity has duly claimed, and, since January 1, 2018, has complied to the extent required with, an exemption from registration as a CPO/CTA. Each natural Person whose functions require him or her to be licensed as an associated person of, and registered with, a CPO/CTA Subsidiary is registered with the NFA and such registrations are not, suspended, revoked or rescinded and remain in full force and effect, and no such natural Person is registered with more than one entity in any jurisdiction where such multiple registrations would violate any applicable Law. (b) The current Form 7-R of each CPO/CTA Subsidiary is, and any Form 7-R of TWMH or any affiliate filed before the Closing Date will be at the time of filing, in compliance in all material respects with the applicable requirements of the CEA, the rules thereunder and the rules of any Self-Regulatory Organization, as applicable.

(d) No fact relating to a CPO/CTA Subsidiary or any “principal” of a CPO/CTA Subsidiary, as defined in Form 8-R, requires any response in the affirmative to any question relating to “Criminal Disclosures” in the Form 7-R or in the principal’s Form 8-R, except to the extent that such facts have been reflected on such forms.

(e) To the knowledge of TWMH, no Governmental Authority has, since January 1, 2018, formally initiated any Action into a CPO/CTA Subsidiary and no CPO/CTA Subsidiary has received any written indication of the commencement of an Action from the CFTC, the NFA or any other Governmental Authority, or other notice alleging any material noncompliance with any applicable Law governing its operations.

Section 4.29 Exclusivity of Representations and Warranties. Except as otherwise expressly provided in this Article IV (as modified by the TWMH Disclosure Schedule), TWMH (on behalf of itself, the TWMH Subsidiaries, each of their affiliates, and such person’s directors, managers, officers and employees) hereby expressly disclaims and negates, any other express or implied representation or warranty whatsoever (whether at law or in equity) with respect to TWMH, the TWMH Subsidiaries, their affiliates, and any matter relating to any of them, including their affairs, the condition, value or quality of the assets, liabilities, financial condition or results of operations, or with respect to the accuracy or completeness of any other information made available to SPAC, its affiliates or any of their respective Representatives by, or on behalf of, TWMH or the TWMH Subsidiaries, and any such representations or warranties are expressly disclaimed, and no such liability shall attach to TWMH (or the TWMH Subsidiaries, each of their affiliates, and such person’s directors, managers, officers and employees) in respect of the accuracy or completeness of any information provided or made available to SPAC. TWMH acknowledges and agrees that it is not relying on any representation or warranty by any other Party in entering into this Agreement, except those representations and warranties expressly set forth in this Agreement.

Each of the TIG Entities and each TIG Subsidiary is duly qualified or licensed as a foreign entity to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except for such failures to be so qualified or licensed and in good standing that would not reasonably be expected to have, individually or in the aggregate, a TIG Material Adverse Effect.

(b) A true and complete list of all TIG Subsidiaries, together with the jurisdiction of formation or other organization of each such TIG Subsidiary and the percentage of the outstanding equity interest of each TIG Subsidiary owned by the TIG Entities and each other TIG Subsidiary, is set forth in Section 5.01(b) of the TIG Disclosure Schedule. The TIG GP Corporate Documents (in the case of the TIG GP), the TIG MGMT Corporate Documents (in the case of the TIG MGMT) or equivalent organizational documents (in the case of the TIG Subsidiaries) are in full force and effect. TIG GP is not in violation of any of the provisions of the TIG GP Corporate Documents, TIG MGMT is not in violation of any of the provisions of the TIG MGMT Corporate Documents and none of the TIG Subsidiaries is in violation of any of the provisions of any equivalent organizational documents.

(e) Each outstanding equity interest of each TIG Subsidiary is owned by one of the TIG Entities or another TIG Subsidiary free and clear of all Liens, options, rights of first refusal and limitations on the TIG Entities' or any TIG Subsidiary's voting rights, other than transfer restrictions under applicable securities Laws and TIG GP Corporate Documents (in the case of the TIG GP), the TIG MGMT Corporate Documents (in the case of the TIG MGMT) or equivalent organizational documents (in the case of the TIG Subsidiaries).

(f) The TIG GP Members collectively own directly and beneficially, all of the equity of TIG GP (which are represented by the issued and outstanding TIG GP Interests) and the TIG MGMT Members collectively own directly and beneficially, all of the equity of TIG MGMT (which are represented by the issued and outstanding TIG MGMT Interests). Each of the TIG Entities has all necessary power and authority to execute and deliver this Agreement and each of the other Transaction Documents to which it is a party, to perform its obligations hereunder and thereunder and to consummate the Transactions. The execution and delivery by each of the TIG Entities of this Agreement, the execution and delivery at Closing by each of the TIG Entities of each of the other Transaction Documents to which it is a party, and the consummation by each of the TIG Entities of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of each of the TIG Entities are necessary to authorize the entry into this Agreement or such other Transaction Documents or to consummate the Transactions. This Agreement has been and, at the Closing, each of the other Transaction Documents to which each of the TIG Entities is a party will be, duly and validly executed and delivered by each of the TIG Entities and, assuming the due authorization, execution and delivery by the other Parties thereto constitutes, or will at the Closing constitute, a legal, valid and binding obligation of each of the TIG Entities, enforceable against each of the TIG Entities in accordance with its terms, except as limited by the Remedies Exceptions.

Section 5.05 No Conflict; Required Filings and Consents.

(a) The execution and delivery by each of the TIG Entities of this Agreement and each of the other Transaction Documents does not and, subject to the receipt of the consents, approvals, authorizations or permits, filings and notifications contemplated by Section 5.05(b), the performance of their obligations under this Agreement and each of the other Transaction Documents by each of the TIG Entities will not (i) conflict with or violate the TIG GP Corporate Documents (in the case of the TIG GP), the TIG MGMT Corporate Documents (in the case of the TIG MGMT) or equivalent organizational documents (in the case of the TIG Subsidiaries), (ii) conflict with or violate any Law applicable to the TIG Entities or any TIG Subsidiary or by which any property or asset of the TIG Entities or any TIG Subsidiary is bound or affected, or (iii) result in any breach of or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, result in any material payment or penalty under, or give to others any right of termination, amendment, acceleration or cancellation of, any Indebtedness, or result in the creation of a Lien (other than any Permitted Lien) on any material property or asset of either of the TIG Entities or any TIG Subsidiary pursuant to, any TIG Material Contract, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not, individually or in the aggregate, reasonably be expected to be material to the TIG Entities and the TIG Subsidiaries, taken as a whole.

Section 5.06 Permits; Compliance. Section 5.06 of the TIG Disclosure Schedule sets forth a true, correct and complete list, as of the date of this Agreement, of all of the TIG Permits. The applicable TIG Entity or any applicable TIG Subsidiary is in possession of all of the TIG Permits, except where the failure to have such TIG Permits would not, individually or in the aggregate, reasonably be expected to be material to the TIG Entities and the TIG Subsidiaries, taken as a whole. No suspension or cancellation of any of the TIG Permits is pending or, to the knowledge of the TIG Entities, threatened in writing. Neither of the TIG Entities nor any TIG Subsidiary is in conflict with, or in default, breach or violation of, (a) any Law applicable to either of the TIG Entities or any TIG Subsidiary or by which any property or asset of either of the TIG Entities or any TIG Subsidiary is bound or affected, or (b) any TIG Material Contract or TIG Permit, except, in each case, for any such conflicts, defaults, breaches or violations that would not, individually or in the aggregate, reasonably be expected to be material to the TIG Entities and the TIG Subsidiaries, taken as a whole. “TIG Permits” means all of the material franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Authority held by the TIG Entities or any TIG Subsidiary necessary for the TIG Entities or any applicable TIG Subsidiary to own, lease and operate its or their properties or to carry on its or their business as it is now being conducted.

The TIG Unaudited Financial Statements were prepared in accordance with US GAAP applied on a consistent basis throughout the periods indicated, and fairly present, in all material respects, the financial position, results of operations and cash flows of the TIG Entities and the TIG Subsidiaries as at the date thereof and for the period indicated therein, except as otherwise noted therein and subject to normal and recurring year-end adjustments and the absence of notes.

(c) The TIG PCAOB Financials, when delivered by the TIG Entities, shall (i) be prepared in accordance with US GAAP applied on a consistent basis throughout the periods indicated, except as may be indicated in the notes thereto and subject, in the case of unaudited interim period financial statements, to the absence of footnotes and normal recurring year-end audit adjustments, (ii) be prepared in accordance with the auditing standards of the PCAOB, and (iii) fairly present, in all material respects, the financial position, results of operations and cash flows of the TIG Entities and the TIG Subsidiaries as at the dates thereof and for the periods indicated therein.

(d) Except as and to the extent set forth on the TIG Audited Financial Statements or the TIG 2021 Balance Sheet, neither the TIG Entities nor any TIG Subsidiary has any liability or obligation of a nature (whether accrued, absolute, contingent or otherwise) required to be reflected on a balance sheet prepared in accordance with US GAAP, except for: (i) liabilities that were incurred in the ordinary course of business since the date of such TIG 2021 Balance Sheet, (ii) obligations for future performance under any contract to which the TIG Entities or any TIG Subsidiary is a party, or (iii) liabilities and obligations which would not, individually or in the aggregate, reasonably be expected to be material to the TIG Entities and the TIG Subsidiaries, taken as a whole.

(e) Since January 1, 2018 (i) neither of the TIG Entities nor any TIG Subsidiary nor, to the knowledge of the TIG Entities', any director, officer, key employee, auditor, accountant or Representative of the TIG Entities or any TIG Subsidiary, has received any written complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of either of the TIG Entities or any TIG Subsidiary or their respective internal accounting controls, including any such written complaint, allegation, assertion or claim that either of the TIG Entities or any TIG Subsidiary has engaged in questionable accounting or auditing practices and (ii) there have been no internal investigations regarding accounting or revenue recognition discussed with, reviewed by or initiated at the direction of the chief executive officer, chief operating officer, general counsel, TIG GP Managing Member, TIG MGMT Managing Member or any committee thereof.

Since January 1, 2018, neither of the TIG Entities, any TIG Subsidiary or, to the knowledge of the TIG Entities, any officer or key employee of either of the TIG Entities or any such TIG Subsidiary has threatened or harassed or in any other manner discriminated against an employee of either of the TIG Entities or any TIG Subsidiary in the terms and conditions of employment because of any act of such employee described in 18 U.S.C. sec. 1514A(a).

(g) All accounts receivable of the TIG Entities and the TIG Subsidiaries reflected on the TIG 2021 Balance Sheet or arising thereafter have arisen from bona fide transactions in the ordinary course of business consistent with past practices and in accordance with US GAAP and, to the knowledge of the TIG Entities, are collectible, subject to bad debts reserved on the TIG 2021 Balance Sheet. To the knowledge of the TIG Entities, such accounts receivables are not subject to valid defenses, setoffs or counterclaims, other than routine credits granted for errors in ordering, pricing, discounts, rebates, returns in the ordinary course of business and other similar matters. To the knowledge of the TIG Entities, the TIG Entities' reserve for contractual allowances and doubtful accounts is adequate in all material respects and has been calculated in a manner consistent with past practices. Since the date of the TIG 2021 Balance Sheet, neither of the TIG Entities nor the TIG Subsidiaries have altered in any material respects their practices for the payment of such accounts payable, including the timing of such payment.

Section 5.08 Absence of Certain Changes or Events. Since the date of TIG 2021 Balance Sheet, except as otherwise reflected in the TIG Audited Financial Statements, or as expressly contemplated by this Agreement, (a) each of the TIG Entities and the TIG Subsidiaries have conducted their respective businesses in all material respects in the ordinary course and in a manner consistent with past practice, (b) each of the TIG Entities and the TIG Subsidiaries have not sold, assigned or otherwise transferred any right, title, or interest in or to any of their material assets (including Intellectual Property and Business Systems) other than non-exclusive licenses or assignments or transfers in the ordinary course of business, (c) there has not been any TIG Entities Material Adverse Effect, and (d) neither of the TIG Entities nor any TIG Subsidiary has taken any action that, if taken after the date of this Agreement, would reasonably be expected to constitute a material breach of any of the covenants set forth in Section 9.02.

Section 5.09 Absence of Litigation. There is no material Action pending or, to the knowledge of the TIG Entities, threatened against either of the TIG Entities or any TIG Subsidiary, or any property or asset of the TIG Entities or any TIG Subsidiary, before any Governmental Authority. Neither of the TIG Entities nor any TIG Subsidiary nor any material property or asset of either of the TIG Entities or any TIG Subsidiary is, subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the knowledge of the TIG Entities, continuing investigation by, any Governmental Authority, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Authority.

Section 5.10 Employee Benefit Plans.

**Section 6.04 Authority Relative to this Agreement.** Alvarium has all necessary power and authority to execute and deliver this Agreement and each of the other Transaction Documents to which it is a party, to perform its obligations hereunder and thereunder and to consummate the Transactions. The execution and delivery by Alvarium of this Agreement, the execution and delivery at the Closing by Alvarium of each of the other Transaction Documents to which it is a party, and the consummation by Alvarium of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of Alvarium are necessary to authorize the entry into this Agreement or such other Transaction Documents or to consummate the Transactions. This Agreement has been and, at the Closing each of the other Transaction Documents to which it is a party will be, duly and validly executed and delivered by Alvarium and, assuming the due authorization, execution and delivery by the other Parties thereto constitutes, or will at the Closing constitute, a legal, valid and binding obligation of Alvarium, enforceable against Alvarium in accordance with its terms, except as limited by the Remedies Exceptions.

**Section 6.05 No Conflict; Required Filings and Consents.**

(a) The execution and delivery of this Agreement by Alvarium and each of the other Transaction Documents does not and, subject to the receipt of the consents, approvals, authorizations or permits, filings and notifications contemplated by [Section 6.05\(a\)](#), the performance of its obligations under this Agreement and each of the other Transaction Documents by Alvarium will not (i) conflict with or violate the Alvarium Organizational Documents (in the case of Alvarium) or equivalent organizational documents (in the case of the Alvarium Subsidiaries), (ii) conflict with or violate any Law applicable to Alvarium or any Alvarium Subsidiary or by which any property or asset of Alvarium or any Alvarium Subsidiary is bound or affected, or (iii) result in any breach of or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, result in any material payment or penalty under, or give to others any right of termination, amendment, acceleration or cancellation of any Indebtedness, or enforcement of any Lien, or result in the creation of a Lien (other than any Permitted Lien) on any material property or asset of Alvarium or any Alvarium Subsidiary pursuant to any Alvarium Material Contract, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not, individually or in the aggregate, reasonably be expected to be material to Alvarium and the Alvarium Subsidiaries, taken as a whole.

(b) The execution and delivery by Alvarium of this Agreement and each other Transaction Document to which it is a party does not and will not, and the performance by Alvarium of its obligations under this Agreement and each other such Transaction Document will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Authority, except (i) for the pre-merger notification requirements of the HSR Act and the filings required by applicable Law to consummate the Transactions, or (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not, individually or in the aggregate, reasonably be expected to be material to Alvarium and the Alvarium Subsidiaries, taken as a whole.

Section 6.06 Permits; Compliance. Section 6.06 of the Alvarium Disclosure Schedule sets forth a true, correct and complete list, as of the date of this Agreement, of all of the Alvarium Permits. Alvarium or any applicable Alvarium Subsidiary is in possession of all of the Alvarium Permits, except where the failure to have such Alvarium Permits would not, individually or in the aggregate, reasonably be expected to be material to Alvarium and the Alvarium Subsidiaries, taken as a whole. No suspension or cancellation of any of the Alvarium Permits is pending or, to the knowledge of Alvarium, threatened in writing. Neither Alvarium nor any Alvarium Subsidiary is in conflict with, or in default, breach or violation of, (a) any Law applicable to Alvarium or any Alvarium Subsidiary, including for the avoidance of doubt, the FCA Rules and any other Laws of, or articles, rules, regulations and principles issued by, applicable Governmental Authorities, or by which any property or asset of Alvarium or any Alvarium Subsidiary is bound or affected, or (b) any Alvarium Material Contract or Alvarium Permit, except, in each case, for any such conflicts, defaults, breaches or violations that would not, individually or in the aggregate, reasonably be expected to be material to Alvarium and the Alvarium Subsidiaries, taken as a whole. “Alvarium Permits” means all of the material franchises, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Authority held by Alvarium or any Alvarium Subsidiary necessary for Alvarium or any applicable Alvarium Subsidiary to own, lease and operate its or their properties or to carry on its or their business as it is now being conducted.

Section 6.07 Financial Statements.

(a) Alvarium has made available to SPAC true and complete copies of the audited consolidated statements of financial position of Alvarium and the Alvarium Subsidiaries as of December 31, 2018, December 31, 2019 and December 31, 2020 and the related audited consolidated statements of income, equity and cash flows of Alvarium and the Alvarium Subsidiaries for each of the years then ended (collectively, the “Alvarium Audited Financial Statements”), which are attached as Section 6.07(a) of the Alvarium Disclosure Schedule, and which contain an unqualified report of Alvarium’s auditors. Each of Alvarium Audited Financial Statements (including the notes thereto) (i) was prepared in accordance with UK GAAP applied on a consistent basis throughout the periods indicated (except as may be indicated in the notes thereto), and (ii) give a true and fair view of the assets, liabilities, financial position, income, equity and cash flows of Alvarium and the Alvarium Subsidiaries (on a consolidated basis) as at the date thereof and for the period indicated therein, except as otherwise noted therein.

(b) Alvarium has made available to SPAC a true and complete copy of the consolidated unaudited statement of financial position of Alvarium and the Alvarium Subsidiaries as of June 30, 2021 (the “Alvarium 2021 Balance Sheet”), and the related non-statutory unaudited consolidated statements of income, equity and cash flows of Alvarium and the Alvarium Subsidiaries for the six (6)-month period then ended, which are attached as Section 6.07(b) of the Alvarium Disclosure Schedule. Such non-statutory unaudited financial statements were prepared in accordance with UK GAAP applied on a consistent basis throughout the periods indicated, and do not materially misstate the assets, liabilities, financial position, income, equity and cash flows of Alvarium and the Alvarium Subsidiaries (on a consolidated basis) as at the date thereof and for the period indicated therein, except as otherwise noted therein and subject to normal and recurring year-end adjustments and the absence of notes.

(c) The Alvarium PCAOB Financials, when delivered by Alvarium, shall (i) be prepared in accordance with UK GAAP applied on a consistent basis throughout the periods indicated, except as may be indicated in the notes thereto and subject, in the case of unaudited interim period financial statements, to the absence of footnotes and normal recurring year-end audit adjustments, (ii) be prepared in accordance with the auditing standards of the PCAOB, and (iii) give a true and fair view of the assets, liabilities, financial position, income, equity and cash flows of Alvarium and the Alvarium Subsidiaries (on a consolidated basis) as at the dates thereof and for the periods indicated therein.

(d) Except as and to the extent set forth on the Alvarium Audited Financial Statements or the Alvarium 2021 Balance Sheet, neither Alvarium nor any Alvarium Subsidiary has any liability or obligation of a nature (whether accrued, absolute, contingent or otherwise) required to be reflected on a balance sheet prepared in accordance with UK GAAP, except for: (i) liabilities that were incurred in the ordinary course of business since the date of such Alvarium 2021 Balance Sheet, (ii) obligations for future performance under any contract to which Alvarium or any Alvarium Subsidiary is a party, or (iii) liabilities and obligations which would not, individually or in the aggregate, reasonably be expected to be material to Alvarium and the Alvarium Subsidiaries, taken as a whole.

(e) Since January 1, 2018, (i) neither Alvarium nor any Alvarium Subsidiary nor, to Alvarium’s knowledge, any director, officer, key employee, auditor, accountant or Representative of Alvarium or any Alvarium Subsidiary, any written complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of Alvarium or any Alvarium Subsidiary or their respective internal accounting controls, including any such written complaint, allegation, assertion or claim that Alvarium or any Alvarium Subsidiary has engaged in questionable accounting or auditing practices and (ii) there have been no internal investigations regarding accounting or revenue recognition discussed with, reviewed by or initiated at the direction of the chief executive officer, chief financial officer, chief compliance officer, general counsel, Alvarium Board or any committee thereof.

(f) To the knowledge of Alvarium, no employee of Alvarium or any Alvarium Subsidiary has, in the past three (3) years, provided or is providing information to any law enforcement agency regarding the commission of any crime or the violation of any applicable Law by Alvarium. None of Alvarium, any Alvarium Subsidiary or, to the knowledge of Alvarium, any officer, or key employee of Alvarium or any such Alvarium Subsidiary has, in the past three (3) years, been threatened, harassed or discriminated against or subjected an employee of Alvarium or any Alvarium Subsidiary to a detriment in the terms and conditions of employment or in any other respect in relation to their employment because of any act of such employee described in 18 U.S.C. sec. 1514A(a) or because they have made a qualifying disclosure as defined in s.43B Employment Rights Act 1996.

(g) All accounts receivable of Alvarium and the Alvarium Subsidiaries reflected on the Alvarium 2021 Balance Sheet or arising thereafter have arisen from bona fide transactions in the ordinary course of business consistent with past practices and in accordance with UK GAAP and to the knowledge of Alvarium are collectible, subject to bad debts reserved on the Alvarium 2021 Balance Sheet. To the knowledge of Alvarium, such accounts receivables are not subject to valid defenses, setoffs or counterclaims, other than routine credits granted for errors in ordering, pricing, discounts, rebates, returns in the ordinary course of business and other similar matters. To the knowledge of Alvarium, Alvarium's reserve for contractual allowances and doubtful accounts is adequate in all material respects and has been calculated in a manner consistent with past practices. Since the date of the Alvarium 2021 Balance Sheet, neither Alvarium nor any of the Alvarium Subsidiaries has modified or changed in any material respect its sales practices or methods including, without limitation, such practices or methods in accordance with which Alvarium or any of the Alvarium Subsidiaries provides services, fill orders or record sales.

(h) All accounts payable of Alvarium and the Alvarium Subsidiaries reflected on the Alvarium 2021 Balance Sheet or arising thereafter are the result of bona fide transactions in the ordinary course of business and have been paid or are not yet due or payable (including, for the avoidance of doubt, where any applicable contract permits the counterparty a grace period and such grace period is yet to expire, or the parties to such contract have otherwise agreed that the applicable payment date shall be extended). Since the date of the Alvarium 2021 Balance Sheet, neither Alvarium nor the Alvarium Subsidiaries have not altered in any material respects their practices for the payment of such accounts payable, including the timing of such payment.

Section 6.08 Absence of Certain Changes or Events. Since the date of Alvarium 2021 Balance Sheet, except as otherwise reflected in Alvarium Audited Financial Statements, or as expressly contemplated by this Agreement, (a) Alvarium and the Alvarium Subsidiaries have conducted their respective businesses in all material respects in the ordinary course and in a manner consistent with past practice, (b) Alvarium and the Alvarium Subsidiaries have not sold, assigned or otherwise transferred any right, title, or interest in or to any of their material assets (including Intellectual Property and Business Systems) other than non-exclusive licenses or assignments or transfers in the ordinary course of business, (c) there has not been any Alvarium Material Adverse Effect, and (d) none of Alvarium nor any Alvarium Subsidiary has taken any action that, if taken after the date of this Agreement, would reasonably be expected to constitute a material breach of any of the covenants set forth in Section 9.03.

Section 6.09 Absence of Litigation. There is no material Action pending or, to the knowledge of Alvarium, threatened against Alvarium or any Alvarium Subsidiary, or any property or asset of Alvarium or any Alvarium Subsidiary, before any Governmental Authority. Neither Alvarium nor any Alvarium Subsidiary nor any material property or asset of Alvarium or any Alvarium Subsidiary is, subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the knowledge of Alvarium, continuing investigation by, any Governmental Authority, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Authority.

Section 6.10 Employee Benefit Plans.

(a) Section 6.10(a) of the Alvarium Disclosure Schedule lists, as of the date of this Agreement, all Alvarium Plans. For purposes of this Agreement, “Alvarium Plans” means all employee benefit plans (as defined in Section 3(3) of ERISA, whether or not subject thereto) and all bonus, equity or equity-based compensation, incentive, deferred compensation, retirement, retiree medical or life insurance, supplemental retirement, severance, change in control, fringe benefit, sick pay and vacation and other material employee benefit plans, programs or arrangements, in each case, which are sponsored, maintained and/or contributed to by Alvarium or any Alvarium Subsidiary for the benefit of any current or former employee, member, director or consultant, or under which Alvarium or any Alvarium Subsidiary has or could reasonably be expected to incur any material liability (contingent or otherwise).

(b) With respect to each Alvarium Plan, Alvarium has made available to SPAC, if applicable (i) a true and complete copy of the current plan document and all material amendments thereto and each trust or other funding arrangement, (ii) copies of the most recent summary plan description and any summaries of material modifications, (iii) copies of the IRS Form 5500 annual report and accompanying schedules and nondiscrimination testing results, in each case, for the three (3) most recent plan years, (iv) copies of the most recently received IRS determination, opinion or advisory letter for each such Alvarium Plan, if any, and (v) any material non-routine correspondence from any Governmental Authority with respect to any Alvarium Plan since January 1, 2018. Neither Alvarium nor any Alvarium Subsidiary has any express commitment to modify, change or terminate any Alvarium Plan, other than with respect to a modification, change or termination required by ERISA or the Code, or other applicable Law.

(c) In respect of pensions and or retirement arrangements and or schemes established and situated in the UK (“UK Plans”) evidence of compliance with the auto enrolment requirements as set out in the Pensions Act 2008 and any regulations made thereunder (“Auto Enrolment Laws”) has been made available to SPAC and no notices, fines, or other sanctions have been issued by the Pensions Regulator and no instances of non-compliance with the automatic enrolment obligations have been notified. A list of all employees who have opted out together with the opt-out notices in respect of those employees is contained at Section 6.10(c) of the Alvarium Disclosure Schedule.

(d) The UK Plans are registered pension schemes as defined in s150(2) Finance Act 2004 and there is no reason why such classification as a registered pension scheme could be withdrawn or that HM Revenue and Customs might de-register the UK Plans or any of them.

(e) Neither Alvarium nor any of its ERISA Affiliates currently sponsors, maintains or contributes to, nor has, in the past six years, sponsored, maintained or been required to contribute to, nor has any liability or obligation (contingent or otherwise) under (i) a multiemployer plan (within the meaning of Section 3(37) or 4001(a)(3) of ERISA), (ii) a single employer pension plan (within the meaning of Section 4001(a)(15) of ERISA) subject to Section 412 of the Code or Title IV of ERISA, (iii) a multiple employer plan subject to Section 413(c) of the Code, or (iv) a multiple employer welfare arrangement under ERISA as defined under Section 3(40) of ERISA.

(f) Except as would not be material to Alvarium and the Alvarium Subsidiaries taken as a whole, neither Alvarium nor any Alvarium Subsidiary is nor will be obligated, whether under any Alvarium Plan, Alvarium Service Agreement or otherwise, to pay separation, severance or termination to any current or former employee, director or independent contractor directly as a result of the Transactions, nor will the Transactions accelerate the time of payment or vesting, or increase the amount, of any material benefit or other compensation due to any individual. The Transactions shall not be the direct or indirect cause of any amount paid or payable by Alvarium or any Alvarium Subsidiary being classified as an “excess parachute payment” under Section 280G of the Code.

(g) None of the Alvarium Plans nor Alvarium Service Agreements provides, nor does Alvarium nor any Alvarium Subsidiary have or reasonably expect to have any obligation to provide retiree medical benefits to any current or former employee, officer, director or consultant of Alvarium or any Alvarium Subsidiary after termination of employment or service except as may be required under Section 4980B of the Code and Parts 6 and 7 of Title I of ERISA and the regulations thereunder.

(h) Each Alvarium Plan and each Alvarium Service Agreement is in compliance, in all material respects, in accordance with its terms and the requirements of all applicable Laws including, without limitation, ERISA, the Code, trust Law, anti-discrimination Law, pensions tax Law (including the Finance Act 2004) and the requirements and guidance of the Pensions Regulator and HM Revenue and Customs. No Action is pending or, to the knowledge of Alvarium, threatened with respect to any Alvarium Plan (other than claims for benefits in the ordinary course) or Alvarium Service Agreement and, to the knowledge of Alvarium, no fact or event exists that could reasonably be expected to give rise to any such Action.

(i) Each Alvarium Plan that is intended to be qualified under Section 401(a) of the Code or Section 401(k) of the Code has (i) timely received a favorable determination letter from the IRS covering all of the provisions applicable to the Alvarium Plan for which determination letters are currently available that the Alvarium Plan is so qualified and each trust established in connection with such Alvarium Plan is exempt from federal income taxation under Section 501(a) of the Code or (ii) is entitled to rely on a favorable opinion letter from the IRS and, in either case, to the knowledge of Alvarium, no fact or event has occurred since the date of such determination or opinion letter or letters from the IRS that could reasonably be expected to result in the loss of the qualified status of any such Alvarium Plan or the exempt status of any such trust.

(j) There has not been any prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) nor any reportable events (within the meaning of Section 4043 of ERISA) with respect to any Alvarium Plan that could reasonably be expected to result in material liability to Alvarium or any of the Alvarium Subsidiaries. There have been no acts or omissions by Alvarium or any ERISA Affiliate that have given or would reasonably be expected to give rise to any material fines, penalties, Taxes or related charges under Sections 502 or 4071 of ERISA or Section 511 or Chapter 43 of the Code for which Alvarium or any ERISA Affiliate may be liable.

(k) Details of the rates of contributions which Alvarium and the Alvarium Subsidiaries are currently paying to the UK Plans and the definition(s) of earnings used to calculate contributions, any proposed changes to the rates or definition(s) of earnings (including details of any salary/pay increases), the dates contributions are due to be paid, whether contributions are due in advance or in arrears, and details of any additional or special contributions paid by employees or officers (or former employees or officers) of Alvarium and the Alvarium Subsidiaries or by Alvarium and the Alvarium Subsidiaries to the UK Plans within the three years ending on the date of this Agreement are contained at Section 6.10(k) of the Alvarium Disclosure Schedule. All contributions, premiums or payments required to be made with respect to any Alvarium Plan have been timely made to the extent due or properly accrued on the consolidated financial statements of Alvarium and the Alvarium Subsidiaries, except as would not result in material liability to Alvarium and the Alvarium Subsidiaries.

(l) Alvarium and each of its ERISA Affiliates have each complied in all material respects with the notice and continuation coverage requirements, and all other requirements, of Section 4980B of the Code and Parts 6 and 7 of Title I of ERISA, and the regulations thereunder, with respect to each Alvarium Plan that is, or was during any taxable year for which the statute of limitations on the assessment of federal income Taxes remains open, by consent or otherwise, a group health plan within the meaning of Section 5000(b)(1) of the Code.

(m) Alvarium and each Alvarium Plan that is a "group health plan" as defined in Section 733(a)(1) of ERISA (each, a "Alvarium Health Plan") is and has been in compliance, in all material respects, with the PPACA, and no event has occurred, and no condition or circumstance exists, that could reasonably be expected to subject Alvarium, any ERISA Affiliate or any Alvarium Health Plan to any material liability for penalties or excise taxes under Code Section 4980D or 4980H or any other provision of the PPACA.

(n) Each Alvarium Plan and each Alvarium Service Agreement that constitutes a nonqualified deferred compensation plan subject to Section 409A of the Code has been administered and operated, in all material respects, in compliance with the provisions of Section 409A of the Code and the Treasury Regulations thereunder. No Alvarium Plan or Alvarium Service Agreement provides for any gross ups for any taxes imposed under Sections 409A and/or 4999 of the Code.

(o) Each Alvarium Plan that is intended to be a qualifying scheme and to be used for the purpose of Alvarium or any Alvarium Subsidiary to comply with its/their auto enrolment duties under the Auto Enrolment Laws is compliant with all requirements of the Auto Enrolment Laws and all contributions payable in respect thereof are compliant with the minimum requirements of the Auto Enrolment Laws and have been paid in good time and none are due or outstanding. The UK Plans only provide money purchase benefits as defined in the Pensions Schemes 1993 ("Money Purchase Benefits") and neither Alvarium nor the Alvarium Subsidiaries has any liability whatsoever towards any defined benefit arrangement or any minimum level of benefits, nor has it made any defined benefit promise or been connected or associated with a sponsoring employer of any defined benefit scheme, and no amount is or could become due from Alvarium or the Alvarium Subsidiaries by virtue of s75 or s75A Pensions Act 1995 (as amended).

(p) Except for the UK Plans, Alvarium and the Alvarium Subsidiaries do not have and have not had any arrangements for providing or contributing towards benefits on retirement, leaving service, death, disability, illness or injury, and have not provided or promised to provide any ex-gratia pension benefits, lump sums or similar benefits, for or in respect of any employee or officer (or former employee or officer) of Alvarium and the Alvarium Subsidiaries or their dependents, do not and have not undertaken to provide or contribute towards any such benefits, and no announcement has been made of an intention to establish any new arrangement for providing or contributing towards benefits.

(q) No employee or former employee or officer or director has come into employment with Alvarium or any Alvarium Subsidiary by a transfer to which the Transfer of Undertakings (Protection of Employment) Regulations of 2006 apply such that they have an entitlement to any pension or retirement benefits that are not Money Purchase Benefits and therefore no employee or officer or former employee or officer has any rights to early retirement or to other enhanced rights, including pension rights on redundancy.

Section 6.11 Labor and Employment Matters.

(a) All non-standard employment and consulting contracts or agreements to which Alvarium or any Alvarium Subsidiary is a party, except those that would not be material to Alvarium and the Alvarium Subsidiaries taken as a whole, with respect to which Alvarium or any Alvarium Subsidiary has any severance and/or change in control obligations (and, for the avoidance of doubt, excluding contracts or agreements that can be terminated at any time without severance or termination pay or upon notice of not more than 60 days), have been made available to SPAC (collectively, the "Alvarium Service Agreements") and set forth on Section 6.11(a) of the Alvarium Disclosure Schedule.

(b) As of the date hereof and during the past three years, except as would not be material to Alvarium and the Alvarium Subsidiaries taken as a whole, all compensation, including wages, commissions, bonuses and fees due and payable to all current employees, independent contractors or consultants of Alvarium or any Alvarium Subsidiary for services performed on or prior to the date hereof have been paid in full (or accrued in full in Alvarium's financial statements) and there are no outstanding agreements, understandings or commitments of Alvarium and the Alvarium Subsidiaries with respect to any such compensation, commissions, bonuses or fees.

(c) (i) There are no material Actions pending or, to the knowledge of Alvarium, threatened against Alvarium or any Alvarium Subsidiary by any of their respective current or former employees, which Actions would be material to Alvarium and the Alvarium Subsidiaries, taken as a whole; (ii) neither Alvarium nor any Alvarium Subsidiary is, nor has been since January 1, 2018, a party to, bound by, or negotiating any collective bargaining agreement, work rules or practices, or any other labor-related agreement, arrangement or contract with a labor union, trade union, works council or labor organization applicable to persons employed by Alvarium or any Alvarium Subsidiary, nor, has any labor union, trade union, labor organization or group of employees of Alvarium or any Alvarium Subsidiary made a pending demand (in writing) for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or threatened in writing to be brought or filed with the National Labor Relations Board, the Central Arbitration Committee or any other labor relations tribunal or authority; (iii) to the knowledge of Alvarium, there are not any formal proceedings of any labor union to organize any such employees; (iv) no employee request has been received under the Information and Consultation of Employees Regulations 2004; (v) there are no Unfair Labor Practice (as defined under the National Labor Relations Act) complaints pending against Alvarium or any Alvarium Subsidiary before the National Labor Relations Board or the Central Arbitration Committee; and (vi) since January 1, 2018, there has not been any strike, material slowdown, work stoppage, lockout, concerted refusal to work overtime or other similar material labor disruption or dispute affecting, or, to the knowledge of Alvarium, threat thereof, by or with respect to any employees of Alvarium or any Alvarium Subsidiary.

(i) As of the date hereof, there are no outstanding SEC comments from the SEC with respect to the SPAC SEC Reports. To the knowledge of SPAC, none of the SPAC SEC Reports filed or furnished on or prior to the date hereof is subject to ongoing SEC review or investigation as of the date hereof.

Neither SPAC nor any material property or asset of SPAC is subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the knowledge of SPAC, continuing investigation by any Governmental Authority.

Section 8.10 Board Approval; Vote Required.

(a) The SPAC Board, by resolutions duly adopted by all of the directors voting at a meeting duly called and held and not subsequently rescinded or modified in any way, has duly (i) approved and adopted this Agreement and declared its advisability and (ii) recommended that the SPAC Shareholders approve and adopt this Agreement and the Transactions, and directed that this Agreement and the Transactions be submitted for consideration by the SPAC Shareholders at the SPAC Shareholders' Meeting.

(b) The approval and adoption of the SPAC Proposals by a simple majority (or a majority of not less than two-thirds in respect of matters required to be passed by special resolutions under the Cayman Islands Companies Act and/or the SPAC Articles) of the issued and outstanding shares of SPAC Ordinary Shares that are voted at the SPAC Shareholders' Meeting is the only vote of the holders of any class or series of shares of SPAC necessary to adopt this Agreement and approve the Transactions (the "SPAC Required Shareholders Approval").

(c) SPAC, as the sole member and manager of Umbrella Merger Sub, by resolutions duly adopted by written consent and not subsequently rescinded or modified in any way, duly has determined that the Umbrella Merger is fair to, and in the best interests of, Umbrella Merger Sub, and has approved and adopted this Agreement and the Umbrella Merger.

Section 8.11 No Prior Operations of Umbrella Merger Sub. Umbrella Merger Sub was formed solely for the purpose of engaging in the Transactions, does not have any employees and has not engaged in any business activities or conducted any operations or incurred any obligation or liability whatsoever, other than as contemplated by this Agreement.

Section 8.12 Brokers. Except for Cantor Fitzgerald & Co. and any placement agent or advisor engaged in connection with the Private Placements or capital markets advisory work and/or equity analysis and support with respect to the SPAC Common Stock, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the Transactions based upon arrangements made by or on behalf of the Cartesian Entities.

Section 8.13 SPAC Trust Fund. As of the date of this Agreement, SPAC has no less than \$345,000,000 in the trust fund established by SPAC for the benefit of its public shareholders (the "Trust Fund") maintained in a trust account at JPMorgan Chase Bank, N.A. (the "Trust Account"). The monies of such Trust Account are invested in United States Government securities or money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act of 1940, as amended, and held in trust by CST, as trustee, pursuant to the Investment Management Trust Agreement, dated as of February 23, 2021, between SPAC and CST (the "Trust Agreement"). The Trust Agreement has not been amended or modified and is valid and in full force and effect and is enforceable in accordance with its terms, subject to the Remedies Exceptions. SPAC has complied in all material respects with the terms of the Trust Agreement and is not in breach thereof or default thereunder and there does not exist under the Trust Agreement any event which, with the giving of notice or the lapse of time, would constitute such a breach or default by SPAC or CST. There are no separate contracts, agreements, side letters or other understandings (whether written or unwritten, express or implied): (i) between SPAC and CST that would cause the description of the Trust Agreement in the SPAC SEC Reports to be inaccurate in any material respect; or (ii) to the knowledge of SPAC, that would entitle any person (other than the SPAC Shareholders who shall have elected to redeem their SPAC Ordinary Shares pursuant to the SPAC Articles) to any portion of the proceeds in the Trust Account. Prior to the Closing, none of the funds held in the Trust Account may be released except: (A) to pay income and franchise Taxes from any interest income earned in the Trust Account; and (B) upon the exercise of the SPAC Share Redemption in accordance with the provisions of the SPAC Articles. As of the date hereof, there are no Actions pending or, to the knowledge of SPAC, threatened in writing with respect to the Trust Account. Upon consummation of the Transactions and notice thereof to CST pursuant to the Trust Agreement, SPAC shall cause CST to, and CST shall thereupon be obligated to, release to SPAC as promptly as practicable, the Trust Funds in accordance with the Trust Agreement at which point the Trust Account shall terminate; provided, however, that the liabilities and obligations of SPAC due and owing or incurred at or prior to the Umbrella Merger Effective Time shall be paid as and when due, including all amounts payable (a) to SPAC Shareholders who shall have exercised the SPAC Share Redemption, (b) with respect to filings, applications or other actions taken pursuant to this Agreement required under Law, (c) to CST for fees and costs incurred in accordance with the Trust Agreement; and (d) to third parties (*e.g.*, professionals, printers, etc.) who have rendered services to SPAC in connection with its efforts to effect the Transactions. As of the date hereof, assuming the accuracy of the representations and warranties of the SPAC herein and the compliance by the SPAC with its respective obligations hereunder, SPAC has no reason to believe that any of the conditions to the use of funds in the Trust Account will not be satisfied or funds available in the Trust Account will not be available to SPAC at the Umbrella Merger Effective Time.

Section 8.14 Employees. Other than any officers of SPAC as described in the SPAC SEC Reports, none of the Cartesian Entities has ever employed any employees. Other than reimbursement of any out-of-pocket expenses incurred by SPAC's officers and directors in connection with activities on SPAC's behalf in an aggregate amount not in excess of the amount of cash held by SPAC outside of the Trust Account, the SPAC has no unsatisfied material liability with respect to any employee, officer, director, non-entity individual consultant, or any party related to SPAC, and the SPAC has never and do not currently maintain, sponsor, contribute to or have any direct liability (nor, to the extent it could reasonably be expected to become a liability of the SPAC prior to the Umbrella Merger Effective Time, any indirect liability) under any employee benefit plan (as defined in Section 3(3) of ERISA, whether or not subject thereto), nonqualified deferred compensation plan subject to Section 409A of the Code, bonus, stock option, stock purchase, restricted stock, incentive, deferred compensation, retiree medical or life insurance, supplemental retirement, severance, change in control, fringe benefit, sick pay and vacation plans or arrangements or other employee benefit plans, programs or arrangements. Neither the execution and delivery of this Agreement or the other Ancillary Agreements nor the consummation of the Transactions will (i) result in any payment (including severance, unemployment compensation, golden parachute, bonus or otherwise) becoming due to any director, officer or employee of SPAC, or (ii) result in the acceleration of the time of payment or vesting of any such benefits. The Transactions shall not be the direct or indirect cause of any amount paid or payable by the Cartesian Entities or any affiliate being classified as an "excess parachute payment" under Section 280G of the Code or the imposition of any additional Tax under Section 409A(a)(1)(B) of the Code. There is no contract, agreement, plan or arrangement to which a Cartesian Entity is a party which requires payment by any party of a Tax gross-up or Tax reimbursement payment to any person.

Section 8.15 Taxes.

(a) The Cartesian Entities (i) have duly and timely filed (taking into account any extension of time within which to file) all material Tax Returns required to be filed by any of them as of the date hereof and all such filed Tax Returns are complete and accurate in all material respects; (ii) have timely paid all Taxes that are shown as due on such filed Tax Returns and any other material Taxes that the Cartesian Entities are otherwise obligated to pay, except with respect to current Taxes not yet due and payable or otherwise being contested in good faith or that are described in clause (a)(v) below; (iii) with respect to all material Tax Returns filed by or with respect to any of them, have not waived any statute of limitations with respect to Taxes or agreed to any extension of time with respect to a Tax assessment or deficiency; (iv) do not have any deficiency, audit, examination, investigation or other proceeding in respect of a material amount of Taxes or material Tax matters pending or threatened in writing, for a Tax period which the statute of limitations for assessments remains open; and (v) have provided adequate reserves in accordance with US GAAP in the most recent consolidated financial statements of SPAC, for any material Taxes of SPAC that have not been paid, whether or not shown as being due on any Tax Return.

(b) None of the Cartesian Entities is a party to, is bound by or has an obligation under any Tax sharing agreement, Tax indemnification agreement, Tax allocation agreement or similar contract or arrangement (including any agreement, contract or arrangement providing for the sharing or ceding of credits or losses) or has a liability or obligation to any person as a result of or pursuant to any such agreement, contract, arrangement or commitment other than an agreement, contract, arrangement or commitment the primary purpose of which does not relate to Taxes.

(c) None of the Cartesian Entities will be required to include any material item of income in, or exclude any material item of deduction from, taxable income for any taxable period (or portion thereof) ending after the Closing Date as a result of any: (i) change in method of accounting (including an improper method of accounting) for a taxable period ending on or prior to the Closing Date under Section 481(c) of the Code (or any corresponding or similar provision of state, local or foreign income Tax Law) or other provisions of applicable Law; (ii) "closing agreement" as described in Section 7121 of the Code (or any corresponding or similar provision of state, local or foreign income Tax Law) executed on or prior to the Closing Date; or (iii) installment sale or open transaction made on or prior to the Closing Date.

(d) None of the Cartesian Entities has been a member of an affiliated group filing a consolidated, combined or unitary U.S. federal, state, local or foreign income Tax Return (other than a group of which the SPAC is or was the common parent).

(e) None of the Cartesian Entities has any material liability for the Taxes of any person under Treasury Regulation section 1.1502-6 (or any similar provision of state, local or foreign Law), as a transferee or successor, by contract, or otherwise (other than pursuant to agreements entered into in the ordinary course of business the principal purposes of which do not relate to Taxes).

(f) None of the Cartesian Entities has any request for a material ruling in respect of Taxes pending between the Cartesian Entities, on the one hand, and any Tax authority, on the other hand.

(g) None of the Cartesian Entities has within the last five (5) years or in any year for which the applicable statute of limitations remains open distributed stock of another person, or has had its stock distributed by another person, in a transaction that was purported or intended to be governed in whole or in part by Section 355 or Section 361 of the Code.

(h) None of the Cartesian Entities has engaged in or entered into a “listed transaction” within the meaning of Treasury Regulation Section 1.6011-4(b)(2).

Section 8.16 Listing. The issued and outstanding SPAC Units are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “GLBLU”. The issued and outstanding SPAC Class A Ordinary Shares are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “GLBL”. The issued and outstanding SPAC Warrants are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “GLBLW”. As of the date of this Agreement, there is no Action pending or, to the knowledge of SPAC, threatened in writing against SPAC by Nasdaq or the SEC with respect to any intention by such entity to deregister the SPAC Units, the SPAC Class A Ordinary Shares, or SPAC Warrants or terminate the listing of SPAC on Nasdaq. None of SPAC or any of its affiliates has taken any action in an attempt to terminate the registration of the SPAC Units, the SPAC Class A Ordinary Shares, or the SPAC Warrants under the Exchange Act.

Section 8.17 Transactions with Affiliates. Subject to any duty of confidentiality to which the SPAC may be subject and other than Contracts set forth or disclosed in the SPAC SEC Reports, Section 8.17 of the SPAC Disclosure Schedules sets forth all Contracts between (a) the SPAC, on the one hand, and (b) any officer, director, employee, partner, member, manager, direct or indirect equityholder (including Sponsor) or Affiliate of either the SPAC or Sponsor, on the other hand (the Persons identified in this clause (b), “SPAC Related Parties”), other than (i) agreements with respect to a SPAC Related Party’s employment with, or the provision of services to, SPAC (including benefit plans, indemnification arrangements and other ordinary course compensation from) and (ii) agreements entered into after the date hereof that are either permitted pursuant to this Agreement or entered into in accordance with this Agreement. The Companies shall furnish all information concerning the Companies as SPAC may reasonably request in connection with such actions and the preparation of the Proxy Statement and Registration Statement, including updates to the Alvarium PCAOB Financials, the TIG PCAOB Financials and the TWMH PCAOB Financials as required prior to the effective date of the Registration Statement to address subsequent interim periods. Prior to the effective date of the Registration Statement, SPAC shall take all or any action required under any applicable federal or state securities Laws in connection with the issuance of the shares of SPAC Common Stock, in each case to be issued or issuable pursuant to, and in connection with, this Agreement. As promptly as practicable, and in no event later than five (5) Business Days after the effective time of the Registration Statement, SPAC shall use its commercially reasonable efforts to cause the Proxy Statement to be mailed to the SPAC Shareholders. Each of SPAC and the Companies shall furnish all information concerning it as may reasonably be requested by the other party in connection with such actions and the preparation of the Registration Statement and the Proxy Statement.

(b) No filing of, or amendment or supplement to the Proxy Statement or the Registration Statement will be made by SPAC or the Companies without the approval of the other Parties (such approval not to be unreasonably withheld, conditioned or delayed), except as required by applicable Law. SPAC or the Companies each will advise the other, promptly after they receive notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order, of the suspension of the qualification of the shares of SPAC Common Stock to be issued or issuable in connection with this Agreement for offering or sale in any jurisdiction, or of any request by the SEC or its staff for amendment of the Proxy Statement or the Registration Statement or comments thereon and responses thereto or requests by the SEC or its staff for additional information. SPAC and each of the Companies shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld, conditioned or delayed), any response to comments of the SEC or its staff with respect to the Proxy Statement or the Registration Statement and any amendment to the Proxy Statement or the Registration Statement filed in response thereto.

(c) SPAC hereby represents and warrants to the Companies that the information supplied by SPAC for inclusion in the Registration Statement and the Proxy Statement shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to SPAC Shareholders, (iii) the time of the SPAC Shareholders' Meeting, and (iv) Umbrella Merger Effective Time, contain any untrue statement of a material fact or fail to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If, at any time prior to the Umbrella Merger Effective Time, any event or circumstance relating to the Cartesian Entities, or their respective officers or directors, should be discovered by SPAC which should be set forth in an amendment or a supplement to the Registration Statement or the Proxy Statement, SPAC shall promptly inform the Companies. All documents that SPAC is responsible for filing with the SEC in connection with the Transactions will comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

(d) Each Company hereby severally represents and warrants to SPAC that the information supplied by such Company for inclusion in the Registration Statement and the Proxy Statement shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to SPAC Shareholders, (iii) the time of the SPAC Shareholders' Meeting, and (iv) the Umbrella Merger Effective Time, contain any untrue statement of a material fact or fail to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If, at any time prior to the Umbrella Merger Effective Time, any event or circumstance relating to such Company or any Company Subsidiary, or their respective officers, directors or managers, should be discovered by such Company which should be set forth in an amendment or a supplement to the Registration Statement or the Proxy Statement, such Company shall promptly inform SPAC. All documents that each Company is responsible for in connection with filing of the Registration Statement and the Proxy Statement will comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the rules and regulations thereunder and the Exchange Act and the rules and regulations thereunder.

Section 10.02 SPAC Shareholders' Meeting. SPAC shall call the SPAC Shareholders' Meeting in accordance with the SPAC Articles and applicable Law for the purposes of voting upon the SPAC Proposals as promptly as practicable after the date on which the SEC has declared the Registration Statement effective for the purpose of voting solely upon the SPAC Proposals. SPAC shall consult with the Companies in fixing the record date for the SPAC Shareholders' Meeting and the date of the SPAC Shareholders' Meeting and provide notice to the Companies of the SPAC Shareholders' Meeting. SPAC shall include in the Proxy Statement the recommendation of the SPAC Board that the SPAC Shareholders vote in favor of the SPAC Proposals and shall otherwise use its reasonable best efforts to obtain the approval of the SPAC Proposals at the SPAC Shareholders' Meeting, including by soliciting from the SPAC Shareholders proxies as promptly as possible in favor of the SPAC Proposals, and shall take all other action necessary or advisable to secure the required vote or consent of the SPAC Shareholders therefor. SPAC shall provide the Companies with (a) updates with respect to the tabulated vote counts received by SPAC, (b) notice that the SPAC Shareholders' Meeting if, based on the tabulated vote count, SPAC will not receive the SPAC Required Shareholders Approval, and (c) the right to review and comment on all communications sent to SPAC Shareholders, holders of SPAC Warrants and/or proxy solicitation firms. Notwithstanding the foregoing provisions of this Section 10.02, if on a date for which the SPAC Shareholders' Meeting is scheduled, SPAC has not received proxies representing a sufficient number of SPAC Ordinary Shares to obtain the approvals of the SPAC Proposals, whether or not a quorum is present, pursuant to the SPAC Articles, SPAC shall have the right to make one or more successive postponements of the SPAC Shareholders' Meeting; provided, that the SPAC Shareholders' Meeting, without the prior written consent of the Companies (which consent shall not be unreasonably withheld, delayed or conditioned), is held no later than four (4) Business Days prior to the Outside Date.

Section 10.03 Access to Information; Confidentiality.

(a) From the date of this Agreement until the Umbrella Merger Effective Time or the earlier termination of this Agreement in accordance with Article XII, the Companies and SPAC shall (and shall cause their respective Subsidiaries and instruct their respective Representatives to): (i) provide to the other Parties (and the other Parties' officers, directors, employees, accountants, consultants, financial advisors, legal counsel, agents and other representatives, collectively, "Representatives") reasonable access during normal business hours and upon reasonable prior notice to the officers, employees, agents, properties, offices and other facilities of such Party and its Subsidiaries and to the books and records thereof; and (ii) furnish promptly to the other Parties such information concerning the business, properties, contracts, assets, liabilities, personnel and other aspects of such Party and its Subsidiaries as the other Parties or their respective Representatives may reasonably request. Notwithstanding the foregoing, but without limiting the Companies' obligations under this Section 10.03, neither the Companies nor SPAC shall be required to provide access to or disclose information to the extent such Party has been advised by legal counsel that the access or disclosure would jeopardize the protection of attorney-client, work product or similar privilege or protection or contravene applicable Law (it being agreed that the Parties shall use their commercially reasonable efforts to cause such information to be provided in a manner that would not result in such jeopardy or contravention).

(b) All Confidential Information obtained by the Parties pursuant to this Agreement shall be kept confidential in accordance with the (i) Confidentiality Agreement, dated as of April 11, 2021, among SPAC, TWMH and the TIG Entities, and (ii) Confidentiality Agreement, between SPAC and Alvarium, dated as of May 7, 2021 (collectively, the “Confidentiality Agreements”).

(c) Notwithstanding anything in this Agreement to the contrary, each Party (and its Representatives) may consult any tax advisor regarding the tax treatment and tax structure of the Transactions and may disclose to any other person, without limitation of any kind, the tax treatment and tax structure of the Transactions and all materials (including opinions or other tax analyses) that are provided relating to such treatment or structure, in each case in accordance with the Confidentiality Agreements.

#### Section 10.04 Exclusivity.

(a) From and after the date hereof until the Umbrella Merger Effective Time or, if earlier, the valid termination of this Agreement in accordance with Article XII, each Company shall not and shall direct each of the Company Subsidiaries and Representatives not to, (i) initiate, solicit, facilitate or encourage (including by way of furnishing non-public information), directly or indirectly, whether publicly or otherwise, any inquiries, offers or proposals with respect to, or the making of, any Company Acquisition Proposal, (ii) engage in any negotiations or discussions concerning, or provide access to or furnish non-public information regarding, a Company’s or any Company Subsidiaries’ properties, assets, personnel, books or records or any Confidential Information or data to, any person relating to a Company Acquisition Proposal, (iii) enter into, engage in and maintain discussions or negotiations with respect to any Company Acquisition Proposal (or inquiries, proposals or offers or other communications that would reasonably be expected to lead to any Company Acquisition Proposal) or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, offers, efforts, discussions or negotiations, (iv) amend or grant any waiver or release under any standstill or similar agreement with respect to any class of equity securities of a Company or any Company Subsidiary, (v) approve, endorse or recommend, or propose publicly to approve, endorse or recommend, any Company Acquisition Proposal, (vi) approve, endorse, recommend, execute or enter into any agreement, arrangement or understanding, letter of intent, memorandum of understanding, term sheet, acquisition agreement, merger agreement, business combination agreement, transaction agreement, option agreement, joint venture agreement, partnership agreement or other written arrangement relating to any Company Acquisition Proposal or any proposal or offer that could reasonably be expected to lead to a Company Acquisition Proposal, or (vii) resolve or agree to do any of the foregoing actions or otherwise authorize or permit any of its Representatives to take any such action; provided that the foregoing shall not, for the avoidance of doubt, restrict (A) Alvarium from undertaking any action reasonably necessary in connection with Alvarium’s potential investment in each of entities set forth on Section 9.03(b)(vi) of the Alvarium Disclosure Schedule, (B) TWMH, Tiedemann Constantia AG or another TMWH Subsidiary from undertaking any action reasonably necessary in connection with the potential acquisition set forth on Section 9.01(b)(vi) of the TWMH Disclosure Schedule, or (C) TIG MGMT from undertaking any action reasonably necessary in connection with the potential acquisition set forth on Section 9.0(b)(vi) of the TIG Disclosure Schedule. Each Company shall and shall instruct and cause each Company Subsidiary and its Representatives, to immediately cease any solicitations, discussions or negotiations with any person (other than the other Parties and their respective Representatives) in connection with a Company Acquisition Proposal, and each Company acknowledges that any action taken by it, any Company Subsidiary or any of its Representatives that is inconsistent with the restrictions set forth in this Section 10.04(a), whether or not such Company Subsidiary or Representative is purporting to act on such Company’s behalf, shall be deemed to constitute a breach of this Section 10.04(a) by such Company. Each Company agrees to (x) notify the other parties to this Agreement promptly upon receipt of any Acquisition Proposal by such Company (or Company Subsidiary), and to describe the terms and conditions of any such Acquisition Proposal in reasonable detail (including the identity of the Persons making such Acquisition Proposal), and (y) keep the other parties to this Agreement fully informed on a current basis of any modifications to such offer or information.

(b) From and after the date of this Agreement until the Umbrella Merger Effective Time or, if earlier, the valid termination of this Agreement in accordance with Article XII, SPAC shall not and shall direct the other Cartesian Entities and the Representatives of the Cartesian Entities not to, (i) initiate, solicit, facilitate or encourage (including by way of furnishing non-public information), directly or indirectly, whether publicly or otherwise, any inquiries, offers or proposals with respect to, or the making of, any merger, purchase of shares or assets of SPAC, recapitalization or similar business combination transaction (each such transaction involving SPAC other than with the Companies, a "Business Combination Proposal"), (ii) engage in any negotiations or discussions concerning, or provide access to or furnish non-public information regarding, SPAC's properties, assets, personnel, books or records or any Confidential Information or data to, any person relating to a Business Combination Proposal, (iii) enter into, engage in and maintain discussions or negotiations with respect to any Business Combination Proposal (or inquiries, proposals or offers or other communications that would reasonably be expected to lead to any Business Combination Proposal) or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, offers, efforts, discussions or negotiations, (iv) amend or grant any waiver or release under any standstill or similar agreement with respect to any class of shares of SPAC, (v) approve, endorse or recommend, or propose publicly to approve, endorse or recommend, any Business Combination Proposal, (vi) approve, endorse, recommend, execute or enter into any agreement, arrangement or understanding, letter of intent, memorandum of understanding, term sheet, acquisition agreement, merger agreement, business combination agreement, transaction agreement, option agreement, joint venture agreement, partnership agreement or other written arrangement relating to any Business Combination Proposal, or (vii) resolve or agree to do any of the foregoing actions or otherwise authorize or permit any of its Representatives to take any such action. SPAC shall and shall instruct and cause the other Cartesian Entities and the Representatives of Cartesian Entities to immediately cease any solicitations, discussions or negotiations with any person (other than the Companies and their respective Representatives) in connection with a Business Combination Proposal, and SPAC acknowledges that any action taken by it or any of its Representatives that is inconsistent with the restrictions set forth in this Section 10.04(b), whether or not such Representative is purporting to act on SPAC's behalf, shall be deemed to constitute a breach of this Section 10.04(b) by SPAC. SPAC agrees to (x) notify the Companies promptly upon receipt of any Business Combination Proposal by SPAC, and to describe the terms and conditions of any such Business Combination Proposal in reasonable detail (including the identity of any person or entity making such Business Combination Proposal), and (y) keep the Companies fully informed on a current basis of any modifications to such offer or information.

Section 10.05 Employee Benefits Matters.

(a) SPAC shall, or shall cause the Umbrella Merger Surviving Company and their respective Subsidiaries, as applicable, to provide the employees who provide services to the Companies and their respective Subsidiaries and who remain employed immediately after the Umbrella Merger Effective Time (the “Continuing Employees”) credit for purposes of eligibility to participate, vesting and determining the level of benefits, as applicable, under any employee benefit plan, program or arrangement established or maintained by SPAC, the Companies, the Umbrella Merger Surviving Company, Umbrella or any of their Subsidiaries (except for any equity compensation plan, defined benefit pension plan and/or retiree health plan) for service accrued or deemed accrued prior to the Umbrella Merger Effective Time with SPAC, the Companies, the Umbrella Merger Surviving Company, Umbrella or any of their Subsidiaries; provided, however, that such crediting of service shall not operate to duplicate any benefit or, except as otherwise required by applicable Law, the funding of any such benefit. In addition, SPAC shall use reasonable best efforts to (i) cause to be waived any eligibility waiting periods, any evidence of insurability requirements and the application of any pre-existing condition limitations under each of the employee benefit plans established or maintained by SPAC, the Companies, the Umbrella Merger Surviving Company, Umbrella or any of their Subsidiaries that cover the Continuing Employees or their spouses or dependents, and (ii) cause any eligible expenses incurred by any Continuing Employee and his or her covered spouse and dependents, during the portion of the plan year in which the Closing occurs, under those health and welfare benefit plans in which such Continuing Employee currently participates to be taken into account under those health and welfare benefit plans in which such Continuing Employee participates subsequent to the Closing Date for purposes of satisfying all deductible, coinsurance, and maximum out-of-pocket requirements applicable to such Continuing Employee and his or her covered spouse and dependents for the applicable plan year. Following the Closing, SPAC shall, or shall cause the Companies, the Umbrella Merger Surviving Company, Umbrella and each of their respective Subsidiaries, as applicable, to honor all accrued but unused vacation and other paid time off of the Continuing Employees that existed immediately prior to the Closing.

(b) The provisions of this Section 10.05 are solely for the benefit of the Parties, and nothing contained in this Agreement, express or implied, shall confer upon any Continuing Employee or legal representative or beneficiary or dependent thereof, or any other person, any rights or remedies of any nature or kind whatsoever under or by reason of this Agreement, whether as a third-party beneficiary or otherwise, including, without limitation, any right to employment or continued employment for any specified period, or level of compensation or benefits. Nothing contained in this Agreement, express or implied, shall constitute an amendment or modification of any employee benefit plan of SPAC, the Companies, the Umbrella Merger Surviving Company, Umbrella or any of their Subsidiaries or shall require SPAC, the Companies, the Umbrella Merger Surviving Company, Umbrella or any of their Subsidiaries to continue the relevant employee benefit arrangements, or prevent their amendment, modification or termination.

Section 10.06 Directors' and Officers' Indemnification.

(a) The SPAC Certificate of Incorporation shall contain provisions no less favorable with respect to indemnification, advancement or expense reimbursement of directors, officers, employees or agents of the Companies than are set forth in the Alvarium Organizational Documents, TWMH Corporate Documents, TIG GP Corporate Documents and the TIG MGMT Corporate Documents, in each case, as in effect as of the date hereof, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years from the Umbrella Merger Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Umbrella Merger Effective Time, were directors, managers, officers, employees, or agents of the Companies covered thereby, unless such modification shall be required by applicable Law.

(b) SPAC shall purchase and have in place at the Closing a "tail" or "runoff" policy (the "D&O Tail Policies") providing directors' and officers' liability insurance coverage for the benefit of those persons who are covered by the directors' and officers' liability insurance policies maintained by SPAC and the Companies, respectively, as of the Closing with respect to matters occurring prior to the Umbrella Merger Effective Time. The D&O Tail Policies shall provide for terms with respect to coverage, deductibles and amounts that are no less favorable than those of the applicable policy in effect immediately prior to the Umbrella Merger Effective Time for the benefit of SPAC's and the Companies' directors, managers and officers, as applicable, and shall remain in effect for the six (6) year period following the Closing.

Section 10.07 Notification of Certain Matters. Each Company shall give prompt notice to SPAC, and SPAC shall give prompt notice to the Companies, of any event which a party becomes aware of between the date of this Agreement and the Closing (or the earlier termination of this Agreement in accordance with Article XII), the occurrence, or non-occurrence of which causes or would reasonably be expected to cause any of the conditions set forth in Article XI to fail. No notification given by the Companies or SPAC under this Section 10.07 shall limit or otherwise affect any of the representations, warranties, covenants or obligations of the Companies or SPAC, as applicable, contained in this Agreement.

Section 10.08 Further Action; Reasonable Best Efforts

(a) Upon the terms and subject to the conditions of this Agreement, each of the Parties shall use its reasonable best efforts to take, or cause to be taken, appropriate action, and to do, or cause to be done, such things as are necessary, proper or advisable under applicable Laws or otherwise to consummate and make effective the Transactions, including using its reasonable best efforts to obtain all permits, consents, approvals, authorizations, qualifications and orders of Governmental Authorities, including the approvals set forth on Section 11.01(d) of the Alvarium Disclosure Schedule, Section 11.01(d) of the TWMH Disclosure Schedule and Section 11.01(d) of the TIG Disclosure Schedule and parties to contracts with the Companies and their respective Company Subsidiaries necessary for the consummation of the Transactions and to fulfill the conditions to the Transactions. In case, at any time after the Umbrella Merger Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party shall use their reasonable best efforts to take all such lawful action.

(b) Each of the Parties shall keep each other apprised of the status of matters relating to the Transactions, including promptly notifying the other parties of any communication it or any of its affiliates receives from any Governmental Authority relating to the matters that are the subject of this Agreement and permitting the other Parties to review in advance, and to the fullest extent practicable consult about, any proposed communication by such Party to any Governmental Authority in connection with the Transactions. No Party shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry unless it consults with the other Parties in advance and, to the extent permitted by such Governmental Authority, gives the other Parties the opportunity to attend and participate at such meeting. Subject to the terms of the Confidentiality Agreements, the Parties will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other Parties may reasonably request in connection with the foregoing. Subject to the terms of the Confidentiality Agreements, the Parties will provide each other with copies of all material correspondence, filings or communications, including any documents, information and data contained therewith, between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the Transactions. No Party shall take or cause to be taken any action before any Governmental Authority that is inconsistent with or intended to delay its action on requests for a consent or the consummation of the Transactions.

Section 10.09 Public Announcements. The initial press release relating to this Agreement shall be a joint press release the text of which has been agreed to by SPAC and the Companies. Thereafter, between the date of this Agreement and the Closing Date (or the earlier termination of this Agreement in accordance with Article XII) unless otherwise prohibited by applicable Law or the requirements of Nasdaq, SPAC and the Companies shall each use their respective reasonable best efforts to consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Transactions, and shall not issue any such press release or make any such public statement without the prior written consent of the other Party (not to be unreasonably withheld, conditioned or delayed); provided, however, that SPAC and the Companies may make any such announcement or other communication (a) if such announcement or other communication is required by applicable Law or the rules of any stock exchange, in which case the disclosing party shall, to the fullest extent permitted by applicable Law, first allow the other party to review such announcement or communication and the opportunity to comment thereon and the disclosing party shall consider such comments in good faith, (b) to the extent such announcements or other communications contain only information previously disclosed in a public statement, press release or other communication previously approved in accordance with this Section 10.09, and (c) to Governmental Authorities in connection with any consents, approvals and authorizations required to be made under this Agreement or in connection with the Transactions. Furthermore, nothing contained in this Section 10.09 shall prevent SPAC or the Companies or their respective affiliates from furnishing customary or other reasonable information concerning the Transactions to their investors and prospective investors.

Section 10.10 PCAOB Financials.

(a) Alvarium shall use its reasonable best efforts to deliver true and complete copies of (i) the audited consolidated balance sheet of Alvarium and the Alvarium Subsidiaries as of December 31, 2019 and December 31, 2020, and the related audited consolidated statements of income and cash flows of Alvarium and the Alvarium Subsidiaries for such years and (ii) the reviewed consolidated balance sheet of Alvarium and the Alvarium Subsidiaries as of June 30, 2021, and the related unaudited consolidated statements of income and cash flows of Alvarium and the Alvarium Subsidiaries for the six (6) month period then ended, in each case, (A) prepared in accordance with UK GAAP, applied on a consistent basis throughout the covered periods and (B) prepared in accordance with the auditing standards of the PCAOB, together with separate audited financial statements of any of the Alvarium Subsidiaries required to be included in the Registration Statement and the Proxy Statement (collectively, the "Alvarium PCAOB Financials") not later than September 30, 2021.

The representations and warranties of Umbrella contained in Section 7.03 (Capitalization) shall each be true and correct in all respects other than de minimis inaccuracies as of the Closing Date as though made on the Closing Date, except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date. The representations and warranties of Umbrella contained in Section 7.04 (No Conflict; Required Filings and Consents) and Section 7.05 (No Prior Operations of Umbrella) shall be true and correct (without giving effect to any limitation as to “materiality” or “material adverse effect” or any similar limitation set forth herein) in all respects as of the Closing Date, as though made at and as of the Closing Date (except to the extent that any such representation and warranty is expressly made as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date), except where the failure of such representations and warranties to be true and correct, taken as a whole, does not result in a material adverse effect on Umbrella.

(iv) Umbrella Agreements and Covenants. Umbrella shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Umbrella Merger Effective Time.

The representations and warranties of the Cartesian Entities contained in Section 8.03 (Capitalization) shall each be true and correct in all respects other than de minimis inaccuracies as of the Closing Date as though made on the Closing Date, except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date. All other representations and warranties of the Cartesian Entities contained in this Agreement shall be true and correct (without giving any effect to any limitation as to "materiality" or "SPAC Material Adverse Effect" or any similar limitation set forth therein) in all respects as of the Closing Date, as though made on and as of the Closing Date, except (i) to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date and (ii) where the failure of such representations and warranties to be true and correct (whether as of the Closing Date or such earlier date), taken as a whole, does not result in a SPAC Material Adverse Effect.

## ARTICLE XII.

### TERMINATION, AMENDMENT AND WAIVER

Section 12.01 Termination. This Agreement may be terminated and the other Transactions may be abandoned at any time prior to the Umbrella Merger Effective Time, as follows:

(a) by mutual written consent of SPAC and the Companies;

(b) by either SPAC or the Companies if the Umbrella Merger Effective Time shall not have occurred prior to March 18, 2022 (the "Outside Date"); provided, that the Outside Date shall automatically be extended without any further action by any Party until June 17, 2022 if the approvals set forth on Section 6.05(a)(A)(1)(a) to (f) of the Alvarium Disclosure Schedule have not been obtained by the Outside Date; provided, further that SPAC (in its sole discretion acting reasonably) may extend the Outside Date for such period of time as SPAC deems reasonably necessary with respect to any approvals set forth on Section 6.05(a)(A)(1)(a) to (f) of the Alvarium Disclosure Schedule relating to an Alvarium Subsidiary that is not an Alvarium Material Operating Subsidiary that have not been obtained by the Outside Date; provided further, that this Agreement may not be terminated under this Section 12.01(b) by or on behalf of any Party that either directly or indirectly through its affiliates is in breach or violation of any representation, warranty, covenant, agreement or obligation contained herein and such breach or violation is the principal cause of the failure of a condition set forth in Article XI on or prior to the Outside Date;

(c) by either SPAC or the Companies if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any injunction, order, decree or ruling (whether temporary, preliminary or permanent) which has become final and nonappealable and has the effect of making consummation of the Transactions illegal or otherwise preventing or prohibiting consummation of the Transactions;

(d) by either SPAC or the Companies if any of the SPAC Proposals shall fail to receive the SPAC Required Shareholders Approval at the SPAC Shareholders' Meeting or any adjournment or postponement thereof;

(e) by SPAC if (i) TWMH shall have failed to deliver to SPAC the TWMH Members Written Consent, (ii) TIG GP shall have failed to deliver to SPAC the TIG GP Members Written Consent, or (iii) TIG MGMT shall have failed to deliver to SPAC the TIG MGMT Members Written Consent, in each case, immediately following execution and delivery of this Agreement;

(f) by SPAC upon a breach of any representation, warranty, covenant or agreement on the part of any of the Companies set forth in this Agreement, or if any representation or warranty of the Companies shall have become untrue, in either case such that the conditions set forth in Section 11.02(a)(i), Section 11.02(a)(ii), Section 11.02(b)(i), Section 11.02(b)(ii), Section 11.02(b)(iii), Section 11.02(b)(iv), Section 11.02(c)(i), Section 11.02(c)(ii), Section 11.02(c)(iii), or Section 11.02(c)(iv) would not be satisfied ("Terminating Companies Breach"); provided that SPAC has not waived such Terminating Companies Breach and the Cartesian Entities are not then in material breach of their representations, warranties, covenants or agreements in this Agreement; provided further that, if such Terminating Companies Breach is curable by the applicable Company, SPAC may not terminate this Agreement under this Section 12.01(f) for so long as the applicable Company continues to exercise its reasonable efforts to cure such breach, unless such breach is not cured within thirty (30) days after notice of such breach is provided by SPAC to the applicable; or

(g) by each of the Companies upon a breach of any representation, warranty, covenant or agreement on the part of the Cartesian Entities set forth in this Agreement, or if any representation or warranty of the Cartesian Entities shall have become untrue, in either case such that the conditions set forth in Section 11.03(a) or Section 11.03(b) would not be satisfied ("Terminating SPAC Breach"); provided that no Company (i) has waived such Terminating SPAC Breach and (ii) is not then in material breach of their respective representations, warranties, covenants or agreements in this Agreement; provided, however, that, if such Terminating SPAC Breach is curable by the Cartesian Entities, the Companies may not terminate this Agreement under this Section 12.01(g) for so long as the Cartesian Entities continue to exercise their reasonable efforts to cure such breach, unless such breach is not cured within thirty (30) days after notice of such breach is provided by the Companies to SPAC.

Section 12.02 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 12.01, this Agreement shall, to the fullest extent permitted by applicable Law, forthwith become void, and there shall be no liability under this Agreement on the part of any Party, except as set forth in this Section 12.02, Section 12.03, Article XIII any corresponding definitions set forth in Article I, or in the case of termination subsequent to a willful material breach of this Agreement by a Party.

Section 12.03 Expenses. In the event that this Agreement is terminated in accordance with Section 12.01 above, all Transaction Expenses incurred in connection with this Agreement, the other Transaction Documents and the Transactions shall be paid by the Party incurring such Transaction Expenses, except that SPAC, Alvarium, TWMH and the TIG Entities shall each pay one fourth (1/4) of (a) all Transaction Expenses incurred relating to the regulatory approvals set forth in Section 11.02(A)(a) to (f) of the Alvarium Disclosure Schedule. If the Transactions are consummated, on the Closing Date, SPAC shall pay or cause to be paid all Transaction Expenses of the Parties from the combined cash accounts of SPAC and the Companies after the release of funds from the Trust Account.

Section 12.04 Amendment. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed in the same manner as this Agreement and which makes reference to this Agreement.

Section 12.05 Waiver. At any time prior to the Umbrella Merger Effective Time, (a) SPAC may (i) extend the time for the performance of any obligation or other act of each Company, (ii) waive any inaccuracy in the representations and warranties of each Company contained herein or in any document delivered by a Company pursuant hereto, and (iii) waive compliance with any agreement of any Company or any condition to its own obligations contained herein, and (b) any Company may (i) extend the time for the performance of any obligation or other act of the Cartesian Entities, (ii) waive any inaccuracy in the representations and warranties of the Cartesian entities contained herein or in any document delivered by Cartesian Entities pursuant hereto, and (iii) waive compliance with any agreement of the Cartesian Entities or any condition to its own obligations contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby.

Section 13.02 Nonsurvival of Representations, Warranties and Covenants. Except in the case of claims against a Party in respect of such Party's fraud, none of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements and other provisions, shall survive the Closing and all such representations, warranties, covenants, obligations or other agreements shall terminate and expire upon the occurrence of the Closing (and there shall be no liability after the Closing in respect thereof), except for (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing and then only with respect to any breaches occurring after the Closing, (b) this Article XIII, and (c) any corresponding definitions set forth in Article I.

Section 13.03 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

Section 13.04 Entire Agreement; Assignment. This Agreement and the Ancillary Agreements constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede, except as set forth in Section 10.03(b), all prior agreements and undertakings, both written and oral, among the Parties, or any of them, with respect to the subject matter hereof, except for the Confidentiality Agreements. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise) by any Party without the prior express written consent of the other Parties.

Section 13.05 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each Party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, other than Section 10.06 (which is intended to be for the benefit of the persons covered thereby and may be enforced by such persons).

Section 13.06 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State. Any Action arising out of or relating to this Agreement or the Transactions shall, to the fullest extent permitted by applicable Law, be heard and determined exclusively in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan. To the fullest extent permitted by applicable Law, the Parties hereby (a) irrevocably submit to the exclusive jurisdiction of the aforesaid courts for themselves and with respect to their respective properties for the purpose of any Action arising out of or relating to this Agreement or the Transactions brought by any Party, and (b) agree not to commence any such Action except in the courts described above in New York, other than any Action in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. To the fullest extent permitted by applicable Law, each of the Parties further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. To the fullest extent permitted by applicable Law, each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Action arising out of or relating to this Agreement or the Transactions, (i) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the Action in any such court is brought in an inconvenient forum, (B) the venue of such Action is improper or (C) this Agreement or the Transactions, or the subject matter hereof, may not be enforced in or by such courts.

Section 13.07 Waiver of Jury Trial. Each of the Parties hereby waives to the fullest extent permitted by applicable Law, any right it may have to a trial by jury with respect to any Action directly or indirectly arising out of or relating to this Agreement or the Transactions. Each of the Parties (a) certifies that no Representative, agent or attorney of any other party has represented, expressly or otherwise, that such other Party would not, in the event of any Action, seek to enforce that foregoing waiver and (b) acknowledges that it and the other Party have been induced to enter into this Agreement and the Transactions, as applicable, by, among other things, the mutual waivers and certifications in this Section 13.07.

Section 13.08 Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 13.09 Counterparts. This Agreement may be executed and delivered (including by facsimile or portable document format (pdf) transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 13.10 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof, and, accordingly, that the Parties shall, to the fullest extent permitted by Law, be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including such Parties' obligation to consummate the Transactions) in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan without proof of actual damages or otherwise, in addition to any other remedy to which they are entitled at law or in equity as expressly permitted in this Agreement. To the fullest extent permitted by applicable Law, each of the Parties hereby further waives (a) any defense in any Action for specific performance that a remedy at law would be adequate and (b) any requirement under any Law to post security or a bond as a prerequisite to obtaining equitable relief.

Section 13.11 Companies Disclosure Schedules and Exhibits. The Companies Disclosure Schedules and Exhibits attached hereto or referred to in this Agreement are (a) each by this Agreement incorporated in and made a part of this Agreement as if set forth in full herein and (b) qualified in their entirety by reference to specific provisions of this Agreement. Any fact or item disclosed in any Section of the Companies Disclosure Schedules relating to the respective representations and warranties of a Party shall be deemed disclosed in each other Section relating to the respective representations and warranties of such Party of the applicable Companies Disclosure Schedules to which such fact or item may apply, so long as (i) such other Section is referenced by applicable cross-reference or (ii) it is reasonably apparent on the face of such disclosure that such disclosure is applicable to such other Section or portion of the Companies Disclosure Schedules. The headings contained in the Companies Disclosure Schedules are for convenience of reference only, and shall not be deemed to modify or influence the interpretation of the information contained in the Companies Disclosure Schedules or this Agreement. The Companies Disclosure Schedules are not intended to constitute, and shall not be construed as, an admission or indication that any such fact or item is required to be disclosed. The Companies Disclosure Schedules shall not be deemed to expand in any way the scope or effect of any representations, warranties or covenants described in this Agreement. Any fact or item, including the specification of any dollar amount, disclosed in the Companies Disclosure Schedules shall not by reason only of such inclusion be deemed to be material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement, and matters reflected in the Companies Disclosure Schedules are not necessarily limited to matters required by this Agreement to be reflected herein, and may be included solely for information purposes; and no Party shall use the fact of the setting of the amounts or the fact of the inclusion of any item in the Companies Disclosure Schedules in any dispute or controversy between the Parties as to whether any obligation, item or matter not described or included in the Companies Disclosure Schedules is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or is within or outside of the ordinary course of business. No disclosure in the Companies Disclosure Schedules relating to any possible breach or violation of any contract, Law or order shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. Moreover, in disclosing the information in the Companies Disclosure Schedules, the Parties do not waive any attorney-client privilege associated with such information or any protection afforded by the work-product doctrine with respect to any of the matters disclosed or discussed therein. The information contained in the Companies Disclosure Schedules shall be kept strictly confidential in accordance with Section 10.03 by the Parties, and no third party may rely on any information disclosed or set forth therein.

Section 13.12 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement (except in the case of the immediately succeeding sentence) or any document, agreement, or instrument delivered contemporaneously herewith, and notwithstanding the fact that any Party may be a corporation, partnership or limited liability company, each Party hereto, by its acceptance of the benefits of this Agreement, covenants, agrees and acknowledges that no Persons other than the Parties shall have any obligation hereunder and that it has no rights of recovery hereunder against, and no recourse hereunder or under any documents, agreements, or instruments delivered contemporaneously herewith or in respect of any oral representations made or alleged to be made in connection herewith or therewith shall be had against, any former, current or future shareholder, member, partner, director, manager, officer, agent, affiliate, assignee, incorporator, controlling Person, fiduciary, representative or employee of any Party (or any of their successors or permitted assignees); it being agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on, or otherwise be incurred by any such Person for any obligations of the applicable Party under this Agreement or the transactions contemplated by this Agreement, under any documents or instruments delivered contemporaneously herewith. Except to the extent otherwise set forth in, and subject in all cases to the terms and conditions of and limitations herein, this Agreement may only be enforced against, and any claim or cause of action of any kind based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against the entities that are named as Parties hereto and then only with respect to the specific obligations set forth herein with respect to such Party.

Section 13.13 Legal Representation and Privilege of the TWMH/TIG Entities, Alvarium and the Cartesian Entities.

(a) Each Party hereby agrees, on behalf of itself, its Affiliates, and its and their directors, managers, officers, owners and employees and each of their successors and assigns (all such parties, the "Waiving Parties"), that Seward & Kissel LLP (or any successor thereto) ("S&K") may represent TWMH, the TIG Entities, Umbrella and/or any of their Subsidiaries, or any direct or indirect owner, member, shareholder, partner, director, manager, officer, employee or affiliate thereof (collectively, the "TWMH/TIG Group") (other than, following the Closing, SPAC or Alvarium or any of its Subsidiaries), in connection with any dispute, claim, proceeding or liability arising out of or relating to this Agreement, any Ancillary Agreement or the Transactions contemplated hereby or thereby (any such representation, the "TWMH/TIG Group Post-Closing Representation"), and each Party on behalf of itself and the Waiving Parties hereby consents thereto and irrevocably waives (and will not assert) any conflict of interest or any objection arising therefrom or relating thereto, even though the interests of the TWMH/TIG Group Post-Closing Representation may be directly adverse to the Waiving Parties.

(b) Each of the Parties, for itself and the Waiving Parties, hereby irrevocably acknowledges and agrees that all communications among S&K (or any other counsel that represented the TWMH/TIG Group made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute, claim, proceeding or liability arising out of or relating to, this Agreement, any Ancillary Agreement or the Transactions contemplated hereby or thereby or any matter relating to any of the foregoing are privileged communications, and shall remain privileged after the Closing, and the attorney-client privilege and the expectation of client confidence and work product and other immunities belong solely to the applicable member of the TWMH/TIG Group (but in all cases, for the avoidance of doubt, excluding SPAC, Alvarium or any Subsidiary of Alvarium) and is exclusively controlled by such member, and shall not pass to or be claimed by SPAC, any Subsidiary of Alvarium any other Party or Waiving Party, other than the TWMH/TIG Group. From and after the Closing, each Party (other than the TWMH/TIG Group) shall not, and shall cause its Waiving Parties not to, access the same or seek to obtain the same by any process. From and after the Closing, each of the Parties (other than the TWMH/TIG Group), on behalf of itself and the Waiving Parties, irrevocably waives and will not assert any attorney-client privilege or work product or other immunities with respect to any communication among S&K (or any other counsel that represented the TWMH/TIG Group), any member of the TWMH/TIG Group occurring prior to the Closing in connection with any TWMH/TIG Group Post-Closing Representation. Notwithstanding the foregoing, in the event that a dispute arises between any Party or its Waiving Parties, on the one hand, and a third party, on the other hand, such Party or its Waiving Party, as applicable, may assert the attorney-client privilege or work product or other immunities to prevent disclosure of confidential communications to such third party; provided, however, that no Party (or its Waiving Party) may waive such privilege or other immunity without the prior written consent of the TWMH/TIG Group.

(c) Each Party hereby agrees, on behalf of itself and the Waiving Parties, that Goodwin Procter LLP (or any successor thereto) ("GP") may represent Alvarium and/or any Alvarium Subsidiaries, or any direct or indirect owner, member, shareholder, partner, director, manager, officer, employee or affiliate thereof (collectively, the "Alvarium Group") in connection with any dispute, claim, proceeding or liability arising out of or relating to this Agreement, any Ancillary Agreement or the Transactions contemplated hereby or thereby (any such representation, the "Alvarium Group Post-Closing Representation"), and each Party on behalf of itself and the Waiving Parties hereby consents thereto and irrevocably waives (and will not assert) any conflict of interest or any objection arising therefrom or relating thereto, even though the interests of the Alvarium Group Post-Closing Representation may be directly adverse to the Waiving Parties.

(d) Each of the Parties, for itself and the Waiving Parties, hereby irrevocably acknowledges and agrees that all communications among GP (or any other counsel that represented the Alvarium Group made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute, claim, proceeding or liability arising out of or relating to, this Agreement, any Ancillary Agreement or the Transactions contemplated hereby or thereby or any matter relating to any of the foregoing are privileged communications, and shall remain privileged after the Closing, and the attorney-client privilege and the expectation of client confidence and work product and other immunities belong solely to the applicable member of the Alvarium Group and is exclusively controlled by such member, and shall not pass to or be claimed by any Waiving Party, other than the Alvarium Group. From and after the Closing, each Party (other than the Alvarium Group) shall not, and shall cause its Waiving Parties not to, access the same or seek to obtain the same by any process. From and after the Closing, each of the Parties (other than the Alvarium Group), on behalf of itself and the Waiving Parties, irrevocably waives and will not assert any attorney-client privilege or work product or other immunities with respect to any communication among GP (or any other counsel that represented the Alvarium Group), any member of the Alvarium Group occurring prior to the Closing in connection with any Alvarium Group Post-Closing Representation. Notwithstanding the foregoing, in the event that a dispute arises between any Party or its Waiving Parties, on the one hand, and a third party, on the other hand, such Party or its Waiving Party, as applicable, may assert the attorney-client privilege or work product or other immunities to prevent disclosure of confidential communications to such third party; provided, however, that no Party (or its Waiving Party) may waive such privilege or other immunity without the prior written consent of the Alvarium Group.

(e) Each Party hereby agrees, on behalf of itself and the Waiving Parties, that Greenberg Traurig, LLP (or any successor thereto) (“GT”) may represent any of the Cartesian Entities, or any direct or indirect owner, member, shareholder, partner, director, manager, officer, employee or affiliate thereof (collectively, the “Cartesian Group”) in connection with any dispute, claim, proceeding or liability arising out of or relating to this Agreement, any Ancillary Agreement or the Transactions contemplated hereby or thereby (any such representation, the “Cartesian Group Post-Closing Representation”), and each Party on behalf of itself and the Waiving Parties hereby consents thereto and irrevocably waives (and will not assert) any conflict of interest or any objection arising therefrom or relating thereto, even though the interests of the Cartesian Group Post-Closing Representation may be directly adverse to the Waiving Parties.

# SIMPLIFIED Current Existing Structure of Alvarium Investments Limited – see detail in Alvarium chart of regulated entities at end

Structure simplified for illustrative purposes and does not reflect all legal entities

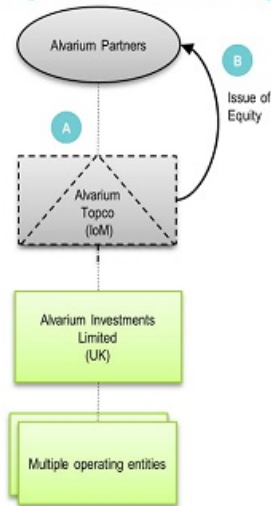

# Alvarium Structure

## Pre-transaction Step 1: Restructuring of Alvarium Entities

The UK legal steps will involve a shareholders' special resolution in Alvarium Investments Limited supported by a solvency statement to reduce its share capital, a procedure which we understand is facilitated by s.641 Companies Act 2006. This would require a shareholders' special resolution cancelling their ordinary shares providing that, contingently on the cancellation taking effect and notwithstanding anything in the Articles of Alvarium Investments Limited, the reserve arising as a result of the cancellation be applied in paying up new shares of a nominal value equal to the value of the shares cancelled, such shares to be allotted as fully paid to Alvarium Topco.

**IoM legal steps [TBC].**

In terms of the legal documentation for this step the cancellation only becomes effective when various documents are (a) delivered to Companies House (a copy of the solvency statement, a statement of capital and the special resolution for cancellation) and (b) registered by the Registrar. In practice, it is understood these steps can be achieved within a short space of time.

### Pre-Transaction Steps 1

#### Step A

- Alvarium Partners forms an IoM entity called Alvarium Topco.

#### Step B

- Step 2: Alvarium Investments Limited issues one B share to Alvarium Topco prior to the share cancellation taking place. We understand that this is required by company law to avoid the situation where all the shares are cancelled. The B share will not rank pari passu with the ordinary shares in issue in Alvarium Investments Limited to ensure it represents legally a different share class.

#### Step C

- Cancellation and reissue of shares in Alvarium Investments Limited. This step has the following components:
  - Ordinary shares in Alvarium Investments Limited are cancelled (apart from the B share)
  - Alvarium Investments Limited issues new shares to Alvarium Topco at nominal value
  - Alvarium Topco issues new shares to Alvarium Investments Limited shareholders as consideration for the cancellation of their shares in Alvarium Investments Limited to mirror the shareholdings previously held by those shareholders in Alvarium Investments Limited. The value of the shares in Alvarium Topco issued will represent the market value of the shares in Alvarium Investments Limited prior to the cancellation taking place

## Pre-transaction Step 2: Restructuring of Alvarium Entities

Structure simplified for illustrative purposes and does not reflect all legal entities

### Pre-Transaction Steps 2

#### Steps B

- Alvarium Holdings, LLC forms Alvarium Wealth Management Holdings, LLC, and Alvarium Asset Management Holdings, LLC.

#### Steps C

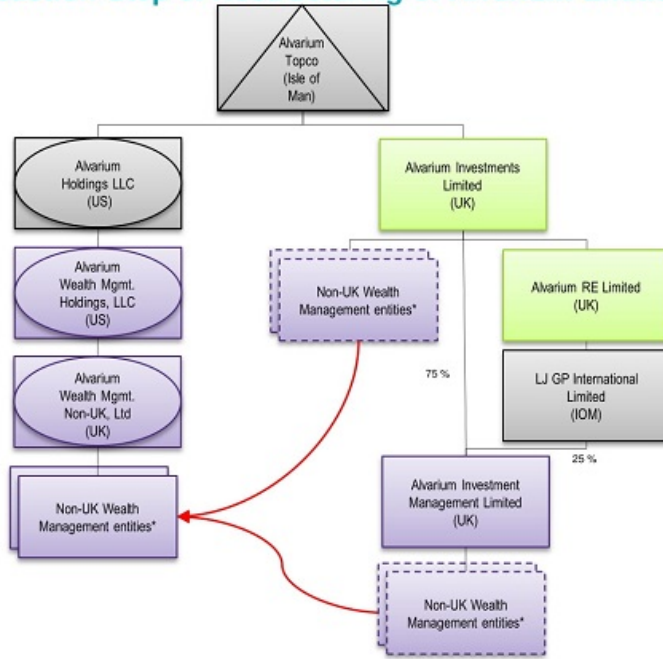

- Alvarium Asset Management Holdings, LLC forms New Alvarium Investments Limited.
- Alvarium Wealth Management Holdings, LLC, forms two UK entities called Alvarium Wealth Management non-UK, Limited and Alvarium Wealth Management UK Limited.
- Alvarium Wealth Management Holdings, LLC, forms Alvarium Trust & Administration non-UK, LLC.

#### Assumptions and notes

The Managing Member shall have the power to do any and all acts necessary or convenient to, or for the furtherance of, the purposes described herein, including all powers, statutory or otherwise, possessed by members under the Act. The Managing Member shall be a “Manager” under the Act and all decisions and actions with respect to the business or operations of the Company shall be made by the Managing Member. The Members shall have no right to remove the Managing Member as the Managing Member of the Company.

Notwithstanding any other provision of this Agreement, or, to the fullest extent permitted by applicable law, the Act or applicable law, rule or regulation, and without any further act, vote or approval of any Member, any Officer or other person, (a) the BCA, the Umbrella Merger (as defined in the BCA) and all other documents, agreements, certificates or statements contemplated thereby or related thereto be, and each hereby is, authorized, approved and adopted by the Company, (b) the Company, and the Managing Member or any Officer for, in the name of and on behalf of the Company, may enter into, execute, deliver and perform under the BCA and all other documents, agreements, certificates or statements contemplated thereby or related thereto and consummate the Umbrella Merger and (c) in connection with the Umbrella Merger (as defined in the BCA), (i) the Umbrella A&R LLCA (as defined in the BCA) may be adopted as the new limited liability company agreement of the Company, (ii) the limited liability company interests in the Company, including, without limitation, the Class B Units, may be converted into and exchanged for the merger consideration provided in the BCA and (iii) the SPAC (as defined in the BCA) may be admitted as a member of the Company. The foregoing authorization shall not be deemed a restriction on the powers of Managing Member to enter into other documents, agreements, certificates or statements on behalf of the Company.

6. Officers. The Managing Member may designate one or more individuals as officers of the Company (each, an “Officer”), who shall have such titles and exercise and perform such powers and duties as shall be assigned to them from time to time by the Managing Member. Any Officer may be removed by the Managing Member at any time, with or without cause. Each Officer shall hold office until his or her successor is elected and qualified. Any number of offices may be held by the same individual.

7. Reliance by Third Parties. Any person dealing with the Company may rely upon the authority of the Managing Member and any Officer, and shall not be required to inquire as to the Managing Member’s or Officer’s authority to bind the Company.

8. Units. The limited liability company interests in the Company (“Interests”) shall be represented by one or more classes of units (“Units”) as determined by the Managing Member. Initially the Company shall have one (1) classes of Units: Class B Units. The number and class of Units held by each Member from time to time shall be set forth on Exhibit A to this Agreement. The Interests shall be issued in non-certificated form; provided, however, that the Company may, but is not required to, issue certificates evidencing the Interests and containing such legends as the Company shall deem appropriate.

9. Rights, Powers and Duties of Members. The rights, powers and duties of a Member holding Class B Units are set forth in this Agreement.

10. Members.

(a) Michael Tiedemann was, upon his execution of a counterpart signature page to the Original Agreement, admitted as a member of the Company effective as of the time of the filing of the initial Certificate with the Secretary of State of the State of Delaware, continues to be a member of the Company as of the execution and delivery of this Agreement, and shall be listed on Exhibit A hereto as of the Effective Date.

(b) Each person (other than Michael Tiedemann) listed on Exhibit A hereto as of the Effective Date was, upon such person’s execution of a counterpart signature page to this Agreement, admitted as a member of the Company effective as of the Effective Date.

(c) The name and the business, residence or mailing address of the Members are set forth in the books and records of the Company. The Company may update its books and records and Exhibit A from time to time to reflect the issuance of new Units, the admission of new Members to the Company, the withdrawal of Members from the Company or to make any other required changes thereto without the need to amend this Agreement.

11. Capital Contributions. Pursuant to the Capital Contribution Agreements, each of the persons listed on Exhibit A hereto as of the Effective Date has contributed all of such person’s respective limited liability company interests in TWMH, TIG GP and/or TIG MGMT, as applicable, in exchange for the number and class of Units set forth opposite such person’s name on Exhibit A hereto as of the Effective Date. No Member shall be required to make additional capital contributions to the Company. Except as otherwise provided in this Agreement, no Member shall be entitled to receive interest or any other amount from the Company on its capital contributions or on balances in the Member’s capital account.

12. Capital Accounts.

(a) A capital account shall be established on the books of the Company for each of the Members which shall be maintained in accordance with the provisions of Treasury Regulation § 1.704-1(b), 1.704-2 and 1.704-3. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of capital accounts are intended to comply with these Treasury Regulations and shall be interpreted and applied in a manner consistent with such Regulations. The capital account of each Member shall be an amount equal to the Member's initial capital contribution, any additional capital contributions made to the Company by the Member and any net profits of the Company allocated to the Member, less any net losses of the Company allocated, and distributions, if any, made, to the Member.

(b) The capital accounts of the Members may, in the discretion of the Managing Member, be increased or decreased in accordance with Treasury Regulations §1.704-1(b)(2)(iv)(f) to reflect a revaluation of the property of the Company on the Company's books as of the following times: (i) the acquisition of an additional interest in the Company by any new or existing Member in exchange for more than a de minimis capital contribution or in consideration for services performed by the Member for the Company, (ii) the distribution by the Company to a Member of more than a de minimis amount of money or other property as consideration for interests in the Company, and (iii) the liquidation of the Company within the meaning of Treasury Regulations §1.704-1(b)(2)(ii)(g).

(c) No Member shall be obligated to restore a negative balance in its capital account during the term of the Company or upon liquidation of the Company.

(d) Upon any permitted transfer of all or a portion of a Member's interest in the Company to any other person, the transferee shall succeed to the portion of the capital account of the transferring Member relating to the transferred interest.

13. Allocation of Net Profits and Net Losses. The Company's net profits or net losses, as the case may be, shall be allocated pro rata among the Members in accordance with the number of Class B Units held by the Members.

14. Distributions. Distributions shall be made to the Members in accordance with the number of Class B Units held by the Members, at the times and in such amounts as determined by the Managing Member.

15. Distributions in Liquidation. Upon dissolution of the Company for any reason, the Managing Member or another person selected by the Managing Member (the Managing Member or such person, the "Liquidator") shall have the responsibility for expeditiously dissolving and liquidating the Company. The Liquidator shall promptly proceed to wind up the affairs of the Company, and shall distribute the Company's property and assets, or the proceeds from the liquidation thereof in the following order of priority: (a) payment of the debts and liabilities of the Company, in order of priority provided by law, and payment of the expenses of liquidation; (b) setting up of such reserves as the Liquidator may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company or any obligations or liabilities not then due and payable; provided, any balance of such reserve, at the expiration of such period as the Liquidator shall deem advisable, shall be distributed in the manner hereinafter provided; and (c) distribution to the Members in accordance with the positive balances of their capital accounts, adjusted to the date of distribution (assuming that all assets distributed to the Members in kind are treated for all purposes of this Agreement as having been sold by the Company immediately before the distribution for their then fair market value).

16. Admission of Additional Members. One or more additional Members of the Company may be admitted to the Company upon the consent of the Managing Member and upon such terms as determined by the Managing Member.

17. Withdrawal, Transfers, Assignments and Encumbrances. A Member may not withdraw from the Company, nor may it transfer, assign or pledge its Interest, without the consent of the Managing Member. Any impermissible transfer or assignment shall be null and void for all purposes.

18. Liability of Members. The Members shall not have any liability for the obligations or liabilities of the Company, except to the extent provided in the Act.

19. Limitation of Liability. Neither the Managing Member nor any Officer shall have any liability to the Company or any other Member for any loss suffered by the Company or any Member which arises out of any act or omission believed by such person in good faith to be within the scope of authority conferred upon it by this Agreement, but shall have liability only for acts or omissions involving its willful misconduct, fraud or gross negligence.

20. Indemnification. To the maximum extent permitted by applicable law, the Company shall protect, indemnify, defend and hold harmless the Managing Member, each Officer and each Member of the Company (each, a "Covered Person") who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such Covered Person is or was the Managing Member, an Officer or Member of the Company, against losses, damages, expenses (including attorneys' fees), judgments, fines and amounts ("Losses") reasonably incurred by such Covered Person in connection with such action, suit or proceeding, except to the extent that such Losses (i) were the result of the willful misconduct, fraud or gross negligence of such Covered Person, or (ii) relate to disputes between or among the Members. The indemnification authorized under this Section shall include payment on demand (with appropriate evidence of the amounts claimed) of reasonable attorneys' fees and other expenses incurred in connection with, or in settlement of, any action, suit or proceeding for which indemnification under this Section applies; provided, however, that a Covered Person shall repay such amounts if it shall ultimately be determined that such Covered Person is not entitled to be indemnified by the Company under this Section. Such indemnification rights shall be in addition to any and all rights, remedies and recourse to which any Covered Person shall be entitled, whether or not pursuant to the provisions of this Agreement, at law or in equity. The indemnities provided for in this Section shall be recoverable only from the assets of the Company, and there shall be no recourse to any Member or other person for the payment of such indemnities. The provisions of this Section shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section and regardless of any subsequent amendment to this Agreement, and no amendment to this Agreement shall reduce or restrict the extent to which these indemnification provisions apply to actions taken or omissions made prior to the date of such amendment.

21. Fiscal Year. The fiscal year of the Company shall end on December 31 of each year, subject to change by the Managing Member from time to time.

22. Tax Returns. The Members shall cause the Company's tax returns and other United States federal and state governmental returns and reports to be prepared and timely filed. The Company shall deliver copies of Schedule K-1 of Form 1065 (or a comparable schedule) and other necessary tax information for each fiscal year to each Member.

23. Tax Matters. It is the intention of the Members that the Company shall be treated as a partnership for all tax purposes and each Member shall refrain from taking any actions inconsistent with such characterization. The Managing Member shall be Partnership Representative of the Company as defined in Section 6223(a) of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder, and shall act in any similar capacity under applicable state or local tax law.

24. Books and Records. The Company shall keep, or arrange to have kept, full, accurate, complete, and proper books and records of all of the operations of the Company. The books and records of the Company shall, at the cost and expense of the Company, be kept at the principal office of the Company.

25. Confidential Information. Each Member acknowledges that the Company possesses and will continue to possess information that has been created, discovered, or developed, or has otherwise become known to the Company, or in which property rights have been assigned or otherwise conveyed to the Company, which information has commercial value in the business in which the Company is engaged and is not generally known to the public, including trade secrets, intellectual property, research, product development or design, trading strategies, advertising or promotional programs, software programs, know how, algorithms, specifications, techniques, methods, concepts, inventions, developments, discoveries, and improvements of the Company, mailing or client lists and other business arrangements, plans, procedures and strategies (collectively the "Confidential Information"). Confidential Information does not include information which (i) becomes generally available to the public other than as a result of a disclosure by a Member, (ii) was available to a Member on a non-confidential basis prior to its disclosure to such Member by the Company or its affiliates, (iii) becomes available to a Member on a non-confidential basis from a source other than the Company, any of its affiliates or any of their representatives or agents, (iv) has been independently developed by a Member without violating such Member's obligations under this Agreement; provided, that such source is not bound by a confidentiality agreement with the Company or any of its affiliates or any of their representatives or agents or otherwise prohibited from transmitting the information to such Member. The Members will each hold in confidence and not, directly or indirectly, divulge, publish, communicate, or make available to any person the Confidential Information, except (i) to such Member's affiliates and their respective representatives, (ii) as required or requested by law, the rules of any stock exchange or any governmental, regulatory or supervisory body or court of competent jurisdiction to which a Member is subject, provided that any such disclosure under this subsection (ii) shall, to the extent legally permitted, require prompt prior written notice to the Company from the disclosing person so that the Company may seek, at its sole cost and expense, to prevent such disclosure through an appropriate protective order or other remedy; provided, however, that if a Member or such Member's affiliate is compelled to disclose Confidential Information pursuant to a request or audit of a governmental regulator or agency, it shall use reasonable efforts to seek confidential treatment of the disclosure of such Confidential Information and notice of such disclosure shall be provided as promptly as practicable, (iii) as authorized in writing by the Managing Member, or (iv) as required to fulfill the rights and obligations of the Members hereunder. Each Member agrees (x) to only disclose Confidential Information to its affiliates or representatives under clause (i) above after informing such persons of the confidential nature of such Confidential Information, (y) to direct and cause such persons to use and hold such Confidential Information in accordance with the terms of this Agreement, and (z) that such Member shall be responsible for any use or disclosure of Confidential Information by such persons. Each Member shall not use any Confidential Information to the detriment of the Company.

26. Amendments to the Agreement. This Agreement may be amended in writing at any time by the Managing Member and any such amendment shall be binding on all of the Members. The Company shall provide a copy of any such amendment to each Member.

27. Successors and Assigns. Subject to the provisions hereof imposing limitations and conditions upon the transfer of Interests in the Company, all of the provisions hereof shall inure to the benefit of and be binding upon the successors and permitted assigns of the parties hereto.

28. Entire Agreement; Third Party Beneficiaries. This Agreement supersedes all prior discussions and agreements between the Members with respect to the subject matter hereof, and this Agreement contains the sole and entire agreement between the Members with respect to the matters covered hereby. This Agreement is made solely and specifically among and for the benefit of the Members, and their respective successors and permitted assigns subject to the express provisions hereof relating to successors and assigns, and no other person (other than Covered Persons) will have any rights, interest or claims hereunder or be entitled to any benefits under or on account of this Agreement as a third party beneficiary or otherwise.

29. Invalidity. All rights and restrictions contained herein may be exercised and shall be applicable and binding only to the extent that they do not violate any applicable laws and are intended to be limited to the extent necessary so that they will not render this Agreement illegal, invalid or unenforceable. If any term of this Agreement shall be held to be illegal, invalid or unenforceable, it is the intention of the Members that the remaining terms hereof shall constitute their agreement with respect to the subject matter hereof and all such remaining terms shall remain in full force and effect. To the extent legally permissible, any illegal, invalid or unenforceable provision of this Agreement shall be replaced by a valid provision which will implement the commercial purpose of the illegal, invalid or unenforceable provision of this Agreement.

30. Waiver. No failure on the part of any Member hereto to exercise, and no delay in exercising any right, power, or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy by any such Member preclude any other or further exercise thereof or the exercise of any other right, power, or remedy. No express waiver or assent by any Member hereto to any breach of or default in any term or condition of this Agreement shall constitute a waiver of or an assent to any succeeding breach of or default in the same or any other term or condition hereof.

31. Remedies Cumulative. Each right, power and remedy provided herein or now or hereafter existing at law, in equity, by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for herein or now or hereafter existing at law, in equity, by statute or otherwise, and the exercise or beginning of the exercise by any Member of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such Member of any or all of such other rights, powers and remedies.

32. Further Assurances. The Members hereby agree to take such further actions and execute and deliver to the other such further documents, as may be reasonably necessary or convenient from time to time to more effectively carry out the intent and purposes of this Agreement and to establish and protect the interests, rights and remedies created or intended to be created hereunder.

33. Notices. Any notices or other communications required or permitted hereunder shall be deemed to have been properly given and delivered if in writing by such Member or its legal representative and delivered personally or sent by electronic mail, nationally recognized overnight courier service guaranteeing overnight delivery, or registered or certified mail, postage prepaid, addressed as indicated for each Member in the books and records of the Company. Unless otherwise specified herein, such notices or other communications shall be deemed given (a) on the date delivered, if delivered personally, (b) one business day after being sent by a nationally recognized overnight courier guaranteeing overnight delivery, (c) on the date delivered, if delivered by electronic mail during business hours (or one business day after the date of delivery if delivered after business hours) and (d) five business days after being sent, if sent by registered or certified mail. Each of the Members hereto shall be entitled to specify a different address by delivering notice as aforesaid to the Managing Member, who shall update the books and records of the Company accordingly.

34. Governing Law. The validity and effect of this Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware without giving effect to choice of law principles.

35. Disputes; Arbitration. The Members agree that in the event of any dispute or disagreement between or among any of them arising out of, relating to, or in connection with this Agreement, the Members shall use their best efforts to resolve any such dispute by good-faith negotiation and mutual agreement. The Members shall meet at a mutually convenient time and place to attempt to resolve any such dispute. If the disputing Members are unable to resolve the dispute through these negotiations within thirty (30) days following receipt of the initial notice of such dispute, then any dispute arising out of or relating to this Agreement (including, without limitation, statutory claims and with respect to the determination of the scope or applicability of this agreement to arbitrate), shall be submitted to arbitration before one (1) neutral arbitrator at JAMS in New York, New York pursuant to the JAMS Comprehensive Arbitration Rules and Procedures. Each party will bear its own expenses. For injunctive relief, it is agreed that any court of competent jurisdiction in New York, New York may also entertain an application by any party. The parties further agree that no demand for punitive damages shall be made in any arbitration proceeding and that the arbitrators shall not have the power to award punitive damages in any such proceeding. Any award of the arbitrator shall be final and binding on the parties, subject only to such right of review that may lie under applicable law, and may be entered and enforced in any court having jurisdiction thereof. Each party hereby agrees that the existence of any such arbitration, the pleadings, any materials submitted or exchanged in discovery, as well as any testimony, and any decision, award or settlement and the terms thereof shall be confidential ("Confidential Arbitration Materials") and shall not be disclosed to any third party except: (a) as required by law, rule or regulation; (b) to such party's directors, managers, officers, employees, financial or tax advisors, attorneys, accountants, agents and other representatives, and only then after securing their agreement to keep such information confidential, or (c) in connection with an action or proceeding to enforce or vacate such award, provided that the parties shall take all reasonable steps to protect the confidentiality of such Confidential Arbitration Materials.

36. Legal Counsel; Limited Scope of Representation. This Agreement was prepared by Seward & Kissel LLP (“S&K”), as counsel to the Company, at the direction of the Company in connection with the negotiation, preparation, execution and delivery of this Agreement, and that S&K (or any successor thereof) may serve as counsel to the Company and its affiliates in connection with any litigation, arbitration, claim or obligation arising out of or relating to this Agreement. Each Member acknowledges that it has reviewed the contents of this Agreement and fully understands its terms. Each Member acknowledges that it is fully aware of its right to the advice of counsel independent from that of the Company, that it was advised that a conflict exists among the Members with respect to this Agreement and that such interests may presently and in the future be adverse, and that it should seek the advice of independent counsel, and that it has had the opportunity to seek the advice of independent counsel. Each Member further acknowledges that S&K has provided no advice or representations to it regarding the tax consequences of this Agreement to it or any other matter, and that it has been advised to seek the advice and consultation of its own personal tax advisers with respect to such tax consequences. Each Member, by executing this Agreement, represents that it has, after being advised of the potential conflicts among the Members with respect to the future consequences of this Agreement, either consulted independent legal counsel or elected, notwithstanding the advice, not to consult such independent legal counsel.

37. Construction. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party. The word “including” shall mean “including, without limitation” regardless of whether such words are included in some contexts but not others. Any reference in this Agreement to “\$” is to U.S. Dollars. The words “herein,” “hereof,” “hereby,” “hereto,” “hereinafter,” and other words of similar import refer to this Agreement as a whole, including the Exhibits hereto, as the same may from time to time be amended, modified, supplemented or restated, and not to any particular article, section, subsection, paragraph, subparagraph or clause contained in this Agreement. The Exhibits to this Agreement are incorporated into, and form an integral part of, this Agreement. If any payment is required to be made or other action is required to be taken pursuant to this Agreement on a date that is not a business day, then such payment or action shall be made or taken on the next business day. Any reference to the Internal Revenue Code, the Treasury Regulations, the Act or other statutes or laws will include (a) all amendments, modifications or replacements thereof or of the specified sections and provisions concerned as in effect from time to time, and (b) all rules and regulations promulgated thereunder. The Corporation may implement any Equity Plans and any actions taken under such Equity Plans (such as the grant or exercise of options to acquire shares of Class A Common Stock or the issuance of Unvested Corporate Shares), in a manner determined by the Corporation, in accordance with this Section 3.09. The Members, the Manager, the Corporation and any other Person that is a party to or is otherwise bound by this Agreement hereby acknowledge and agree that, in the event that an Equity Plan is adopted, implemented, modified or terminated by the Corporation in a manner that is not in accordance with this Section 3.09, amendments to this Section 3.09 may become necessary or advisable and may be effected by the Manager in good faith without further act, vote, approval or consent of the Members or any other Person notwithstanding anything in this Agreement to the contrary or, to the fullest extent permitted by applicable Law, the Delaware Act or other applicable Law. In the event that shares of Class A Common Stock issued by the Corporation under an Equity Plan become vested pursuant to the terms thereof or any award or similar agreement relating thereto, then the number of outstanding Class A Common Units owned by the Corporation shall automatically be converted into and become that number of outstanding Class A Common Units that would result if a corresponding number of outstanding Class A Common Units were issued to the Corporation, such that the number of outstanding Class A Common Units owned by the Corporation shall equal, on a one-for-one basis, the number of outstanding shares of Class A Common Stock, disregarding for such purposes, the Disregarded Shares, all without further act, vote, approval or consent of the Manager, the Members or any other Person notwithstanding anything in this Agreement to the contrary or, to the fullest extent permitted by applicable Law, the Delaware Act or any other applicable Law.

(b) For accounting and tax purposes, the Manager may cause the Company to take the following actions in connection with equity-based awards granted pursuant to an Equity Plan:

(i) in the event that the Corporation incurs any compensation expense in connection with any such award granted to an individual directly or indirectly employed by, or engaged to provide services to, the Corporation as consideration for such employment or services, then the Company may, without duplication of any reimbursement made pursuant to Section 6.06, reimburse or be deemed to reimburse the Corporation for a portion of the compensation expense equal to the amount includible in the taxable income of such individual; and

(ii) at the time any Class A Common Units are issued to the Corporation in accordance with Section 3.03 in connection with any such award granted to an individual who is directly or indirectly employed by, or engaged to provide services to, the Company or any of its Subsidiaries as consideration for such employment or services, then the Company or its applicable Subsidiary may be deemed to (A) purchase a number of shares of Class A Common Stock equal to the number of Common Units issued from the Corporation for their Fair Market Value and (B) transfer the shares of Class A Common Stock includible in such individual's taxable income to such individual as compensation.

(c) At the time any Class A Common Units are issued to the Corporation in accordance with Section 3.03 in connection with equity-based awards granted pursuant to an Equity Plan, the Corporation shall be deemed to have made a Capital Contribution in exchange for such Class A Common Units in an amount equal to (i) the number of Class A Common Units issued multiplied by (ii) the Fair Market Value of a share of Class A Common Stock on the date upon which the event triggering the issuance of such Class A Common Units occurred; *provided* that, where applicable, the Company shall be deemed to have contributed such amount to the capital of the Subsidiary that is the recipient of the award holder's employment or services.

SECTION 3.10. Dividend Reinvestment Plan, Cash Option Purchase Plan, Equity Plan, Stock Incentive Plan or Other Plan. Except as may otherwise be provided in this Article III, all amounts received or deemed received by the Corporation in respect of any dividend reinvestment plan, cash option purchase plan, Equity Plan, stock incentive or other stock or subscription plan or agreement (other than any amounts received in order to satisfy any tax obligations), either (a) shall be utilized by the Corporation to effect open market purchases of shares of Class A Common Stock, or (b) if the Corporation elects instead to issue new shares of Class A Common Stock with respect to such amounts, shall be contributed by the Corporation to the Company in exchange for additional Class A Common Units. Upon such contribution, the Company will issue to the Corporation a number of Class A Common Units equal to the number of new shares of Class A Common Stock so issued.

ARTICLE IV

Distributions

SECTION 4.01. Distributions.

(a) Distributions Generally. Except as otherwise provided in Section 14.02, Distributions shall be made to the Members as set forth in this Section 4.01. Notwithstanding anything in this Agreement to the contrary, the Company shall not make any Distribution to any Member on account of any Company Interest if such Distribution would violate any applicable Law.

(b) Distributions to the Members. Subject to Section 4.01(e), Section 4.01(f), Section 4.01(g), Section 4.01(h) and Section 4.01(i), at such times and in such amounts as the Manager, in its sole discretion, shall determine, Distributions in cash shall be made to the Members holding Class A Common Units and Class B Common Units, in proportion to their respective Percentage Interests.

(c) Distributions to the Corporation. Notwithstanding the provisions of Section 4.01(b), the Manager, in its sole discretion, may authorize that (i) cash be paid to the Corporation (which payment shall be made without pro rata Distributions to the other Members) in exchange for the redemption, repurchase or other acquisition of shares of Economic Common Stock in accordance with Section 3.04 to the extent that such cash payment is used to redeem, repurchase or otherwise acquire an equal number of Units held by the Corporation and (ii) to the extent that the Manager determines that expenses or other obligations of the Corporation are related to its role as the Manager or the business and affairs of the Corporation that are conducted through the Company or any of the Company's direct or indirect Subsidiaries, cash (and, for the avoidance of doubt, only cash) Distributions may be made to the Corporation (which Distributions shall be made without pro rata Distributions to the other Members) in amounts required for the Corporation to pay (A) operating, administrative and other similar costs incurred by the Corporation, including payments in respect of indebtedness of the Company and preferred stock, to the extent the proceeds are used or will be used by the Corporation to pay expenses or other obligations described in this clause (ii) (in either case only to the extent economically equivalent indebtedness of the Company or Equity Securities of the Company were not issued to the Corporation), payments representing interest with respect to payments not made when due under the terms of the Tax Receivable Agreement and payments pursuant to any legal, tax, accounting and other professional fees and expenses (but, for the avoidance of doubt, excluding any tax liabilities of the Corporation), (B) any judgments, settlements, penalties, fines or other costs and expenses in respect of any claims against, or any litigation or proceedings involving, the Corporation, (C) fees and expenses (including any underwriters discounts and commissions) related to any securities offering, investment or acquisition transaction (whether or not successful) authorized by the board of directors of the Corporation and (D) other fees and expenses in connection with the maintenance of the existence of the Corporation (including any costs or expenses associated with being a public company listed on a national securities exchange). For the avoidance of doubt, Distributions made under this Section 4.01(c) may not be used to pay or facilitate dividends or distributions on the Common Stock and must be used solely for one of the express purposes set forth under clause (i) or (ii) of the immediately preceding sentence.

(d) Distributions in Kind. Any Distributions in kind shall be made at such times and in such amounts as the Manager, in its sole discretion, shall determine based on their Fair Market Value as determined by the Manager in the same proportions as if distributed in accordance with Section 4.01(b), with all Members participating in proportion to their respective Percentage Interests.

(e) Tax Distributions.

(i) Notwithstanding any other provision of this Section 4.01(e) to the contrary, to the fullest extent permitted by applicable Law and consistent with the Company's obligations to its creditors as reasonably determined by the Manager, the Company shall make Distributions in cash by wire transfer of immediately available funds pursuant to this Section 4.01(e)(i) to the Members with respect to their Units in proportion to their respective Percentage Interests at least two Business Days prior to the date on which any U.S. federal estimated tax payments are due for corporations or individuals (whichever is earlier), in an amount that in the Manager's discretion allows each Member to satisfy its tax liability with respect to its Units, up to such Member's Tax Distribution Amount, if any; *provided* that the Manager shall have no liability to any Member in connection with any underpayment of estimated taxes, so long as Distributions in cash are made in accordance with this Section 4.01(e)(i) and the Tax Distribution Amounts are determined as provided in paragraph (i) of the definition of Tax Distribution Amount.

(ii) If, on the date of a Tax Distribution, there are insufficient funds on hand to distribute to the Members the full amount of the Tax Distributions to which such Members are otherwise entitled, Distributions pursuant to this Section 4.01(e) shall, to the fullest extent permitted by applicable Law and consistent with the Company's obligations to creditors, be made to the Members to the extent of available funds in accordance with their Percentage Interests and the Company shall make future Tax Distributions as soon as funds become available sufficient to pay the remaining portion of the Tax Distributions to which such Members are otherwise entitled.

(iii) On any date that the Company makes a Distribution to the Members with respect to their Units under a provision of Section 4.01 other than this Section 4.01(e), if the Tax Distribution Amount is greater than zero, the Company shall designate all or a portion of such Distribution as a Tax Distribution with respect to a Member's Units to the extent of the Tax Distribution Amount with respect to such Member's Units as of such date (but not to exceed the amount of such Distribution). For the avoidance of doubt, such designation shall be performed with respect to all Members with respect to which there is a Tax Distribution Amount as of such date.

(iv) Notwithstanding any other provision of this Section 4.01 to the contrary, if the Tax Distribution Amount for such Fiscal Year is greater than zero, to the fullest extent permitted by applicable Law and consistent with the Company's obligations to its creditors as reasonably determined by the Manager, the Company shall make additional Distributions in cash under this Section 4.01(e)(iv) in an amount that in the Manager's discretion allows each Member to satisfy its tax liability with respect to the Units, up to such Tax Distribution Amount for such Fiscal Year as soon as reasonably practicable after the end of such Fiscal Year (or as soon as reasonably practicable after any event that subsequently adjusts the taxable income of such Fiscal Year).

(v) Under no circumstances shall Tax Distributions reduce the amount otherwise distributable to any Member pursuant to this Section 4.01 (other than this Section 4.01(e)) after taking into account the effect of Tax Distributions on the amount of cash or other assets available for Distribution by the Company.

(f) Accrued TIG Incentive Income. To the fullest extent permitted by applicable Law and consistent with the Company's obligations to its creditors as reasonably determined by the Manager, the Company shall make Distributions in cash by wire transfer of immediately available funds pursuant to this Section 4.01(f) to the Former TIG Members holding Class B Common Units (which Members shall constitute a class or group of members of the Company pursuant to Section 18-302(a) of the Delaware Act solely for purposes of this Section 4.01(f)) with respect to the Class B Common Units held by such Former TIG Members and in proportion to the aggregate number of Class B Common Units held by such Former TIG Members, not more than thirty (30) days after the Company's receipt of TIG Incentive Income, the TIG Incentive Income Amount.

(g) TIG Fee Income. To the fullest extent permitted by applicable Law and consistent with the Company's obligations to its creditors as reasonably determined by the Manager, the Company shall make Distributions in cash by wire transfer of immediately available funds pursuant to this Section 4.01(g) to the Former TIG Members holding Class B Common Units (which Members shall constitute a class or group of members of the Company pursuant to Section 18-302(a) of the Delaware Act solely for purposes of this Section 4.01(f)) with respect to the Class B Common Units held by such Former TIG Members and in proportion to the aggregate number of Class B Common Units held by such Former TIG Members, not more than thirty (30) days after the Company's receipt of TIG Fee Income, the TIG Fee Income Amount.

(h) TWMH Fee Income. To the fullest extent permitted by applicable Law and consistent with the Company's obligations to its creditors as reasonably determined by the Manager, the Company shall make Distributions in cash by wire transfer of immediately available funds pursuant to this Section 4.01(h) to the Former TWMH Members holding Class B Common Units (which Members shall constitute a class or group of members of the Company pursuant to Section 18-302(a) of the Delaware Act solely for purposes of this Section 4.01(f)) with respect to the Class B Common Units held by such Former TWMH Members and in proportion to the aggregate number of Class B Common Units held by such Former TWMH Members, not more than thirty (30) days after the Company's receipt of TWMH Fee Income, the TWMH Fee Income Amount.

(i) Certain Tax Receivable Agreement Expenses. Capitalized terms used in this Section 4.1(i) without definition have the meanings set forth in the Tax Receivable Agreement. With respect to any given year in which no amounts are due to the Sellers under the Tax Receivable Agreement or any such amounts due to the Sellers under the Tax Receivable Agreement are not sufficient to pay the full costs and expenses owed by the Sellers to the Purchaser Advisory Firm or the Sellers Advisory Firm pursuant to Section 7.11 of the Tax Receivable Agreement, the Manager shall be, and hereby is, authorized and empowered to make payments of such amounts to the Purchaser Advisory Firm or the Sellers Advisory Firm and deduct such paid amounts from the aggregate amounts otherwise distributable to the Members holding Class B Common Units under this Section 4.1, all without any further act, vote, approval or consent of any Member or any other Person notwithstanding anything in this Agreement to the contrary or, to the fullest extent permitted by applicable Law, the Delaware Act or other applicable Law. Any amounts so deducted shall be treated as a Distribution to then Members holding Class B Common Units, pro rata based on the then aggregate number of Class B Common Units owned of record by such Members.

ARTICLE V

Capital Accounts; Allocations; Tax Matters

SECTION 5.01. Capital Accounts.

(a) Maintenance of Capital Accounts. The Company shall maintain a Capital Account for each Member on the books of the Company in accordance with the provisions of Treasury Regulations Section 1.704-1(b)(2)(iv) and, to the extent consistent with such provisions, the following provisions:

(i) Each Member listed on the Schedule of Members shall be credited with the Business Combination Date Capital Account Balance set forth on the Schedule of Members. The Officers shall amend, update or amend and restate the Schedule of Members after the closing of the Business Combination and from time to time to reflect adjustments to the Members' Capital Accounts made in accordance with Sections 5.01(a)(ii), 5.01(a)(iii), 5.01(a)(iv), 5.01(c) or otherwise, all without further act, vote, approval or consent of the Manager, Members or any other Person notwithstanding anything in this Agreement to the contrary or, to the fullest extent permitted by applicable Law, the Delaware Act or any other applicable Law.

(ii) To each Member's Capital Account there shall be credited: (A) such Member's Capital Contributions, (B) such Member's distributive share of Net Income and any item in the nature of income or gain that is allocated pursuant to Section 5.02 and (C) the amount of any Company liabilities assumed by such Member or that are secured by any property distributed to such Member.

(iii) To each Member's Capital Account there shall be debited: (A) the amount of money and the Book Value of any property distributed to such Member pursuant to any provision of this Agreement, (B) such Member's distributive share of Net Loss and any items in the nature of expenses or losses that are allocated to such Member pursuant to Section 5.02 and (C) the amount of any liabilities of such Member assumed by the Company or that are secured by any property contributed by such Member to the Company.

(iv) In determining the amount of any liability for purposes of subparagraphs (ii) and (iii) above there shall be taken into account Section 752(c) of the Code and any other applicable provisions of the Code and the Treasury Regulations.

The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event that the Manager shall reasonably determine that it is prudent to modify the manner in which the Capital Accounts or any debits or credits thereto are maintained (including debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members), the Manager may make such modification so long as such modification will not have any effect on the amounts distributed to any Person pursuant to Article XIV upon the dissolution of the Company. The Manager also shall (i) make any adjustments that are necessary or appropriate to maintain equality between Capital Accounts of the Members and the amount of capital reflected on the Company's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g) and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulations Section 1.704-1(b).

(b) Succession to Capital Accounts. In the event any Person becomes a Substituted Member in accordance with the provisions of this Agreement, such Substituted Member shall succeed to the Capital Account of the former Member to the extent such Capital Account relates to the Units transferred.

(c) Adjustments of Capital Accounts. The Company shall revalue the Capital Accounts of the Members in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) (a "Revaluation") at the following times: (i) immediately prior to the contribution of more than a de minimis amount of money or other property to the Company by a new or existing Member as consideration for one or more Units; (ii) the Distribution by the Company to a Member of more than a de minimis amount of property in respect of one or more Units; (iii) the issuance by the Company of more than a de minimis amount of Units as consideration for the provision of services to or for the benefit of the Company (as described in Treasury Regulations Section 1.704-1(b)(2)(iv)(f)(5)(iii)); and (iv) the liquidation of the Company within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g); *provided, however*, that adjustments pursuant to clauses (i), (ii) and (iii) above shall be made only if the Manager reasonably determines that such adjustments are necessary or appropriate to reflect the relative economic interest of the Members.

(d) No Member shall be entitled to withdraw capital or receive Distributions except as specifically provided in this Agreement. Except as expressly provided elsewhere in this Agreement, no interest shall be paid on the balance in any Member's Capital Account.

(e) Whenever it is necessary for purposes of this Agreement to determine a Member's Capital Account on a per Unit basis, such amount shall be determined by dividing the Capital Account of such Member attributable to the applicable class of Units held of record by such Member by the number of Units of such class held of record by such Member.

SECTION 5.02. Allocations. Except as otherwise provided in this Agreement, and after giving effect to the special allocations set forth in Sections 5.03 and 5.04, Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Company shall be allocated among the Capital Accounts of the Members pro rata in accordance with their respective Percentage Interests. Notwithstanding the foregoing, the Manager shall make such adjustments to Capital Accounts as it determines in its sole discretion to be appropriate to ensure allocations are made in accordance with a Member's interest in the Company.

SECTION 5.03. Special Allocations.

(a) The following special allocations shall be made in the following order:

(i) Minimum Gain Chargeback. Except as otherwise provided in Treasury Regulations Section 1.704-2(f), notwithstanding any other provision of this Article V, if there is a net decrease in Company Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). Allocations pursuant to the immediately preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(f)(6) and 1.704-2(j)(2). This Section 5.03(a)(i) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Member Nonrecourse Debt Minimum Gain Chargeback. Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), notwithstanding any other provision of this Article V, if there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 5.03(a)(ii) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations, or Distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) or Section 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Member as promptly as possible; *provided* that an allocation pursuant to this Section 5.03(a)(iii) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article V have been tentatively made as if this Section 5.03(a)(iii) were not in the Agreement.

(iv) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Members in a manner determined by the Manager consistent with Treasury Regulations Sections 1.704-2(b) and 1.704-2(c).

(v) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treasury Regulations Sections 1.704-2(i)(1) and 1.704-2(j)(1).

(vi) Section 754 Adjustments. (A) To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as a result of a Distribution other than in liquidation of a Member's interest in the Company, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of such asset) or loss (if the adjustment decreases the basis of such asset) from the disposition of the asset and shall be taken into account for purposes of computing Net Income and Net Loss, and further (B) to the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a Distribution to a Member in complete liquidation of such Member's interest in the Company, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to such Members in accordance with their interests in the Company in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such Distribution was made in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(vii) Certain Incentive Income and Fee Income. Items of income, gain, loss and deduction corresponding to the TIG Incentive Income Amount, the TIG Fee Income Amount and the TWMH Fee Income Amount shall be allocated to the Members receiving the respective distributions related to such amounts pursuant to Sections 4.01(f), 4.01(g) and 4.01(h).

(b) Curative Allocations. The allocations set forth in Section 5.03(a)(i) through Section 5.03(a)(vi) and Section 5.03(c) (the “Regulatory Allocations”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 5.03(b). Therefore, notwithstanding any other provision of this Article V (other than the Regulatory Allocations), the Manager shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement and all Company items were allocated pursuant to Section 5.02.

(c) Loss Limitation. Net Loss (or individual items of loss or deduction) allocated pursuant to Sections 5.02 and 5.03 hereof shall not exceed the maximum amount of Net Loss (or individual items of loss or deduction) that can be allocated without causing any Member to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event some but not all of the Members would have Adjusted Capital Account Deficits as a consequence of an allocation of Net Loss (or individual items of loss or deduction) pursuant to Sections 5.02 and 5.03 hereof, the limitation set forth in this Section 5.03(c) shall be applied on a Member by Member basis and Net Loss (or individual items of loss or deduction) not allocable to any Member as a result of such limitation shall be allocated to the other Members in accordance with the positive balances in such Member’s Capital Accounts so as to allocate the maximum permissible Net Loss to each Member under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Any reallocation of Net Loss pursuant to this Section 5.03(c) shall be subject to chargeback pursuant to the curative allocation provision of Section 5.03(b).

#### SECTION 5.04. Other Allocation Rules.

(a) Interim Allocations Due to Percentage Adjustment. If a Percentage Interest is the subject of a Transfer or the Members’ Company Interest changes pursuant to the terms of the Agreement during any Fiscal Year, the amount of Net Income and Net Loss (or items thereof) to be allocated to the Members for such entire Fiscal Year shall be allocated to the portion of such Fiscal Year which precedes the date of such Transfer or change (and if there shall have been a prior Transfer or change in such Fiscal Year, which commences on the date of such prior Transfer or change) and to the portion of such Fiscal Year which occurs on and after the date of such Transfer or change (and if there shall be a subsequent Transfer or change in such Fiscal Year, which precedes the date of such subsequent Transfer or change), in accordance with a pro rata allocation unless the Manager elects to use an interim closing of the books, and the amounts of the items so allocated to each such portion shall be credited or charged to the Members in accordance with Sections 5.02 and 5.03 as in effect during each such portion of the Fiscal Year in question. Such allocation shall be in accordance with Section 706 of the Code and the regulations thereunder and made without regard to the date, amount or receipt of any Distributions that may have been made with respect to the transferred Percentage Interest to the extent consistent with Section 706 of the Code and the regulations thereunder. As of the date of such Transfer, the Transferee shall succeed to the Capital Account of the Transferor with respect to the transferred Units.

(b) Tax Allocations; Code Section 704(c). For U.S. federal, state and local income tax purposes, items of income, gain, loss, deduction and credit shall be allocated to the Members in accordance with the allocations of the corresponding items for Capital Account purposes under Sections 5.02 and 5.03, except that in accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company and with respect to reverse Code Section 704(c) allocations described in Treasury Regulations 1.704-3(a)(6) shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for U.S. federal income tax purposes and its initial Book Value or its Book Value determined pursuant to Treasury Regulation 1.704-1(b)(2)(iv)(f) (computed in accordance with the definition of Book Value) using the traditional allocation method under Treasury Regulation 1.704-3(b) (unless the Manager receives the prior written consent of the Members holding a majority of the Class B Common Units to use a different method permitted in Treasury Regulation Section 1.704-3(c), including, without limitation, the traditional method with curative allocation to be made only upon a sale or other distribution of Company property). Any elections or other decisions relating to such allocations shall be made by the Manager in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 5.04(b), Section 704(c) of the Code (and the principles thereof), and Treasury Regulation 1.704-1(b)(4)(i) are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Loss, other items, or Distributions pursuant to any provision of this Agreement.

(c) Modification of Allocations. The allocations set forth in Sections 5.02, 5.03 and 5.04 are intended to comply with certain requirements of the Treasury Regulations. Notwithstanding the other provisions of this Article V, the Manager shall be authorized to make, in its reasonable discretion, appropriate amendments to the allocations of Net Income and Net Loss (and to individual items of income, gain, loss, deduction and credit) pursuant to this Agreement (i) in order to comply with Section 704 of the Code or applicable Treasury Regulations, (ii) to allocate properly Net Income and Net Loss (and individual items of income, gain, loss, deduction and credit) to those Members that bear the economic burden or benefit associated therewith and (iii) to cause the Members to achieve the objectives underlying this Agreement as reasonably determined by the Manager.

(d) Pass-Thru Tax Allocations. The Company may specially allocate the amount of any Pass-Thru Tax imposed on the Company, among the Members in an equitable manner as determined by the Company in its sole discretion taking into account the status of each Member as appropriate.

SECTION 5.05. Withholding.

(a) Tax Withholding.

(i) If requested by the Manager, each Member shall, if able to do so, deliver to the Manager: (A) an affidavit in form satisfactory to the Company that the applicable Member (or its partners or members, as the case may be) is not subject to withholding under the provisions of any applicable Law; (B) any certificate that the Company may reasonably request with respect to any such Laws; or (C) any other form or instrument reasonably requested by the Company relating to any Member's status under such Law. In the event that a Member fails or is unable to deliver to the Company an affidavit described in subclause (A) of this clause (i), the Company may withhold amounts from such Member in accordance with Section 5.05(b).

(ii) After receipt of a written request of any Member, the Manager shall provide such information to such Member and take such other lawful action as may be reasonably necessary to assist such Member in making any necessary filings, applications or elections to obtain any available exemption from, or any available refund of, any withholding imposed by any foreign taxing authority with respect to amounts distributable or items of income allocable to such Member hereunder to the extent not adverse to the Company or any other Member. In addition, the Manager shall, at the request of any Member, make or cause to be made (or cause the Company to make) any such filings, applications or elections; *provided* that any such requesting Member shall cooperate with the Company, with respect to any such filing, application or election to the extent reasonably determined by the Manager and that any filing fees, taxes or other out-of-pocket expenses reasonably incurred and related thereto shall be paid and borne by such requesting Member or, if there is more than one requesting Member, by such requesting Members in accordance with their relative Percentage Interests.

(b) Withholding Advances. To the extent the Company is required by applicable Law to withhold or to make tax payments on behalf of or with respect to any Member (e.g., backup withholding) ("Withholding Advances"), the Company may withhold such amounts and make such tax payments as so required.

(c) Repayment of Withholding Advances. All Withholding Advances made on behalf of a Member, plus interest thereon at a rate equal to the Base Rate as of the date of such Withholding Advances plus two percent (2.0%) per annum, shall (i) be paid on demand by the Member on whose behalf such Withholding Advances were made (it being understood that no such payment shall increase such Member's Capital Account), or (ii) with the consent of the Manager and the affected Member be repaid by reducing the amount of the current or next succeeding Distribution or Distributions that would otherwise have been made to such Member or, if such Distributions are not sufficient for that purpose, by so reducing the proceeds of liquidation otherwise payable to such Member. Whenever repayment of a Withholding Advance by a Member is made as described in clause (ii) of this Section 5.05(c), for all other purposes of this Agreement such Member shall be treated as having received all Distributions (whether before or upon any dissolution or liquidation of the Company) unreduced by the amount of such Withholding Advance and interest thereon.

(d) Withholding Advances — Reimbursement of Liabilities. Each Member hereby agrees to reimburse the Company for any liability with respect to Withholding Advances (including interest thereon) required or made on behalf of or with respect to such Member (including penalties imposed with respect thereto).

ARTICLE VI

Management

SECTION 6.01. Authority of Manager.

(a) Except for situations in which the approval of any Member(s) is specifically required by the Delaware Act or this Agreement, (i) the business and affairs of the Company shall be managed exclusively by or under the direction of the Manager, and (ii) the Manager shall conduct, direct and exercise full control over all activities of the Company. Except as otherwise expressly provided for in this Agreement, the Members hereby consent to the exercise by the Manager of all such powers and rights conferred by the Delaware Act with respect to the management and control of the Company. The initial Manager shall be the Corporation.

(b) The Manager shall have the power and authority to effectuate the sale, lease, transfer, exchange or other disposition of any, all or substantially all of the assets of the Company (including the exercise or grant of any conversion, option, privilege or subscription right or any other right available in connection with any assets at any time held by the Company) or the merger, consolidation, reorganization or other combination of the Company with or into another entity, all without further act, vote, approval or consent of the Members or any other Person notwithstanding anything in this Agreement to the contrary or, to the fullest extent permitted by applicable Law, the Delaware Act or any other applicable Law; *provided*, that, for the avoidance of doubt, nothing herein shall alter in any respect any rights under the Corporation's organizational documents or applicable Law of a stockholder or stockholders of the Corporation to approve such sale, lease, exchange or other disposition or a Member, in its capacity as a holder of shares of the Corporation, to vote such shares in connection therewith.

SECTION 6.02. Actions of the Manager. The Manager may authorize any Officer or other Person or Persons to act on behalf of the Company pursuant to Section 6.07.

SECTION 6.03. Resignation; Removal. The Manager may resign at any time by giving written notice to the Members. Unless otherwise specified in the notice, the resignation shall take effect upon receipt thereof by the Members, and the acceptance of the resignation shall not be necessary to make it effective. The Manager may be removed at any time by the Corporation.

SECTION 6.04. Vacancies. Vacancies in the position of Manager occurring for any reason shall be filled by the Corporation.

SECTION 6.05. Transactions Between Company and Manager. The Manager may cause the Company to contract and deal with the Manager, or any Affiliate of the Manager; *provided* such contracts and dealings are on terms comparable to those available to the Company from others dealing with the Company at arm's length or are approved by the Majority Members.

SECTION 6.06. Reimbursement for Expenses. The Manager shall not be compensated for its services as Manager except as expressly provided in this Agreement. To the extent practicable, expenses incurred by the Manager on behalf of or for the benefit of the Company shall be billed directly to and paid by the Company and, if and to the extent any reimbursements to the Manager or any of its Affiliates by the Company pursuant to this Section 6.06 constitute gross income to such Person (as opposed to the repayment of advances made by such Person on behalf of the Company), such amounts shall be treated as "guaranteed payments" within the meaning of Section 707(c) of the Code and shall not be treated as Distributions for purposes of computing the Members' Capital Accounts.

SECTION 6.07. Delegation of Authority.

(a) The Manager may, from time to time, delegate to one or more Officers or other Persons such authority and duties as the Manager may deem advisable. The salaries or other compensation, if any, of agents of the Company (other than the Officers) shall be fixed from time to time by the Manager, subject to the other provisions in this Agreement.

(b) The day-to-day business and operations of the Company shall be overseen and implemented, subject to the supervision and direction of the Manager, by officers of the Company having such titles (including "chief executive officer," "president," "chief financial officer," "chief operating officer," "vice president," "secretary," "assistant secretary," "treasurer" or assistant treasurer") as the Manager may deem advisable (each, an "Officer" and collectively, the "Officers"). Each Officer shall be appointed by the Manager and shall hold office until his or her successor shall be duly designated and qualified or until his or her death or until he or she shall resign or shall have been removed by the Manager. Any one individual may hold more than one office. Subject to the other provisions in this Agreement, the salaries or other compensation, if any, of the Officers shall be fixed from time to time by the Manager. The authority and responsibility of the Officers shall include, but not be limited to, such duties as the Manager may, from time to time, delegate to them and the carrying out of the Company's business and affairs on a day-to-day basis. Effective as of the Effective Date, the Manager hereby removes the existing Officers from their respective offices and hereby appoints each of the individuals listed on Exhibit C to the office or offices set forth next to his or her name. Following the date hereof, the Manager may remove, replace or change any such Officers listed on Exhibit C in accordance with Section 6.07(b) (and Exhibit C need not be amended to reflect any such removal, replacement or change with respect to the Officers of the Company).

SECTION 6.08. Duties; Limitation of Liability.

(a) Notwithstanding anything in this Agreement to the contrary, the Manager and each Officer shall have the fiduciary duties of loyalty and care the same as a director and an officer, respectively, of a corporation organized under the General Corporation Law of the State of Delaware.

(b) Notwithstanding anything in this Agreement to the contrary, the Manager and each Officer shall be fully protected in relying in good faith upon the records of the Company and upon information, opinions, reports or statements presented by any Member, any liquidating trustee, any Officer or any employee of the Company or any committee of the Company or the Members, or by any other Persons as to matters the Manager or such Officer reasonably believes are within such other Person's professional or expert competence, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits or losses of the Company, or the value and amount of assets or reserves or contracts, agreements or other undertakings that would be sufficient to pay claims and obligations of the Company or to make reasonable provision to pay such claims and obligations, or any other facts pertinent to the existence and amount of assets from which Distributions to Members or payments to creditors might properly be made.

(c) Notwithstanding anything in this Agreement to the contrary, the Manager shall, to the fullest extent permitted by applicable Law, not be liable to the Company, the Members, the Officers or any other Person that is a party to or is otherwise bound by this Agreement, for monetary liability for breach of fiduciary duty as a manager of the Company, except that the foregoing shall not eliminate or limit the liability of the Manager for any (i) breach of the Manager's duty of loyalty to the Company and its Members, (ii) act or omission not in good faith or which involves intentional misconduct or knowing violation of Law or (iii) transaction from which the Manager derived an improper personal benefit.

(d) The provisions of this Section 6.08, to the extent that they eliminate or restrict (i) the duties and liabilities of the Manager otherwise existing at Law or in equity, are agreed by the Company, the Members, the Manager and any other Person that is a party to or is otherwise bound by this Agreement to replace such other duties and liabilities of the Manager to the fullest extent permitted by applicable Law and (ii) the duties of each Officer otherwise existing at law or in equity, are agreed by the Company, the Members, the Manager and any other Person that is a party to or is otherwise bound by this Agreement to replace such other duties of such Officer to the fullest extent permitted by applicable Law.

SECTION 6.09. Indemnification.

(a) The Company shall indemnify and hold harmless, to the fullest extent permitted by applicable Law, any Member, the Manager and each Officer (each, an "Indemnified Person") to the extent that such Indemnified Person was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that such Indemnified Person is or was a Member, the Manager or an Officer, as applicable, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such Indemnified Person. Notwithstanding the preceding sentence, except as otherwise provided in this Section 6.09, the Company shall be required to indemnify an Indemnified Person who is an Officer in connection with a proceeding (or part thereof) commenced by such Indemnified Person only if the commencement of such proceeding (or part thereof) by such Indemnified Person was authorized in the specific case by the Manager.

(b) The Company shall, to the fullest extent permitted by applicable Law, pay the expenses (including reasonable attorneys' fees) incurred by an Indemnified Person in defending any proceeding in advance of its final disposition; *provided, however*, that such payment in advance of the final disposition of any proceeding shall be made to such Indemnified Person that is an Officer only upon receipt of receipt of an undertaking by such Indemnified Person to repay all amounts advanced if it should be ultimately determined that such Indemnified Person is not entitled to be indemnified under this Section 6.09 or otherwise.

(c) If a claim for indemnification (following the final disposition of such proceeding) or advancement of expenses under this Section 6.09 is not paid in full within 30 days after a written claim therefor by an Indemnified Person has been received by the Company, such Indemnified Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense (including reasonable attorneys' fees) of prosecuting such claim. In any such action, the Company shall have the burden of proving that the Indemnified Person is not entitled to the requested indemnification or advancement of expenses under this Agreement or applicable Law.

(d) The right to indemnification and the advancement of expenses conferred by this Section 6.09 shall, to the fullest extent permitted by applicable Law, not be exclusive of any other right which any Indemnified Person may have or hereafter acquire under any statute, agreement, bylaw, action by the Manager or otherwise.

(e) Any amendment or modification of this Section 6.09 shall not adversely affect any right or protection hereunder of any Indemnified Person in respect of any act or omission occurring prior to the time of such amendment or modification.

(f) The Company shall maintain directors' and officers' liability insurance, or make other financial arrangements, at its expense, to protect any Indemnified Person against any expense, liability or loss described in Section 6.09(a) and Section 6.09(b) whether or not the Company would have the power to indemnify or advance expenses to such Indemnified Person against such expense, liability or loss under the provisions of this Section 6.09. The Company shall use its commercially reasonable efforts to purchase directors' and officers' liability insurance with a carrier and in an amount determined necessary or desirable as determined in good faith by the Manager.

(g) Notwithstanding anything in this Agreement to the contrary (including in this [Section 6.09](#)), the Company agrees that any indemnification and advancement of expenses available from the Corporation or any of its Affiliates (other than the Company and any of the Company's Subsidiaries) to any current or former Indemnified Person by virtue of such Person's service as a manager, member, director, officer, partner, employee or agent of the Corporation or any of its Affiliates (other than the Company and any of the Company's Subsidiaries) from and after the Effective Date (any such Person, a "D&O Indemnitee") shall be secondary to the indemnification and advancement of expenses to be provided by the Company pursuant to this [Section 6.09](#), which shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing or is found in a final decision by a court of competent jurisdiction to have personal liability on account thereof) shall have personal liability on account thereof nor shall be required to make additional Capital Contributions to help satisfy such indemnity of the Company and the Company (i) shall be the primary indemnitor of first resort for such D&O Indemnitee pursuant to this [Section 6.09](#) and (ii) shall be fully responsible for the advancement of all expenses and the payment of all amounts or liabilities with respect to such D&O Indemnitee which are addressed by this [Section 6.09](#).

SECTION 6.10. [Investment Company Act](#). The Manager shall use its reasonable best efforts to ensure that the Company shall not be subject to registration as an investment company pursuant to the Investment Company Act.

SECTION 6.11. [Outside Activities of the Manager](#). The Manager shall not, directly or indirectly, enter into or conduct any business or operations, other than in connection with (a) in its capacity as a Member, the ownership, acquisition and disposition of Class A Common Units, (b) the management of the business and affairs of the Company and its Subsidiaries, (c) the operation of the Corporation as a reporting company with a class (or classes) of securities registered under Section 12 of the Exchange Act, and listed on a securities exchange, (d) the offering, sale, syndication, private placement or public offering of stock, bonds, securities or other interests, (e) financing or refinancing of any type related to the Company, its Subsidiaries or their assets or activities, and (f) such activities as are incidental to the foregoing; *provided, however*, that, except as otherwise provided herein, the net proceeds of any financing or refinancing raised by the Corporation pursuant to the preceding clauses (d) and (e) shall be made available to the Company, whether as Capital Contributions, loans or otherwise, as appropriate, and, *provided further*, that the Corporation may, in its sole and absolute discretion, from time to time hold or acquire assets in its own name or otherwise other than through the Company and its Subsidiaries so long as the Corporation takes commercially reasonable measures to ensure that the economic benefits and burdens of such assets are otherwise vested in the Company or its Subsidiaries, through assignment, mortgage, loan or otherwise or, if it is not commercially reasonable to vest such economic interests in the Company or any of its Subsidiaries, the Members shall negotiate in good faith to amend this Agreement to reflect such activities and the direct ownership of assets by the Corporation. Nothing contained herein shall be deemed to prohibit the Corporation from executing any guarantee of indebtedness of the Company or its Subsidiaries.

ARTICLE VII

Rights and Obligations of Members

SECTION 7.01. Limitation of Liability and Duties of Members.

(a) Except as expressly provided in this Agreement or in the Delaware Act, no Member (including the Member that is also the Manager) shall be personally liable, whether to the Company, to any of the other Members, to the creditors of the Company or to any third party, for any debt, obligation or liability of the Company, whether arising in contract, tort or otherwise, solely by reason of being a Member. Notwithstanding anything in this Agreement to the contrary, the failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business and affairs under this Agreement or the Delaware Act shall, to the fullest extent permitted by applicable Law, not be grounds for imposing personal liability on the Members for any debts, obligations or liabilities of the Company.

(b) In accordance with the Delaware Act and the Laws of the State of Delaware, a Member may, under certain circumstances, be required to return amounts previously distributed to such Member. It is the intent of the Members that no Distribution to any Member pursuant to Article IV shall be deemed a return of money or other property paid or distributed in violation of the Delaware Act or any other Law of the State of Delaware. To the fullest extent permitted by applicable Law, any Member receiving any such money or property shall not be required to return any such money or property to the Company or any other Person, unless such Distribution was made by the Company to its Members in clerical error. However, if any court of competent jurisdiction holds that, notwithstanding anything in this Agreement to the contrary, any Member is obligated to make any such payment, such obligation shall be the obligation of such Member and not of any other Member.

(c) Notwithstanding anything in this Agreement to the contrary, no Member shall, to the fullest extent permitted by applicable Law, owe any duties (including fiduciary duties) to the Company, any other Member or any other Person that is a party to or is otherwise bound by this Agreement, other than or with respect to breaches of the implied covenant of good faith and fair dealing. The provisions of this Section 7.01(c), to the extent that they eliminate or restrict the duties of a Member otherwise existing at law or in equity, are agreed by the Company, the Members, the Manager and any other Person that is a party to or is otherwise bound by this Agreement to replace such other duties of a Member to the fullest extent permitted by applicable Law; *provided, that*, for the avoidance of doubt, this Section 7.01(c) shall not limit the duties (including fiduciary duties) of the Corporation (or any other Person serving as Manager), in the Corporation's (or such other Person's) capacity as Manager, to the Company or any Member even though the Manager is also a Member.

SECTION 7.02. Lack of Authority. No Member in its capacity as such has the authority or power to act for or on behalf of the Company, to do any act that would be binding on the Company or to make any expenditure on behalf of the Company. The Members hereby consent to the exercise by the Manager, the Officers and any Persons to whom the Manager delegates authority and duties pursuant to Section 6.07 of the powers conferred on them by Law and this Agreement.

SECTION 7.03. No Right of Partition. To the fullest extent permitted by applicable Law, no Member in its capacity as such shall have the right to seek or obtain partition by court decree or operation of Law of any Company property, or the right to own or use particular or individual assets of the Company, any such right or power that such Member might have to cause the Company or any of its assets to be partition being hereby irrevocably waived.

SECTION 7.04. Members Right to Act. For matters that require the approval or consent of the Members under this Agreement or the Delaware Act, the Members shall act through meetings and consents as described in paragraphs (a) and (b) below:

(a) Except as otherwise expressly provided by Section 16.03(a), the approval or consent of the Majority Members, voting together as a single class, shall be the approval or consent of the Members. Any Member entitled to vote at a meeting of Members or to express consent or dissent to Company action without a meeting may authorize another Person or Persons to act for such Member by proxy. An electronic transmission or similar transmission by the Member, or a photographic, facsimile or similar reproduction of a writing executed by the Member shall be treated as a proxy executed in writing for purposes of this Section 7.04(a). No proxy shall be voted or acted upon after eleven months from the date thereof, unless the proxy provides for a longer period. A proxy shall be revocable unless the proxy form conspicuously states that the proxy is irrevocable and that the proxy is coupled with an interest. Should a proxy designate two or more Persons to act as proxies, unless that instrument shall provide to the contrary, a majority of such Persons present at any meeting at which their powers thereunder are to be exercised shall have and may exercise all the powers of voting or giving consents thereby conferred, or, if only one be present, then such powers may be exercised by that one; or, if an even number attend and a majority do not agree on any particular issue, the Company shall not be required to recognize such proxy with respect to such issue if such proxy does not specify how the votes that are the subject of such proxy are to be voted with respect to such issue.

(b) The actions by the Members permitted hereunder may be taken at a meeting called by the Manager or by the Majority Members on at least forty-eight (48) hours' prior written notice to the other Members entitled to vote, which notice shall state the purpose or purposes for which such meeting is being called. The actions taken by the Members entitled to vote or consent at any meeting (as opposed to by consent in lieu of a meeting), if improperly called and noticed, shall be as valid as though taken at a meeting duly held after regular call and notice if (but not until), either before, at or after the meeting, the Members entitled to vote or consent as to whom it was improperly held signs a waiver of notice or a consent to the holding of such meeting or an approval of the minutes thereof. The actions by the Members entitled to vote or consent may be taken by vote of the Members entitled to vote or consent at a meeting or by consent in lieu of a meeting, so long as such consent is in writing and is signed by Members holding not less than the minimum number of Voting Units that would be necessary to authorize or take such action at a meeting at which all Members entitled to vote thereon were present and voted. Prompt notice of the action so taken without a meeting, which shall state the purpose or purposes for which such consent in lieu of a meeting was required, shall be given to those Members entitled to vote or consent who did not sign such consent (for which such notice and consent may be delivered via electronic transmission); *provided, however*, that the failure to give any such notice shall not affect the validity of the action taken by such consent in lieu of a meeting. Any action taken pursuant to such consent in lieu of a meeting of the Members shall have the same force and effect as if taken by the Members at a meeting thereof.

SECTION 7.05. Inspection Rights. The Company shall permit each Member and each of its designated representatives, for any purpose reasonably related to such Member's interest as a member of the Company, to (i) visit and inspect any of the premises of the Company and its Subsidiaries, all at reasonable times and upon reasonable notice, (ii) examine the corporate and financial records of the Company or any of its Subsidiaries and make copies thereof or extracts therefrom, during reasonable business hours and upon reasonable notice and (iii) consult with the managers, officers, employees and independent accountants of the Company or any of its Subsidiaries concerning the affairs, finances and accounts of the Company or any of its Subsidiaries, during reasonable business hours and upon reasonable notice. The presentation of an executed copy of this Agreement by any Member to the Company's independent accountants shall constitute the Company's permission to its independent accountants to participate in discussions with such Persons and their respective designated representatives. Notwithstanding the foregoing, the Manager shall have the right to keep confidential from the Members, for such period of time as the Manager deems reasonable, any information which the Manager reasonably believes to be in the nature of trade secrets or other information the disclosure of which the Manager in good faith believes is not in the best interest of the Company or could damage the Company or its business or which the Company is required by applicable Law or by agreement with a third party to keep confidential.

## ARTICLE VIII

### Books, Records, Accounting and Reports, Affirmative Covenants

SECTION 8.01. Records and Accounting. The Company shall keep, or cause to be kept, appropriate books and records with respect to the Company's business, including all books and records necessary to provide any information, lists and copies of documents required to be provided pursuant to Section 8.03 or pursuant to applicable Law. All matters concerning (a) the determination of the relative amount of allocations and Distributions among the Members pursuant to Articles III and IV and (b) accounting procedures and determinations, and other determinations not specifically and expressly provided for by the terms of this Agreement, shall be determined by the Manager, whose determination shall be final and conclusive as to all of the Members absent manifest clerical error.

SECTION 8.02. Fiscal Year. The Fiscal Year of the Company shall begin on the first day of January and end on the last day of December each year or such other date as may be established by the Manager.

SECTION 8.03. Reports. The Company shall furnish to each Member (a) as soon as reasonably practical after the end of each Fiscal Year, all information concerning the Company and its Subsidiaries required for the preparation of tax returns of such Members (or any beneficial owner(s) of such Member), including a report (including Schedule K-1), indicating each Member's share of the Company's taxable income, gain, credits, losses and deductions for such year, in sufficient detail to enable such Member to prepare its federal, state and other tax returns; *provided* that estimates of such information believed by the Manager in good faith to be reasonable shall be provided within ninety (90) days of the end of the Fiscal Year, (b) as soon as reasonably possible after the close of the relevant fiscal period, but in no event later than ten days prior to the date an estimated tax payment is due, such information concerning the Company as is required to enable such Member (or any beneficial owner of such Member) to pay estimated taxes and (c) as soon as reasonably possible after a request by such Member, such other information concerning the Company and its Subsidiaries that is reasonably requested by such Member for compliance with its tax obligations (or the tax obligations of any beneficial owner(s) of such Member) or for tax planning purposes.

ARTICLE IX

Tax Matters

SECTION 9.01. Partnership Representative.

(a) The "Partnership Representative" (as such term is defined under Partnership Audit Provisions) of the Company shall be selected by the Manager with the initial Partnership Representative being the Corporation. The Partnership Representative may retain, at the Company's expense, such outside counsel, accountants and other professional consultants as it may reasonably deem necessary in the course of fulfilling its obligations as the Partnership Representative. The Partnership Representative is authorized to take, and shall determine in its sole discretion whether or not the Company will take, such actions and execute and file all statements and forms on behalf of the Company that are approved by the Manager and are permitted or required by the applicable provisions of the Partnership Audit Provisions (including a "push-out" election under Section 6226 of the Code or any analogous election under state or local tax Law). Each Member agrees to cooperate with the Partnership Representative and to use commercially reasonable efforts to do or refrain from doing any or all things requested by the Partnership Representative (including paying any and all resulting taxes, additions to tax, penalties and interest in a timely fashion) in connection with any examination of the Company's affairs by any federal, state, or local tax authorities, including resulting administrative and judicial proceedings.

(b) In the event that the Partnership Representative has not caused the Company to make a "push-out" election pursuant to Section 6226 of the Partnership Audit Provisions, then any "imputed underpayment" (as determined in accordance with Section 6225 of the Partnership Audit Provisions) or partnership adjustment that does not give rise to an imputed underpayment shall be apportioned among the Members of the Company for the taxable year in which the adjustment is finalized in such manner as may be necessary (as determined by the Partnership Representative in good faith) so that, to the maximum extent possible, the tax and economic consequences of the imputed underpayment or other partnership adjustment and any associated interest and penalties (any such amount, an "Imputed Underpayment Amount") are borne by the Members in the same proportion that such omitted taxable income or overreported loss giving rise to the Imputed Underpayment Amount would have been allocated pursuant to this Agreement. Imputed Underpayment Amounts also shall include any imputed underpayment within the meaning of Section 6225 of the Partnership Audit Provisions paid (or payable) by any entity treated as a partnership for U.S. federal income tax purposes in which the Company holds (or has held) a direct or indirect interest other than through entities treated as corporations for U.S. federal income tax purposes to the extent that the Company bears the economic burden of such amounts, whether by applicable Law or contract.

(c) Each Member agrees to indemnify and hold harmless the Company from and against any liability with respect to such Member's share of any tax deficiency paid or payable by the Company that is allocable to the Member as determined in accordance with Section 9.01(b) with respect to an audited or reviewed taxable year for which such Member was a partner in the Company. Any obligation of a Member pursuant to this Section 9.01(c) shall, to the fullest extent permitted by applicable Law, be implemented through adjustments to Distributions otherwise payable to such Member as determined in accordance with Section 4.01; *provided, however*, that, at the written request of the Partnership Representative, each Member or former Member may be required to contribute to the Company such Member's Imputed Underpayment Amount imposed on and paid by the Company; *provided, further*, that if a Member or former Member individually directly pays, pursuant to the Partnership Audit Provisions, any such Imputed Underpayment Amount, then such payment shall reduce any offset to Distribution or required capital contribution of such Member or former Member. Any amount withheld from Distributions pursuant to this Section 9.01(c) shall be treated as an amount distributed to such Member or former Member for all purposes under this Agreement. For the avoidance of doubt, the obligations of a Member set forth in this Section 9.01(c) shall, to the fullest extent permitted by applicable Law, survive the withdrawal of a Member from the Company or any Transfer of a Member's Company Interest.

SECTION 9.02. Section 754 Election. The Company has previously made or will make a timely election under Section 754 of the Code (and a corresponding election under state and local law) effective starting with the taxable year ended in the year in which the Effective Date occurs, and the Manager shall not take any action to revoke such election.

SECTION 9.03. Debt Allocation. Indebtedness of the Company treated as "excess nonrecourse liabilities" (as defined in Treasury Regulation Section 1.752-3(a)(3)) shall be allocated among the Members based on their Percentage Interests.

SECTION 9.04. Tax Returns. The Company shall timely cause to be prepared by an accounting firm selected by the Manager all federal, state, local and foreign tax returns (including information returns) of the Company and its Subsidiaries, which may be required by a jurisdiction in which the Company and its Subsidiaries operate or conduct business for each year or period for which such returns are required to be filed and shall cause such returns to be timely filed. Upon request of any Member, the Company shall furnish to such Member a copy of each such tax return. No Member shall take a position on its income tax return with respect to any item of Company income, gain, deduction, loss or credit that is different from the position taken on the Company's income tax return with respect to such item unless such Member notifies the Company of the different position the Member desires to take and the Company's regular tax advisors, after consulting with the Member, are unable to provide an opinion that (after taking into account all of the relevant facts and circumstances) the arguments in favor of the Company's position outweigh the arguments in favor of the Member's position.

## ARTICLE X

### Restrictions on Transfer of Units

SECTION 10.01. General. No Member or Assignee may Transfer any Units or any interest in any Units other than (a) with the written approval of the Manager or (b) pursuant to and in accordance with Section 10.02, and, in either case, and notwithstanding anything in this Agreement to the contrary, no Transfer of Class B Common Units shall be made by a transferor unless such Transfer is accompanied by the Transfer of an equal number of shares of Class B Common Stock held by such transferor in tandem with such Class B Common Units. Notwithstanding the foregoing, for purposes of the foregoing clause (b) only, "Transfer" shall not include an event that terminates the existence of a Member for income tax purposes (including (i) a change in entity classification of a Member under Treasury Regulation Section 301.7701-3, (ii) a sale of assets by, or liquidation of, a Member pursuant to an election under Section 336 or 338 of the Code or (iii) a merger, severance or allocation within a trust or among sub-trusts of a trust that is a Member), but that does not terminate the existence of such Member under applicable state Law (or, in the case of a trust that is a Member, does not terminate the trusteeship of the fiduciaries under such trust with respect to all the Company Interests of such trust that is a Member).

SECTION 10.02. Permitted Transfers. The restrictions contained in clauses (a) and (b) of Section 10.01 shall not apply to any Transfer (each such Transfer, and together with any Transfer approved pursuant to Section 10.01, a "Permitted Transfer") pursuant to: (a)(i) a Change of Control Transaction, (ii) a redemption or exchange in accordance with Article XI hereof or (iii) a Transfer by a Member to the Corporation or the Company; (b) a Transfer by any Member to (i) any Affiliate of such Member, (ii) such Member's spouse, parents, grandparents, lineal descendants or siblings, the parents, grandparents, lineal descendants or siblings of such Member's spouse, or lineal descendants of such Member's siblings or such Member's spouse's siblings (each, a "Family Member"), (iii) a trust, family-partnership or estate-planning vehicle, so long as one or more of such Member or a Family Member of such Member is/are the sole economic beneficiaries of such trust, family-partnership or estate-planning vehicle, (iv) a partnership, corporation or other entity controlled by, or a majority of which is beneficially owned by, such Member or any one or more of the Persons described in the foregoing clauses (i) and (iii), (v) a charitable trust or organization that is exempt from taxation under Section 501(c)(3) of the Code and controlled by such Member or any one or more of the Persons described in the foregoing clauses (i) through (iv), (vi) an individual mandated under a qualified domestic relations order to which such Member is subject, or (vii) a legal or personal representative of such Member or any Family Member of such Member, in the event of the death or disability of such Member that is an individual (any Person described in the foregoing clause (b)(i) – (vii), the Corporation or the Company, a "Permitted Transferee"); *provided, however*, that (A) in the case of the Corporation (or a Permitted Transferee thereof) such Affiliate is a wholly-owned Subsidiary of the Corporation, (B) the restrictions contained in this Agreement will continue to apply to Units after any Permitted Transfer of such Units, and (C) in the case of the foregoing clauses, the transferees of the Units so Transferred shall agree in writing to be bound by the provisions of this Agreement and, the transferor will deliver a written notice to the Company and the Members, which notice will disclose in reasonable detail the identity of the proposed transferee; *provided, further*, that if, at any time following a Permitted Transfer, the transferee of the Units Transferred pursuant to such Permitted Transfer would no longer be a Permitted Transferee of a Member, such transferee shall Transfer such Units to a Member or a Permitted Transferee of a Member. In the case of a Permitted Transfer by a Member of Class B Common Units to a transferee in accordance with this Section 10.02, such Member (or any subsequent transferee of such Member) shall also Transfer an equal number of shares of Class B Common Stock corresponding to the proportion of such Member's (or subsequent transferee's) Class B Common Units that were Transferred in the Permitted Transfer to such transferee. All Permitted Transfers are subject to the additional limitations set forth in Section 10.07(b).

SECTION 10.03. Restricted Units Legend. The Units have not been registered under the Securities Act and, therefore, in addition to the other restrictions on Transfer contained in this Agreement, cannot be sold unless subsequently registered under the Securities Act or an exemption from such registration is then available.

SECTION 10.04 Transfer. Prior to Transferring any Units (other than pursuant to a Change of Control Transaction), the transferor shall cause the prospective transferee to agree in writing to be bound by this Agreement as provided in Section 10.02, and any other agreements executed by the holders of Units and relating to such Units in the aggregate (collectively, the "Other Agreements"), and shall cause the prospective transferee to execute and deliver to the Company counterparts of this Agreement and any applicable Other Agreements. Any Transfer or attempted Transfer of any Units in violation of any provision of this Agreement (including any prohibited indirect Transfers) shall, to the fullest extent permitted by applicable Law, be void, and in the event of any such Transfer or attempted Transfer, the Company shall not record such Transfer on its books and records, including the Schedule of Members, or treat any purported transferee of such Units as the owner of such securities for any purpose.

SECTION 10.05. Assignee's Rights.

(a) The Transfer of Units or any interest in Units in accordance with this Agreement shall be effective as of the date of its assignment (assuming compliance with all of the conditions to such Transfer set forth herein), and such Transfer shall be shown on the books and records of the Company in accordance with Section 3.01(d). Distributions made before the effective time of such Transfer shall be paid to the transferor, and Distributions made after such date shall be paid to the Assignee.

(b) Unless and until an Assignee becomes a Member pursuant to Article XII, the Assignee shall not be entitled to any of the rights granted to a Member hereunder or under applicable Law, other than the rights granted specifically to Assignees pursuant to this Agreement; *provided, however*, that, without relieving the transferring Member from any such limitations or obligations as more fully described in Section 10.06, such Assignee shall be bound by any limitations and obligations of a Member contained herein that a Member would be bound on account of the Assignee's Company Interest (including the obligation to make Capital Contributions on account of such Company Interest, to the extent applicable).

SECTION 10.06. Assignor's Rights and Obligations. Any Member who shall Transfer any Units in a manner in accordance with this Agreement shall cease to be a Member with respect to such Units and shall no longer have any rights or privileges, or, except as set forth in this Section 10.06, duties, liabilities or obligations, of a Member with respect to such Units (it being understood, however, that the applicable provisions of Sections 6.08 and 6.09 shall continue to inure to such Person's benefit), except that unless and until the Assignee (if not already a Member) is admitted as a Substituted Member in accordance with the provisions of Article XII (the "Admission Date"), (a) such assigning Member shall retain all of the duties, liabilities and obligations of a Member with respect to such Company Interests, and (b) the Manager may, in its sole discretion, reinstate all or any portion of the rights and privileges of such Member with respect to such Company Interests for any period of time prior to the Admission Date. Nothing contained herein shall relieve any Member who Transfers any Company Interests from any liability of such Member to the Company with respect to such Company Interests that may exist on the Admission Date or that is otherwise specified in the Delaware Act and incorporated into this Agreement or for any liability of such Member to the Company or any other Person for any materially false statement made by such Member (in its capacity as such) or for any present or future breaches of any representations, warranties or covenants by such Member (in its capacity as such) contained herein or the Other Agreements.

SECTION 10.07. Overriding Provisions.

(a) Any Transfer in violation of this Article X shall, to the fullest extent permitted by applicable Law, be null and void *ab initio*, and the provisions of Sections 10.05 and 10.06 shall not apply to any such Transfers. For the avoidance of doubt, any Person to whom a Transfer is made or attempted in violation of this Article X shall not be admitted as a member of the Company, shall not be entitled to vote on any matters coming before the Members and shall not have any other rights in or with respect to any rights of a Member. The approval of any Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance.

(b) Notwithstanding anything in this Agreement to the contrary (including, for the avoidance of doubt, the provisions of Article XI and Article XII and the other provisions of this Article X), in no event shall any Member Transfer any Units to the extent such Transfer could, in the reasonable determination of the Manager:

(i) result in a violation of the Securities Act, or any other applicable federal, state or foreign Laws;

(ii) cause an assignment under the Investment Company Act;

(iii) be a violation of or a default (or an event that, with notice or the lapse of time or both, would constitute a default) under, or result in an acceleration of any indebtedness incurred, issued or guaranteed by the Company that, individually or in the aggregate, has an aggregate principal amount then outstanding that is greater than \$25,000,000;

(iv) cause the Company to have more than one hundred (100) partners for the purposes of Treasury Regulation Section 1.7704-1(h)(1)(ii), including the application of the anti-avoidance rule of Treasury Regulation Section 1.7704-1(h)(3), excluding the Corporation from the one hundred (100) partners;

(v) cause the Company to lose its status as a partnership for U.S. federal income tax purposes or, without limiting the generality of the foregoing, be a Transfer effected on or through an “established securities market” or a “secondary market or the substantial equivalent thereof”, as such terms are used in Section 1.7704-1 of the Treasury Regulations;

(vi) be a Transfer to a Person who is not legally competent or who has not achieved his or her majority under applicable Law (excluding trusts for the benefit of minors);

(vii) cause the Company or any Member or the Manager to be treated as a fiduciary under the Employee Retirement Income Security Act of 1974, as amended; or

(viii) be a Transfer to a Person that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, unless the transferring Member and the transferee have delivered to the Company, in respect of such Transfer, written evidence that all required withholding under Section 1446(f) of the Code will have been done and duly remitted to the applicable taxing authority or duly executed certifications (prepared in accordance with the applicable Treasury Regulations or other authorities) of an exemption from such withholding.

## ARTICLE XI

### Redemption and Exchange

SECTION 11.01. Exchange of Paired Interests for Class A Common Stock. From and after the Effective Date, but subject to any lock-up or any similar transfer restrictions applicable to shares of the Corporation that may be applicable to a Holder under the Corporation’s certificate of incorporation or bylaws or any agreement to which such Holder or such shares are bound, each Holder shall be entitled at any time and from time to time upon the terms and subject to the conditions hereof, to surrender Paired Interests to the Corporation (subject to adjustment as provided in Section 11.03) in exchange (such exchange, an “Exchange”) for the delivery to such Holder, at the option of the board of directors of the Corporation (acting by a majority of the disinterested members of the board of directors of the Corporation or a committee of disinterested directors of the board of directors of the Corporation), of:

(a) a Cash Exchange Payment by the Company from the proceeds of a private sale or a public offering of Class A Common Stock; or

(b) with respect to Paired Interests, a number of shares of Class A Common Stock that is equal to the product of the number of Paired Interests surrendered multiplied by the Exchange Rate; (a “Share Exchange”).

Notwithstanding anything in this Agreement to the contrary, the Company shall not effectuate a Cash Exchange Payment pursuant to Section 11.01(a) above unless (A) the Corporation determines to consummate a private sale or public offering of Class A Common Stock on, or not later than five (5) Business Days after, the relevant Exchange Date and (B) the Corporation contributes sufficient proceeds from such private sale or public offering to the Company for payment by the Company of the applicable Cash Exchange Payment.

SECTION 11.02. Exchange Procedures; Notices and Revocations.

(a) A Holder may exercise the right to effect an Exchange as set forth in Section 11.01 by delivering a written notice of exchange in respect of the Paired Interests to be Exchanged substantially in the form of Exhibit D hereto (the “Notice of Exchange”), duly executed by such Holder or such Holder’s duly authorized attorney, to the Corporation at its address set forth in Section 16.05 during normal business hours, or if any agent for the Exchange is duly appointed by the Corporation (which shall, by notice to the Holders in accordance with Section 16.05, which notice shall contain the address of the office of such agent) and acting (the “Exchange Agent”), to the office of the Exchange Agent during normal business hours, together with certificates, if any, evidencing the Paired Interests or the components of the Paired Interests. Each Exchange shall be deemed to be effective immediately prior to the close of business on the Exchange Date.

(b) Contingent Notice of Exchange and Revocation by Holders.

(i) A Notice of Exchange from a Holder may specify that the Exchange (A) shall occur on a specified future Business Day or (B) is to be contingent (including as to the timing) upon the consummation of a purchase by another Person (whether in a tender or exchange offer, an underwritten offering or otherwise) of shares of Deliverable Common Stock into which the Paired Interests are exchangeable, or contingent (including as to timing) upon the closing of an announced merger, consolidation or other transaction or event in which the Deliverable Common Stock would be exchanged or converted or become exchangeable for or convertible into cash or other securities or property.

(ii) Notwithstanding anything in this Agreement to the contrary, a Holder may withdraw or amend a Notice of Exchange, in whole or in part, at any time prior to 5:00 p.m. New York City time, on the Business Day immediately preceding the Exchange Date (or any such later time as may be required by applicable Law) by delivery of a written notice of withdrawal to the Corporation or the Exchange Agent, as applicable, specifying (1) the number of withdrawn Paired Interests, (2) the number of Paired Interests as to which the Notice of Exchange remains in effect, if any, and (3) if the Holder so determines, a new Exchange Date or any other new or revised information permitted to be set forth in the Notice of Exchange.

(c) Cash Exchange Payment. The Company shall provide notice to the Exchanging Holder of its intention to consummate an Exchange through a Cash Exchange Payment on the first Business Day immediately following the receipt of a Notice of Exchange by the Corporation. Additionally, the Company shall deliver or cause to be delivered the Cash Exchange Payment in accordance with Section 11.01(a) as promptly as practicable (but not later than five Business Days) after the Exchange Date.

(d) Share Exchange. In the case of a Share Exchange,

(i) the Exchanging Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued as set forth in the Notice of Exchange) shall be deemed to be a holder of Deliverable Common Stock from and after the close of business on the Exchange Date.

(ii) as promptly as practicable on or after the Exchange Date (but not later than the close of business on the Business Day immediately following the Exchange Date), the Corporation shall deliver or cause to be delivered to the Exchanging Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued as set forth in the Notice of Exchange) the number of shares of Deliverable Common Stock deliverable upon such Exchange, registered in the name of such Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued as set forth in the Notice of Exchange). To the extent the Deliverable Common Stock is settled through the facilities of The Depository Trust Company, the Corporation shall, subject to Section 11.02(d)(iii) below, upon the written instruction of an Exchanging Holder, deliver or cause to be delivered the shares of Deliverable Common Stock deliverable to such Holder (or other Person(s) whose name or names in which the Deliverable Common Stock is to be issued), through the facilities of The Depository Trust Company, to the account of the participant of The Depository Trust Company designated by such Holder.

(iii) If the shares of Deliverable Common Stock issued upon an Exchange are not issued pursuant to a registration statement that has been declared effective by the Securities and Exchange Commission, such shares shall bear a legend in substantially the following form:

THE TRANSFER OF THESE SECURITIES HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION, AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM.

(iv) if (i) any shares of Deliverable Common Stock may be sold pursuant to a registration statement that has been declared effective by the Securities and Exchange Commission, (ii) all of the applicable conditions of Rule 144 are met, or (iii) the legend (or a portion thereof) otherwise ceases to be applicable, the Corporation, upon the written request of the Holder thereof, shall promptly provide such Holder or its respective transferees, without any expense to such Persons (other than applicable transfer taxes and similar governmental charges, if any) with new certificates (or evidence of book-entry share) for securities of like tenor not bearing the provisions of the legend with respect to which the restriction has terminated. In connection therewith, such Holder shall provide the Corporation with such information in its possession as the Corporation may reasonably request in connection with the removal of any such legend.

(e) The Corporation shall bear all expenses in connection with the consummation of any Exchange, whether or not any such Exchange is ultimately consummated, including any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any Exchange; *provided, however*, that if any shares of Deliverable Common Stock are to be delivered in a name other than that of the Holder that requested the Exchange (or The Depository Trust Company or its nominee for the account of a participant of The Depository Trust Company that will hold the shares for the account of such Holder), then such Holder and/or the Person in whose name such shares are to be delivered shall pay to the Corporation the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Exchange or shall establish to the reasonable satisfaction of the Corporation that such tax has been paid or is not payable.

(f) Notwithstanding anything to the contrary in this Article II, a Holder shall not be entitled to effect an Exchange, and the Corporation and the Company shall have the right to refuse to honor any request to effect an Exchange, at any time or during any period, if the Corporation or the Company shall reasonably determine that such Exchange (i) would be prohibited by any applicable Law (including the unavailability of any requisite registration statement filed under the Securities Act or any exemption from the registration requirements thereunder), provided this subsection Section 11.02(f)(i) shall not limit the Corporation or the Company's obligations under Section 11.06(c), or (ii) would not be permitted under (x) this Agreement, (y) other agreements with the Corporation, the Company or any of the Company's subsidiaries to which such Exchanging Holder may be party or (z) any written policies of the Corporation, the Company or any of the Company's subsidiaries related to unlawful or inappropriate trading applicable to its directors, officers or other personnel. Upon such determination, the Corporation or the Company (as applicable) shall notify the Holder requesting the Exchange of such determination, which such notice shall include an explanation in reasonable detail as to the reason that the Exchange has not been honored. Notwithstanding anything in this Agreement to the contrary, if the Corporation, after consultation with its outside legal counsel and tax advisor, shall determine in good faith that interests in the Company do not meet the requirements of Treasury Regulation Section 1.7704-1(h) (or other provisions of those Treasury Regulations as determined by the Corporation), the Company may impose such restrictions on Exchange as the Company may reasonably determine to be necessary or advisable so that the Company is not treated as a "publicly traded partnership" under Section 7704 of the Code.

SECTION 11.03. Exchange Rate Adjustment.

(a) The Exchange Rate with respect to the Paired Interests and/or the components of a Paired Interest shall be adjusted accordingly if there is: (i) any subdivision (by any stock or unit split, stock or unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or unit split, reclassification, reorganization, recapitalization or otherwise) of the shares of Class B Common Stock or Class B Common Units that is not accompanied by a substantively identical subdivision or combination of the Class A Common Stock; or (ii) any subdivision (by any stock split, stock dividend, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock split, reclassification, reorganization, recapitalization or otherwise) of the Class A Common Stock that is not accompanied by a substantively identical subdivision or combination of the shares of Class B Common Stock and Class B Common Units. If there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Common Stock are converted or changed into another security, securities or other property, then upon any subsequent Exchange, an Exchanging Holder shall be entitled to receive the amount of such security, securities or other property that such Exchanging Holder would have received if such Exchange had occurred immediately prior to the effective date of such reclassification, reorganization, recapitalization or other similar transaction, taking into account any adjustment as a result of any subdivision (by any split, dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse split, reclassification, reorganization, recapitalization or otherwise) of such security, securities or other property that occurs after the effective time of such reclassification, reorganization, recapitalization or other similar transaction. For the avoidance of doubt, if there is any reclassification, reorganization, recapitalization or other similar transaction in which the Class A Common Stock are converted or changed into another security, securities or other property, this Section 11.03(a) shall continue to be applicable, *mutatis mutandis*, with respect to such security or other property. This Agreement shall apply to, *mutatis mutandis*, and all references to "Paired Interests" shall be deemed to include, any security, securities or other property of the Corporation or the Company which may be issued in respect of, in exchange for or in substitution of shares of Class B Common Stock or Class B Common Units, as applicable, by reason of stock or unit split, reverse stock or unit split, stock or unit dividend or distribution, combination, reclassification, reorganization, recapitalization, merger, exchange (other than an Exchange) or other transaction.

(b) This Agreement shall apply to the Paired Interests held by the Holders and their Permitted Transferees as of the Effective Date, as well as any Paired Interests hereafter acquired by a Holder and his or her or its Permitted Transferees.

SECTION 11.04. Tender Offers and Other Events with Respect to the Corporation.

(a) In the event that a tender offer, share exchange offer, issuer bid, take-over bid, recapitalization (other than a recapitalization governed by Section 11.03(a)) or similar transaction with respect to Class A Common Stock (a "Corporate Offer") is proposed by the Corporation or is proposed to the Corporation or its stockholders and approved by the board of directors of the Corporation or is otherwise effected or to be effected with the consent or approval of the board of directors of the Corporation, the Holders of Paired Interests shall be permitted to participate in such Corporate Offer by delivery of a Notice of Exchange (which Notice of Exchange shall be effective immediately prior to the consummation of such Corporate Offer (and, for the avoidance of doubt, shall be contingent upon such the Corporate Offer and not be effective if such the Corporate Offer is not consummated)). In the case of a the Corporate Offer proposed by the Corporation, the Corporation will use its reasonable best efforts expeditiously and in good faith to take all such actions and do all such things as are necessary or desirable to enable and permit the Holders of Paired Interests to participate in such Corporate Offer to the same extent or on an economically equivalent basis as the holders of shares of Class A Common Stock without discrimination; *provided*, that without limiting the generality of this sentence, the Corporation will use its reasonable best efforts expeditiously and in good faith to ensure that such Holders may participate in each such Corporate Offer without being required to Exchange Paired Interests. For the avoidance of doubt (but subject to Section 11.04(b)), in no event shall the Holders of Paired Interests be entitled to receive in such Corporate Offer aggregate consideration for each Paired Interest that is greater than the consideration payable in respect of each share of Class A Common Stock in connection with a Corporate Offer.

(b) Notwithstanding anything in this Agreement to the contrary, in the event of a Corporate Offer intended to qualify as a reorganization within the meaning of Section 368(a) of the Code or as a transfer described in Section 351(a) or Section 721 of the Code, a Holder shall not be required to exchange its Paired Interest without its prior consent.

(c) Notwithstanding anything in this Agreement to the contrary, (i) in a Corporate Offer, payments under or in respect of the Tax Receivable Agreement shall not be considered part of the consideration payable in respect of any Paired Interest or share of Class A Common Stock in connection with such Corporate Offer for the purposes of Section 11.04(a), and (ii) the Company shall not be entitled to make a Cash Exchange Payment in the case of an Exchange in connection with a Corporate Offer.

SECTION 11.05. Listing of Deliverable Common Stock. If the Class A Common Stock is listed on a securities exchange or inter-dealer quotation system, the Corporation shall use its reasonable best efforts to cause all Class A Common Stock issued upon an exchange of Paired Interests to be listed on the same securities exchange or traded on such inter-dealer quotation system at the time of such issuance.

SECTION 11.06. Deliverable Class A Common Stock to be Issued; Class B Common Stock to be Cancelled.

(a) The Corporation shall at all times reserve and keep available out of its authorized but unissued Class A Common Stock, solely for the purpose of issuance upon an Exchange, the maximum number of shares of Deliverable Common Stock as shall be deliverable upon Exchange of all then-outstanding Paired Interests; *provided*, that nothing contained herein shall be construed to preclude the Corporation from satisfying its obligations in respect of an Exchange by delivery of shares of Deliverable Common Stock that are held in the treasury of the Corporation or by delivery of purchased shares of Deliverable Common Stock (which may or may not be held in the treasury of the Corporation). The Corporation covenants that all shares of Deliverable Common Stock issued upon an Exchange will, upon issuance thereof, be validly issued, fully paid and non-assessable.

(b) When a Paired Interest has been Exchanged in accordance with this Agreement, (i) the share of Class B Common Stock corresponding to such Paired Interest shall be cancelled by the Corporation and (ii) the Unit corresponding to such Paired Interest shall be deemed transferred from the Exchanging Holder to the Corporation and the Officers shall amend, update or amend and restate the Schedule of Members to reflect such change, all without further act, vote, approval or consent of the Manager, Members or any other Person notwithstanding any other provision to this Agreement or, to the fullest extent permitted by applicable Law, the Delaware Act or any other applicable Law.

(c) The Corporation agrees that it has taken all or will take such lawful steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and to be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions from, or dispositions to, the Corporation of equity securities of the Corporation (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of the Corporation for such purposes that result from the transactions contemplated by this Agreement, by each officer or director of the Corporation, including any director by deputization. The authorizing resolutions shall be approved by either the Corporation's board of directors or a duly authorized committee thereof composed solely of two or more Non-Employee Directors (as defined in Rule 16b-3) of the Corporation.

SECTION 11.07. Distributions. No Exchange shall impair the right of the Exchanging Holder to receive any Distributions made on a Class B Common Unit comprising the Paired Interest subject to such Exchange prior to the Exchange Date for such Exchange, and the Exchanging Holder shall not be entitled to receive any Distributions made on such Unit on or after the Exchange Date for such Exchange; *provided, however*, that if the Exchange Date with respect to such Unit occurs after a record date is fixed for the making of a Distribution on such Unit, but before the date the Distribution is made, then the registered Holder of such Unit at the close of business on such record date shall be entitled to receive the Distribution payable on such Unit on the date such Distribution is made (without duplication of any Distribution to which such Holder may be entitled under Section 4.01(e) in respect of taxes); *provided, further, however*, that an Exchanging Holder shall be entitled to receive any and all Tax Distributions that such Exchanging Holder otherwise would have received in respect of income allocated to such Holder for the portion of any Fiscal Year irrespective of whether such Tax Distribution(s) are declared or made after the Exchange Date. For the avoidance of doubt, no Exchanging Holder shall be entitled to receive, in respect of a single record date or payment date, both Distributions on a Class B Common Unit comprising the Paired Interest subject to an Exchange and dividends on shares of Deliverable Common Stock received by such Holder in such Exchange.

SECTION 11.08. Withholding; Certification of Non-Foreign Status.

(a) If the Corporation or the Company shall be required to withhold any amounts by reason of any federal, state, local or non-U.S. foreign tax rules or regulations in respect of any Exchange, the Corporation or the Company, as the case may be, shall be entitled to take such lawful action as it deems appropriate in order to ensure compliance with such withholding requirements, including, at its option, withholding shares of Class A Common Stock with a Fair Market Value equal to the minimum amount of any taxes that the Corporation or the Company, as the case may be, may be required to withhold with respect to such Exchange. To the extent that amounts are (or property is) so withheld and paid over to the appropriate taxing authority, such withheld amounts (or property) shall be treated for all purposes of this Agreement as having been paid (or delivered) to the applicable Holder.

(b) Notwithstanding anything in this Agreement to the contrary, each of the Corporation and the Company may, in its discretion, require that an exchanging Holder deliver to the Corporation or the Company, as the case may be, a certification of non-foreign status in accordance with Treasury Regulation Section 1.1445-2(b) and 1.1446(f)-2(b)(2) prior to an Exchange. In the event the Corporation or the Company has required delivery of such certification but an exchanging Holder does not provide such certification, the Corporation or the Company, as applicable, shall nevertheless deliver or cause to be delivered to the exchanging Holder the shares of Class A Common Stock or Cash Payment in accordance with Section 11.01, but subject to withholding as provided in Section 11.08(a).

SECTION 11.09. Tax Treatment. As required by the Code and the Treasury Regulations, the Company, the Corporation, the Manager, the Members and any other Person that is party to or is otherwise bound by this Agreement shall report any Exchange (including, for the avoidance of doubt, any Cash Exchange Payment by the Company pursuant to Section 11.01(i) or a Share Exchange pursuant to Section 11.01(ii)) consummated hereunder as a taxable sale of the Units and shares of Class B Common Stock by a Holder to the Corporation, and no such Person shall take a contrary position on any income tax return or amendment thereof unless an alternate position is permitted under the Code and Treasury Regulations and the Corporation consents in writing.

## ARTICLE XII

### Admission of Members

SECTION 12.01. Substituted Members. Subject to the provisions of Article X hereof, in connection with the Permitted Transfer of a Unit, the transferee shall be admitted as a substituted member of the Company (“Substituted Member”) on the effective date of such Permitted Transfer, which effective date shall not be earlier than the date of compliance with the conditions to such Transfer.

SECTION 12.02. Additional Members. Subject to the provisions of Article X hereof, any Person (other than the Members as of the Effective Date) may be admitted as an additional member of the Company (any such Person, an “Additional Member”) only upon furnishing to the Manager (a) counterparts of this Agreement and any applicable Other Agreements and (b) such other documents or instruments as may be reasonably necessary or appropriate to effect such Person’s admission as a Member (including entering into such documents as the Manager may deem appropriate in its reasonable discretion). Such admission shall become effective on the date on which the Manager determines in its reasonable discretion that such conditions have been satisfied.

ARTICLE XIII

Resignation

SECTION 13.01. Resignation of Members. No Member shall have the power or right to resign as a member of the Company prior to the dissolution and winding up of the Company pursuant to Article XIV. Upon or after the dissolution and winding up of the Company, a Member may resign as a member of the Company solely with the prior written consent of the Manager. The attempt by any Member to resign as a member of the Company upon or following the dissolution and winding up of the Company pursuant to Article XIV without the prior written consent of the Manager, but prior to such Member receiving the full amount of Distributions from the Company to which such Member is entitled pursuant to Article XIV, shall be deemed to have breached this Agreement and shall be liable to the Company for all damages (including all lost profits and special, indirect and consequential damages) directly or indirectly caused by the resignation of such Member as a member of the Company. Upon a Transfer of all of a Member's Units in a Transfer permitted by this Agreement, subject to the provisions of Section 10.06, such Member shall cease to be a Member.

ARTICLE XIV

Dissolution and Liquidation

SECTION 14.01. Dissolution. The Company shall not be dissolved by the admission of Additional Members or Substituted Members or the resignation or attempted resignation of a Member. The Company shall dissolve, and its affairs shall be wound up, upon the first to occur of the following events:

- (a) the decision of the Manager to dissolve the Company;
- (b) a dissolution of the Company under Section 18-801(4) of the Delaware Act; or
- (c) the entry of a decree of judicial dissolution of the Company under Section 18-802 of the Delaware Act.

Except as otherwise set forth in this Article XIV, the Company is intended to have perpetual existence. Notwithstanding anything in this Agreement to the contrary, (i) an Event of Withdrawal shall not cause the relevant Member to cease to be a member of the Company and upon the occurrence of such event, the Company shall continue without dissolution, and (ii) each of the Members waives any right it may have to agree in writing to dissolve the Company upon an Event of Withdrawal.

SECTION 14.02. Liquidation and Termination. On dissolution of the Company, the Manager shall act as the liquidating trustee or may appoint one or more Persons as the liquidating trustee. The liquidating trustee shall proceed diligently to wind up the affairs of the Company and make final Distributions as provided herein and in the Delaware Act. The costs of liquidation shall be borne as a Company expense. Until final Distribution, the liquidating trustee shall continue to operate the Company properties with all of the power and authority of the Manager. Subject to the Delaware Act, the steps to be accomplished by the liquidating trustee are as follows:

- (a) as promptly as possible after dissolution and again after final liquidation, the liquidating trustee shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable;

(b) the liquidating trustee shall pay, satisfy or discharge from Company funds, or otherwise make adequate provision for payment and discharge thereof (including the establishment of a cash fund for contingent liabilities in such amount and for such term as the liquidating trustee may reasonably determine): first, all expenses incurred in liquidation of the Company; second, all of the debts, liabilities and obligations owed to creditors of the Company, other than Members; third, all of the debts and liabilities owed to Members; and

(c) all remaining assets of the Company shall be distributed to the Members in accordance with Article IV by the end of the Taxable Year during which the final liquidation of the Company occurs (or, if later, by ninety (90) days after the date of the final liquidation). The Distribution of cash and/or property to the Members in accordance with the provisions of this Section 14.02 and Section 14.03 below constitutes a complete return to the Members of their Capital Contributions, a complete Distribution to the Members of their interest in the Company and all the Company's property and constitutes a compromise to which all Members have consented within the meaning of the Delaware Act. To the extent that a Member returns funds to the Company, it has no claim against any other Member for those funds.

SECTION 14.03. Deferment; Distribution in Kind. Notwithstanding the provisions of Section 14.02, but subject to the order of priorities set forth therein, if upon dissolution of the Company the liquidating trustee determines that an immediate sale of part or all of the Company's assets would be impractical or would cause undue loss (or would otherwise not be beneficial) to the Members, the liquidating trustee may, in the liquidating trustee's sole discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy Company liabilities (other than loans to the Company by Members) and reserves. Subject to the order of priorities set forth in Section 14.02, the liquidating trustee may, in the liquidating trustee's sole discretion, distribute to the Members, in lieu of cash, either (a) all or any portion of such remaining Company assets in-kind in accordance with the provisions of Section 14.02(c), (b) as tenants in common and in accordance with the provisions of Section 14.02(c), undivided interests in all or any portion of such Company assets or (c) a combination of the foregoing. Any such Distributions in kind shall be subject to (y) such conditions relating to the disposition and management of such assets as the liquidating trustee deems reasonable and equitable, and (z) the terms and conditions of any agreements governing such assets (or the operation thereof or the holders thereof) at such time.

SECTION 14.04. Certificate of Cancellation. On completion of the Distribution of Company assets as provided herein, the Company is terminated (and the Company shall not be terminated prior to such time), and the Manager shall file or cause to be filed a certificate of cancellation with the Secretary of State of the State of Delaware, cancel any other filings made pursuant to this Agreement that are or should be canceled and take such other actions as may be necessary to terminate the Company. The Company shall be deemed to continue in existence for all purposes of this Agreement until it is terminated pursuant to this Section 14.04.

SECTION 14.05. Reasonable Time for Winding Up. A reasonable time shall be allowed for the orderly winding up of the business and affairs of the Company and the liquidation of its assets pursuant to Sections 14.02 and 14.03 in order to minimize any losses otherwise attendant upon such winding up.

SECTION 14.06. Return of Capital. The liquidating trustee shall not be personally liable for the return of Capital Contributions or any portion thereof to the Members (it being understood that any such return shall be made solely from Company assets).

##### Valuation

SECTION 15.01. Determination. “Fair Market Value” of a specific Company asset will mean the amount which the Company would receive in an all-cash sale of such asset in an arms-length transaction with a willing, unaffiliated third party, with neither party having any compulsion to buy or sell, consummated on the day immediately preceding the date on which the event occurred which necessitated the determination of the Fair Market Value, as such amount is determined by the Manager (or, if pursuant to Section 14.02, the liquidating trustee) in its good faith judgment using all factors, information and data it deems to be pertinent.

SECTION 15.02. Dispute Resolution. If any Member or Members dispute the accuracy of any determination of Fair Market Value in accordance with Section 15.01, and the Manager (or, if pursuant to Section 14.02, the liquidating trustee) and such Member(s) are unable to agree on the determination of the Fair Market Value of any asset of the Company, the Manager (or, if pursuant to Section 14.02, the liquidation trustee) and such Member(s) shall each select a nationally recognized investment banking firm experienced in valuing securities of closely-held companies such as the Company in the Company’s industry (the “Appraisers”), who shall each determine the Fair Market Value of the asset or the Company (as applicable) in accordance with the provisions of Section 15.01. The Appraisers shall be instructed to give written notice of their determination of the Fair Market Value of the asset or the Company (as applicable) within thirty (30) days of their appointment as Appraisers. If Fair Market Value as determined by an Appraiser is higher than Fair Market Value as determined by the other Appraiser by ten percent (10%) or more, and the Manager (or, if pursuant to Section 14.02, the liquidation trustee) and such Member(s) do not otherwise agree on a Fair Market Value, the original Appraisers shall designate a third Appraiser meeting the same criteria used to select the original two Appraisers, and such third Appraiser shall determine the Fair Market Value of such asset or the Company (as applicable) within thirty (30) days of its appointment as an Appraiser, *provided* that such Appraiser shall not determine the Fair Market Value of such asset or the Company (as applicable) to be lower or higher than the determinations made by the original two Appraisers. If Fair Market Value as determined by an Appraiser is within ten percent (10%) of the Fair Market Value as determined by the other Appraiser (but not identical), and the Manager (or, if pursuant to Section 14.02, the liquidating trustee) and such Member(s) do not otherwise agree on a Fair Market Value, the Fair Market Value shall be the average of the two Appraisers. The fees and expenses of the Appraisers shall be borne by the Company.

(b) The foregoing power of attorney is irrevocable and coupled with an interest, and shall survive the death, disability, incapacity, dissolution, bankruptcy, insolvency or termination of any Member who is an individual and the transfer of all or any portion of his, her or its Company Interest and shall extend to such Member's heirs, successors, permitted assigns and personal representatives.

SECTION 16.02. Confidentiality.

(a) The Manager and each of the Members agree to hold the Company's Confidential Information in confidence and may not use such information except (i) in furtherance of the business of the Company, (ii) as reasonably necessary for compliance with applicable Law, including compliance with disclosure requirements under the Securities Act and the Exchange Act and compliance with the listing requirements of any securities exchange on which the Class A Common Stock is traded, and securities laws and regulations of other jurisdictions or (iii) as otherwise authorized separately in writing by the Manager. "Confidential Information" as used herein includes, but is not limited to, ideas, financial product structuring, business strategies, innovations and materials, all aspects of the Company's business plan, proposed operation and products, corporate structure, financial and organizational information, analyses, proposed partners, employees and their identities, equity ownership, the methods and means by which the Company plans to conduct its business, all trade secrets, trademarks, tradenames and all intellectual property associated with the Company's business. (b) Each of the Members may disclose Confidential Information to its Subsidiaries, Affiliates, partners, members, directors, managers, officers, employees, counsel, advisers, consultants, outside contractors and other agents, on the condition that such Persons keep the Confidential Information confidential to the same extent as such disclosing party is required to keep the Confidential Information confidential, solely to the extent it is reasonably necessary or appropriate to fulfill its obligations or to exercise its rights under this Agreement; *provided* that the disclosing party shall remain liable with respect to any breach of this Section 16.02 by any such Person.

(c) Notwithstanding anything in Section 16.02(a) or Section 16.02(b) to the contrary, each of the Members may disclose Confidential Information (i) to the extent that such party is legally compelled (by oral questions, interrogatories, request for information or documents, subpoena, civil investigative demand or similar process) to disclose any of the Confidential Information, for purposes of reporting to its stockholders and direct and indirect equity holders the performance of the Company and its Subsidiaries and for purposes of including applicable information in its financial statements to the fullest extent required by applicable Law or applicable accounting standards; or (ii) to any bona fide prospective purchaser of the equity or assets of a Member, or the Common Units held by such Member, or a prospective merger partner of such Member (*provided*, that (x) such Persons will be informed by such Member of the confidential nature of such information and shall agree in writing to keep such information confidential in accordance with the contents of this Agreement, and (y) each Member will be liable for any breaches of this Section 16.02 by any such Persons). Nothing in this Agreement shall prevent a Member from (A) filing and, as provided for under Section 21F of the Exchange Act, maintaining the confidentiality of, a claim with the SEC; (B) providing Confidential Information to the SEC, or providing the SEC with information that would otherwise violate any part of this Agreement, to the extent permitted by Section 21F of the Exchange Act; (C) cooperating, participating or assisting in an SEC investigation or proceeding without notifying the Company or any of its Affiliates; or (D) receiving a monetary award as set forth in Section 21F of the Exchange Act. Notwithstanding any of the foregoing, nothing in this Section 16.02 will restrict in any manner the ability of the Corporation to comply with its disclosure obligations under Law or the listing requirements of any securities exchange on which the Class A Common Stock is traded, and the extent to which any Confidential Information is necessary or desirable to disclose.

SECTION 16.03. Amendments.

(a) Any amendment or modification of this Agreement shall require the affirmative consent or approval of the Manager and the Majority Members; *provided, however,* that any such amendment that: (i) changes the rights, powers or duties of the Members holding a class or series of Units so as to affect such rights, powers or duties adversely shall also require the affirmative consent or approval of the Members holding a majority of the outstanding Units of such class or series; (ii) requires a Member to make any additional Capital Contribution shall also require the affirmative consent or approval of such Member; (iii) obligates a Member personally for any or all of the debts, obligations and liabilities of the Company shall also require the affirmative consent or approval of such Member; (iv) changes this Section 16.03(a) shall also require the affirmative consent or approval of the Manager and each Member; and (v) changes any provision that expressly requires the approval, consent or action of a Person or Persons so as to affect such Person or Persons adversely shall also require the affirmative consent or approval of such Person or Persons.

(b) Notwithstanding the foregoing, the Manager may amend or modify any provision of this Agreement without further act, vote, approval or consent of the Members or any other Person notwithstanding any other provision of this Agreement or, to the fullest extent permitted by applicable Law, the Delaware Act or other applicable Law, so long as such amendment or modification does not change the powers, preferences or relative, participating, optional, special or other rights, if any, or the qualifications, limitations or restrictions of the Members holding a class or series of Units so as to affect them adversely.

(c) Notwithstanding the foregoing, the Manager or the Officers may amend or modify the Schedule of Members pursuant to Sections 3.01(d), 3.09, 5.01(a), 5.01(c) and 11.06(b) without further act, vote, approval or consent of the Members or any other Person notwithstanding any other provision of this Agreement or, to the fullest extent permitted by applicable Law, the Delaware Act or other applicable Law.

SECTION 16.04. Title to Company Assets. Company assets shall be deemed to be owned by the Company as an entity, and no Member, individually or collectively, shall have any ownership interest in such Company assets or any portion thereof. The Company shall hold title to all of its property in the name of the Company and not in the name of any Member. All Company assets shall be recorded as the property of the Company on its books and records, irrespective of the name in which legal title to such Company assets is held. The Company's credit and assets shall be used solely for the benefit of the Company, and no asset of the Company shall be transferred or encumbered for, or in payment of, any individual obligation of any Member.

SECTION 16.05. Addresses and Notices. SECTION 16.06. Binding Effect; Intended Beneficiaries. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

SECTION 16.07. Creditors. To the fullest extent permitted by applicable Law, none of the provisions of this Agreement shall be for the benefit of or enforceable by any creditors of the Company or any of the Company’s Affiliates, and no creditor who makes a loan to the Company or any of the Company’s Affiliates may have or acquire (except pursuant to the terms of a separate agreement executed by the Company in favor of such creditor) at any time as a result of making the loan, any direct or indirect interest in the Company’s Net Income, Net Loss, Distributions, capital or property.

SECTION 16.08. Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

SECTION 16.09. Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any party may deliver signed counterparts of this Agreement to the other parties by means of facsimile, portable document format (.PDF) signature or electronic transmission.

SECTION 16.10. Applicable Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

SECTION 16.11. Jurisdiction. To the fullest extent permitted by applicable Law, the Company, each Member, the Manager, each Officer, each other Person who is a party to or is otherwise bound by this Agreement and each Person acquiring a Unit agrees that, unless the Company consents in writing to the selection of an alternative forum, the sole and exclusive forum for any (a) derivative action or proceeding brought on behalf of the Company, (b) any action asserting a claim of breach of fiduciary duty owed by any Member, the Manager, any Officer or any employee of the Company to the Company or the Members, (c) any action asserting a claim arising pursuant to the Delaware Act or this Agreement, or (d) any action asserting a claim governed by the internal affairs doctrine of the State of Delaware shall be the Court of Chancery of the State of Delaware (or, if the Court of Chancery of the State of Delaware lacks jurisdiction over any such action or proceeding, then the Superior Court of the State of Delaware, or, if the Superior Court of the State of Delaware lacks jurisdiction over any such action or proceeding, then the United States District Court for the District of Delaware). To the fullest extent permitted by applicable Law, the Company, each Member, the Manager, each Officer, each other Person who is a party to or is otherwise bound by this Agreement and each Person acquiring a Unit (i) irrevocably submits to the exclusive personal jurisdiction of the aforesaid courts and (ii) waives any claim of improper venue any claim that the aforesaid courts are an inconvenient forum court in any action or proceeding described in the foregoing sentence. To the fullest extent permitted by applicable law, the Company, each Member, the Manager, each Officer, each other Person who is a party to or is otherwise bound by this Agreement and each Person acquiring a Unit agrees that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 16.05 or in such other manner as may be permitted by applicable Law, shall be valid and sufficient service thereof.

SECTION 16.12. Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

SECTION 16.13. Further Action. The parties shall execute and deliver all documents, provide all information and take or refrain from taking such actions as may be reasonably necessary or appropriate to achieve the purposes of this Agreement.

SECTION 16.14. Delivery by Electronic Transmission. This Agreement and any signed agreement or instrument entered into in connection with this Agreement or contemplated hereby, and any amendments hereto or thereto, to the extent signed and delivered by means of an electronic transmission, including by a facsimile machine or via email, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of electronic transmission by a facsimile machine or via email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through such electronic transmission as a defense to the formation of a contract and each such party forever waives any such defense.

SECTION 16.15. Right of Offset. Whenever the Company is to pay any sum (other than pursuant to Article IV) to any Member, any amounts that such Member owes to the Company which are not the subject of a good faith dispute may be deducted from that sum before payment. For the avoidance of doubt, the Distribution of Units to the Corporation shall not be subject to this Section 16.15.

SECTION 16.16. Effectiveness. This Agreement shall be effective upon the Effective Date.

SECTION 16.17. Entire Agreement. This Agreement and those documents expressly referred to herein embody the complete agreement and understanding among the parties and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way. For the avoidance of doubt, the First Amendment, as in effect immediately prior to the Effective Date is superseded by this Agreement and shall be of no further force and effect thereafter.

SECTION 16.18. Remedies. Each Member shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any Law. Any Person having any rights under any provision of this Agreement or any other agreements contemplated hereby shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by Law.

SECTION 16.19. Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation and shall mean, “including, without limitation”. Reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable hereof. Without limiting the generality of the immediately preceding sentence, no amendment or other modification to any agreement, document or instrument that requires the consent of any Person pursuant to the terms of this Agreement or any other agreement will be given effect hereunder unless such Person has consented in writing to such amendment or modification. Wherever required by the context, references to a Fiscal Year shall refer to a portion thereof. The use of the words “or,” “either” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. Wherever a conflict exists between this Agreement and any other agreement, this Agreement shall control but solely to the extent of such conflict.

### **REGISTRATIONS AND OFFERINGS**

#### 2.1 Shelf Registration.

2.1.1 Filing. Within forty-five (45) calendar days following the Closing Date, the Company shall submit to or file with the Commission a Registration Statement for a Shelf Registration on Form S-1 (the “**Form S-1 Shelf**”) or a Registration Statement for a Shelf Registration on Form S-3 (the “**Form S-3 Shelf**”), if the Company is then eligible to use a Form S-3 Shelf, in each case, covering the resale of all the Registrable Securities (determined as of two (2) business days prior to such submission or filing) on a delayed or continuous basis and shall use its commercially reasonable efforts to have such Shelf declared effective as soon as practicable after the filing thereof, but no later than the earlier of (a) the sixtieth (60<sup>th</sup>) calendar day (or ninetieth (90<sup>th</sup>) calendar day if the Commission notifies the Company that it will “review” the Registration Statement) following Closing and (b) the tenth (10<sup>th</sup>) business day after the date the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or will not be subject to further review (such earlier date, the “Effectiveness Deadline”); provided, however, that if such Effectiveness Deadlines falls on a Saturday, Sunday or other day that the SEC is closed for business, the Effectiveness Deadlines shall be extended to the business day on which the SEC is open for business. Such Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. The Company shall maintain a Shelf in accordance with the terms hereof, and shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements as may be necessary to keep a Shelf continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. In the event the Company files a Form S-1 Shelf, the Company shall use its commercially reasonable efforts to convert the Form S-1 Shelf (and any Subsequent Shelf Registration Statement) to a Form S-3 Shelf as soon as practicable after the Company is eligible to use a Form S-3 Shelf. The Company’s obligation under this [Section 2.1.1](#), shall, for the avoidance of doubt, be subject to [Section 3.4](#).

2.1.2 Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall, subject to Section 3.4, use its commercially reasonable efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including using its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use its commercially reasonable efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement as a Shelf Registration (a “**Subsequent Shelf Registration Statement**”) registering the resale of all Registrable Securities (determined as of two (2) business days prior to such filing). If a Subsequent Shelf Registration Statement is filed, the Company shall use its commercially reasonable efforts to (i) cause such Subsequent Shelf Registration Statement to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration Statement shall be an automatic shelf registration statement (as defined in Rule 405 promulgated under the Securities Act) if the Company is a well-known seasoned issuer at the time of filing (as defined in Rule 405 promulgated under the Securities Act) at the most recent applicable eligibility determination date) and (ii) keep such Subsequent Shelf Registration Statement continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. Any such Subsequent Shelf Registration Statement shall be on Form S-3 to the extent that the Company is eligible to use such form at the time of filing. Otherwise, such Subsequent Shelf Registration Statement shall be on another appropriate form. The Company’s obligation under this Section 2.1.2, shall, for the avoidance of doubt, be subject to Section 3.4.

2.1.3 Additional Registrable Securities. Subject to Section 3.4, in the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon written request of such Holder, shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company’s option, any then available Shelf (including by means of a post-effective amendment) or by filing a Subsequent Shelf Registration Statement and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration Statement shall be subject to the terms hereof; provided, however, that the Company shall only be required to cause such additional Registrable Securities to be so covered twice per calendar year for each of the Sponsor and the Target Holders.

2.1.4 Requests for Underwritten Shelf Takedowns. Subject to Section 3.4, at any time and from time to time when an effective Shelf is on file with the Commission, the Sponsor, or a Target Holder (any of the Sponsor or a Target Holder being in such case, a “**Demanding Holder**”) may request to sell all or any portion of its Registrable Securities in an Underwritten Offering that is registered pursuant to the Shelf (each, an “**Underwritten Shelf Takedown**”); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering shall include Registrable Securities proposed to be sold by the Demanding Holder, either individually or together with other Demanding Holders, with a total offering price of at least \$10.0 million in the aggregate (the “**Minimum Takedown Threshold**”); provided that, with respect to all remaining Registrable Securities held by the Demanding Holder no Minimum Takedown Threshold shall apply. All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown. Subject to Section 2.4.4, a majority-in-interest of the Demanding Holders shall have the right to select the Underwriters for such offering (which shall consist of one or more reputable nationally recognized investment banks), subject to the Company’s prior approval (which shall not be unreasonably withheld, conditioned or delayed). The Sponsor and the Target Holders may demand not more than two (2) Underwritten Shelf Takedowns pursuant to this Section 2.1.4 within any six (6) month period. For the avoidance of doubt, the Company shall not be required to effect an aggregate of more than four (4) Underwritten Shelf Takedowns pursuant to this Section 2.1.4 in any twelve (12) month period. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then effective Registration Statement, including a Form S-3, that is then available for such offering.

2.1.5 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advises the Company, the Demanding Holders and the Holders requesting piggy back rights pursuant to this Agreement with respect to such Underwritten Shelf Takedown (the “**Requesting Holders**”) (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Common Stock or other equity securities that the Company desires to sell and all other Common Stock or other equity securities, if any, that have been requested to be sold in such Underwritten Offering pursuant to separate written contractual piggy-back registration rights held by any other stockholders, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “**Maximum Number of Securities**”), then the Company shall include in such Underwritten Offering, before including any Common Stock or other equity securities proposed to be sold by Company or by other holders of Common Stock or other equity securities, the Registrable Securities of (i) first, the Demanding Holders that can be sold without exceeding the Maximum Number of Securities (pro rata based on the respective number of Registrable Securities that each Demanding Holder has requested be included in such Underwritten Shelf Takedown and the aggregate number of Registrable Securities that all of the Demanding Holders have requested be included in such Underwritten Shelf Takedown) and (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Requesting Holder (if any) has requested be included in such Underwritten Shelf Takedown and the aggregate number of Registrable Securities that all of the Requesting Holders have requested be included in such Underwritten Shelf Takedown) that can be sold without exceeding the Maximum Number of Securities.

2.1.6 Withdrawal. Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used for marketing such Underwritten Shelf Takedown, a majority-in-interest of the Demanding Holders initiating an Underwritten Shelf Takedown shall have the right to withdraw from such Underwritten Shelf Takedown for any or no reason whatsoever upon written notification (a “**Withdrawal Notice**”) to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Underwritten Shelf Takedown; provided that the Sponsor or a Target Holder may elect to have the Company continue an Underwritten Shelf Takedown if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Shelf Takedown by the Sponsor the Target Holders or any of their respective Permitted Transferees, as applicable. If withdrawn, a demand for an Underwritten Shelf Takedown shall constitute a demand for an Underwritten Shelf Takedown by the withdrawing Demanding Holder for purposes of Section 2.1.4, unless such Demanding Holder reimburses the Company for all Registration Expenses with respect to such Underwritten Shelf Takedown (or, if there is more than one Demanding Holder, a pro rata portion of such Registration Expenses based on the respective number of Registrable Securities that each Demanding Holder has requested be included in such Underwritten Shelf Takedown); provided that, if the Sponsor or a Target Holder elects to continue an Underwritten Shelf Takedown pursuant to the proviso in the immediately preceding sentence, such Underwritten Shelf Takedown shall instead count as an Underwritten Shelf Takedown demanded by the Sponsor or such Target Holder, as applicable, for purposes of Section 2.1.4. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Holders that had elected to participate in such Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown prior to its withdrawal under this Section 2.1.6, other than if a Demanding Holder elects to pay such Registration Expenses pursuant to clause (ii) of the second sentence of this Section 2.1.6.

## 2.2 Piggyback Registration.

2.2.1 Piggyback Rights. Subject to Section 2.4.3, if the Company or any Holder proposes to conduct a registered offering of, or if the Company proposes to file a Registration Statement under the Securities Act with respect to the Registration of, equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including, without limitation, an Underwritten Shelf Takedown pursuant to Section 2.1), other than a Registration Statement (or any registered offering with respect thereto) (i) filed in connection with any employee stock option or other benefit plan, (ii) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (iii) for an offering of debt that is convertible into equity securities of the Company, (iv) for a dividend reinvestment plan, or (v) a Block Trade or an Other Coordinated Offering (which shall be subject to Section 2.4), then the Company shall give written notice of such proposed offering to all of the Holders of Registrable Securities as soon as practicable but not less than ten (10) days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration, the applicable “red herring” prospectus or prospectus supplement used for marketing such offering, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to include in such registered offering such number of Registrable Securities as such Holders may request in writing within five (5) days after receipt of such written notice (such registered offering, a “**Piggyback Registration**”). Except with respect to an Underwritten Shelf Takedown under Section 2.1.4, the rights provided under this Section 2.2.1 shall not be available to any Holder at such time as there is an effective Shelf available for the resale of the Registrable Securities pursuant to Section 2.1. Subject to Section 2.2.2, the Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and, if applicable, shall use its commercially reasonable efforts to cause the managing Underwriter or Underwriters of such Piggyback Registration to permit the Registrable Securities requested by the Holders pursuant to this Section 2.2.1 to be included therein on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. The inclusion of any Holder’s Registrable Securities in a Piggyback Registration shall be subject to such Holder’s agreement to enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering.

2.2.2 Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Offering that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of Common Stock or other equity securities that the Company desires to sell, taken together with (i) Common Stock or other equity securities, if any, as to which Registration or a registered offering has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (ii) the Registrable Securities as to which registration has been requested pursuant to Section 2.2 hereof, and (iii) Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggy-back registration rights of persons or entities other than the Holders of Registrable Securities hereunder, exceeds the Maximum Number of Securities, then:

(a) if the Registration or registered offering is undertaken for the Company’s account, the Company shall include in any such Registration or registered offering (A) first, Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1, pro rata, based on the respective number of Registrable Securities that each Holder has requested be included in such Underwritten Offering and the aggregate number of Registrable Securities that the Holders have requested to be included in such Underwritten Offering, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggy-back registration rights of persons or entities other than the Holders of Registrable Securities hereunder, which can be sold without exceeding the Maximum Number of Securities;

(b) if the Registration or registered offering is pursuant to a demand by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration or registered offering (A) first, the Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1, pro rata, based on the respective number of Registrable Securities that each Holder has requested to be included in such Underwritten Offering and the aggregate number of Registrable Securities that the Holders have requested to be included in such Underwritten Offering, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggy-back registration rights of persons or entities other than the Holders of Registrable Securities hereunder, which can be sold without exceeding the Maximum Number of Securities; and

(c) if the Registration or registered offering and Underwritten Shelf Takedown is pursuant to a request by Holder(s) of Registrable Securities pursuant to Section 2.1 hereof, then the Company shall include in any such Registration or registered offering securities in the priority set forth in Section 2.1.5.

2.2.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities (other than a Demanding Holder, whose right to withdraw from an Underwritten Shelf Takedown, and related obligations, shall be governed by Section 2.1.6) shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration or, in the case of a Piggyback Registration pursuant to a Shelf Registration, the filing of the applicable “red herring” prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons or entities pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration (which, in no circumstance, shall include a Shelf) at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement (other than Section 2.1.6), the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this Section 2.2.3.

2.2.4 Unlimited Piggyback Registration Rights. For purposes of clarity, subject to Section 2.1.6, any Piggyback Registration effected pursuant to Section 2.2 hereof shall not be counted as a demand for an Underwritten Shelf Takedown under Section 2.1.4 hereof.

2.3 Market Stand-off. In connection with any Underwritten Offering of equity securities of the Company (other than a Block Trade or Other Coordinated Offering), if requested by the managing Underwriters, each Holder that is an executive officer or director or Holder (and for which it is customary for such Holder to agree to a lock-up), agrees that, to the extent such Holder participates in such Underwritten Offering, it shall not Transfer any Common Stock or other equity securities of the Company (other than those included in such offering pursuant to this Agreement), without the prior written consent of the Company, during the ninety (90)-day period (or such shorter time agreed to by the managing Underwriters) beginning on the date of pricing of such offering, except as expressly permitted by such lock-up agreement or in the event the managing Underwriters otherwise agree by written consent. Each such Holder agrees to execute a customary lock-up agreement in favor of the Underwriters to such effect (in each case on substantially the same terms and conditions as all such Holders).

#### 2.4 Block Trades; Other Coordinated Offerings.

2.4.1 Notwithstanding any other provision of this Article II, but subject to Section 3.4, at any time and from time to time when an effective Shelf is on file with the Commission, if a Demanding Holder wishes to engage in (a) an underwritten registered offering not involving a “roadshow,” an offer commonly known as a “block trade” (a “**Block Trade**”), or (b) an “at the market” or similar registered offering through a broker, sales agent or distribution agent, whether as agent or principal (an “**Other Coordinated Offering**”), in each case, (x) with a total offering price of at least \$20.0 million in the aggregate or (y) with respect to all remaining Registrable Securities held by the Demanding Holder, then such Demanding Holder only needs to notify the Company of the Block Trade or Other Coordinated Offering at least five (5) business days prior to the day such offering is to commence and the Company shall use its commercially reasonable efforts to facilitate such Block Trade or Other Coordinated Offering; provided that the Demanding Holders representing a majority of the Registrable Securities wishing to engage in the Block Trade or Other Coordinated Offering shall use commercially reasonable efforts to work with the Company and any Underwriters, brokers, sales agents or placement agents prior to making such request in order to facilitate preparation of the registration statement, prospectus and other offering documentation related to the Block Trade or Other Coordinated Offering.

2.4.2 Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used in connection with a Block Trade or Other Coordinated Offering, a majority-in-interest of the Demanding Holders initiating such Block Trade or Other Coordinated Offering shall have the right to submit a Withdrawal Notice to the Company, the Underwriter or Underwriters (if any) and any brokers, sales agents or placement agents (if any) of their intention to withdraw from such Block Trade or Other Coordinated Offering. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Block Trade or Other Coordinated Offering prior to its withdrawal under this Section 2.4.2.

2.4.3 Notwithstanding anything to the contrary in this Agreement, Section 2.2 shall not apply to a Block Trade or Other Coordinated Offering initiated by a Demanding Holder pursuant to this Agreement.

2.4.4 The Demanding Holder in a Block Trade or Other Coordinated Offering shall have the right to select the Underwriters and any brokers, sales agents or placement agents (if any) for such Block Trade or Other Coordinated Offering (in each case, which shall consist of one or more reputable nationally recognized investment banks).

2.4.5 A Demanding Holder in the aggregate may demand no more than (i) one (1) Block Trade pursuant to this Section 2.4 within any six (6) month period or (ii) two (2) Block Trades or Other Coordinated Offerings pursuant to this Section 2.4 in any twelve (12) month period. For the avoidance of doubt, any Block Trade or Other Coordinated Offering effected pursuant to this Section 2.4 shall not be counted as a demand for an Underwritten Shelf Takedown pursuant to Section 2.1.4 hereof.

### ARTICLE III

#### COMPANY PROCEDURES

3.1 General Procedures. In connection with any Shelf and/or Shelf Takedown, the Company shall use its commercially reasonable efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its commercially reasonable efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or have ceased to be Registrable Securities;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by any Holder that holds at least one percent (1%) of the Registrable Securities registered on such Registration Statement or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus or have ceased to be Registrable Securities;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 notify each seller of Registrable Securities promptly after it receives notice of the time when the Registration Statement has been declared effective and when any post-effective amendments and supplements thereto become effective;

3.1.5 furnish counsel for the Underwriter(s), if any, and upon written request, for the sellers of the Registrable Securities in such Registration Statement with copies of any written comments from the SEC or any written request by the SEC for amendments or supplements to a Registration Statement or Prospectus;

3.1.6 prior to any public offering of Registrable Securities, use best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence satisfactory to such Holders that the Registrable Securities are exempt from such registration or qualification) and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.7 cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed;

3.1.8 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.9 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.10 at least five (5) days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus, including any document that is to be incorporated by reference into such Registration Statement or Prospectus (or such shorter period of time as may be (a) necessary in order to comply with the Securities Act, the Exchange Act, and the rules and regulations promulgated under the Securities Act or Exchange Act, as applicable or (b) advisable in order to reduce the number of days that sales are suspended pursuant to Section 3.4), furnish, upon request, a copy thereof to each seller of such Registrable Securities or its counsel (excluding any exhibits thereto and any filing made under the Exchange Act that is to be incorporated by reference therein);

3.1.11 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4;

3.1.12 in the event of an Underwritten Offering, a Block Trade, an Other Coordinated Offering, or sale by a broker, placement agent or sales agent pursuant to such Registration, in each of the following cases to the extent customary for a transaction of its type, permit a representative of the Holders, the Underwriters or other financial institutions facilitating such Underwritten Offering, Block Trade, Other Coordinated Offering or other sale pursuant to such Registration, if any, and any attorney, consultant or accountant retained by such Holders or Underwriter to participate, at each such person's or entity's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, financial institution, attorney, consultant or accountant in connection with the Registration; provided, however, that such representatives, Underwriters or financial institutions agree to confidentiality arrangements in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.13 obtain a "comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering, a Block Trade, an Other Coordinated Offering or sale by a broker, placement agent or sales agent pursuant to such Registration (subject to such broker, placement agent or sales agent providing such certification or representation reasonably requested by the Company's independent registered public accountants and the Company's counsel) in customary form and covering such matters of the type customarily covered by "comfort" letters for a transaction of its type as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.14 in the event of an Underwritten Offering, a Block Trade, an Other Coordinated Offering or sale by a broker, placement agent or sales agent pursuant to such Registration, on the date the Registrable Securities are delivered for sale pursuant to such Registration, to the extent customary for a transaction of its type, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the participating Holders, the broker, placement agents or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the participating Holders, broker, placement agent, sales agent or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters;

3.1.15 in the event of any Underwritten Offering, a Block Trade, an Other Coordinated Offering or sale by a broker, placement agent or sales agent pursuant to such Registration, enter into and perform its obligations under an underwriting or other purchase or sales agreement, in usual and customary form, with the managing Underwriter or the broker, placement agent or sales agent of such offering or sale;

3.1.16 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule then in effect);

3.1.17 with respect to an Underwritten Offering pursuant to Section 2.1.4, use its commercially reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in such Underwritten Offering; and

3.1.18 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the participating Holders, consistent with the terms of this Agreement, in connection with such Registration.

Notwithstanding the foregoing, the Company shall not be required to provide any documents or information to an Underwriter, broker, sales agent or placement agent if such Underwriter, broker, sales agent or placement agent has not then been named with respect to the applicable Underwritten Offering or other offering involving a registration as an Underwriter, broker, sales agent or placement agent, as applicable.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Registration Statement in Offerings. Notwithstanding anything in this Agreement to the contrary, if any Holder does not provide the Company with its requested Holder Information, the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that it is necessary or advisable to include such information in the applicable Registration Statement or Prospectus and such Holder continues thereafter to withhold such information. In addition, no person or entity may participate in any Underwritten Offering or other offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person or entity (i) agrees to sell such person's or entity's securities on the basis provided in any underwriting, sales, distribution or placement arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting or other agreements and other customary documents as may be reasonably required under the terms of such underwriting, sales, distribution or placement arrangements. For the avoidance of doubt, the exclusion of a Holder's Registrable Securities as a result of this Section 3.3 shall not affect the registration of the other Registrable Securities to be included in such Registration.

### 3.4 Suspension of Sales; Adverse Disclosure; Restrictions on Registration Rights.

3.4.1 Upon receipt of written notice from the Company that: (a) a Registration Statement or Prospectus contains a Misstatement; (b) any request by the Commission for any amendment or supplement to any Registration Statement or Prospectus or for additional information or of the occurrence of an event requiring the preparation of a supplement or amendment to such Prospectus so that, as thereafter delivered to the purchasers of the securities covered by such Registration Statement or Prospectus, such Registration Statement or Prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; or (c) upon any suspension by the Company, pursuant to a written insider trading compliance program adopted by the Board, of the ability of all “insiders” covered by such program to transact in the Company’s securities because of the existence of material non-public information, each of the Holders shall forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement covering such Registrable Securities until (x) in the case of (a) or (b), it has received copies of a supplemented or amended Prospectus (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as reasonably practicable after the time of such notice), or until it is advised in writing by the Company that the use of the Prospectus may be resumed, or (y) in the case of (c), until the restriction on the ability of “insiders” to transact in the Company’s securities is removed, and, if so directed by the Company, each such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder’s possession, of the most recent Prospectus covering such Registrable Securities at the time of receipt of such notice.

3.4.2 Subject to Section 3.4.4, if the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would (a) require the Company to make an Adverse Disclosure, (b) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company’s control, or (c) in the good faith judgment of the majority of the Board such Registration, be detrimental to the Company and the majority of the Board concludes as a result that it is advisable to defer such filing, initial effectiveness or continued use at such time, the Company may, upon giving prompt written notice of such action to the Holders (which notice shall not specify the nature of the event giving rise to such delay or suspension), delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under this Section 3.4.2, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities until such Holder receives written notice from the Company that such sales or offers of Registrable Securities may be resumed, and in each case maintain the confidentiality of such notice and its contents.

3.4.3 Subject to Section 3.4.4, (a) during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company-initiated Registration and provided that the Company continues to actively employ, in good faith, all commercially reasonable efforts to maintain the effectiveness of the applicable Shelf Registration, or (b) if, pursuant to Section 2.1.4, Holders have requested an Underwritten Shelf Takedown and the Company and Holders are unable to obtain the commitment of underwriters to firmly underwrite such offering, the Company may, upon giving prompt written notice of such action to the Holders, delay any other registered offering pursuant to Section 2.1.4 or 2.4.

3.4.4 The right to delay or suspend any filing, initial effectiveness or continued use of a Registration Statement pursuant to Section 3.4.2 or a registered offering pursuant to Section 3.4.3 shall be exercised by the Company, in the aggregate, for not more than sixty (60) consecutive calendar days and not more than twice for not more than one hundred and twenty (120) total calendar days, during any twelve (12)-month period.

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the Commission pursuant to the Electronic Data Gathering, Analysis and Retrieval System ("EDGAR") shall be deemed to have been furnished or delivered to the Holders pursuant to this Section 3.5. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule then in effect). Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

3.6 Rule 144. With a view to make available to the Holders the benefits of Rule 144 promulgated under the Securities Act, the Company covenants that it will (a) make available at all times information necessary to comply with Rule 144, if such Rule is available with respect to resales of the Registrable Securities under the Securities Act, and (b) take such further action as the Holders may reasonably request, all to the extent required from time to time to enable them to sell all Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (if available with respect to resales of the Registrable Securities), as such rule may be amended from time to time. Upon request of any Holder, the Company will deliver to such Holder a written statement as to whether the Company has complied with such information requirement, and, if not, the specific reasons for non-compliance.

ARTICLE IV

INDEMNIFICATION AND CONTRIBUTION

4.1 Indemnification.

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors, managers, directors, trustees, equityholders, beneficiaries, affiliates and agents and each person or entity who controls such Holder (within the meaning of the Securities Act), against all losses, claims, damages, liabilities and out-of-pocket expenses (including, without limitation, reasonable and documented outside attorneys' fees or other expenses incurred in connection with investigating or defending such claim, loss, liability, damage or action) resulting from (i) any untrue or alleged untrue statement of material fact contained in or incorporated by reference in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities law except insofar as the same are caused by or contained in any information or affidavit so furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person or entity who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish (or cause to be furnished) to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus (the "**Holder Information**") and, to the extent permitted by law, shall indemnify the Company, its directors, officers and agents and each person or entity who controls the Company (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and out-of-pocket expenses (including, without limitation, reasonable and documented outside attorneys' fees) resulting from any untrue or alleged untrue statement of material fact contained or incorporated by reference in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement is contained in (or not contained in, in the case of an omission) any information or affidavit so furnished in writing by or on behalf of such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person or entity who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3 Any person or entity entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5 If the indemnification provided under Section 4.1 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and out-of-pocket expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and out-of-pocket expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by in the case of an omission), such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this Section 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or out-of-pocket expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this Section 4.1.5. No person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 4.1.5 from any person or entity who was not guilty of such fraudulent misrepresentation.

ARTICLE V

It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

6.12 Entire Agreement. This Agreement constitutes the full and entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter. Upon the Closing, the Original RRA shall no longer be of any force or effect.

6.13 Adjustments. If, and as often as, there are any changes in the Registrable Securities by way of stock split, stock dividend, combination or reclassification, or through merger, consolidation, reorganization, recapitalization or sale, or by any other means, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations hereunder shall continue with respect to the Registrable Securities as so changed.

For this purpose, Taxes of the Purchaser (whether actual liability or Non-Stepped Up Tax Liability) shall include any Taxes of any member of the applicable consolidated group, combined group or unitary group of any of its Affiliates (including the portion of any Tax liability imposed with respect to Umbrella that is allocable to Purchaser under Section 704 of the Code).

**“Realized Tax Detriment”** means, for a Taxable Year, the excess, if any, of the actual liability for Taxes of the Purchaser over the Non-Stepped Up Tax Liability for such Taxable Year using the “with or without” methodology. If all or a portion of the actual tax liability for Taxes for the Taxable Year arises as a result of an audit by a Taxing Authority of any Taxable Year, such liability shall not be included in determining the Realized Tax Detriment unless and until there has been a Determination. For this purpose, Taxes of the Purchaser (whether actual liability or Non-Stepped Up Tax Liability) shall include any Taxes of any member of the applicable consolidated group, combined group or unitary group of any of its Affiliates (including the portion of any Tax liability imposed with respect to Umbrella that is allocable to Purchaser under Section 704 of the Code).

**“Reconciliation Procedures”** means those procedures set forth in Section 7.09 of this Agreement.

**“Reference Assets”** means (a) all tangible and intangible assets owned (or deemed owned such as through an entity disregarded for tax purposes) at the time of an Exchange (i) by Umbrella or (ii) by entities in which Umbrella owns an interest that are treated as partnerships for U.S. federal income tax purposes and for which an election under Section 754 of the Code is in effect with respect to such Exchange, and (b) any asset to the extent its tax basis is determined by reference to the adjusted basis of an asset referred to in clause (a).

**“Schedule”** means any of the following: (a) an Exchange Basis Schedule, (b) a Tax Benefit Schedule, (c) a Payment Schedule, or (d) the Early Termination Schedule.

**“Sellers”** is defined in the preamble to this Agreement.

**“Sellers Advisory Firm”** means an accounting firm that is nationally recognized as being expert in Tax matters and that is engaged by the Sellers owning a majority of the Units to administer its rights and obligations under this Agreement. The initial Sellers Advisory Firm shall be [\_\_\_\_\_].

**“Senior Obligations”** is defined in Section 5.01 of this Agreement.

**“SOFR”** means for each month (or portion thereof) during any period, an interest rate per annum equal to the rate per annum reported, on the date two Business Days prior to the first Business Day of such month, on the applicable Bloomberg screen page (or other commercially available source providing quotations of SOFR) for the Secured Overnight Financing Rate as published by the Federal Reserve Bank of New York for such month (or portion thereof). In no event will SOFR be less than 0%.

**“Tax Benefit Payment”** is defined in Section 3.01(b) of this Agreement.

**“Tax Benefit Schedule”** is defined in Section 2.03(a) of this Agreement.

**“Tax Return”** means any return, declaration, report or similar statement required to be filed with respect to Taxes (including any attached schedules), including, without limitation, any information return, claim for refund, amended return and declaration of estimated Tax.

**“Taxable Year”** means a taxable year as defined in Section 441(b) of the Code or comparable section of state or local tax law, as applicable, (and, therefore, for the avoidance of doubt, may include a period of less than 12 months for which a Tax Return is made) ending on or after an Exchange Date in which there is a Basis Adjustment due to an Exchange.

**“Tax”** or **“Taxes”** means any and all U.S. federal, state, local and foreign taxes, assessments or similar charges measured with respect to net income or profits and any interest, additions to Tax or penalties applicable or related to such Tax.

**“Taxing Authority”** means any domestic, foreign, federal, national, state, county or municipal or other local government, any subdivision, agency, commission or authority thereof, or any quasi-governmental body exercising any taxing authority or any other authority exercising Tax regulatory authority.

**“Treasury Regulations”** means the final, temporary and proposed regulations under the Code promulgated from time to time (including corresponding provisions and succeeding provisions) as in effect for the relevant taxable period.

**“Umbrella”** is defined in the Preamble of this Agreement.

**“Valuation Assumptions”** means, as of an Early Termination Date, the assumptions that (1) in each Taxable Year ending on or after such Early Termination Date, the deductions from the Basis Adjustment and the Imputed Interest arising out of previous Exchanges, and any deductions that would arise from any Basis Adjustments and any Imputed Interest as if the deemed Exchanges described in clause (6) of this definition below had been actual previous Exchanges, will continue to be available to the Purchaser without regard to any Change of Control or any dispositions of the Reference Assets on or after the Early Termination Date, (2) the Purchaser will have taxable income sufficient to fully utilize such deductions during such Taxable Year (including, for the avoidance of doubt, Basis Adjustments and Imputed Interest that would result from future Tax Benefit Payments that would be paid in accordance with the Valuation Assumptions), (3) the U.S. federal and the and state and local income tax rates that will be in effect for each such Taxable Year and apply to all taxable income of the Purchaser will be those specified for each such Taxable Year by the Code and other law as in effect on the Early Termination Date, except to the extent any change to such Tax rates for such Taxable Year has already been enacted into law, (4) any loss carryovers generated by the Basis Adjustment or the Imputed Interest and available as of the date of the Early Termination Schedule (including, for the avoidance of doubt, Basis Adjustments and Imputed Interest that would result from future Tax Benefit Payments that would be paid in accordance with the Valuation Assumptions) will be utilized by the Purchaser on a pro rata basis from the date of the Early Termination Schedule through the earlier of (i) the twentieth anniversary of the first Exchange Date or (ii) the schedule expiration date of such carryforward or carryback, (5) any non-amortizable assets are deemed to be disposed of on the earlier of (i) the fifteenth anniversary of the Basis Adjustment and (ii) the Early Termination Date but in no event earlier than the Early Termination Date, and (6) if, on the Early Termination Date, any Seller has Exchangeable Interests that have not been Exchanged, then such Exchangeable Interests shall be deemed to be Exchanged for the fair market value of the shares of Class A Shares and any other cash or consideration (e.g., taking into account the proceeds of any Change in Control, if applicable) that would be received by such Seller if such Exchangeable Interests had been Exchanged on the Early Termination Date, and as if such Seller had been entitled to receive the amount of cash such Seller would have been entitled to receive under this Agreement had such Exchangeable Interests actually been Exchanged on the Early Termination Date. For the avoidance of doubt, if an Early Termination is effected prior to an Exchange of Exchangeable Interests, Section 2.01 shall be read to include any deemed Exchange referred to in clause (6) above as if such Exchange had actually occurred no later than one day prior to the Early Termination Date.

ARTICLE II

DETERMINATION OF REALIZED TAX BENEFIT

SECTION 2.01. Basis Adjustment. The Purchaser and Umbrella agree that, as a result of any Exchange, the Purchaser's basis in the applicable Reference Assets shall be increased to the fullest extent permitted by law, determined in accordance with Section 755 of the Code and the applicable Treasury Regulations thereunder. For the avoidance of doubt, payments made under this Agreement shall not be treated as resulting in a Basis Adjustment to the extent such payments are attributable to Imputed Interest.

SECTION 2.02. Exchange Basis Schedule. Within 90 calendar days after the filing of the U.S. federal income tax return of the Purchaser for each Taxable Year in which any Exchange has been effected, the Purchaser shall deliver to the Sellers Advisory Firm a schedule (the "**Exchange Basis Schedule**") that shows, in reasonable detail, for purposes of Taxes, (i) the actual unadjusted tax basis of the Reference Assets as of each applicable Exchange Date, (ii) the Basis Adjustment with respect to the Reference Assets as a result of the Exchanges effected in such Taxable Year, calculated in the aggregate, (iii) the period or periods, if any, over which the Reference Assets are amortizable and/or depreciable and (iv) the period or periods, if any, over which each Basis Adjustment is amortizable and/or depreciable.

SECTION 2.03. Tax Benefit Schedule and Payment Schedule.

(a) Within 90 calendar days after the filing of the U.S. federal income tax return of the Purchaser for any Taxable Year in which there is a Realized Tax Benefit or Realized Tax Detriment, the Purchaser shall provide to the Sellers Advisory Firm a schedule showing, in reasonable detail, (i) the calculation of the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year (a "**Tax Benefit Schedule**"), and (ii) the amount of the Tax Benefit Payment with respect to such Taxable Year, if applicable, that shall be allocated and paid to each Seller (a "**Payment Schedule**"). The Tax Benefit Schedule and Payment Schedule will each respectively become final as provided in Section 2.04(a) and may each respectively be amended as provided in Section 2.04(b) (subject to the procedures set forth in Section 2.04(b)).

(b) The allocation of any payments hereunder in accordance with the Payment Schedule shall be binding on all Sellers and shall be used by the Purchaser and the Sellers Advisory Firm for purposes of disbursement of any such payments. The Sellers Advisory Firm shall be solely responsible for disbursing any payments hereunder to each Seller in accordance with the Payment Schedule. The Sellers Advisory Firm shall promptly notify the Purchaser of any amendments to the Payment Schedule.

(c) Each of the Sellers acknowledges and agrees that (i) it has agreed to the terms of this Section 2.03, (ii) it is the sole responsibility of the Sellers Advisory Firm, and not the Purchaser, to accurately disburse payments made to the Sellers Advisory Firm hereunder in accordance with the Payment Schedule, and (iii) the Purchaser shall not be liable for any inaccuracies in the Payment Schedule or any action (or failure to take action) by or on behalf of the Sellers Advisory Firm with respect to the Payment Schedule or otherwise. Each Seller and the Sellers Advisory Firm shall indemnify and hold harmless the Purchaser and its Affiliates and/or each of their respective directors, officers, managers, employees, agents, Affiliates, other representatives, successors and assigns from and against any liability arising out of or with respect to the Payment Schedule (including any inaccuracies thereon, the failure of the Sellers Advisory Firm to disburse payments in accordance therewith, or otherwise).

#### SECTION 2.04. Procedures, Amendments

(a) Procedure. Every time the Purchaser delivers to the Sellers Advisory Firm an applicable Schedule under this Agreement (including an Amended Schedule pursuant to Section 2.04(b) of this Agreement), the Purchaser shall also (x) deliver to the Sellers Advisory Firm schedules and work papers providing reasonable detail regarding the preparation of the Schedule and an Purchaser Letter supporting such Schedule and (y) allow the Sellers Advisory Firm reasonable access to the appropriate representatives at the Purchaser and the Purchaser Advisory Firm in connection with a review of such Schedule. The applicable Schedule shall become final and binding on all parties unless the Sellers Advisory Firm, within 30 calendar days after receiving such Schedule or amendment thereto, provides the Purchaser with notice of a material objection to such Schedule made in good faith. If the parties, negotiating in good faith, are unable to successfully resolve the issues raised in such notice within 30 calendar days after such Schedule was delivered to the Sellers Advisory Firm, the Purchaser and the Sellers Advisory Firm shall employ the Reconciliation Procedures as described in Section 7.09 of this Agreement.

(b) Amended Schedule. The applicable Schedule for any Taxable Year may be amended from time to time by the Purchaser (i) in connection with a Determination affecting such Schedule, (ii) to correct material inaccuracies in the Schedule identified as a result of the receipt of additional factual information relating to a Taxable Year after the date the Schedule was provided to the Sellers Advisory Firm, (iii) to comply with the Expert's determination under the Reconciliation Procedures, (iv) to reflect a material change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other tax item to such Taxable Year, (v) to reflect a material change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year, or (vi) to adjust the Exchange Basis Schedule to take into account payments made pursuant to this Agreement (such schedule, an "**Amended Schedule**"); provided, however, that such a change under clause (i) attributable to an audit of a Tax Return by an applicable Taxing Authority shall not be taken into account on an Amended Schedule unless and until there has been a Determination with respect to such change.

SECTION 2.05. Section 754 Election. The Purchaser shall cause Umbrella to ensure that, on and after the date hereof and continuing throughout the term of this Agreement, Umbrella and any of its eligible subsidiaries will have in effect an election pursuant to Section 754 of the Code (and under any similar provisions of applicable U.S. state or local law).

ARTICLE III

TAX BENEFIT PAYMENTS

SECTION 3.01. Payments

(a) Payments. Within five (5) Business Days of a Tax Benefit Schedule delivered to the Sellers Advisory Firm becoming final, the Purchaser shall pay to the Sellers Advisory Firm, for disbursement to the Sellers, in accordance with the Payment Schedule, for such Taxable Year the Tax Benefit Payment determined pursuant to Section 3.01(b). Each such Tax Benefit Payment shall be made by wire transfer of immediately available funds to the bank account of the Sellers Advisory Firm. For the avoidance of doubt, no Tax Benefit Payment shall be made in respect of estimated tax payments, including, without limitation, federal income tax payments.

(b) A “**Tax Benefit Payment**” means an amount, not less than zero, equal to 85% of the Purchaser’s Realized Tax Benefit, if any, for a Taxable Year, increased by, (1) interest calculated at the Agreed Rate from the due date (without extensions) for filing the Purchaser Return with respect to Taxes for such Taxable Year until the Payment Date (the “**Interest Amount**”), and (2) the amount of the excess Realized Tax Benefit reflected on an Amended Tax Benefit Schedule for a previous Taxable Year over the Realized Tax Benefit (or Realized Tax Detriment (expressed as a negative number)) reflected on the Tax Benefit Schedule for such previous Taxable Year; and decreased by, (3) an amount equal to the Purchaser’s Realized Tax Detriment (expressed as a negative number) (if any) for any previous Taxable Year, and (4) the amount of the excess Realized Tax Benefit reflected on a Tax Benefit Schedule for a previous Taxable Year over the Realized Tax Benefit (or Realized Tax Detriment (expressed as a negative number)) reflected on the Amended Tax Benefit Schedule for such previous Taxable Year; provided, however, that the amounts described in 3.01(b)(1), (2), (3) and (4) shall not be taken into account in determining a Tax Benefit Payment attributable to any Taxable Year to the extent such amounts were taken into account in determining any Tax Benefit Payment in a preceding Taxable Year; provided, further, for the avoidance of doubt, neither the Sellers nor the Sellers Advisory Firm shall be required to return any portion of any previously made Tax Benefit Payment. Notwithstanding the foregoing, for each Taxable Year ending on or after the date of a Change of Control, all Tax Benefit Payments, whether paid with respect to Exchangeable Interests that were exchanged (i) prior to the date of such Change of Control or (ii) deemed Exchanged on the date of such Change of Control, shall be calculated by utilizing Valuation Assumptions, substituting in each case the terms “the closing date of a Change of Control” for an “Early Termination Date”.

(c) Imputed Interest. The parties acknowledge that the principles of Section 1272, 1274, or 483 of the Code, as applicable, and the principles of any similar provision of U.S. state and local law, will apply to cause a portion of any Tax Benefit Payment to be treated as imputed interest for applicable tax purposes (“**Imputed Interest**”).

(d) Computation Rules. Except to the extent the payment of any such Tax Benefit Payment is properly treated as Imputed Interest, the payment of all Tax Benefit Payments will be treated as a subsequent upward purchase price adjustment that gives rise to further Basis Adjustments for the Purchaser beginning with the Taxable Year of payment, and as a result, such additional Basis Adjustments will be incorporated into such Taxable Year continuing for future Taxable Years until any incremental Basis Adjustment benefits with respect to a Tax Benefit Payment equal an immaterial amount, as reasonably determined by the Purchaser and Sellers Advisory Firm in good faith.

SECTION 3.02. No Duplicative Payments. It is intended that the above provisions will not result in duplicative payment of any amount (including interest) required under this Agreement. It is also intended that the provisions of this Agreement provide that 85% of the Purchaser's Realized Tax Benefit, plus the Interest Amount, is paid to the Sellers Advisory Firm, for disbursement to the Sellers, pursuant to this Agreement. The provisions of this Agreement shall be construed in the appropriate manner as such intentions are realized.

SECTION 3.03. Maximum Payment. The parties hereby acknowledge and agree that, as of the date of this Agreement and as of the date of any future Exchanges, the aggregate value of the Tax Benefit Payments cannot be reasonably ascertained for U.S. federal income and other applicable tax purposes. Notwithstanding anything to the contrary in this Agreement, with respect to each Exchange by any Seller, if the Sellers Advisory Firm notifies the Purchaser in writing of a stated maximum selling price (within the meaning of Treasury Regulation 15A.453-1(c)(2)) to be applied with respect to such Exchange, the amount of the initial consideration received in connection with such Exchange and the aggregate Tax Benefit Payments to such Seller in respect of such Exchange (other than amounts accounted for as interest under the Code) shall not exceed such stated maximum selling price.

SECTION 3.04. Pro Rata Payments. Notwithstanding anything in Section 3.01 to the contrary, to the extent that the aggregate Realized Tax Benefit of the Purchaser is limited in a particular Taxable Year because the Purchaser does not have sufficient taxable income, the Sellers Advisory Firm shall allocate the Realized Tax Benefit for that Taxable Year among all Sellers then-eligible to receive Tax Benefit Payments under this Agreement in proportion to the amounts of Realized Tax Benefit for that Taxable Year, respectively, that would have been attributable to each Seller if the Purchaser had sufficient taxable income so that there were no such limitation.

SECTION 3.05. Payment Ordering. If for any reason the Purchaser does not fully satisfy its payment obligations to make all Tax Benefit Payments due under this Agreement in respect of a particular Taxable Year, then the Purchaser, Sellers and Sellers Advisory Firm agree that (i) Tax Benefit Payments for such Taxable Year shall be allocated to all Sellers eligible to receive Tax Benefit Payments under this Agreement in such Taxable Year in proportion to the amounts of Tax Benefit Payments, respectively, that would have been received by each Seller if the Purchaser had sufficient cash available to make such Tax Benefit Payments and (ii) no Tax Benefit Payments shall be made in respect of any Taxable Year until all Tax Benefit Payments in respect of all prior Taxable Years have been made in full.

ARTICLE IV

TERMINATION

SECTION 4.01. Early Termination of Agreement. The Purchaser may terminate this Agreement with respect to some or all of the Exchangeable Interests held (or previously held and exchanged) by the Sellers at any time by paying to the Sellers Advisory Firm, for disbursement to the Sellers, the Early Termination Payment. In addition, upon a Change of Control of the Purchaser, this Agreement shall terminate, and the Purchaser shall pay to Sellers Advisory Firm, for disbursement to the Sellers, the Early Termination Payment. Upon payment of the Early Termination Payment by the Purchaser, neither the Sellers, the Sellers Advisory Firm nor the Purchaser shall have any further payment obligations under this Agreement, other than for any (a) Tax Benefit Payment agreed to by the Purchaser and Sellers Advisory Firm as due and payable but unpaid as of the Early Termination Notice and (b) Tax Benefit Payment due for the Taxable Year ending with or including the date of the Early Termination Notice (except to the extent that the amount described in clause (b) is included in the Early Termination Payment).

SECTION 4.02. Early Termination Notice. If this Agreement is terminated under Section 4.01 above, the Purchaser shall deliver to the Sellers Advisory Firm a notice (the “**Early Termination Notice**”) setting forth (i) its intention to exercise its right to terminate this Agreement under said Section 4.01 (or the circumstances constituting a Change of Control requiring said termination) and (ii) a schedule (the “**Early Termination Schedule**”) showing in reasonable detail the calculation of the Early Termination Payment. The applicable Early Termination Schedule shall become final and binding on all parties unless the Sellers Advisory Firm, within 30 calendar days after receiving the Early Termination Schedule thereto provides the Purchaser with notice of a material objection to such Schedule made in good faith. If the parties, negotiating in good faith, are unable to successfully resolve the issues raised in such notice within 30 calendar days after such Schedule was delivered to the Sellers Advisory Firm, the Purchaser and the Sellers Advisory Firm shall employ the Reconciliation Procedures as described in Section 7.09 of this Agreement.

SECTION 4.03. Payment upon Early Termination.

(a) Payment. Within three calendar days after agreement between the Sellers Advisory Firm and the Purchaser on the Early Termination Schedule, the Purchaser shall pay to the Sellers Advisory Firm, for disbursement to the Sellers, an amount equal to the Early Termination Payment. Such payment shall be made by wire transfer of immediately available funds to the bank account designated by the Sellers Advisory Firm.

(b) Calculation of Early Termination Payment. The “**Early Termination Payment**” as of the date of an Early Termination Schedule shall equal the present value, discounted at the Agreed Rate as of the date of the Early Termination Notice, of all Tax Benefit Payments that would be required to be paid by the Purchaser to the Sellers Advisory Firm beginning from the Early Termination Date assuming the Valuation Assumptions are applied. For avoidance of doubt, the Early Termination Payment shall take into account any Realized Tax Benefit that would be attributable to the payment of such future Tax Benefit Payments using an iterative process until any incremental Basis Adjustment benefits with respect to a Tax Benefit Payment equal an immaterial amount as reasonably determined by the Purchaser and the Sellers Advisory Firm in good faith.

ARTICLE V

SUBORDINATION AND LATE PAYMENTS

SECTION 5.01. Subordination. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payment or Early Termination Payment required to be made by the Purchaser to the Sellers Advisory Firm under this Agreement (an “**Exchange Payment**”) shall, upon any payment or distribution of the assets or securities of the Purchaser upon a total or partial liquidation or a total or partial dissolution of the Purchaser or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Purchaser or its property, rank subordinate and junior in right of payment to any principal, interest or other amounts due and payable in respect of any obligations in respect of indebtedness for borrowed money of the Purchaser and its subsidiaries (“**Senior Obligations**”) and shall rank pari passu with all current or future unsecured obligations of the Purchaser that are not Senior Obligations. Nothing in this Section 5.01 shall (a) impair, as between the Purchaser and Sellers, the obligation of the Purchaser to make any Exchange Payment on the date it is required to be made by the Purchaser to the Sellers Advisory Firm under this Agreement or (b) prevent the Sellers or the Sellers Advisory Firm from exercising their available remedies upon a failure of the Purchaser to make such required payments when due, except in the circumstances expressly set forth in the first sentence of this Section 5.01.

SECTION 5.02. Late Payments by the Purchaser. The amount of all or any portion of an Exchange Payment not made to the Sellers Advisory Firm when due under the terms of this Agreement shall be payable together with any interest thereon, computed at the Late Payment Rate and commencing from the date on which such Exchange Payment was due and payable.

ARTICLE VI

PURCHASER TAX MATTERS; CONSISTENCY; COOPERATION

SECTION 6.01. Participation in the Purchaser’s Tax Matters. Except as otherwise provided herein, the Purchaser shall have full responsibility for, and sole discretion over, all Tax matters concerning the Purchaser, including without limitation the preparation, filing or amending of any Tax Return and defending, contesting or settling any issue pertaining to Taxes. Notwithstanding the foregoing, the Purchaser shall notify the Sellers Advisory Firm of, and keep the Sellers Advisory Firm reasonably informed with respect to the portion of, any audit of the Purchaser by a Taxing Authority the outcome of which is reasonably expected to affect Sellers’ rights and obligations under this Agreement, and shall provide to the Sellers Advisory Firm reasonable opportunity to provide information and other input to the Purchaser and its advisors concerning the conduct of any such portion of such audit. Purchaser shall not settle any audit or other tax proceeding in a manner that would be reasonably expected to materially and adversely impact the Sellers with respect to the rights or obligations under this Agreement without the prior written consent of the Sellers (such consent may not be unreasonably withheld, conditioned or delayed).

SECTION 6.02. Consistency. Unless there is a Determination to the contrary, the Purchaser and Sellers agree to report and cause to be reported for all purposes, including federal, state and local Tax purposes and financial reporting purposes, all Tax-related items (including without limitation the Basis Adjustment and each Tax Benefit Payment) in a manner consistent with that specified by the Purchaser in any Schedule required to be provided by or on behalf of the Purchaser under this Agreement. In the event that the Sellers Advisory Firm or Purchaser Advisory Firm is replaced with another firm, such replacement firm shall be required to perform its services under this Agreement using procedures and methodologies consistent with the previous Sellers Advisory Firm or Purchaser Advisory Firm, as the case may be, unless otherwise required by law or the Purchaser and the Sellers Advisory Firm agree to the use of other procedures and methodologies.

SECTION 6.03. Cooperation. The Sellers Advisory Firm shall (a) furnish to the Purchaser in a timely manner such information, documents and other materials as the Purchaser may reasonably request for purposes of making any determination or computation necessary or appropriate under this Agreement, preparing any Tax Return or contesting or defending any audit, examination or controversy with any Taxing Authority, (b) make itself available to the Purchaser and its representatives to provide explanations of documents and materials and such other information as the Purchaser or its representatives may reasonably request in connection with any of the matters described in clause (a) above, and (c) reasonably cooperate in connection with any such matter.

ARTICLE VII

SECTION 7.01. Notices. All notices, consents, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered (i) in person, (ii) by facsimile or other electronic means (including email), with affirmative confirmation of receipt, (iii) one Business Day after being sent, if sent by reputable, nationally recognized overnight courier service or (iv) three Business Days after being mailed, if sent by registered or certified mail, pre-paid and return receipt requested, in each case to the applicable Party at the following addresses (or at such other address for a party as shall be specified by like notice):

Any party may change its address or fax number by giving the other party written notice of its new address or fax number in the manner set forth above.

SECTION 7.02. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 7.03. Entire Agreement; No Third-Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure solely to the benefit of each party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

SECTION 7.04. Governing Law; Jurisdiction. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of New York without regard to the conflict of laws principles thereof. All disputes arising out of or relating to this Agreement shall be heard and determined exclusively in New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan (the "**Specified Courts**"). Each party hereto hereby (a) submits to the exclusive jurisdiction of any Specified Court for the purpose of any dispute arising out of or relating to this Agreement brought by any party hereto and (b) irrevocably waives, and agrees not to assert by way of motion, defense or otherwise, in any such dispute, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the dispute is brought in an inconvenient forum, that the venue of the dispute is improper, or that this Agreement or the transactions contemplated hereby may not be enforced in or by any Specified Court. Each party agrees that a final judgment in any dispute shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each party irrevocably consents to the service of the summons and complaint and any other process in any other dispute relating to the transactions contemplated by this Agreement, on behalf of itself, or its property, by personal delivery of copies of such process to such party at the applicable address set forth in Section 7.01. Nothing in this Section 7.04 shall affect the right of any party to serve legal process in any other manner permitted by law.

SECTION 7.05. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SEEK TO ENFORCE THAT FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.05.

SECTION 7.06. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

SECTION 7.07. Assignment; Amendments; Successors.

(a) This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall not be assigned by operation of law or otherwise without the prior written consent of the Purchaser and the Sellers Advisory Firm, and any assignment without such consent shall be null and void; provided that no such assignment shall relieve the assigning party of its obligations hereunder.

(b) This Agreement may be amended, supplemented or modified only by execution of a written instrument signed by the Purchaser and the Sellers Advisory Firm.

(c) All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Purchaser shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Purchaser, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Purchaser would be required to perform if no such succession had taken place.

SECTION 7.08. Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

SECTION 7.09. Reconciliation. In the event that the Purchaser and the Sellers Advisory Firm are unable to resolve a disagreement within the relevant period designated in this Agreement, the matter shall be submitted for determination to a nationally recognized expert (the “**Expert**”) in the particular area of disagreement mutually acceptable to both parties. The Expert shall be employed by a nationally recognized accounting firm or a law firm (other than the Purchaser Advisory Firm or the Sellers Advisory Firm), and the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with either the Purchaser, the Sellers or the Sellers Advisory Firm or other actual or potential conflict of interest. The Expert shall resolve any matter relating to a Schedule or an amendment thereto within 30 calendar days after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement is due or any Tax Return reflecting the subject of a disagreement is due, such payment shall be made on the date prescribed by this Agreement and such Tax Return may be filed as prepared by the Purchaser, subject to adjustment or amendment upon resolution. The costs and expenses relating to the engagement of such expert or amending any Tax Return shall be borne by the party who did not have the prevailing position, or if a compromise is reached by the Purchaser and the Sellers Advisory Firm, the costs and expenses shall be borne equally by the parties. The Expert shall determine which party prevails. The determinations of the Expert pursuant to this Section 7.09 shall be binding on the Purchaser and the Sellers Advisory Firm absent manifest error.

SECTION 7.10. Withholding. 2.1.3 The execution, delivery and performance by Subscriber of this Subscription Agreement and the consummation of the transactions contemplated herein do not and will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber or any of its subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber or any of its subsidiaries is a party or by which Subscriber or any of its subsidiaries is bound or to which any of the property or assets of Subscriber or any of its subsidiaries is subject, which would reasonably be expected to have a material adverse effect on the legal authority of Subscriber to enter into and timely perform its obligations under this Subscription Agreement (a "**Subscriber Material Adverse Effect**"), (ii) if Subscriber is not an individual, result in any violation of the provisions of the organizational documents of Subscriber or any of its subsidiaries or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its subsidiaries or any of their respective properties that would reasonably be expected to have a Subscriber Material Adverse Effect.

Following review of the SEC Statement, the Company reevaluated the accounting treatment of the Private Warrants and the Public Warrants as equity, and concluded that, as a result of the SEC Statement, the Private Warrants do not meet the conditions to be classified as equity and instead should be accounted for as derivative liabilities at each reporting period (the "Warrant Accounting Matter"). As a result of the Warrant Accounting Matter, the Company was unable to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2021 (the "Delayed 10-Q Filing"). Other than in respect of the Delayed 10-Q Filing, the Issuer has timely filed each report, statement, schedule, prospectus, and registration statement that the Issuer was required to file with the Commission since its inception and through the date hereof. As of the date hereof, there are no material outstanding or unresolved comments in comment letters from the Commission staff with respect to any of the SEC Documents.

2.2.11 No broker, finder or other financial consultant has acted on behalf of the Issuer in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on the Subscriber. The Issuer agrees to indemnify and hold harmless Subscriber from any claim or demand for commission or other compensation by any broker, finder, financial consultant or similar agent claiming to have been employed by or on behalf of the Issuer and to bear the cost of legal expenses incurred by Subscriber in defending against any such claim.

2.2.12 The execution, delivery and performance of its obligations hereunder by Subscriber are, or are based on, commercial acts for purposes of applicable law.

2.2.13 The Class A Ordinary Shares are registered pursuant to Section 12(b) of the Exchange Act, and listed for trading on Nasdaq. There is no suit, action, proceeding or investigation pending or, to the knowledge of the Issuer, threatened against the Issuer by Nasdaq or the Commission with respect to any intention by such entity to deregister the Class A Ordinary Shares or prohibit or terminate the listing of the Class A Ordinary Shares on Nasdaq. The Issuer has not taken any action that is designed to terminate the registration of the Class A Ordinary Shares under the Exchange Act.

2.2.14 The Subscriber acknowledges that certain information provided to it was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The Subscriber acknowledges that such information and projections were prepared without the participation of the Issuer and that the Issuer does not assume responsibility for independent verification of, or the accuracy or completeness of, such information or projections.

### 3. Settlement Date and Delivery.

3.1 Closing. The closing of the Subscription contemplated hereby (the “**Subscription Closing**”) shall occur on the date of, and immediately prior to, the consummation of the Transactions. Upon written notice from (or on behalf of) the Issuer to Subscriber (the “**Closing Notice**”) at least seven Business Days prior to the date that the Issuer reasonably expects all conditions to the closing of the Transactions to be satisfied (the “**Expected Closing Date**”), Subscriber shall deliver to the Issuer no later than three Business Days prior to the Expected Closing Date, the Purchase Price for the Subscribed Shares, by wire transfer of United States dollars in immediately available funds to the account specified by the Issuer in the Closing Notice, such funds to be held by the Issuer in escrow until the Subscription Closing. If the Transactions are not consummated within 10 Business Days of the Expected Closing Date, the Issuer shall return the Purchase Price to Subscriber by wire transfer of United States dollars in immediately available funds to an account specified by Subscriber. Notwithstanding such return, (i) a failure to close on the Expected Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Subscription Closing set forth in this Section 3 to be satisfied or waived on or prior to the Closing Date, and (ii) Subscriber shall remain obligated (a) to redeliver funds to the Issuer in escrow following the Issuer’s delivery to Subscriber of a new Closing Notice and (b) to consummate the Subscription Closing upon satisfaction of the conditions set forth in this Section 3. At the Subscription Closing, upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 3, the Issuer shall deliver to Subscriber the Shares in certificated or book entry form (at the Issuer’s election) in the name of Subscriber (or its nominee in accordance with its delivery instructions) or to a custodian designated by Subscriber, as applicable. For purposes of this Subscription Agreement, “**Business Day**” means any day, except Saturday or Sunday, on which banks are not required or authorized to close in New York, New York.

#### 3.2 Conditions to Subscription Closing of the Issuer.

The Issuer’s obligations to sell and issue the Subscribed Shares at the Subscription Closing are subject to the fulfillment or (to the extent permitted by applicable law) written waiver by Issuer, on or prior to the Closing Date, of each of the following conditions:

3.2.1 Representations and Warranties Correct. The representations and warranties made by Subscriber in Section 2.1 hereof shall be true and correct in all material respects on and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true in all respects) with the same force and effect as if they had been made on and as of the Closing Date, but in each case without giving effect to consummation of the Transactions.

3.2.2 Compliance with Covenants. Subscriber shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by Subscriber at or prior to the Subscription Closing.

3.2.3 Closing of the Transactions. The Transactions will be consummated immediately following the Subscription Closing.

3.2.4 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any Governmental Authority, statute, rule or regulation enjoining or prohibiting the consummation of the Subscription.

### 3.3 Conditions to Subscription Closing of Subscriber.

Subscriber's obligation to purchase the Subscribed Shares at the Subscription Closing is subject to the fulfillment or (to the extent permitted by applicable law) written waiver by Subscriber, on or prior to the Closing Date, of each of the following conditions:

3.3.1 Representations and Warranties Correct. (i) The representations and warranties made by the Issuer in Sections 2.2.1, 2.2.2, 2.2.3 and 2.2.14 hereof shall be true and correct in all material respects as of the Closing Date as though made as of the Closing Date and (ii) all other representations and warranties made by the Issuer in Article 2 shall be true and correct in all respects with the same force and effect as if they had been made on and as of the Closing Date except, in the case of this clause (ii), where the failure of such representations and warranties to be so true and accurate would not, individually or in the aggregate, have an Issuer Material Adverse Effect, but in each case, without giving effect to the consummation of the Transactions.

3.3.2 Compliance with Covenants. The Issuer shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by the Issuer at or prior to the Subscription Closing, except where the failure of such performance or compliance would not or would not reasonably be expected to prevent, materially delay, or materially impair the ability of the Issuer to consummate the Subscription Closing.

3.3.3 No Amendment of Transaction Terms. No amendment or modification of the Business Combination Agreement shall have occurred that would reasonably be expected to materially and adversely affect the economic benefits that the Subscriber would reasonably expect to receive under this Subscription Agreement without having received Subscriber's prior written consent (not to be unreasonably withheld, conditioned or delayed).

3.3.4 Closing of the Transactions. The Transactions will be consummated immediately following the Subscription Closing.

3.3.5 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any governmental authority, statute, rule or regulation enjoining or prohibiting the transactions contemplated by this Subscription Agreement.

## 4. Registration Statement.

4.1 The Issuer agrees that, within 45 Calendar Days after the consummation of the Transactions (the "**Filing Date**"), the Issuer will file with the Commission (at the Issuer's sole cost and expense) a registration statement (the "**Registration Statement**") registering the resale of the Shares, and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (such earlier date, the "**Effectiveness Date**"); provided, however, that the Issuer's obligations to include the Shares in the Registration Statement are contingent upon Subscriber furnishing a completed and executed selling shareholders questionnaire in customary form to the Issuer that contains the information required by Commission rules for a Registration Statement regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of the Shares to effect the registration of the Shares, and Subscriber shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. For purposes of clarification, any failure by the Issuer to file the Registration Statement by the Filing Date or to make such Registration Statement effective shall not otherwise relieve the Issuer of its obligations to file the Registration Statement or make such Registration Statement effective as set forth above in this Section 4.

4.2 In the case of the registration effected by the Issuer pursuant to this Subscription Agreement, the Issuer shall, upon reasonable request, inform Subscriber as to the status of such registration. At its expense the Issuer shall:

4.2.1 except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Issuer determines to obtain, continuously effective with respect to Subscriber, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) two years from the consummation of the Transactions, (ii) Subscriber ceases to hold any Shares and (iii) the date all Shares held by Subscriber may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Issuer to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable). The Subscriber agrees to disclose its ownership and any other information reasonably requested to the Issuer on request to assist it in making the determination described above;

4.2.2 advise Subscriber within five (5) Business Days:

(a) when a Registration Statement or any post-effective amendment thereto has become effective;

(b) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose;

(c) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(d) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading.

Notwithstanding anything to the contrary set forth herein, the Issuer shall not, when so advising Subscriber of such events, provide Subscriber with any material, nonpublic information regarding the Issuer other than to the extent that providing notice to Subscriber of the occurrence of the events listed in (a) through (d) above constitutes material, nonpublic information regarding the Issuer;

4.2.3 use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

4.2.4 upon the occurrence of any event contemplated in Section 4.2.2(d), except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Issuer shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

4.2.5 use its commercially reasonable efforts to cause all Shares to be listed on each securities exchange or market, if any, on which the Issuer's Shares are then listed.

4.3 Notwithstanding anything to the contrary in this Subscription Agreement, the Issuer shall be entitled to delay or postpone the effectiveness of the Registration Statement, and from time to time to require Subscriber not to sell under the Registration Statement or to suspend the effectiveness thereof if the filing, effectiveness or continued use of any Registration Statement would require the Issuer to make any public disclosure of material non-public information, which disclosure, in the good faith determination of the board of directors of the Issuer, after consultation with counsel to the Issuer, (a) would be required to be made in any Registration Statement in order for the applicable Registration Statement not to contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading, (b) would not be required to be made at such time if the Registration Statement were not being filed, and (c) the Issuer has a bona fide business purpose for not making such information public (each such circumstance, a “**Suspension Event**”); provided, however, that the Issuer may not delay or suspend the Registration Statement for more than sixty (60) consecutive calendar days in any three-month period, or more than one hundred and twenty (120) total calendar days, in each case during any twelve-month period. Upon receipt of any written notice from the Issuer of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, Subscriber agrees that (i) it will immediately discontinue offers and sales of the Shares under the Registration Statement until Subscriber receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law. If so directed by the Issuer, Subscriber will deliver to the Issuer or, in Subscriber’s sole discretion destroy, all copies of the prospectus covering the Shares and in Subscriber’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Shares shall not apply (i) to the extent Subscriber is required to retain a copy of such prospectus (a) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (b) in accordance with a bona fide pre-existing document retention policy or (ii) to copies stored electronically on archival servers as a result of automatic data back-up.

4.4 Subscriber agrees that, from the date of this Subscription Agreement until the Closing or the earlier termination of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Issuer. For the purposes hereof, “Short Sales” shall include, without limitation, all “short sales” as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including, without limitation, on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers.

5. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the Parties hereunder shall terminate without any further liability on the part of any Party in respect thereof, upon the earlier to occur of (i) such date and time as the Business Combination Agreement is validly terminated in accordance with its terms, (ii) upon the mutual written agreement of each of the Parties to terminate this Subscription Agreement, or (iii) if any of the conditions to Closing set forth in Sections 3.2 and 3.3 are not satisfied on or prior to the Closing Date and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated at the Closing; provided, that nothing herein will relieve any Party from liability for any willful breach hereof prior to the time of termination, and each Party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Issuer shall promptly notify Subscriber of the termination of the Business Combination Agreement promptly after the termination of such agreement.

6. Miscellaneous.

6.1 Further Assurances. At the Subscription Closing, the Parties shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the Subscription as contemplated by this Subscription Agreement.

6.1.1 Subscriber acknowledges that the Issuer will rely on the acknowledgments, understandings, agreements, representations and warranties made by Subscriber contained in this Subscription Agreement. Prior to the Subscription Closing, Subscriber agrees to promptly notify the Issuer if any of the acknowledgments, understandings, agreements, representations and warranties set forth herein are no longer accurate in all material respects.

6.1.2 The Issuer is entitled to rely upon this Subscription Agreement and is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

6.1.3 The Issuer may request from Subscriber such additional information as the Issuer may deem necessary to evaluate the eligibility of Subscriber to acquire the Shares, and Subscriber shall provide such information as may be reasonably requested, to the extent within Subscriber's possession and control or otherwise readily available to Subscriber.

6.1.4 Each of Subscriber and the Issuer shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

6.1.5 Each of Subscriber and the Issuer shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Subscription Agreement on the terms and conditions described therein no later than immediately prior to the consummation of the Transactions.

6.2 Notices. Any notice or communication required or permitted hereunder shall be in writing and either delivered personally, emailed or sent by overnight mail via a reputable overnight carrier, or sent by certified or registered mail, postage prepaid, and shall be deemed to be given and received (i) when so delivered personally, (ii) when sent, with no mail undeliverable or other rejection notice, if sent by email, or (iii) three Business Days after the date of mailing to the address below or to such other address or addresses as such person may hereafter designate by notice given hereunder:

(i) if to Subscriber, to such address or addresses set forth on the signature page hereto;

(ii) if to the Issuer, to:

6.3 Entire Agreement. This Subscription Agreement and the Business Combination Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof, including any commitment letter entered into relating to the subject matter hereof.

6.4 Modifications and Amendments. This Subscription Agreement may not be amended, modified, supplemented or waived except by an instrument in writing, signed by the Party against whom enforcement of such amendment, modification, supplement or waiver is sought; provided that any rights (but not obligations) of a Party under this Subscription Agreement may be waived, in whole or in part, by such Party on its own behalf without the prior consent of any other Party.

6.5 Assignment. Neither this Subscription Agreement nor any rights, interests or obligations that may accrue to the Parties (including Subscriber's rights to purchase the Shares) may be transferred or assigned without the prior written consent of each of the other Parties; provided that Subscriber's rights and obligations hereunder may be assigned to any fund or account managed by the same investment manager as Subscriber, without the prior consent of the Issuer, provided that such assignee(s) agrees in writing to be bound by the terms hereof, and upon such assignment by a Subscriber, the assignee(s) shall become Subscriber hereunder and have the rights and obligations and be deemed to make the representations and warrants of Subscriber provided for herein to the extent of such assignment; provided further that, no assignment shall relieve the assigning Party of any of its obligations hereunder.

6.6 Benefit. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the Parties and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. This Subscription Agreement shall not confer rights or remedies upon any person other than the Parties and their respective successors and assigns.

6.7 Governing Law. This Subscription Agreement, and any claim or cause of action hereunder based upon, arising out of or related to this Subscription Agreement (whether based on law, in equity, in contract, in tort or any other theory) or the negotiation, execution, performance or enforcement of this Subscription Agreement, shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to the principles of conflicts of law thereof.

6.8 Consent to Jurisdiction; Waiver of Jury Trial. Each of the Parties irrevocably consents to the exclusive jurisdiction and venue of any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan (the "**Chosen Courts**"), in connection with any matter based upon or arising out of this Subscription Agreement. Each Party hereby waives, and shall not assert as a defense in any legal dispute, that (i) such person is not personally subject to the jurisdiction of the Chosen Courts for any reason, (ii) such legal proceeding may not be brought or is not maintainable in the Chosen Courts, (iii) such person's property is exempt or immune from execution, (iv) such legal proceeding is brought in an inconvenient forum or (v) the venue of such legal proceeding is improper. Each Party hereby consents to service of process in any such proceeding in any manner permitted by New York law, further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 6.2 and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Notwithstanding the foregoing in this Section 6.8, a Party may commence any action, claim, cause of action or suit in a court other than the Chosen Courts solely for the purpose of enforcing an order or judgment issued by the Chosen Courts. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS SUBSCRIPTION AGREEMENT WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT. FURTHERMORE, NO PARTY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

6.9 Severability. Whenever possible, each provision or portion of any provision of this Subscription Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Subscription Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and the Parties shall work together in good faith to modify the terms and conditions of this Subscription Agreement such that the economic terms and conditions, when taken in their totality, are substantially the same as the economic terms and conditions of the unmodified Subscription Agreement, when taken in their totality.

6.10 No Waiver of Rights, Powers and Remedies. No failure or delay by a Party in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the Parties, shall operate as a waiver of any such right, power or remedy of such Party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a Party, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such Party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a Party shall not constitute a waiver of the right of such Party to pursue other available remedies. No notice to or demand on a Party not expressly required under this Subscription Agreement shall entitle the Party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

6.11 Remedies.

6.11.1 The parties agree that the Issuer would suffer irreparable damage if this Subscription Agreement was not performed in accordance with its specific terms or was otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such damage. It is accordingly agreed the Issuer shall be entitled to equitable relief, including in the form of an injunction or injunctions, to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement in an appropriate court of competent jurisdiction as set forth in Section 6.8, this being in addition to any other remedy to which any Party is entitled at law or in equity, including money damages. The right to specific enforcement shall include the right of the Issuer to cause Subscriber to cause the transactions contemplated hereby to be consummated on the terms and subject to the conditions and limitations set forth in this Subscription Agreement. The Parties further agree (i) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, (ii) not to assert that a remedy of specific enforcement pursuant to this Section 6.11 is unenforceable, invalid, contrary to applicable law or inequitable for any reason and (iii) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate.

6.11.2 The parties acknowledge and agree that this Section 6.11 is an integral part of the transactions contemplated hereby and without that right, the Parties would not have entered into this Subscription Agreement.

6.11.3 In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing Party, if any, the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a Party to be the prevailing Party under circumstances where the prevailing Party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing Party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

6.12 Survival of Representations and Warranties. All representations and warranties made by the Parties shall survive the Subscription Closing. For the avoidance of doubt, if for any reason the Subscription Closing does not occur prior to the consummation of the Transactions, all representations, warranties, covenants and agreements of the Parties shall survive the consummation of the Transactions and remain in full force and effect.

6.13 Headings and Captions. The headings and captions of the various subdivisions of this Subscription Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

6.14 Counterparts. This Subscription Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each Party and delivered to the other parties, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or any other form of electronic delivery, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

6.15 Construction. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Subscription Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Subscription Agreement as a whole and not to any particular subdivision unless expressly so limited. The word “or” is not exclusive. The Parties intend that each representation, warranty, and covenant contained herein will have independent significance. If any Party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such Party has not breached will not detract from or mitigate the fact that such Party is in breach of the first representation, warranty, or covenant. All references in this Subscription Agreement to numbers of shares, per share amounts and purchase prices shall be appropriately adjusted to reflect any stock split, stock dividend, stock combination, recapitalization or the like occurring after the date hereof.

6.16 Mutual Drafting. This Subscription Agreement is the joint product of the Parties and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and shall not be construed for or against any Party.

7. Cleansing Statement; Disclosure.

7.1 The Issuer shall, by 9:00 a.m., New York City time, on or prior to the third Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K (collectively, the “**Disclosure Document**”) disclosing all material terms of the transactions contemplated hereby, including the Transactions.

7.2 Subscriber hereby consents to the publication and disclosure in (i) any press release issued by the Issuer, (ii) any Form 8-K filed by the Issuer with the Commission in connection with the execution and delivery of the Business Combination Agreement, the registration statement, proxy statement or any other filing with the Commission pursuant to applicable securities laws, in each case, as and to the extent required by the federal securities laws or the Commission or any other securities authorities, and (iii) any other documents or communications provided by the Issuer to any Governmental Authority or to securityholders of the Issuer, in each case, as and to the extent required by applicable law or the Commission or any other Governmental Authority, of Subscriber’s name and identity and the nature of Subscriber’s commitments, arrangements and understandings under and relating to this Subscription Agreement and, if deemed required or appropriate by the Issuer, a copy of this Subscription Agreement. Other than as set forth in the immediately preceding sentence, without Subscriber’s prior written consent, the Issuer will not use or disclose the name of Subscriber or any information relating to Subscriber or this Subscription Agreement, other than to the Issuer’s lawyers, independent accountants and to other advisors and service providers who reasonably require such information in connection with the provision of services to such person, are advised of the confidential nature of such information and are obligated to keep such information confidential. Subscriber will promptly provide any information reasonably requested by the Issuer for any regulatory application or filing made or approval sought in connection with the Transactions (including filings with the Commission).

8. Trust Account Waiver. Subscriber acknowledges that the Issuer has established a trust account containing the proceeds of its initial public offering and from certain private placements (collectively, with interest accrued from time to time thereon, the “**Trust Account**”). Subscriber agrees that (i) it has no right, title, interest or claim of any kind in or to any monies held in the Trust Account, and (ii) it shall have no right of set-off or any right, title, interest or claim of any kind (“**Claim**”) to, or to any monies in, the Trust Account, in each case in connection with this Subscription Agreement, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have in connection with this Subscription Agreement; provided, however, that nothing in this Section 8 shall be deemed to limit Subscriber’s right, title, interest or claim to the Trust Account by virtue of such Subscriber’s record or beneficial ownership of securities of the Issuer acquired by any means other than pursuant to this Subscription Agreement, including, but not limited to, any redemption right with respect to any such securities of the Issuer. In the event Subscriber has any Claim against the Issuer under this Subscription Agreement, Subscriber shall pursue such Claim solely against the Issuer and its assets outside the Trust Account and not against the property or any monies in the Trust Account. Subscriber agrees and acknowledges that such waiver is material to this Subscription Agreement and has been specifically relied upon by the Issuer to induce the Issuer to enter into this Subscription Agreement and Subscriber further intends and understands such waiver to be valid, binding and enforceable under applicable law. In the event Subscriber, in connection with this Subscription Agreement, commences any action or proceeding which seeks, in whole or in part, relief against the funds held in the Trust Account or distributions therefrom or any of the Issuer’s shareholders, whether in the form of monetary damages or injunctive relief, Subscriber shall be obligated to pay to the Issuer all of its legal fees and costs in connection with any such action in the event that the Issuer prevails in such action or proceeding.

9. [RESERVED].

10. Non-Reliance. Subscriber acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation, other than the representations and warranties of the Issuer expressly set forth in this Subscription Agreement, in making its investment or decision to invest in the Issuer.

11. Separate Obligations. For the avoidance of doubt, all obligations of the Subscriber hereunder are separate and several from the obligations of any Other Subscriber. The decision of the Subscriber to purchase the Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor. FOURTH: The total number of shares of stock which the Corporation shall have authority to issue is 1,035,000,000 shares of capital stock, consisting of three classes as follows: (i) 875,000,000 shares of Class A common stock, par value \$0.0001 per share (the "Class A Common Stock"); (ii) 150,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B Common Stock" and, collectively with the Class A Common Stock, the "Common Stock"); and (iii) 10,000,000 shares of preferred stock, par value \$0.0001 per share (the "Preferred Stock").

A. Common Stock. The powers (including voting powers), if any, preferences and relative, participating, optional, special and other rights, if any, and the qualifications, limitations and restrictions, if any, of each class of the Common Stock are as follows:

(1) Class A Common Stock.

(a) Voting. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, the holders of outstanding shares of Common Stock (including, without limitation, Class A Common Stock) shall vote together as a single class on all matters with respect to which stockholders are entitled to vote under applicable law, this certificate of incorporation (including any certificate of designation relating to a series of Preferred Stock) (as amended or amended and restate from time to time, this "Certificate of Incorporation") or the Bylaws of the Corporation (as amended or amended and restated from time to time, the "Bylaws"), or upon which a vote of stockholders generally entitled to vote is otherwise duly called for by the Corporation; provided, however, that except as may otherwise be required by applicable law, each holder of Common Stock (including, without limitation, Class A Common Stock) shall not be entitled to vote on any amendment to the Certificate of Incorporation that relates solely to the terms of one or more outstanding series of Preferred Stock (including, without limitation, the powers (including voting powers), if any, preferences and relative, participating, optional, special or other rights, if any, and the qualifications, limitations and restrictions, if any, of such series of Preferred Stock), if the holders of such affected series are entitled, either voting separately as a single class or together as a class with the holders of any other outstanding series of Preferred Stock, to vote thereon pursuant to this Certificate of Incorporation or the DGCL. At each annual or special meeting of stockholders (or action by consent in lieu of a meeting), each holder of record of shares of Class A Common Stock on the relevant record date shall be entitled to cast one (1) vote in person, by proxy or by consent in lieu of a meeting for each share of Class A Common Stock standing in such holder's name on the stock transfer records of the Corporation.

(b) No Cumulative Voting. The holders of shares of Class A Common Stock shall not have cumulative voting rights.

(c) Amendments. So long as any shares of Class A Common Stock are outstanding, the Corporation shall not, without the prior vote of the holders of at least a majority of the shares of Class A Common Stock then outstanding, voting separately as a single class, (i) alter or change the powers, preferences or special rights of the shares of Class A Common Stock so as to affect them adversely or (ii) take any other action upon which class voting is required by applicable law.

(d) Dividends. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, holders of shares of Class A Common Stock shall be entitled to receive such dividends and other distributions in cash, stock or property of the Corporation when, as and if declared thereon by the Board of Directors of the Corporation (the "Board of Directors") from time to time out of assets or funds of the Corporation legally available therefor.

(e) Liquidation, Dissolution, etc. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, in the event of any liquidation, dissolution or winding up (either voluntary or involuntary) of the Corporation, the holders of shares of Class A Common Stock shall share ratably in the assets and funds of the Corporation available for distribution to stockholders of the Corporation.

(f) Merger or Consolidation. In the event of a merger or consolidation of the Corporation with or into another entity (whether or not the Corporation is the surviving entity), the holders of shares of Class A Common Stock shall be converted into the right to receive the same consideration per share.

(g) No Preemptive Rights. No holder of shares of Class A Common Stock shall be entitled to preemptive rights.

(h) Conversion. Class A Common Stock shall not be convertible into or exchangeable for any other class or series of capital stock of the Corporation.

(2) Class B Common Stock.

(a) Voting. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, the holders of outstanding shares of Common Stock (including, without limitation, Class B Common Stock) shall vote together as a single class on all matters with respect to which stockholders are entitled to vote under applicable law, this Certificate of Incorporation or the Bylaws, or upon which a vote of stockholders generally entitled to vote is otherwise duly called for by the Corporation; provided, however, that except as may otherwise be required by applicable law, each holder of Common Stock (including, without limitation, Class B Common Stock) shall not be entitled to vote on any amendment to this Certificate of Incorporation that relates solely to the terms of one or more outstanding series of Preferred Stock (including, without limitation, the powers (including voting powers), if any, preferences and relative, participating, optional, special or other rights, if any, and the qualifications, limitation and restrictions, if any, of such series of Preferred Stock), if the holders of such affected series are entitled, either voting separately as a single class or together as a class with the holders of any other outstanding series of Preferred Stock, to vote thereon pursuant to this Certificate of Incorporation or the DGCL. At each annual or special meeting of stockholders (or action by consent in lieu of a meeting), each holder of record of shares of Class B Common Stock on the relevant record date shall be entitled to cast one (1) vote, in person, by proxy or by consent in lieu of a meeting for each share of Class B Common Stock standing in such holder's name on the stock transfer records of the Corporation.

(b) No Cumulative Voting. The holders of shares of Class B Common Stock shall not have cumulative voting rights.

(c) Amendments. So long as any shares of Class B Common Stock are outstanding, the Corporation shall not, without the prior vote of the holders of at least a majority of the shares of Class B Common Stock then outstanding, voting separately as a single class, (i) alter or change the powers, preferences or special rights of the shares of Class B Common Stock so as to affect them adversely or (ii) take any other action upon which class voting is required by applicable law.

(d) No Dividends. Shares of Class B Common Stock shall be deemed to be a non-economic interest. The holders of Class B Common Stock shall not be entitled to receive any dividends (including cash, stock or property) in respect of their shares of Class B Common Stock.

(e) Liquidation, Dissolution, etc. Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, in the event of any liquidation, dissolution or winding up (either voluntary or involuntary) of the Corporation, the holders of shares of Class B Common Stock shall not be entitled to receive any assets or funds of the Corporation available for distribution to stockholders of the Corporation.

(f) Merger or Consolidation. In the event of a merger or consolidation of the Corporation with or into another entity (whether or not the Corporation is the surviving entity), the holders of shares of Class B Common Stock shall be converted into the right to receive the same consideration per share; provided, however, that the shares of Class B Common Stock may be converted into the right to receive the same shares or securities per share.

(g) No Preemptive Rights. No holder of shares of Class B Common Stock shall be entitled to preemptive rights.

(h) Status of Converted, Redeemed, Repurchased or Cancelled Shares. If any share of Class B Common Stock is converted, redeemed, repurchased or otherwise acquired by the Corporation, in any manner whatsoever, or is cancelled pursuant to this Certificate of Incorporation, the share of Class B Common Stock so acquired or cancelled shall, to the fullest extent permitted by applicable law, be retired and cancelled upon such acquisition. Any share of Class B Common Stock so acquired shall, upon its retirement and cancellation, and upon the taking of any action required by applicable law, become an authorized but unissued share of Class B Common Stock.

(3) Exchange and Cancellation of Shares of Class B Common Stock. To the extent that either (a) any holder of shares of Class B Common Stock exercises its right pursuant to the Second Amended and Restated Limited Liability Company Agreement of Alvarium Tiedemann Capital, LLC Agreement effective as of [ ] [ ], 202[ ] (as amended or amended and restated from time to time, the "Umbrella LLC Agreement"), to have its Class B Common Units (as defined in the Umbrella LLC Agreement and hereinafter, the "Class B Common Units") redeemed by Alvarium Tiedemann Capital, LLC, a Delaware limited liability company ("Umbrella LLC") in accordance with the Umbrella LLC Agreement, or (b) the Corporation exercises its option pursuant to the Umbrella LLC Agreement to effect a direct exchange with such holder in lieu of the redemption described in the foregoing subsection (a), then upon the surrender of the shares of (i) Class B Common Stock to be redeemed or exchanged and simultaneous with the payment of, at the Corporation's election, cash or shares of Class A Common Stock to the holder of such shares of Class B Common Stock by Umbrella LLC (in the case of a redemption) or the Corporation (in the case of an exchange), the shares of Class B Common Stock so redeemed or exchanged shall be automatically (and without any further action on the part of the Corporation or the holder thereof) cancelled for no consideration.

(4) Transfer of Shares of Class B Common Stock.

(a) Automatic Transfer. The transfer of one or more Class B Common Units in accordance with the Umbrella LLC Agreement shall result in the automatic transfer of an equal number of share(s) of Class B Common Stock to the same transferee. No holder of one or more shares of Class B Common Stock shall transfer such share(s) other than with an equal number of Class B Common Units (as adjusted to account for any subdivision (by split, subdivision, exchange, dividend, reclassification, recapitalization or otherwise), combination (by reverse split, exchange, reclassification or otherwise) or similar reclassification or recapitalization of the outstanding Class B Common Units into a greater or lesser number occurring after the first issuance of shares of Class B Common Stock without a proportionate and corresponding subdivision, combination or similar reclassification or recapitalization of the outstanding shares of Class B Common Stock). The transfer restrictions described in this Section A(4)(a) of this Article FOURTH are referred to as the "Restrictions".

(b) Transfers in Violation of the Restrictions. Any purported transfer of shares of Class B Common Stock in violation of the Restrictions shall, to the fullest extent permitted by applicable law, be null and void. If, notwithstanding the Restrictions, a Person shall, voluntarily or involuntarily, purportedly become or attempt to become the purported transferee of shares of Class B Common Stock (the "Purported Owner") in violation of the Restrictions, then the Purported Owner shall, to the fullest extent permitted by applicable law, not obtain any rights in and to such Class B Common Stock (the "Restricted Shares"), and the purported transfer of the Restricted Shares to the Purported Owner shall, to the fullest extent permitted by applicable law, not be recognized by the Corporation or its transfer agent.

(c) Action of the Board of Directors. Upon a determination by the Board of Directors that a Person has attempted or is attempting to transfer or to acquire shares of Class B Common Stock, or has purportedly transferred or acquired shares of Class B Common Stock, in violation of the Restrictions, the Board of Directors may take such lawful action as it deems advisable to refuse to give effect to such attempted or purported transfer or acquisition on the books and records of the Corporation, including, to the fullest extent permitted by applicable law, to cause the Corporation's transfer agent to refuse to record the Purported Owner's transferor as the record owner of the shares of Class B Common Stock, and to institute proceedings to enjoin any such attempted or purported transfer or acquisition, or reverse any entries or records reflecting such attempted or purported transfer or acquisition.

(d) Automatic Cancellation of Shares of Class B Common Stock. Notwithstanding the Restrictions, (i) in the event that any outstanding shares of Class B Common Stock shall cease to be held by a registered holder of Class B Common Units, such shares of Class B Common Stock shall be automatically (and without action on the part of the Corporation or the holder thereof) cancelled for no consideration and (ii) in the event that any registered holder of shares of Class B Common Stock no longer holds an equal number of shares of Class B Common Stock and of Class B Common Units (as adjusted to account for any subdivision (by split, subdivision, exchange, dividend, reclassification, recapitalization or otherwise), combination (by reverse split, exchange, reclassification or otherwise) or similar reclassification or recapitalization of the outstanding Class B Common Units into a greater or lesser number occurring after the first issuance of shares of Class B Common Stock without a proportionate and corresponding subdivision, combination or similar reclassification or recapitalization of the outstanding shares of Class B Common Stock), the shares of Class B Common Stock registered in the name of such holder that exceed the number of Class B Common Units held by such holder shall be automatically (and without further action on the part of the Corporation or such holder) be cancelled for no consideration.

(e) Regulations and Procedures. The Board of Directors may, to the fullest extent permitted by applicable law, from time to time establish, modify, amend or rescind, by bylaw provision or otherwise, regulations and procedures that are consistent with the provisions of this Section A(4) of this Article FOURTH and the Umbrella LLC Agreement for determining whether any transfer or acquisition of shares of Class B Common Stock would violate the Restrictions and for the orderly application, administration and implementation of the provisions of this Section A(4) of this Article FOURTH. Any such procedures and regulations shall be kept on file with the Secretary of the Corporation and with the Corporation's transfer agent and shall be made available for inspection by any prospective transferee of shares of Class B Common Stock and, upon written request, shall be mailed or otherwise delivered, as determined by the Corporation, to a holder of shares of Class B Common Stock.

(f) Implementation of Restrictions. The Board of Directors shall, to the fullest extent permitted by applicable law, have all powers necessary to implement the Restrictions, including, without limitation, the power to prohibit the transfer of any shares of Class B Common Stock in violation thereof.

(g) Certificates Evidencing Shares of Class B Common Stock. All certificates or book-entries representing shares of Class B Common Stock shall bear a legend substantially in the following form (or in such other form as the Board of Directors may determine):

THE SECURITIES REPRESENTED BY THIS [CERTIFICATE] [BOOK-ENTRY] ARE SUBJECT TO THE RESTRICTIONS (INCLUDING RESTRICTIONS ON TRANSFER) SET FORTH IN THE CERTIFICATE OF INCORPORATION, AS AMENDED FROM TIME TO TIME (A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF ALVARIUM TIEDEMANN HOLDINGS, INC. AND SHALL BE PROVIDED FREE OF CHARGE TO ANY STOCKHOLDER MAKING A REQUEST THEREFOR).

B. Preferred Stock. The Board of Directors is hereby expressly authorized, by resolution or resolutions thereof, to provide from time to time out of the unissued shares of Preferred Stock for one or more series of Preferred Stock, and, with respect to each such series, to fix the number of shares constituting such series and the designation of such series, the powers (including voting powers), if any, of the shares of such series and the preferences and relative, participating, optional, special or other rights, if any, and the qualifications, limitations or restrictions, if any, of the shares of such series. The designations, powers (including voting powers), preferences and relative, participating, optional, special and other rights of each series of Preferred Stock, if any, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series of Preferred Stock at any time outstanding. The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of all of the then outstanding shares of capital stock of the Corporation entitled to vote irrespective of Section 242(b)(2) of the DGCL, without a separate vote of the holders of the Preferred Stock as a class.

FIFTH: The Corporation shall at all times reserve and keep available a sufficient number of shares out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of issuance upon redemption or exchange of the outstanding Class B Common Units pursuant to the Umbrella LLC Agreement; provided, that nothing contained herein shall be construed to preclude the Corporation from satisfying its obligations in respect of any such redemption or exchange of Class B Common Units pursuant to the Umbrella LLC Agreement by delivering cash in lieu of shares in accordance with the Umbrella LLC Agreement or shares of Class A Common Stock which are held in the treasury of the Corporation. The Corporation covenants that all shares of Class A Common Stock issued pursuant to the Umbrella LLC Agreement shall, upon issuance, be validly issued, fully paid and non-assessable.

SIXTH: Subject to applicable law, including any vote of the stockholders required by applicable law, the Corporation:

(a) shall undertake all lawful actions, including, without limitation, a subdivision (by stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise), combination (by reverse stock split, exchange, reclassification or otherwise) or a similar reclassification or recapitalization, with respect to the shares of Class A Common Stock necessary to maintain at all times a one-to-one ratio between the number of Class A Common Units (as defined in the Umbrella LLC Agreement and hereinafter, the "Class A Common Units") owned by the Corporation and the number of outstanding shares of Class A Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, (i) shares of restricted stock of the Corporation issued pursuant to a Corporation equity plan that are not vested pursuant to the terms thereof or any award or similar agreement relating thereto, (ii) treasury shares of the Corporation, (iii) non-economic voting shares of the Corporation, such as shares of Class B Common Stock, or (iv) Preferred Stock or other debt or equity securities (including, without limitation, warrants, options and rights) issued by the Corporation that are convertible into or exercisable or exchangeable for shares of Class B Common Stock (except to the extent the net proceeds from such other securities, including, without limitation, any exercise or purchase price payable upon conversion, exercise or exchange thereof, have been contributed by the Corporation to the equity capital of Umbrella LLC) (clauses (i), (ii), (iii) and (iv), collectively, the "Disregarded Shares (Class A)");

(b) shall undertake all lawful actions, including, without limitation, a subdivision (by stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise), combination (by reverse stock split, exchange, reclassification or otherwise) or a similar reclassification or recapitalization, with respect to the shares of Class B Common Stock necessary to maintain at all times a one-to-one ratio between the number of Class B Common Units outstanding under the Umbrella LLC Agreement and the number of outstanding shares of Class B Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, (i) treasury shares of the Corporation, (ii) economic voting shares of the Corporation, such as shares of Class A Common Stock, or (iii) Preferred Stock or other debt or equity securities (including, without limitation, warrants, options and rights) issued by the Corporation that are convertible into or exercisable for shares of Class A Common Stock (clauses (i), (ii) and (iii), collectively, the "Disregarded Shares (Class B)");

(c) shall not undertake or authorize any subdivision (by any stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise) or combination (by reverse stock split, exchange, reclassification, recapitalization or otherwise) of the Class A Common Stock that is not accompanied by an identical subdivision or combination of the Class A Common Units to maintain at all times, subject to the provisions of this Certificate of Incorporation, a one-to-one ratio between the number of Class A Common Units owned by the Corporation and the number of outstanding shares of Class A Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, the Disregarded Shares (Class A);

(d) shall not undertake or authorize any subdivision (by any stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise) or combination (by reverse stock split, exchange, reclassification, recapitalization or otherwise) of the Class B Common Stock that is not accompanied by an identical subdivision or combination of the Class B Common Units to maintain at all times, subject to the provisions of this Certificate of Incorporation, a one-to-one ratio between the number of Class B Common Units outstanding under the Umbrella LLC Agreement and the number of outstanding shares of Class B Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, the Disregarded Shares (Class B); and

(e) shall not issue, transfer or deliver from treasury shares or repurchase or redeem shares of Class A Common Stock or Class B Common Stock (including shares issued in respect of Preferred Stock or other debt or equity securities that are convertible into or exercisable for shares of Class A Common Stock or Class B Common Stock) in a transaction not contemplated by the Umbrella LLC Agreement unless in connection with any such issuance, transfer, delivery, repurchase or redemption the Corporation takes or authorizes all requisite action such that, after giving effect to all such issuances, transfers, deliveries, repurchases or redemptions, the number of Class A Common Units owned by the Corporation shall equal on a one-for-one basis the number of outstanding shares of Class A Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, the Disregarded Shares (Class A), and such that after giving effect to all such issuances, transfers, deliveries, repurchases or redemptions, the number of Class B Common Units outstanding under the Umbrella LLC Agreement shall equal on a one-for-one basis the number of outstanding shares of Class B Common Stock, disregarding, for purposes of maintaining such one-to-one ratio, the Disregarded Shares (Class B).

SEVENTH: The following provisions are inserted for the management of the business and the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders.

(a) Management. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(b) Number of Directors. Subject to the terms of any one or more outstanding series of Preferred Stock, the number of directors of the Corporation shall be fixed by, or in the manner provided in, the Bylaws.

(c) Election and Term. The initial directors shall serve until the first annual meeting of stockholders following the effective time of the domestication and incorporation of the Corporation in the State of Delaware (the "Domestication Effective Time"). Commencing with the first annual meeting of the stockholders following the Domestication Effective Time, directors shall be elected to hold office for a term expiring at the next annual meeting of stockholders. Notwithstanding the foregoing, directors shall hold office until their successors are duly elected and qualified or until their earlier death, resignation, disqualification or removal.

(d) Removal of Directors. Except for those directors, if any, elected by the holders of any series of Preferred Stock then outstanding pursuant to any applicable provisions of this Certificate of Incorporation (collectively, the "Preferred Directors" and each, a "Preferred Director"), any director or the entire Board of Directors may be removed at any time only by the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of capital stock of the Corporation then entitled to vote in the election of directors, voting together as a single class.

(e) Vacancies. Subject to the rights, if any, of the holders of any series of Preferred Stock then outstanding, at any time newly created directorships resulting from an increase in the authorized number of directors or any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled solely and exclusively by a majority of the directors then in office, although less than a quorum, or by the sole remaining director, and not by the stockholders. Any director so elected shall hold office until the expiration of the term of office of the director whom he or she has replaced and until his or her successor shall be elected and qualified, subject to such director's earlier death, resignation, disqualification or removal. In the event of a vacancy in the Board of Directors, the remaining directors, except as otherwise provided by applicable law, shall exercise the powers of the full Board of Directors until the vacancy is filled.

(f) No Written Ballot. Unless and except to the extent that the Bylaws shall so require, the election of directors of the Corporation need not be by written ballot.

(g) Amendment of Bylaws. In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors is expressly authorized to make, alter, amend and repeal the Bylaws. In addition to any affirmative vote required by this Certificate of Incorporation, any bylaw that is to be made, altered, amended or repealed by the stockholders of the Corporation shall receive, at any time the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of capital stock of the Corporation generally entitled to vote, voting together as a single class; provided, however, that if the Board of Directors recommends that stockholders approve such amendment or repeal at such meeting of stockholders, such amendment or repeal shall only require the affirmative vote of the majority of the outstanding shares of capital stock of the Corporation generally entitled to vote, voting together as a single class. Notwithstanding the foregoing, stockholder approval of the Bylaws shall not be required unless mandated by this Certificate of Incorporation, the Bylaws, or other applicable law.

(h) Special Meetings of Stockholders. Except as otherwise required by the DGCL and subject to the rights, if any, of the holders of any series of Preferred Stock then outstanding, special meetings of stockholders for any purpose or purposes may be called at any time, but only by the Board of Directors acting pursuant to a resolution approved by the majority of the directors then in office. Except as provided in the foregoing sentence, special meetings of stockholders may not be called by any other person or persons. Only those matters set forth in the notice of the special meeting may be considered or acted upon at a special meeting of stockholders of the Corporation.

EIGHTH: Except as otherwise provided by or pursuant to the provisions of this Certificate of Incorporation, no action that is required or permitted to be taken by the stockholders of the Corporation at any annual or special meeting of stockholders may be effected by consent of stockholders in lieu of a meeting of stockholders. Notwithstanding anything herein to the contrary, the affirmative vote of not less than two-thirds (2/3) of the outstanding shares of capital stock of the Corporation, shall be required to amend or repeal any provision of this Article EIGHTH.

NINTH: A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the General Corporation Law. Any amendment, modification, repeal or elimination of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification, repeal or elimination.

TENTH: (a) The Corporation shall, to the fullest extent permitted by applicable law, indemnify and hold harmless its directors and officers, and such right to indemnification shall continue as to a person who has ceased to be a director or officer of the Corporation and shall inure to the benefit of his or her heirs, executors and personal and legal representatives; provided, however, that, except for proceedings to enforce rights to indemnification or the advancement of expenses, the Corporation shall not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) in connection with a proceeding (or part thereof) initiated by such person in his or her capacity as such unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors. The Corporation shall, to the fullest extent permitted by applicable law, pay the expenses (including attorneys' fees) incurred by a director or officer of the Corporation in defending any proceeding in advance of its final disposition; provided, however, that, to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the director or officer of the Corporation to repay all amounts advanced if it should be ultimately determined that her or she is not entitled to be indemnified under this Article TENTH or otherwise.

(b) The rights to indemnification and to the advancement of expenses conferred by this Article TENTH shall not be exclusive of any other right which any person may have or hereafter acquire under this Certificate of Incorporation, the Bylaws, any statute, agreement, vote of stockholders or disinterested directors or otherwise.

(c) Any amendment, modification, repeal or elimination of this Article TENTH shall not adversely affect any rights to indemnification and to the advancement of expenses of a director or officer of the Corporation existing at the time of such repeal, modification or elimination with respect to any acts or omissions occurring prior to such amendment, modification, repeal or elimination.

(d) Notwithstanding anything herein to the contrary, the affirmative vote of not less than two-thirds (2/3) of the outstanding shares of capital stock of the Corporation generally entitled to vote, voting together as a single class, shall be required to amend or repeal any provision of this Article TENTH.

ELEVENTH: Unless the Corporation consents in writing to the selection of an alternative forum, the sole and exclusive forum for (a) any derivative action or proceeding brought on behalf of the Corporation, (b) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, or employee of the Corporation to the Corporation or the Corporation's stockholders, (c) any action asserting a claim arising pursuant to any provision of the DGCL, this Certificate of Incorporation or the Bylaws, or (d) any action asserting a claim governed by the internal affairs doctrine of the State of Delaware shall be the Court of Chancery of the State of Delaware (or, if the Court of Chancery of the State of Delaware lacks jurisdiction over any such action or proceeding, then the Superior Court of the State of Delaware, or, if the Superior Court of the State of Delaware lacks jurisdiction over any such action or proceeding, then the United States District Court for the District of Delaware); provided, however, that this Article ELEVENTH does not apply to any causes of action arising under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended. Failure to enforce the foregoing provisions would cause the Corporation irreparable harm and the Corporation shall, to the fullest extent permitted by applicable law, be entitled to equitable relief, including injunctive relief and specific performance, to enforce the foregoing provisions. Any Person purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article ELEVENTH.

TWELFTH: The Corporation reserves the right at any time, and from time to time, to amend or repeal any provision contained in this Certificate of Incorporation, and other provisions authorized by the laws of the State of Delaware at the time in force may be added or inserted, in the manner now or hereafter prescribed by applicable law; and all rights, preferences and privileges of whatsoever nature conferred upon stockholders, directors or any other persons whomsoever by and pursuant to this Certificate of Incorporation are granted subject to the rights reserved in this Article TWELFTH. In addition to any affirmative vote required by applicable law or this Certificate of Incorporation, such amendment or repeal shall require the affirmative vote of the holders of at least a majority of the outstanding shares of capital stock of the Corporation generally entitled to vote, voting together as a single class.

THIRTEENTH: If any provision or provisions of this Certificate of Incorporation shall be held to be invalid, illegal or unenforceable as applied to any person or circumstance for any reason whatsoever, then, to the fullest extent permitted by applicable law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Certificate of Incorporation (including, without limitation, each portion of any sentence of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons and circumstances shall not in any way be affected or impaired thereby.

SECTION 2. Notice of Stockholder Business and Nominations.

(a) Annual Meetings of Stockholders.

(1) Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be brought before an Annual Meeting (i) by or at the direction of the Board of Directors or (ii) by any stockholder of the Corporation who was a stockholder of record at the time of giving of notice provided for in this Bylaw, who is entitled to vote at the Annual Meeting, who is present (in person or by proxy) at the Annual Meeting and who complies with the notice procedures set forth in this Bylaw as to such nomination or business. For the avoidance of doubt, the foregoing clause (ii) shall be the exclusive means for a stockholder to bring nominations or business properly before an Annual Meeting (other than matters properly brought under Rule 14a-8 (or any successor rule) under the Securities Exchange Act of 1934, as amended (the "*Exchange Act*")), and such stockholder must comply with the notice and other procedures set forth in Article I, Section 2(a)(2) and (3) of this Bylaw to bring such nominations or business properly before an Annual Meeting. In addition to the other requirements set forth in this Bylaw, for any proposal of business to be considered at an Annual Meeting, it must be a proper subject for action by stockholders of the Corporation under Delaware law.

(2) For nominations or other business to be properly brought before an Annual Meeting by a stockholder pursuant to clause (ii) of Article I, Section 2(a)(1) of this Bylaw, the stockholder must (i) have given Timely Notice (as defined below) thereof in writing to the Secretary of the Corporation, (ii) have provided any updates or supplements to such notice at the times and in the forms required by this Bylaw and (iii) together with the beneficial owner(s), if any, on whose behalf the nomination or business proposal is made, have acted in accordance with the representations set forth in the Solicitation Statement (as defined below) required by this Bylaw. To be timely, a stockholder's written notice shall be received by the Secretary of the Corporation at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90<sup>th</sup>) day nor earlier than the close of business on the one hundred twentieth (120<sup>th</sup>) day prior to the one-year anniversary of the preceding year's Annual Meeting; provided, however, that in the event the Annual Meeting is first convened more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no Annual Meeting were held in the preceding year, notice by the stockholder to be timely must be received by the Secretary of the Corporation not later than the close of business on the later of the ninetieth (90<sup>th</sup>) day prior to the scheduled date of such Annual Meeting or the tenth (10<sup>th</sup>) day following the day on which public announcement of the date of such meeting is first made (such notice within such time periods shall be referred to as "**Timely Notice**"). Notwithstanding anything to the contrary provided herein, for the first Annual Meeting following the date of adoption of these Bylaws, a stockholder's notice shall be timely if received by the Secretary of the Corporation at the principal executive offices of the Corporation not later than the close of business on the later of the ninetieth (90<sup>th</sup>) day prior to the scheduled date of such Annual Meeting or the tenth (10<sup>th</sup>) day following the day on which public announcement of the date of such Annual Meeting is first made or sent by the Corporation. Such stockholder's Timely Notice shall set forth:

(A) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected);

(B) as to any other business that the stockholder proposes to bring before the Annual Meeting, a brief description of the business desired to be brought before the Annual Meeting, the reasons for conducting such business at the Annual Meeting, and any material interest in such business of each Proposing Person (as defined below);

(C) (i) the name and address of the stockholder giving the notice, as they appear on the Corporation's books, and the names and addresses of the other Proposing Persons (if any), (ii) as to each Proposing Person, the following information: (a) the class or series and number of all shares of capital stock of the Corporation which are, directly or indirectly, owned beneficially or of record by such Proposing Person or any of its affiliates or associates (as such terms are defined in Rule 12b-2 promulgated under the Exchange Act and hereinafter for purposes of this Bylaw, "**affiliates**" and "**associates**," respectively), including any shares of any class or series of capital stock of the Corporation as to which such Proposing Person or any of its affiliates or associates has a right to acquire beneficial ownership at any time in the future, (b) all Synthetic Equity Interests (as defined below) in which such Proposing Person or any of its affiliates or associates, directly or indirectly, holds an interest including a description of the material terms of each such Synthetic Equity Interest, including without limitation, identification of the counterparty to each such Synthetic Equity Interest and disclosure, for each such Synthetic Equity Interest, as to (x) whether or not such Synthetic Equity Interest conveys any voting rights, directly or indirectly, in such shares to such Proposing Person, (y) whether or not such Synthetic Equity Interest is required to be, or is capable of being, settled through delivery of such shares and (z) whether or not such Proposing Person and/or, to the extent known, the counterparty to such Synthetic Equity Interest has entered into other transactions that hedge or mitigate the economic effect of such Synthetic Equity Interest, (c) any proxy (other than a revocable proxy given in response to a public proxy solicitation made pursuant to, and in accordance with, the Exchange Act), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person has or shares a right to, directly or indirectly, vote any shares of any class or series of capital stock of the Corporation, (d) any rights to dividends or other distributions on the shares of any class or series of capital stock of the Corporation, directly or indirectly, owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation, and (e) any performance-related fees (other than an asset based fee) that such Proposing Person, directly or indirectly, is entitled to based on any increase or decrease in the value of shares of any class or series of capital stock of the Corporation or any Synthetic Equity Interests (the disclosures to be made pursuant to the foregoing clauses (a) through (e) are referred to, collectively, as "**Material Ownership Interests**") and (iii) a description of the material terms of all agreements, arrangements or understandings (whether or not in writing) entered into by any Proposing Person or any of its affiliates or associates with any other person for the purpose of acquiring, holding, disposing or voting of any shares of any class or series of capital stock of the Corporation;

(D) (i) a description of all agreements, arrangements or understandings by and among any of the Proposing Persons, or by and among any Proposing Persons and any other person (including with any proposed nominee(s)), pertaining to the nomination(s) or other business proposed to be brought before the Annual Meeting (which description shall identify the name of each other person who is party to such an agreement, arrangement or understanding), and (ii) identification of the names and addresses of other stockholders (including beneficial owners) known by any of the Proposing Persons to support such nominations or other business proposal(s), and to the extent known the class and number of all shares of the Corporation's capital stock owned beneficially or of record by such other stockholder(s) or other beneficial owner(s); and

(E) a statement whether or not the stockholder giving the notice and/or the other Proposing Person(s), if any, will deliver a proxy statement and form of proxy to holders of, in the case of a business proposal, at least the percentage of voting power of all of the shares of capital stock of the Corporation required under law to approve the proposal or, in the case of a nomination or nominations, at least the percentage of voting power of all of the shares of capital stock of the Corporation reasonably believed by such Proposing Person to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder (such statement, the "**Solicitation Statement**").

For purposes of this Article I, Section 2 of these Bylaws, the term “**Proposing Person**” shall mean the following persons: (i) the stockholder of record providing the notice of nominations or business proposed to be brought before a stockholders’ meeting, and (ii) the beneficial owner(s), if different, on whose behalf the nominations or business proposed to be brought before a stockholders’ meeting is made. For purposes of this Article I, Section 2 of these Bylaws, the term “**Synthetic Equity Interest**” shall mean any transaction, agreement or arrangement (or series of transactions, agreements or arrangements), including, without limitation, any derivative, swap, hedge, repurchase or so-called “stock borrowing” agreement or arrangement, the purpose or effect of which is to, directly or indirectly: (a) give a person or entity economic benefit and/or risk similar to ownership of shares of any class or series of capital stock of the Corporation, in whole or in part, including due to the fact that such transaction, agreement or arrangement provides, directly or indirectly, the opportunity to profit or avoid a loss from any increase or decrease in the value of any shares of any class or series of capital stock of the Corporation; (b) mitigate loss to, reduce the economic risk of or manage the risk of share price changes for, any person or entity with respect to any shares of any class or series of capital stock of the Corporation; (c) otherwise provide in any manner the opportunity to profit or avoid a loss from any decrease in the value of any shares of any class or series of capital stock of the Corporation; or (d) increase or decrease the voting power of any person or entity with respect to any shares of any class or series of capital stock of the Corporation.

(3) A stockholder providing Timely Notice of nominations or business proposed to be brought before an Annual Meeting shall further update and supplement such notice, if necessary, so that the information (including, without limitation, the Material Ownership Interests information) provided or required to be provided in such notice pursuant to this Bylaw shall be true and correct as of the record date for determining the stockholders entitled to vote at the Annual Meeting and as of the date that is ten (10) business days prior to such Annual Meeting, and such update and supplement shall be received by the Secretary of the Corporation at the principal executive offices of the Corporation not later than the close of business on the fifth (5<sup>th</sup>) business day after the record date for determining the stockholders entitled to vote at the Annual Meeting (in the case of the update and supplement required to be made as of the record date for determining the stockholders entitled to vote at the Annual Meeting), and not later than the close of business on the eighth (8<sup>th</sup>) business day prior to the date of the Annual Meeting (in the case of the update and supplement required to be made as of ten (10) business days prior to the Annual Meeting).

(4) Notwithstanding anything in the second sentence of Article I, Section 2(a)(2) of this Bylaw to the contrary, in the event that the number of directors to be elected to the Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the Corporation at least ten (10) days before the last day a stockholder may deliver a notice of nomination in accordance with the second sentence of Article I, Section 2(a)(2), a stockholder’s notice required by this Bylaw shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be received by the Secretary of the Corporation not later than the close of business on the tenth (10<sup>th</sup>) day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Nominations of persons for election to the Board of Directors to be considered by the stockholders at a special meeting of stockholders of the Corporation at which one or more directors are to be elected pursuant to the Corporation's notice of such special meeting (or any supplement thereto) may be brought before such special meeting (i) by or at the direction of the Board of Directors or (ii) by any stockholder of the Corporation who was a stockholder of record at the time of giving of notice provided for in this Bylaw, who is entitled to vote at the special meeting, who is present (in person or by proxy) at the special meeting and who complies with the notice procedures set forth in this Bylaw as to such nomination. In the event the Board of Directors calls a special meeting of the stockholders for the purpose of electing one or more persons to the Board of Directors, any such stockholder entitled to vote in such election may make nominations of one or more persons (as applicable) for election to such directorships as specified in the Corporation's notice of such special meeting, if the stockholder's written notice required by Article I, Section 2(a)(2) of this Bylaw is received by the Secretary of the Corporation at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120<sup>th</sup>) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90<sup>th</sup>) day prior to such special meeting or the tenth (10<sup>th</sup>) day following the day on which public announcement is first made of the date of such special meeting and of the person(s) nominated for election by the Board of Directors to be elected at such special meeting.

(c) General.

(1) Only such persons who are nominated in accordance with the provisions of this Bylaw shall be eligible for election and to serve as directors and only such business shall be conducted at an Annual Meeting as shall have been brought before the meeting in accordance with the provisions of this Bylaw or in accordance with Rule 14a-8 under the Exchange Act. The Board of Directors or a designated committee thereof shall have the power to determine whether a nomination or any business proposed to be brought before the meeting was made in accordance with the provisions of this Bylaw. If neither the Board of Directors nor such designated committee makes a determination as to whether any stockholder proposal or nomination was made in accordance with the provisions of this Bylaw, the presiding officer of the meeting shall have the power and duty to determine whether the stockholder proposal or nomination was made in accordance with the provisions of this Bylaw. If the Board of Directors or a designated committee thereof or the presiding officer, as applicable, determines that any stockholder proposal or nomination was not made in accordance with the provisions of this Bylaw, such proposal or nomination shall be disregarded and shall not be presented for action at the meeting.

(2) Except as otherwise required by law, nothing in this Article I, Section 2 shall obligate the Corporation or the Board of Directors to include in any proxy statement or other stockholder communication distributed on behalf of the Corporation or the Board of Directors information with respect to any nominee for director or any other matter of business submitted by a stockholder.

(3) Notwithstanding the foregoing provisions of this Article I, Section 2, if the nominating or proposing stockholder (or a qualified representative of the stockholder) does not appear at the meeting to present a nomination or at the Annual Meeting to present any business, such nomination or business shall be disregarded, notwithstanding that proxies in respect of such nomination or business may have been received by the Corporation. For purposes of this Article I, Section 2, to be considered a qualified representative of the proposing stockholder, a person must be authorized by a written instrument executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such written instrument or electronic transmission, or a reliable reproduction of the written instrument or electronic transmission, to the presiding officer at the meeting of stockholders.

(4) For purposes of this Bylaw, “**public announcement**” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(5) Notwithstanding the foregoing provisions of this Bylaw, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Bylaw. Nothing in this Bylaw shall be deemed to affect any rights of (i) stockholders to have proposals included in the Corporation’s proxy statement pursuant to Rule 14a-8 (or any successor rule), as applicable, under the Exchange Act and, to the extent required by such rule, have such proposals considered and voted on at an Annual Meeting or (ii) the holders of any series of Preferred Stock of the Corporation (the “**Preferred Stock**”) then outstanding to elect directors pursuant to the applicable provisions of the Certificate of Incorporation of the Corporation (including any certificate of designation relating to any series of Preferred Stock) (as the same may hereafter be amended and/or restated, the “**Certificate**”).

SECTION 3. Special Meetings. Except as otherwise required by statute and subject to the rights, if any, of the holders of any series of Preferred Stock then outstanding, special meetings of the stockholders of the Corporation may be called at any time, but only by the Board of Directors acting pursuant to a resolution approved by a majority of the directors then in office, and special meetings of stockholders may not be called by any other person or persons. Only those matters set forth in the notice of the special meeting may be considered or acted upon at a special meeting of stockholders of the Corporation.

SECTION 4. Notice of Meetings; Adjournments.

(a) A notice of each Annual Meeting stating the hour, date and place, if any, of such Annual Meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present and vote at such meeting and the record date for determining the stockholders entitled to vote at the Annual Meeting, if such date is different from the record date for determining stockholders entitled to notice of the Annual Meeting, shall, unless otherwise provided by law, be given not less than ten (10) days nor more than sixty (60) days before the Annual Meeting, to each stockholder entitled to vote at the Annual Meeting, as of the record date for determining the stockholders entitled to notice of the Annual Meeting. If mailed, such notice shall be deemed to be given when deposited in the U.S. mail, postage prepaid, directed to the stockholder at such stockholder’s address as it appears on the records of the Corporation. Without limiting the manner by which notice may otherwise be given to stockholders, any notice to stockholders may be given by electronic transmission in the manner provided in Section 232 of the DGCL.

(b) Notice of all special meetings of stockholders shall be given in the same manner as provided for Annual Meetings, except that the notice of all special meetings shall state the purpose or purposes for which the special meeting has been called.

(c) A written waiver, signed by the stockholder entitled to notice, or a waiver by electronic transmission by the stockholder entitled to notice, whether before or after the time stated therein, shall be deemed to be equivalent to notice. Attendance of a stockholder at an Annual Meeting or a special meeting of stockholders shall constitute a waiver of notice of such Annual Meeting or special meeting, except where the stockholder attends such Annual Meeting or special meeting for the express purpose of objecting at the beginning of such Annual Meeting or special meeting, to the transaction of any business because such Annual Meeting or special meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any Annual Meeting or special meeting of stockholders need be specified in any written waiver of notice or any waiver by electronic transmission.

(d) The Board of Directors may postpone and reschedule any previously scheduled Annual Meeting or special meeting of stockholders and any record date with respect thereto, regardless of whether any notice or public disclosure with respect to any such Annual Meeting or special meeting has been sent or made pursuant to Section 2 of this Article I of these Bylaws or otherwise. In no event shall the public announcement of an adjournment, postponement or rescheduling of any previously scheduled Annual Meeting or special meeting of stockholders commence a new time period for the giving of a stockholder's notice under Article I, Section 2 of these Bylaws.

(e) When any Annual Meeting or a special meeting of stockholders is convened, the presiding officer may adjourn such Annual Meeting or special meeting if (i) no quorum is present for the transaction of business, (ii) the Board of Directors determines that adjournment is necessary or appropriate to enable the stockholders to consider fully information which the Board of Directors determines has not been made sufficiently or timely available to stockholders, or (iii) the Board of Directors determines that adjournment is otherwise in the best interests of the Corporation and its stockholders. When any Annual Meeting or special meeting of stockholders is adjourned to another hour, date or place, if any, notice need not be given of the adjourned meeting if the time, place, if any, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix a new record date for notice of such adjourned meeting in accordance with Section 4 of Article IV of these Bylaws, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

SECTION 5. Quorum. Except as otherwise provided by law, the Certificate or these Bylaws, a majority of the outstanding shares of capital stock of the Corporation entitled to vote, present in person or represented by proxy, shall constitute a quorum at any meeting of stockholders. If less than a quorum is present at a meeting, the holders of voting stock representing a majority of the voting power present at the meeting or the presiding officer may adjourn the meeting from time to time, and the meeting may be held as adjourned without further notice, except as provided in Section 4 of this Article I. At such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally noticed. Subject to applicable law, if a quorum initially is present at any meeting of stockholders, the stockholders present at a duly constituted meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum, but if a quorum is not present at least initially, no business other than adjournment may be transacted.

SECTION 6. Voting and Proxies. Except as otherwise provided by or pursuant to the Certificate, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one (1) vote for each share of capital stock held by such stockholder which has voting power upon the matter in question. Each stockholder entitled to vote at a meeting of stockholders or to express consent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary of the Corporation a revocation of the proxy or a new proxy bearing a later date. Voting at meetings of stockholders need not be by written ballot.

SECTION 7. Action at Meeting. When a quorum is present at any meeting of stockholders, any matter before any such meeting (other than an election of a director or directors) shall be decided by the affirmative vote of a majority of the votes properly cast with respect to such matter, unless such matter is one which, by express provision of the Certificate, these Bylaws or the laws of the State of Delaware, a vote of a different number or voting by class or series is required, in which case, such express provision shall govern. Any election of directors by stockholders shall be determined by a plurality of the votes properly cast on the election of directors unless by express provision of the Certificate a larger vote is required.

SECTION 8. Stockholder Lists. The Corporation shall prepare, at least ten (10) days before every Annual Meeting or special meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting; provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the meeting date, the list shall reflect the stockholders entitled to vote as of the tenth (10th) day before the meeting date, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for a period of at least ten (10) days prior to the meeting in the manner provided by law. The list shall also be open to the examination of any stockholder during the whole time of the meeting as provided by law.

SECTION 9. Presiding Officer. The Board of Directors shall designate an officer to preside over all Annual Meetings or special meetings of stockholders, provided that if the Board of Directors does not so designate such a presiding officer, then the Chairman of the Board, if one is elected, shall preside over such meetings. If the Board of Directors does not so designate such a presiding officer and there is no Chairman of the Board or the Chairman of the Board is unable to so preside or is absent, then the Chief Executive Officer, if one is elected, shall preside over such meetings, provided further that if there is no Chief Executive Officer or the Chief Executive Officer is unable to so preside or is absent, then the President shall preside over such meetings. The presiding officer at any Annual Meeting or special meeting of stockholders shall have the power, among other things, to adjourn such meeting at any time and from time to time, subject to Sections 4 and 5 of this Article I. The order of business and all other matters of procedure at any meeting of the stockholders shall be determined by the presiding officer.

SECTION 10. Inspectors of Elections. The Corporation shall, in advance of any Annual Meeting or special meeting of stockholders, appoint one or more inspectors to act at the meeting and make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at an Annual Meeting or special meeting of stockholders, the presiding officer shall appoint one or more inspectors to act at the meeting. Any inspector may, but need not, be an officer, employee or agent of the Corporation. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall perform such duties as are required by the DGCL, including the counting of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of the duties of the inspectors. The presiding officer may review all determinations made by the inspectors, and in so doing the presiding officer shall be entitled to exercise his or her sole judgment and discretion and he or she shall not be bound by any determinations made by the inspectors. All determinations by the inspectors and, if applicable, the presiding officer, shall be subject to further review by any court of competent jurisdiction.

## **ARTICLE II**

SECTION 2. Number and Terms. Subject to law and the rights of the holders of any one or more series of Preferred Stock then outstanding to elect one or more directors pursuant to the applicable provisions of the Certificate, the number of directors of the Corporation shall be fixed solely and exclusively by resolution duly adopted from time to time by the Board of Directors. The directors shall hold office in the manner provided in the Certificate.

SECTION 3. Qualification. No director need be a stockholder of the Corporation.

SECTION 4. Vacancies. Newly created directorships and vacancies on the Board of Directors shall be filled in the manner provided in the Certificate.

SECTION 5. Removal. Directors may be removed from office only in the manner provided in the Certificate.

SECTION 6. Resignation. A director may resign at any time upon notice given in writing or by electronic transmission to the Corporation. A resignation is effective when the resignation is delivered unless the resignation specifies a later effective date or an effective date determined upon the happening of an event or events.

SECTION 7. Regular Meetings. The regular annual meeting of the Board of Directors shall be held, without notice other than this Section 7, on the same date and at the same place as the Annual Meeting following the close of such meeting of stockholders. Other regular meetings of the Board of Directors may be held at such hour, date and place as the Board of Directors may by resolution from time to time determine and publicize by means of reasonable notice given to any director who is not present at the meeting at which such resolution is adopted.

SECTION 8. Special Meetings. Special meetings of the Board of Directors may be called, orally or in writing, by or at the request of a majority of the directors then in office, the Chairman of the Board, if one is elected, or the President. The person calling any such special meeting of the Board of Directors may fix the hour, date and place thereof.

SECTION 9. Notice of Meetings. Notice of the hour, date and place, if any, of all special meetings of the Board of Directors shall be given to each director by the Secretary or an Assistant Secretary, or in case of the death, absence, incapacity or refusal of such persons, by the Chairman of the Board, if one is elected, or the President or such other officer designated by the Chairman of the Board, if one is elected, or the President. Notice of any special meeting of the Board of Directors shall be given to each director in person, by telephone, or by facsimile, electronic mail or other form of electronic communication, sent to his or her business or home address, at least twenty-four (24) hours in advance of the meeting, or by written notice mailed to his or her business or home address, at least forty-eight (48) hours in advance of the meeting. Such notice shall be deemed to be delivered when hand-delivered to such address, read to such director by telephone, deposited in the mail so addressed, with postage thereon prepaid if mailed, dispatched or transmitted if sent by facsimile transmission or by electronic mail or other form of electronic communications. A written waiver, signed by the director entitled to notice, or a waiver by electronic transmission by the director entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because such meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of the Board of Directors need be specified in the written waiver of notice or any waiver by electronic transmission.

SECTION 10. Quorum. At any meeting of the Board of Directors, a majority of the total number of directors shall constitute a quorum for the transaction of business, but if less than a quorum is present at a meeting, a majority of the directors present may adjourn the meeting from time to time, and the meeting may be held as adjourned without further notice. Any business which might have been transacted at the meeting as originally noticed may be transacted at such adjourned meeting at which a quorum is present. For purposes of this section, the total number of directors includes any newly created directorships and vacancies on the Board of Directors.

SECTION 11. Action at Meeting. At any meeting of the Board of Directors at which a quorum is present, the vote of a majority of the directors present shall constitute action by the Board of Directors, unless otherwise required by law, by the Certificate or by these Bylaws.

SECTION 12. Action by Consent. Any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or such committee in accordance with law. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of proceedings of the Board of Directors, or any committee thereof, in the same paper or electronic form as the minutes are maintained and shall be in electronic form if the minutes are maintained in electronic form. Such consent shall be treated as a resolution of the Board of Directors for all purposes.

SECTION 13. Manner of Participation. Directors may participate in meetings of the Board of Directors, or any committee thereof, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting in accordance herewith shall constitute presence in person at such meeting.

SECTION 14. Presiding Director. The Board of Directors shall designate a director to preside over all meetings of the Board of Directors, provided that if the Board of Directors does not so designate such a presiding director or such designated presiding director is unable to so preside or is absent, then the Chairman of the Board, if one is elected, shall preside over all meetings of the Board of Directors. If both the designated presiding director, if one is so designated, and the Chairman of the Board, if one is elected, are unable to preside or are absent, the Board of Directors shall designate an alternate representative to preside over a meeting of the Board of Directors.

SECTION 15. Committees. The Board of Directors may designate one or more committees, including, without limitation, a Compensation Committee, a Nominating & Corporate Governance Committee and an Audit Committee, each committee to consist of one or more directors. Any such committee, to the extent permitted by law and to the extent provided in the resolution of the Board of Directors, shall have and may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Except as the Board of Directors may otherwise determine, any such committee may make rules for the conduct of its business, but unless otherwise provided by the Board of Directors or in such rules, its business shall be conducted so far as possible in the same manner as is provided by these Bylaws for the Board of Directors. All members of such committees shall hold such offices at the pleasure of the Board of Directors. The Board of Directors may abolish any such committee at any time. Each committee shall keep records of its meetings and shall report its action to the Board of Directors.

SECTION 16. Compensation of Directors. Directors shall receive such compensation for their services as shall be determined by a majority of the Board of Directors, or a designated committee thereof; provided that directors who are serving the Corporation as employees and who receive compensation for their services as such, shall not receive any salary or other compensation for their services as directors of the Corporation.

### **ARTICLE III**

SECTION 1. Enumeration. The officers of the Corporation shall consist of a President, a Treasurer, a Secretary and such other officers, including, without limitation, a Chairman of the Board of Directors, a Chief Executive Officer and one or more Vice Presidents (including Executive Vice Presidents or Senior Vice Presidents), Assistant Vice Presidents, Assistant Treasurers and Assistant Secretaries, as the Board of Directors may determine.

SECTION 2. Election. At the regular annual meeting of the Board of Directors following the Annual Meeting, the Board of Directors shall elect the President, the Treasurer and the Secretary. Other officers may be elected by the Board of Directors at such regular annual meeting of the Board of Directors or at any other regular or special meeting of the Board of Directors.

SECTION 3. Qualification. No officer need be a stockholder or a director. Any person may occupy more than one office of the Corporation at any time.

SECTION 4. Tenure. SECTION 5. Resignation. Any officer may resign at any time upon written notice to the Corporation.

SECTION 6. Removal. Except as otherwise provided by law, the Board of Directors may remove any officer with or without cause by the affirmative vote of a majority of the directors then in office.

SECTION 7. Absence or Disability. In the event of the absence or disability of any officer, the Board of Directors may designate another officer to act temporarily in place of such absent or disabled officer.

SECTION 8. Vacancies. Any vacancy in any office may be filled for the unexpired portion of the term by the Board of Directors.

SECTION 9. President. The President shall, subject to the direction of the Board of Directors, have such powers and shall perform such duties as the Board of Directors may from time to time designate and, to the extent not so designated, as generally pertain to the office of the President, subject to the control of the Board of Directors.

SECTION 10. Chairman of the Board. The Chairman of the Board, if one is elected, shall have such powers and shall perform such duties as the Board of Directors may from time to time designate and, to the extent not so designated, as generally pertain to the office of the Chairman of the Board, subject to the control of the Board of Directors.

SECTION 12. Vice Presidents and Assistant Vice Presidents. Any Vice President (including any Executive Vice President or Senior Vice President) and any Assistant Vice President shall have such powers and shall perform such duties as the Board of Directors or the Chief Executive Officer may from time to time designate and, to the extent not so designated, as generally pertain to such office, subject to the control of the Board of Directors.

SECTION 13. Treasurer and Assistant Treasurers. The Treasurer shall, subject to the control of the Board of Directors and except as the Board of Directors or the Chief Executive Officer may otherwise provide, have general charge of the financial affairs of the Corporation and shall cause to be kept accurate books of account. ## ARTICLE IV

### Capital Stock

SECTION 1. Certificates of Stock. Every holder of capital stock represented by certificates shall be entitled to have a certificate signed by, or in the name of, the Corporation by any two authorized officers of the Corporation representing the number of shares registered in certificate form. Any or all of the signatures on the certificate may be facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed on such certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he or she or it were such officer, transfer agent or registrar at the time of its issue. Every certificate for shares of stock which are subject to any restriction on transfer and every certificate issued when the Corporation is authorized to issue more than one class or series of stock shall contain such legend with respect thereto as is required by law. Notwithstanding anything to the contrary provided in these Bylaws, the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares (except that the foregoing shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation), and by the approval and adoption of these Bylaws the Board of Directors has resolved and determined that all classes or series of the Corporation's stock shall be uncertificated, whether upon original issuance, re-issuance, or subsequent transfer.

SECTION 2. Transfers. Subject to any restrictions on transfer and unless otherwise provided by the Board of Directors, shares of stock that are represented by a certificate may be transferred on the books of the Corporation by the surrender to the Corporation or its transfer agent of the certificate theretofore properly endorsed or accompanied by a written assignment or power of attorney properly executed, with transfer stamps (if necessary) affixed, and with such proof of the authenticity of signature as the Corporation or its transfer agent may reasonably require. Shares of stock that are not represented by a certificate may be transferred on the books of the Corporation by submitting to the Corporation or its transfer agent such evidence of transfer and following such other procedures as the Corporation or its transfer agent may require.

SECTION 3. Record Holders. Except as may otherwise be required by law, by the Certificate or by these Bylaws, the Corporation shall be entitled to treat the record holder of stock as shown on its books as the owner of such stock for all purposes, including the payment of dividends and the right to vote with respect thereto, regardless of any transfer, pledge or other disposition of such stock, until the shares have been transferred on the books of the Corporation.

SECTION 4. Record Date. In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof or to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date:

(a) in the case of determination of stockholders entitled to notice of any meeting of stockholders or adjournment thereof, shall, unless otherwise required by law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting and, unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for determining the stockholders entitled to vote at such meeting, the record date for determining the stockholders entitled to notice of such meeting shall also be the record date for determining the stockholders entitled to vote at such meeting;

(b) in the case of a determination of stockholders entitled to express consent to corporate action in writing without a meeting (if not prohibited by the Certificate), shall not be more than ten (10) days from the date upon which the resolution fixing the record date is adopted by the Board of Directors; and

(c) in the case of any other action, shall not be more than sixty (60) days prior to such other action.

If no record date is fixed: (i) the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; (ii) the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting (if not prohibited by the Certificate), when no prior action of the Board of Directors is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with law, or, if prior action by the Board of Directors is required by law, shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action; and (iii) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

SECTION 5. Replacement of Certificates. In case of the alleged loss, destruction or mutilation of a certificate of stock of the Corporation, a duplicate certificate may be issued in place thereof, upon such terms as the Board of Directors may prescribe, subject to law. The Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

## ARTICLE V

(a) “**Corporate Status**” describes the status of a person who is serving or has served (i) as a Director, (ii) as an Officer, (iii) as a Non-Officer Employee, or (iv) as a director, partner, trustee, officer, employee or agent of any other corporation, partnership, limited liability company, joint venture, trust, employee benefit plan, foundation, association, organization or other legal entity which such person is or was serving at the request of the Corporation. For purposes of this Section 1(a)(iv), a Director, Officer or Non-Officer Employee who is serving or has served as a director, partner, trustee, officer, employee or agent of a Subsidiary shall be deemed to be serving at the request of the Corporation. Notwithstanding the foregoing, “Corporate Status” shall not include the status of a person who is serving or has served as a director, officer, employee or agent of a constituent corporation absorbed in a merger or consolidation transaction with the Corporation with respect to such person’s activities prior to said transaction, unless specifically authorized by the Board of Directors or the stockholders of the Corporation;

(b) “**Director**” means any person who serves or has served the Corporation as a director on the Board of Directors;

(c) “**Disinterested Director**” means, with respect to each Proceeding in respect of which indemnification is sought hereunder, a Director of the Corporation who is not and was not a party to such Proceeding;

(d) “**Expenses**” means all attorneys’ fees, retainers, court costs, transcript costs, fees of expert witnesses, private investigators and professional advisors (including, without limitation, accountants and investment bankers), travel expenses, duplicating costs, printing and binding costs, costs of preparation of demonstrative evidence and other courtroom presentation aids and devices, costs incurred in connection with document review, organization, imaging and computerization, telephone charges, postage, delivery service fees, and all other disbursements, costs or expenses of the type customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settling or otherwise participating in, a Proceeding;

(e) “**Liabilities**” means judgments, damages, liabilities, losses, penalties, excise taxes, fines and amounts paid in settlement;

(f) “**Non-Officer Employee**” means any person who serves or has served as an employee or agent of the Corporation, but who is not or was not a Director or Officer;

(g) “**Officer**” means any person who serves or has served the Corporation as an officer of the Corporation appointed by the Board of Directors;

(h) “**Proceeding**” means any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, inquiry, investigation, administrative hearing or other proceeding, whether civil, criminal, administrative, arbitral or investigative; and

(i) “**Subsidiary**” means any corporation, partnership, limited liability company, joint venture, trust or other entity of which the Corporation owns (either directly or through or together with another Subsidiary of the Corporation) either (i) a general partner, managing member or other similar interest or (ii) (A) fifty percent (50%) or more of the voting power of the voting capital equity interests of such corporation, partnership, limited liability company, joint venture or other entity, or (B) fifty percent (50%) or more of the outstanding voting capital stock or other voting equity interests of such corporation, partnership, limited liability company, joint venture or other entity.

SECTION 2. Indemnification of Directors and Officers.

(a) Subject to the operation of Section 4 of this Article V of these Bylaws, each Director and Officer shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), and to the extent authorized in this Section 2.

(1) Actions, Suits and Proceedings Other than By or In the Right of the Corporation. Each Director and Officer shall be indemnified and held harmless by the Corporation against any and all Expenses and Liabilities that are incurred or paid by such Director or Officer or on such Director's or Officer's behalf in connection with any Proceeding or any claim, issue or matter therein (other than an action by or in the right of the Corporation), which such Director or Officer is, or is threatened to be made, a party to or participant in by reason of such Director's or Officer's Corporate Status, if such Director or Officer acted in good faith and in a manner such Director or Officer reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

(2) Actions, Suits and Proceedings By or In the Right of the Corporation. Each Director and Officer shall be indemnified and held harmless by the Corporation against any and all Expenses that are incurred by such Director or Officer or on such Director's or Officer's behalf in connection with any Proceeding or any claim, issue or matter therein by or in the right of the Corporation, which such Director or Officer is, or is threatened to be made, a party to or participant in by reason of such Director's or Officer's Corporate Status, if such Director or Officer acted in good faith and in a manner such Director or Officer reasonably believed to be in or not opposed to the best interests of the Corporation; provided, however, that no indemnification shall be made under this Section 2(a)(2) in respect of any claim, issue or matter as to which such Director or Officer shall have been finally adjudged by a court of competent jurisdiction to be liable to the Corporation, unless, and only to the extent that, the Court of Chancery of the State of Delaware or another court in which such Proceeding was brought shall determine upon application that, despite adjudication of liability, but in view of all the circumstances of the case, such Director or Officer is fairly and reasonably entitled to indemnification for such Expenses that such court deems proper.

(3) Survival of Rights. The rights of indemnification provided by this Section 2 shall continue as to a Director or Officer after he or she has ceased to be a Director or Officer and shall inure to the benefit of his or her heirs, executors, administrators and personal representatives.

(4) Actions by Directors or Officers. Notwithstanding the foregoing, the Corporation shall indemnify any Director or Officer seeking indemnification in connection with a Proceeding (or claim, issue or matter therein) initiated by such Director or Officer only if such Proceeding (or claim, issue or matter therein) was authorized in advance by the Board of Directors, unless such Proceeding (or claim, issue or matter therein) was brought to enforce such Officer's or Director's rights to indemnification or, in the case of Directors, advancement of Expenses, under these Bylaws in accordance with the provisions set forth herein.

SECTION 3. Indemnification of Non-Officer Employees. Subject to the operation of Article V, Section 4 of these Bylaws, each Non-Officer Employee may, in the discretion of the Board of Directors, be indemnified by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, against any or all Expenses and Liabilities that are incurred by such Non-Officer Employee or on such Non-Officer Employee's behalf in connection with any threatened, pending or completed Proceeding, or any claim, issue or matter therein, which such Non-Officer Employee is, or is threatened to be made, a party to or participant in by reason of such Non-Officer Employee's Corporate Status, if such Non-Officer Employee acted in good faith and in a manner such Non-Officer Employee reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The rights of indemnification provided by this Section 3 shall exist as to a Non-Officer Employee after he or she has ceased to be a Non-Officer Employee and shall inure to the benefit of his or her heirs, personal representatives, executors and administrators. Notwithstanding the foregoing, the Corporation may indemnify any Non-Officer Employee seeking indemnification in connection with a Proceeding (or claim, issue or matter therein) initiated by such Non-Officer Employee only if such Proceeding (or claim, issue or matter therein) was authorized in advance by the Board of Directors of the Corporation.

SECTION 4. Determination. Unless ordered by a court, no indemnification shall be provided pursuant to this Article V to a Director, to an Officer or to a Non-Officer Employee unless a determination shall have been made that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any criminal Proceeding, such person had no reasonable cause to believe his or her conduct was unlawful. Such determination shall be made by (a) a majority vote of the Disinterested Directors, even though less than a quorum of the Board of Directors, (b) a committee comprised of Disinterested Directors, such committee having been designated by a majority vote of the Disinterested Directors (even though less than a quorum), (c) if there are no such Disinterested Directors, or if a majority of Disinterested Directors so directs, by independent legal counsel in a written opinion, or (d) by the stockholders of the Corporation.

SECTION 5. Advancement of Expenses to Directors Prior to Final Disposition.

(a) The Corporation shall advance all Expenses incurred by or on behalf of any Director or Officer in connection with any Proceeding (or any claim, issue or matter therein) in which such Director or Officer is involved by reason of such Director's or Officer's Corporate Status within thirty (30) days after the receipt by the Corporation of a written statement from such Director or Officer requesting such advance or advances from time to time. Such statement or statements shall reasonably evidence the Expenses incurred by such Director or Officer and shall be preceded or accompanied by an undertaking by or on behalf of such Director or Officer to repay any Expenses so advanced if it shall ultimately be determined that such Director or Officer is not entitled to be indemnified against such Expenses. Notwithstanding the foregoing, the Corporation shall advance all Expenses incurred by or on behalf of any Director or Officer seeking advancement of expenses hereunder in connection with a Proceeding (or claim, issue or matter therein) initiated by such Director or Officer only if such Proceeding (or claim, issue or matter therein) was (i) authorized by the Board of Directors, or (ii) brought to enforce such Director's rights to indemnification or advancement of Expenses under these Bylaws.

(b) If a claim for advancement of Expenses under Article V, Section 5(a) of these Bylaws by a Director or Officer is not paid in full by the Corporation within thirty (30) days after receipt by the Corporation of documentation of Expenses and the required undertaking, such Director or Officer may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and if successful in whole or in part, such Director or Officer shall also be entitled to be paid the expenses of prosecuting such claim. The failure of the Corporation (including its Board of Directors or any committee thereof, independent legal counsel, or stockholders) to make a determination concerning the permissibility of such advancement of Expenses under this Article V shall not be a defense to an action brought by a Director or Officer for recovery of the unpaid amount of an advancement claim and shall not create a presumption that such advancement is not permissible. The burden of proving that a Director or Officer is not entitled to an advancement of expenses shall be on the Corporation.

(c) In any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that the Director or Officer has not met any applicable standard for indemnification set forth in the DGCL.

**SECTION 6. Advancement of Expenses to Non-Officer Employees Prior to Final Disposition.**

(a) The Corporation may, at the discretion of the Board of Directors, advance any or all Expenses incurred by or on behalf of any Non-Officer Employee in connection with any Proceeding (or claim, issue or matter therein) in which such Non-Officer Employee is involved by reason of his or her Corporate Status as a Non-Officer Employee upon the receipt by the Corporation of a statement or statements from such Non-Officer Employee requesting such advance or advances from time to time. Such statement or statements shall reasonably evidence the Expenses incurred by such Non-Officer Employee and shall be preceded or accompanied by an undertaking by or on behalf of such Non-Officer Employee to repay any Expenses so advanced if it shall ultimately be determined that such Non-Officer Employee is not entitled to be indemnified against such Expenses.

(b) In any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that the Non-Officer Employee has not met any applicable standard for indemnification set forth in the DGCL.

**SECTION 7. Contractual Nature of Rights.**

(a) The provisions of this Article V shall be deemed to be a contract between the Corporation and each Director and Officer entitled to the benefits hereof at any time while this Article V is in effect, in consideration of such person's past or current and any future performance of services for the Corporation. Neither the amendment, repeal or modification of any provision of this Article V nor the adoption of any provision of the Bylaws inconsistent with this Article V shall eliminate or impair any right conferred by this Article V in respect of any act or omission occurring, or any cause of action or claim that accrues or arises or any state of facts existing, at the time of or before such amendment, repeal, modification or adoption of an inconsistent provision (even in the case of a Proceeding based on such a state of facts that is commenced after such time), and all rights to indemnification and advancement of Expenses granted herein or arising out of any act or omission shall vest at the time of the act or omission in question, regardless of when or if any proceeding with respect to such act or omission is commenced. The rights to indemnification and to advancement of expenses provided by, or granted pursuant to, this Article V shall continue notwithstanding that the person has ceased to be a Director or Officer and shall inure to the benefit of the estate, heirs, executors, administrators, legatees and distributees of such person.

(b) If a claim for indemnification under Article V, Section 5(a) of these Bylaws by a Director or Officer is not paid in full by the Corporation within sixty (60) days after receipt by the Corporation of a written claim for indemnification, such Director or Officer may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim, and if successful in whole or in part, such Director or Officer shall also be entitled to be paid the expenses of prosecuting such claim. The failure of the Corporation (including its Board of Directors or any committee thereof, independent legal counsel, or stockholders) to make a determination concerning the permissibility of such indemnification under this Article V shall not be a defense to an action brought by a Director or Officer for recovery of the unpaid amount of an indemnification claim and shall not create a presumption that such indemnification is not permissible. The burden of proving that a Director or Officer is not entitled to indemnification shall be on the Corporation.

(c) In any suit brought by a Director or Officer to enforce a right to indemnification hereunder, it shall be a defense that such Director or Officer has not met any applicable standard for indemnification set forth in the DGCL.

SECTION 8. Non-Exclusivity of Rights. The rights to indemnification and to advancement of Expenses set forth in this Article V shall not be exclusive of any other right which any Director, Officer, or Non-Officer Employee may have or hereafter acquire under any statute, provision of the Certificate or these Bylaws, agreement, vote of stockholders or Disinterested Directors or otherwise.

SECTION 9. Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any Director, Officer or Non-Officer Employee against any liability of any character asserted against or incurred by the Corporation or any such Director, Officer or Non-Officer Employee, or arising out of any such person's Corporate Status, whether or not the Corporation would have the power to indemnify such person against such liability under the DGCL or the provisions of this Article V.

SECTION 10. Other Indemnification. The Corporation's obligation, if any, to indemnify or provide advancement of Expenses to any person under this Article V as a result of such person serving, at the request of the Corporation, as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount such person may collect as indemnification or advancement of Expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or enterprise (the "**Primary Indemnitor**"). Any indemnification or advancement of Expenses under this Article V owed by the Corporation as a result of a person serving, at the request of the Corporation, as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall only be in excess of, and shall be secondary to, the indemnification or advancement of Expenses available from the applicable Primary Indemnitor(s) and any applicable insurance policies.

Each TIG MGMT Member acknowledges receipt and review of a copy of the BCA.

(d) Each Member hereby agrees that it shall not enter into any commitment, agreement, understanding, or similar arrangement to vote or give voting instructions or express consent or dissent in writing in any manner inconsistent with the foregoing (an “Inconsistent Agreement”).

2. Transfer of Interests. Each Member, severally and not jointly, agrees that it shall not, directly or indirectly, (a) sell, assign, transfer (including by operation of law), lien, pledge, dispose of or otherwise encumber any of the Interests or otherwise agree to do any of the foregoing, except for a sale, assignment or transfer pursuant to the BCA, (b) deposit any Interests into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Agreement, or (c) enter into any contract, option or other arrangement or undertaking with respect to the direct or indirect acquisition or sale, assignment, transfer (including by operation of law) or other disposition of any Interests or (d) take any action that would have the effect of preventing or disabling the Member from performing its obligations hereunder.

3. No Solicitation of Transactions. Each Member, severally and not jointly, agrees not to, directly or indirectly, through any officer, director, representative, agent or otherwise, (a) initiate, solicit, facilitate or encourage (including by way of furnishing non-public information), directly or indirectly, whether publicly or otherwise, any inquiries, offers or proposals with respect to, or the making of, any Company Acquisition Proposal (or that would reasonably be expected to encourage or lead to a Company Acquisition Proposal), (b) engage in any negotiations or discussions concerning, or provide access to or furnish non-public information regarding, a Company’s or any Company Subsidiary’s properties, assets, personnel, books or records or any Confidential Information or data to, any person relating to a Company Acquisition Proposal (or that would reasonably be expected to encourage or lead to a Company Acquisition Proposal), (c) enter into, engage in or maintain discussions or negotiations with respect to any Company Acquisition Proposal (or inquiries, proposals or offers or other communications that would reasonably be expected to encourage or lead to any Company Acquisition Proposal) or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, offers, efforts, discussions or negotiations, (d) approve, endorse or recommend, or propose publicly to approve, endorse or recommend, any Company Acquisition Proposal, (e) approve, endorse, recommend, execute or enter into any agreement, arrangement or understanding, letter of intent, memorandum of understanding, term sheet, acquisition agreement, merger agreement, business combination agreement, transaction agreement, option agreement, joint venture agreement, partnership agreement or other written arrangement relating to any Company Acquisition Proposal or any proposal or offer that could reasonably be expected to lead to a Company Acquisition Proposal, or (f) resolve or agree to do any of the foregoing actions or otherwise authorize or permit any of its representatives to take any such action. Each Member shall, and shall instruct and cause its representatives and agents to, immediately cease and cause to be terminated any solicitations, discussions or negotiations with any parties (other than the parties to the BCA and their respective representatives) in connection with a Company Acquisition Proposal (other than the Transactions) and each Member acknowledges that any action taken by it or any representative of it inconsistent with the restrictions set forth in this Section 3, whether or not such representative is purporting to act on the such Member’s behalf, shall be deemed to constitute a breach of this Section 3 by such Member.

4. New Interests. If (a) any Companies' interests are issued to a Member after the date of this Agreement pursuant to any recapitalization, reclassification, combination, or exchange of Interests or otherwise, (b) a Member purchases, is granted, or otherwise acquires record and/or beneficial ownership of any Companies' interests after the date of this Agreement, or (c) a Member acquires the right to vote or share in the voting (including, without limitation, by proxy or power of attorney) of any Companies' interests after the date of this Agreement (collectively, "New Interests"), then such New Interests shall constitute Interests and shall be subject to the terms of this Agreement to the same extent as if they constituted the Interests owned or controlled by such Member as of the date hereof.

5. Further Assurances. Each Member shall take, or cause to be taken, all such further actions and do, or cause to be done, all things, including, but not limited to, execution of all such proper agreements, deeds, assignments, assurances and other instruments, reasonably necessary (including under applicable Laws) to effect the actions required to consummate the Umbrella Merger and the other transactions contemplated by this Agreement and the BCA, in each case, on the terms and subject to the conditions set forth therein and herein, as applicable.

6. No Challenges. Each Member agrees not to, and shall direct its Representatives not to, bring, commence, institute, maintain, voluntarily aid, join in, facilitate, assist or encourage, and agrees to take all actions necessary to, and to direct its Representatives to, opt out of any class in any class action with respect to, any claim, derivative or otherwise, against SPAC, Merger Sub, any of the Companies or any of their respective successors or directors, (a) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement; or (b) alleging a breach of any fiduciary duty of any person (or that such person may be alleged to have, including to any of the Companies or any other holder of Interests) in connection with the evaluation, negotiation or entry into the BCA or this Agreement. Notwithstanding the foregoing, nothing herein shall be deemed to prohibit such Member from enforcing such Member's rights under this Agreement.

7. Consent to Disclosure. Each Member hereby consents to the publication and disclosure in the Proxy Statement/Registration Statement (and, as and to the extent otherwise required by applicable securities Laws or the SEC or any other securities authorities, any other documents or communications provided by SPAC or any of the Companies to any Governmental Authority or to securityholders of SPAC) of such Member's identity and beneficial ownership of Interests and the nature of such Member's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by SPAC or any of the Companies, a copy of this Agreement. Each Member will promptly provide any information reasonably requested by SPAC or any of the Companies for any regulatory application or filing made or approval sought in connection with the transactions contemplated by the BCA (including filings with the SEC), subject to confidentiality obligations that may be applicable to information furnished to any of the Companies or Company Subsidiary by third parties that may be in such Company's or Company Subsidiary's possession from time to time, and except for any information that is subject to attorney-client privilege (provided, that to the extent reasonably possible, the parties shall cooperate in good faith to permit disclosure of such information in a manner that preserves such privilege or compliance with such confidentiality obligation), to the extent permitted by applicable law.

8. Standstill. From the date of this Agreement until the earlier of the Closing or the termination of the BCA in accordance with its terms, each Member agrees not to engage in any transaction involving any securities of SPAC, without SPAC's prior written consent.

9. Public Announcements. No Member will make any public announcement or issue any public communication regarding this Agreement, the BCA, the transactions contemplated hereby or thereby or any matter related to the foregoing, without the prior written consent of the SPAC and the Companies, except: (a) if such announcement or other communication is required by applicable Laws or the rules of any stock exchange, in which case the disclosing Member shall, to the extent permitted by applicable Laws, first allow the SPAC and the Companies to review such announcement or communication and have the opportunity to comment thereon, and such disclosing Member shall consider such comments in good faith; (b) to the extent such announcements or other communications contain only information previously disclosed in a public statement, press release or other communication previously approved in accordance with this Section 9; and (c) announcements and communications to Governmental Authorities in connection with registrations, declarations and filings required to be made as a result of the BCA.

10. Representations and Warranties. Each Member, severally and not jointly, represents and warrants to SPAC as follows:

(a) The execution, delivery and performance by such Member of this Agreement and the consummation by such Member of the transactions contemplated hereby do not and will not (i) conflict with or violate any United States or non-United States Law applicable to such Member, (ii) require any consent, approval or authorization of, declaration, filing or registration with, or notice to, any person or entity, (iii) result in the creation of any lien or encumbrance on any Interests (other than under this Agreement, the BCA and the agreements contemplated by the BCA, including the other Ancillary Agreements), or (iv) conflict with or result in a breach of or constitute a default under any provision of such Member's governing documents, if applicable.

(b) As of the date of this Agreement, the TWMH Member owns exclusively and has good, valid and marketable title to the TWMH Interests set forth opposite the TWMH Member's name on Exhibit A free and clear of any Lien, proxy, option, right of first refusal, agreement, voting restriction, limitation on disposition, charge, adverse claim of ownership or use or other encumbrance of any kind, other than pursuant to (i) this Agreement, (ii) applicable securities Laws, and (iii) the TWMH Operating Agreement, and as of the date of this Agreement, the TWMH Member has the sole power (as currently in effect) to vote and full right, power and authority to sell, transfer and deliver such TWMH Interests, and the TWMH Member does not own, directly or indirectly, any other TWMH Interests.

(c) As of the date of this Agreement, each TIG GP Member owns exclusively and has good, valid and marketable title to the TIG GP Interests set forth opposite such TIG GP Member's name on Exhibit B free and clear of any Lien, proxy, option, right of first refusal, agreement, voting restriction, limitation on disposition, charge, adverse claim of ownership or use or other encumbrance of any kind, other than pursuant to (i) this Agreement, (ii) applicable securities Laws, and (iii) the TIG GP Operating Agreement, and as of the date of this Agreement, such TIG GP Member has the sole power (as currently in effect) to vote and full right, power and authority to sell, transfer and deliver such TIG GP Interests, and such TIG GP Member does not own, directly or indirectly, any other TIG GP Interests.

(d) As of the date of this Agreement, each TIG MGMT Member owns exclusively and has good, valid and marketable title to the TIG MGMT Interests set forth opposite such TIG MGMT Member's name on Exhibit C free and clear of any Lien, proxy, option, right of first refusal, agreement, voting restriction, limitation on disposition, charge, adverse claim of ownership or use or other encumbrance of any kind, other than pursuant to (i) this Agreement, (ii) applicable securities Laws, and (iii) the TIG MGMT Operating Agreement, and as of the date of this Agreement, such TIG MGMT Member has the sole power (as currently in effect) to vote and full right, power and authority to sell, transfer and deliver such TIG MGMT Interests, and such TIG MGMT Member does not own, directly or indirectly, any other TIG MGMT Interests.

(e) Such Member is a sophisticated investor and has adequate information concerning the business and financial condition of SPAC and the Companies to make an informed decision regarding this Agreement and the transactions contemplated by the BCA and has independently and without reliance upon SPAC or any of the Companies or any affiliate thereof, and based on such information as such Member has deemed appropriate, made its own analysis and decision to enter into this Agreement. Such Member acknowledges that SPAC and the Companies have not made and do not make any representation or warranty, whether express or implied, of any kind or character except as expressly set forth in this Agreement. Such Member acknowledges that the agreements contained herein with respect to the Interests held by such Member are irrevocable.

(f) Such Member has the power, authority and capacity to execute, deliver and perform this Agreement and this Agreement has been duly authorized, executed and delivered by such Member.

11. Termination. This Agreement and the obligations of the Members under this Agreement shall automatically terminate upon the earliest of (a) the Umbrella Merger Effective Time, (b) the termination of the BCA in accordance with its terms, and (c) the mutual agreement of the parties hereto. Upon termination of this Agreement, neither party shall have any further obligations or liabilities under this Agreement; provided that nothing in this Section 11 shall relieve any party of liability for any breach of this Agreement occurring prior to termination. The representations and warranties contained in this Agreement and in any certificate or other writing delivered pursuant hereto shall not survive the Closing or the termination of this Agreement.

12. Miscellaneous.

(a) Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses, whether or not the transactions contemplated hereby are consummated.

(b) All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by e-mail or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses or e-mail addresses (or at such other address or e-mail address for a party as shall be specified in a notice given in accordance with this Section 12(b)):

(c) If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

(d) This Agreement, the BCA and Ancillary Agreements constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, among the parties hereto, or any of them, with respect to the subject matter hereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise) by any party hereto without the prior express written consent of the other parties hereto.

(e) This Agreement shall be binding upon and inure solely to the benefit of each party hereto (and SPAC's permitted assigns), and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. No Member shall be liable for the breach by any other Member of this Agreement.

(f) The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties hereto shall be entitled, to the fullest extent permitted by Law, to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

(g) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State. Any Action arising out of or relating to this Agreement or the transactions contemplated hereby shall, to the fullest extent permitted by applicable Law, be heard and determined exclusively in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan. To the fullest extent permitted by applicable Law, the parties hereto hereby (i) irrevocably submit to the exclusive jurisdiction of the aforesaid courts for themselves and with respect to their respective properties for the purpose of any Action arising out of or relating to this Agreement or the transactions contemplated hereby brought by any party, and (ii) agree not to commence any such Action except in the courts described above in New York, other than any Action in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. To the fullest extent permitted by applicable Law, each of the parties hereto further agrees that notice as provided herein shall constitute sufficient service of process and the parties hereto further waive any argument that such service is insufficient. To the fullest extent permitted by applicable Law, each of the parties hereto hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Action arising out of or relating to this Agreement or the transactions contemplated hereby, (A) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (B) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and (C) that (x) the Action in any such court is brought in an inconvenient forum, (By) the venue of such Action is improper, or (z) this Agreement or the transactions contemplated hereby, or the subject matter hereof, may not be enforced in or by such courts.

(h) This Agreement may be executed and delivered (including by facsimile or portable document format (PDF) transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

(i) At the request of SPAC, in the case of any Member, or at the request of the Members, in the case of SPAC, and without further consideration, each party shall execute and deliver or cause to be executed and delivered such additional documents and instruments and take such further action as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

(j) This Agreement shall not be effective or binding upon any Member until after such time as the BCA is executed and delivered by the Companies, SPAC, Alvarium, Umbrella and Umbrella Merger Sub.

(k) Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any Action directly or indirectly arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the parties hereto (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of any Action, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this [Section 12\(k\)](#).

This Section 1 shall be void and of no force and effect if the BCA shall be terminated in accordance with its terms or the Closing has not timely occurred for any reason.

## 2. Sponsor Earn-Out Shares.

(a) Following the Closing, if, at any time during the period following the Closing and expiring on the fifth anniversary of the Closing Date (the “Earn-Out Period”), (i) the VWAP of the shares of SPAC Class A Common Stock equals or exceeds \$12.50 for any twenty (20) Trading Days within a period of thirty (30) consecutive Trading Days (the “First Level Earn-Out Target”), fifty percent (50%) of the Sponsor Earn-Out Shares (the “First Level Sponsor Earn-Out Shares”) shall no longer be subject to forfeiture pursuant to this Section 2 and (ii) the VWAP of the shares of SPAC Class A Common Stock equals or exceeds \$15.00 for any twenty (20) Trading Days within a period of thirty (30) consecutive Trading Days (the “Second Level Earn-Out Target” and, together with the First Level Earn-Out Target, the “Earn-Out Targets”), an additional fifty percent (50%) Sponsor Earn-Out Shares (the “Second Level Sponsor Earn-Out Shares”) shall no longer be subject to forfeiture pursuant to this Section 2.

(b) If either Earn-Out Target is, or both Earn-Out Targets are, achieved on or prior to the last day of the Earn-Out Period, then following the achievement of the applicable Earn-Out Target, (i) Sponsor shall provide written notice to SPAC informing SPAC that the applicable Earn-Out Target(s) have been satisfied and that the First Level Sponsor Earn-Out Shares or the Second Level Sponsor Earn-Out Shares, as applicable, are no longer subject to forfeiture and (ii) immediately following receipt of such notice from Sponsor, SPAC shall take all necessary action to cause the First Level Sponsor Earn-Out Shares or the Second Level Sponsor Earn-Out Shares, as applicable, to no longer be subject to forfeiture, including providing all necessary notices to CST.

(c) If an applicable Earn-Out Target has not been achieved on or prior to the last day of the Earn-Out Period, then the First Level Member Earn-Out Shares and Second Level Member Earn-Out Shares, as applicable, shall be forfeited and cancelled. Upon the forfeiture and cancellation of the First Level Sponsor Earn-Out Shares or the Second Level Sponsor Earn-Out Shares, as applicable, pursuant to the foregoing sentence, Sponsor shall surrender to SPAC for cancellation, the First Level Sponsor Earn-Out Shares or the Second Level Sponsor Earn-Out Shares, as applicable.

(d) Notwithstanding anything in this Agreement to the contrary, if (i) a SPAC Change of Control occurs during the Earn-Out Period and/or (ii) any Earn-Out Target of any of the Companies pursuant to Section 3.07 of the BCA has been deemed satisfied or waived during the Earn-Out Period, then, immediately prior to the consummation of such SPAC Change of Control and/or such satisfaction or waiver of any Earn-Out Target of any of the Companies, respectively, (A) any applicable Earn-Out Target that has not been previously satisfied shall be deemed to be satisfied and (B) the First Level Sponsor Earn-Out Shares or the Second Level Sponsor Earn-Out Shares, as applicable, shall no longer be subject to forfeiture. For the purposes of this Agreement, a “SPAC Change of Control” means (1) a sale, lease, license or other disposition, in a single transaction or a series of related transactions, of fifty percent (50%) or more of the assets of SPAC and its Subsidiaries, taken as a whole; (2) a merger, consolidation or other business combination of SPAC in any person or “group” (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act as in effect on the Closing Date) acquiring at least fifty percent (50%) of the combined voting power of the then outstanding securities of SPAC or the surviving person outstanding immediately after such merger, consolidation or other business combination; or (3) any person or “group” (within the meaning of Rules 13d-3 and 13d-5 under the Exchange Act as in effect on the Closing Date) obtaining beneficial ownership (as defined in Rules 13d-3 and 13d-5 under the Exchange Act) of the voting stock of SPAC representing more than fifty percent (50%) of the voting power of the capital stock of SPAC entitled to vote for the election of directors of SPAC.

(e) The Sponsor Earn-Out Shares and the Earn-Out Targets shall be adjusted to reflect appropriately the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into shares of SPAC Class A Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to shares of SPAC Class A Common Stock, occurring on or after the date hereof.

(f) Until and unless the Sponsor Earn-Out Shares are forfeited, Sponsor will have full ownership rights to the Sponsor Earn-Out Shares, including the right to vote such shares and to receive dividends and distributions thereon.

(g) For purposes of this Section 2, (i) “VWAP” means, for shares of SPAC Class A Common Stock as of any Trading Day, the volume-weighted average dollar price for such shares traded on Nasdaq during the period beginning at 9:30:01 a.m., New York time on each Trading Day during the applicable period and ending at 4:00:00 p.m., New York time on each Trading Day during the applicable period, as reported by Bloomberg through its “HP” function (set to weighted average); and (ii) “Trading Day” means any day on which the shares of SPAC Class A Common Stock are actually traded on Nasdaq.

(h) This Section 2 shall be void and of no force and effect if the BCA shall be terminated in accordance with its terms or the Closing shall not occur for any reason.

3. Sponsor Redemption Shares. Sponsor hereby agrees that, if the Net Redemption Percentage (as defined below) is more than fifty percent (50%), then immediately prior to the Closing and prior to the SPAC Class B Conversion pursuant to the SPAC Articles, Sponsor shall surrender to SPAC for cancellation a number Sponsor Redemption Shares (rounded down to the nearest whole share) equal to the product of (a) the number of Sponsor Redemption Shares and (b) a percentage equal to the product of (i) the amount by which the Net Redemption Percentage exceeds fifty percent (50%) and (ii) two (2). An illustrative example setting forth the foregoing calculation is set forth on Exhibit A attached hereto and, for the avoidance of doubt, if the Net Redemption Percentage is fifty percent (50%) or less, no forfeiture of the Sponsor Redemption Shares shall be required pursuant to this Section 3. For purposes of this Section 3, (a) the “Net Redemption Amount” means the positive difference, if any, between (i) the aggregate amount of payments to be made to the holders of SPAC Class A Ordinary Shares that have elected to redeem all or a portion of their SPAC Class A Ordinary Shares at the per-share price equal to each such holder’s pro rata share of the Trust Account pursuant to the SPAC Share Redemption minus (ii) aggregate amount of funds in excess of US\$125,000,000 to be paid by certain investors to purchase SPAC Class A Ordinary Shares pursuant to Private Placements and the Subscription Agreements relating to the Private Placements (it being understood that if the difference between clauses (i) and (ii) above shall be zero or a negative number, then there shall be no Net Redemption Amount and the provisions of this Section 3 shall not apply) and (b) the “Net Redemption Percentage” means a percentage equal to the quotient of (i) the Net Redemption Amount, if any, divided by (ii) the amount of funds contained in the Trust Account as of the Reference Time (prior to giving effect to the exercise of the SPAC Share Redemption). This Section 3 shall be void and of no force and effect if the BCA shall be terminated in accordance with its terms or the Closing shall not occur for any reason.

4. Sponsor SPAC Warrants. Sponsor hereby agrees that, effective as of immediately prior to the Umbrella Merger Effective Time and pursuant to, and in accordance with, Section 3.03 of the BCA, Sponsor shall transfer and assign all of its right, title and interest in 8,900,000 Private Placement Warrants (as defined below) to the TWMH Members, the TIG GP Members, the TIG MGMT Members and the Alvarium Shareholders, which shall be allocated to and among the TWMH Members, the TIG GP Members, the TIG MGMT Members and the Alvarium Shareholders pursuant to, and in accordance with, the TWMH Payment Spreadsheet, the TIG Entities Payment Spreadsheet, and the Alvarium Payment Spreadsheet, respectively. Sponsor and SPAC shall take all reasonably necessary actions required to effect the transfer and assignment of the Private Placement Warrants as of immediately prior to the Umbrella Merger Effective Time pursuant to this Section 4 and Section 3.03 of the BCA. This Section 4 shall be void and of no force and effect if the BCA shall be terminated in accordance with its terms or the Closing shall not occur for any reason. The “Private Placement Warrants” means the Private Placement Warrants as defined in the SPAC Warrant Agreement.

5. Transfer of Sponsor Founder Shares and Sponsor Earn-Out Shares.

(a) Sponsor agrees that until the expiration of the Earn-Out Period, Sponsor shall not, directly or indirectly, (a) sell (including short sells), offer to sell, assign, transfer (including by operation of law), lien, hypothecate, grant any option to purchase, pledge, dispose of or otherwise encumber any Sponsor Earn-Out Shares, (b) deposit any Sponsor Earn-Out Shares into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Agreement, (c) enter into any contract, option or other arrangement or undertaking with respect to the direct or indirect acquisition or sale, assignment, transfer (including by operation of law) or other disposition of any Sponsor Earn-Out Shares, or (d) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Sponsor Earn-Out Shares; provided that the foregoing shall not prohibit the transfer of the Sponsor Earn-Out Shares to an affiliate of Sponsor, but only if such affiliate of Sponsor shall execute this Agreement or a joinder agreeing to become a party to this Agreement. In furtherance of this Agreement, the Sponsor hereby authorizes and will instruct SPAC, promptly after the date hereof, to enter, or cause its transfer agent to enter, a stop transfer order with respect to all of Sponsor Earn-Out Shares with respect to any transfer not permitted hereunder. Notwithstanding the foregoing, this Section 5(a) shall not apply to any Sponsor Earn-Out Shares for which the applicable Earn-Out Target is, or both Earn-Out Targets are, achieved.

(b) Sponsor further acknowledges and agrees that the Sponsor Founder Shares are subject to the transfer restrictions under that certain Letter Agreement, dated February 23, 2021 between Sponsor and Cartesian Growth Corporation (the "Letter Agreement") and, after the Closing, the Registration Rights and Lock-Up Agreement. Sponsor hereby agrees that the Companies are express third party beneficiaries of the Letter Agreement with rights to enforce the provisions thereof against the Sponsor.

6. Waiver of Redemption Rights. Sponsor agrees not to (a) demand that SPAC redeem the Sponsor Founder Shares in connection with the Transactions or (b) otherwise participate in any such redemption by tendering or submitting any of the Sponsor Founder Shares for redemption. This Section 6 shall be void and of no force and effect if the BCA shall be terminated in accordance to its terms or the Closing shall not occur for any reason.

7. Waiver of Anti-Dilution Rights. Sponsor, on behalf of itself and all other holders of SPAC Class B Ordinary Shares, hereby waives the provisions of Section 17.3 set forth in the SPAC Articles relating to the adjustment of the Initial Conversion Ratio (as defined in the SPAC Articles) in connection with the Transactions and agrees not to exercise, assert or perfect, any rights to adjustment or other anti-dilution protections with respect to the rate at which SPAC Class B Ordinary Shares held by such Sponsor convert into SPAC Class A Ordinary Shares, whether resulting from the transactions contemplated by the BCA or otherwise, so that each SPAC Class B Ordinary Share held by such Sponsor or Beneficial Owner issued and outstanding as of the Closing shall convert into one SPAC Class A Ordinary Share pursuant to, and in accordance with, the SPAC Articles. This Section 7 shall be void and of no force and effect if the BCA shall be terminated or the Closing shall not occur for any reason.

8. New Shares. In the event that (a) any SPAC Ordinary Shares, SPAC Warrants or other equity securities of SPAC are issued to the Sponsor after the date of this Agreement pursuant to any stock dividend, stock split, recapitalization, reclassification, combination or exchange of SPAC Ordinary Shares or SPAC Warrants of, on or affecting the SPAC Ordinary Shares or SPAC Warrants owned by the Sponsor or otherwise, (b) the Sponsor purchases or otherwise acquires beneficial ownership of any SPAC Ordinary Shares, SPAC Warrants or other equity securities of SPAC after the date of this Agreement, or (c) the Sponsor acquires the right to vote or share in the voting of any SPAC Ordinary Shares or other equity securities of SPAC after the date of this Agreement (such SPAC Ordinary Shares, SPAC Warrants or other equity securities of SPAC, collectively the "New Securities"), then such New Securities acquired or purchased by the Sponsor shall be subject to the terms of this Agreement (other than Section 2, Section 3 and Section 5 of this Agreement) to the same extent as if they constituted the SPAC Ordinary Shares or SPAC Warrants owned by the Sponsor as of the date hereof.

9. Representations and Warranties. Sponsor represents and warrants to the Companies as follows:

(a) Organization. Sponsor is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated, formed, organized or constituted, and the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby are within the Sponsor's corporate, limited liability company or organizational powers and have been duly authorized by all necessary corporate, limited liability company or organizational actions on the part of the Sponsor.

(b) No Conflicts. The execution, delivery and performance by Sponsor of this Agreement and the consummation by Sponsor of the transactions contemplated hereby do not and will not (i) conflict with or violate any United States or non-United States Law applicable to Sponsor, (ii) require any consent, approval or authorization of, declaration, filing or registration with, or notice to, any person or entity, (iii) result in the creation of any encumbrance on any Sponsor Founder Shares (other than under this Agreement, the BCA and the agreements contemplated by the BCA, including the other Ancillary Agreements), or (iv) conflict with or result in a breach of or constitute a default under any provision of Sponsor's governing documents.

(c) Ownership. As of the date of this Agreement, Sponsor owns exclusively and has good, valid and marketable title to the Sponsor Founder Shares free and clear of any Lien, proxy, option, right of first refusal, agreement, voting restriction, limitation on disposition, charge, adverse claim of ownership or use or other encumbrance of any kind, other than pursuant to (i) this Agreement, (ii) applicable securities Laws, and (iii) the SPAC Articles, and as of the date of this Agreement, Sponsor has the sole power (as currently in effect) to vote and right, power and authority to sell, transfer and deliver the Sponsor Founder Shares, and Sponsor does not own, directly or indirectly, any other SPAC Class B Ordinary Shares.

(d) Due Authorization. Sponsor has the power, authority and capacity to execute, deliver and perform this Agreement and this Agreement has been duly authorized, executed and delivered by Sponsor and, assuming due authorization, execution and delivery by the other parties to this Agreement, this Agreement constitutes a legally valid and binding obligation of the Sponsor, enforceable against the Sponsor in accordance with the terms hereof (except as enforceability may be limited by bankruptcy Laws, other similar Laws affecting creditors' rights and general principles of equity affecting the availability of specific performance and other equitable remedies).

(e) Litigation. There are no Actions pending against the Sponsor, or to the knowledge of the Sponsor threatened against Sponsor, before (or, in the case of threatened Actions, that would be before) any arbitrator or any Governmental Authority, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by Sponsor of its obligations under this Agreement, the BCA or the transactions contemplated thereby.

(f) Acknowledgment. Sponsor understands and acknowledges that the Companies are entering into the BCA in reliance upon their execution and delivery of this Agreement.

10. Termination. The obligations of the parties hereof under (a) Sections 1, 3, 4, 6, 7, 8 and 9 of this Agreement shall automatically terminate upon the earlier of (i) the Umbrella Merger Effective Time and (ii) the termination of the BCA in accordance with its terms and (b) Section 2 and Section 5(a) of this Agreement shall automatically terminate upon the earlier of (i) the day after the last day of the Earn-Out Period, (ii) the achievement of the Earn-Out Targets, and (iii) the termination of the BCA in accordance with its terms, and (c) Section 5(b) of this Agreement shall terminate upon the termination of the BCA in accordance with its terms, except that, if the Umbrella Merger Effective Time shall occur, Section 5(b) shall terminate in accordance with the terms of the Registration Rights and Lock-Up Agreement. Upon termination or expiration of this Agreement, no party shall have any further obligations or liabilities under this Agreement. Notwithstanding any termination of this Agreement, no such termination or expiration shall relieve any party hereto from liability for fraud or willful breach of this Agreement occurring prior to its termination.

11. Miscellaneous.

(a) All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by e-mail or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses or e-mail addresses (or at such other address or e-mail address for a party as shall be specified in a notice given in accordance with this Section 7(a)):

(b) If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

(c) (i) The words “hereof”, “herein”, and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement; (ii) the words “date hereof,” when used in this Agreement, shall refer to the date set forth in the Preamble; (iii) the terms defined in the singular have a comparable meaning when used in the plural, and vice versa; (iv) the terms defined in the present tense have a comparable meaning when used in the past tense, and vice versa; (v) any references herein to a specific Section or Article shall refer, respectively, to Sections or Articles of this Agreement; (vi) references herein to any gender (including the neuter gender) includes each other gender; (vii) the word “or” shall not be exclusive; (viii) the headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof, and (ix) the parties hereto have participated jointly in the negotiation and drafting of this Agreement and, in the event that an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

(d) Sponsor agrees while this Agreement is in effect, not to take or agree or commit to take any action that would make any representation and warranty of Sponsor contained in this Agreement inaccurate or has the effect of preventing or disabling Sponsor from performing its obligations under this Agreement.

(e) This Agreement is intended to create, and creates, a contractual relationship and is not intended to create, and does not create, any agency, partnership, joint venture or any like relationship between the parties hereto.

(f) This Agreement, the BCA and Ancillary Agreements constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, among the parties hereto, or any of them, with respect to the subject matter hereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise) by any party hereto without the prior express written consent of the other parties hereto.

(g) This Agreement shall be binding upon and inure solely to the benefit of each party hereto (and each of SPAC’s and Sponsor’s permitted assigns), and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(h) The parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof, and, accordingly, that the parties hereto shall, to the fullest extent permitted by Law, be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan without proof of actual damages or otherwise, in addition to any other remedy to which they are entitled at law or in equity. To the fullest extent permitted by applicable Law, each of the parties hereto hereby further waives (i) any defense in any Action for specific performance that a remedy at law would be adequate and (ii) any requirement under any Law to post security or a bond as a prerequisite to obtaining equitable relief.

(i) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State. Any Action arising out of or relating to this Agreement or the transactions contemplated hereby shall, to the fullest extent permitted by applicable Law, be heard and determined exclusively in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan. To the fullest extent permitted by applicable Law, the parties hereto hereby (i) irrevocably submit to the exclusive jurisdiction of the aforesaid courts for themselves and with respect to their respective properties for the purpose of any Action arising out of or relating to this Agreement or the transactions contemplated hereby brought by any party, and (ii) agree not to commence any such Action except in the courts described above in New York, other than any Action in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. To the fullest extent permitted by applicable Law, each of the parties hereto further agrees that notice as provided herein shall constitute sufficient service of process and the parties hereto further waive any argument that such service is insufficient. To the fullest extent permitted by applicable Law, each of the parties hereto hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Action arising out of or relating to this Agreement or the transactions contemplated hereby, (A) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (B) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and (C) that (x) the Action in any such court is brought in an inconvenient forum, (y) the venue of such Action is improper, or (z) this Agreement or the transactions contemplated hereby, or the subject matter hereof, may not be enforced in or by such courts.

(j) This Agreement may be executed and delivered (including by facsimile or portable document format (PDF) transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

(k) Without further consideration, each party hereto shall execute and deliver or cause to be executed and delivered such additional documents and instruments and take all such further action as may be reasonably necessary or desirable to consummate the transactions contemplated by this Agreement.

(l) This Agreement shall not be effective or binding upon any party hereto until after such time as the BCA is executed and delivered by SPAC, the Companies, Umbrella Merger Sub and Umbrella.

(m) Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any Action directly or indirectly arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the parties hereto (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of any Action, seek to enforce that foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this [Section 7\(m\)](#).

This Recycling Commitment Agreement (this "Agreement") is made as of September 19, 2021, by and between CGC Sponsor LLC, a Cayman Islands limited liability company (the "Sponsor"), and Cartesian Growth Corporation, an exempted company limited by shares incorporated under the laws of the Cayman Islands (whose name is expected to change to Alvarium Tiedemann Capital, Inc. and whose jurisdiction of registration will be changed from the Cayman Islands to the State of Delaware pursuant to a domestication upon the closing of the Transaction (as defined below)) (the "Company").

WHEREAS, the Company and the Target Companies (as defined below) intend to enter into that certain business combination (the "Transaction"), pursuant to the Business Combination Agreement, dated as of September 19, 2021, by and among the Company, Rook MS LLC, a Delaware limited liability company ("Umbrella Merger Sub"), Tiedemann Wealth Management Holdings, LLC, a Delaware limited liability company ("TWMH"), TIG Trinity GP, LLC, a Delaware limited liability company ("TIG GP"), TIG Trinity Management, LLC, a Delaware limited liability company ("TIG MGMT" and, together with TIG GP, the "TIG Entities"), Alvarium Investments Limited, an English private limited company ("Alvarium" and, together with TWMH and the TIG Entities, the "Target Companies" each a "Target Company"), and Alvarium Tiedemann Capital, LLC, a Delaware limited liability company ("Umbrella"); and

WHEREAS, the Sponsor and the Company wish to memorialize their intention for the Sponsor to acquire shares of the Company's Class A ordinary shares, par value \$0.0001 per share (the "Class A Ordinary Shares"), such that those shares shall not be redeemed for a pro rata portion of the cash held in the Company's trust account in connection with the consummation of the Transaction.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Commitment.

(a) The Sponsor agrees that it shall, as soon as practicable (and in any event at least two (2) Business Days) prior to the date of the special meeting of the Company's shareholders to vote on the Transaction (the "Special Meeting"), purchase Class A Ordinary Shares (such purchased shares, the "Commitment Shares") from all third-party holders of Class A Ordinary Shares that have been identified by the Sponsor as sellers of Class A Ordinary Shares at a price of no more than \$10.00 per share (such shareholders, the "Redeeming Shareholders"), to the extent such Commitment Shares are available for purchase; provided that the aggregate purchase price of the Commitment Shares shall not exceed \$12,500,000. To the extent that the Sponsor purchases any such Class A Ordinary Shares from Redeeming Shareholders that have exercised their redemption rights, the Sponsor shall require that, as a condition of any such purchase, such Redeeming Shareholder withdraws its election to exercise redemption rights with respect to any and all shares of Class A Ordinary Shares being purchased by the Sponsor with respect to the Transaction.

(b) Upon the request of the Company, whether at or before the closing date of the Transaction (the "Closing Date"), the Sponsor shall provide all documentary evidence reasonably requested by the Company, including a broker certification, to confirm (i) the number of Commitment Shares, (ii) that the Sponsor owns such Commitment Shares, and (iii) any such shares as to which redemption rights had previously been exercised have been effectively withdrawn from redemption with respect to the Transaction.

(c) For the purposes of this Agreement, a "Business Day" means any day, except Saturday or Sunday, on which banks are not required or authorized to close in New York, New York or London, England.

2. Termination. In the event that the closing of the Transaction does not occur for any reason, this Agreement shall be terminated with no further force or effect.

3. Further Assurances. The parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the transactions contemplated by this Agreement.

4. Representations and Warranties. The Sponsor represents and warrants to the Company that this Agreement has been duly authorized, validly executed and delivered by the Sponsor and, assuming that this Agreement constitutes the valid and binding obligation of the Company, is the valid and binding obligation of the Sponsor and is enforceable against the Sponsor in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally and (ii) principles of equity, whether considered at law or equity.

---

Neither this Agreement nor any rights that may accrue to the undersigned hereunder may be transferred or assigned.

(b) This Agreement may not be modified, waived or terminated except both: (i) by an instrument in writing, signed by the party against whom enforcement of such modification, waiver, or termination is sought, and (ii) the consent of each of the Target Companies.

(c) This Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof. Except as otherwise provided herein, this Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns. Each of the Company and Sponsor acknowledge and agree that each of the Target Companies is an express third party beneficiary hereof, entitled to specifically enforce the obligations of Sponsor hereunder to the full extent hereof and, in connection with the Transaction, each of the Target Companies has the right to seek and obtain an injunction, or other appropriate form of specific performance or equitable relief, to cause Sponsor to fund, directly or indirectly, its obligation and commitment to purchase the Commitment Shares pursuant to the terms hereof.

(d) Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

(e) If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(f) This Agreement may be executed in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(g) The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise.

**(h) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS THAT WOULD OTHERWISE REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER STATE. EACH PARTY HERETO HEREBY WAIVES ANY RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY LITIGATION PURSUANT TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY.**

(i) Each of the parties hereto irrevocably consents to the exclusive jurisdiction and venue of any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan (the "Chosen Courts"), in connection with any matter based upon or arising out of this Agreement. Each party hereof hereby waives, and shall not assert as a defense in any legal dispute, that (i) such person is not personally subject to the jurisdiction of the Chosen Courts for any reason, (ii) such legal proceeding may not be brought or is not maintainable in the Chosen Courts, (iii) such person's property is exempt or immune from execution, (iv) such legal proceeding is brought in an inconvenient forum, or (v) the venue of such legal proceeding is improper. Each party hereof hereby consents to service of process in any such proceeding in any manner permitted by New York law, further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 8(a) and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Notwithstanding the foregoing in this Section 8(j), a party hereof may commence any action, claim, cause of action or suit in a court other than the Chosen Courts solely for the purpose of enforcing an order or judgment issued by the Chosen Courts. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES HEREOF WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS AGREEMENT WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT. FURTHERMORE, NO PARTY HEREOF SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

THIS EXCHANGE AGREEMENT (this “**Agreement**”) is executed and delivered as a Deed as of September 19, 2021, by and among CARTESIAN GROWTH CORPORATION, a Cayman Islands exempted company (the “**Company**”), ALVARIUM INVESTMENTS LIMITED, an English private limited company (“**Alvarium**”), and the holders of shares set forth on the signature pages hereto (each, a “**Holder**” and, collectively, the “**Holders**”).

## RECITALS

WHEREAS, on the date hereof, the Company has entered into that certain Business Combination Agreement (the “**BCA**”), by and among the Company, Rook MS LLC, a Delaware limited liability company, Alvarium Tiedemann Capital, LLC, a Delaware limited liability company, Alvarium, Tiedemann Wealth Management Holdings, LLC, a Delaware limited liability company, TIG Trinity GP, LLC, a Delaware limited liability company, and TIG Trinity Management, LLC, a Delaware limited liability company. Capitalised words not otherwise defined in this Agreement shall have the meaning given to them in the BCA.

WHEREAS, the Company will redomicile as a Delaware corporation prior to the Alvarium Exchange (as defined below).

WHEREAS, prior to the Closing, in accordance with, and pursuant to, the Alvarium Reorganization Plan, Alvarium shall take, or cause to be taken, all actions necessary to implement the Alvarium Reorganization such that, upon completion of the Alvarium Reorganization, Alvarium shall be the wholly owned indirect subsidiary of Alvarium Topco and Alvarium Topco shall be owned solely by the Alvarium Shareholders;

WHEREAS, the Holders and the Company desire to exchange that number of Alvarium Ordinary Shares and Alvarium Class A Shares which, upon implementation of the Alvarium Reorganization, will be owned by the Holders as set forth on EXHIBIT A attached hereto, plus any other Alvarium Ordinary Shares and Alvarium Class A Shares that the Holders may acquire, be issued or transferred, or otherwise come to hold (including, for the avoidance of doubt, as a result of exercise of any of the Alvarium Option Agreements) prior to the Exchange Closing (the “**Shares**”), for that number and type of SPAC Class A Common Stock as is equal to each Holder’s portion of the Alvarium Shareholders Share Consideration as determined in accordance with the BCA (collectively, the “**Exchange Shares**”), as set forth herein.

NOW, THEREFORE, in order to induce the Company to enter into the BCA and for other good and valid consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Holders agree as follows:

## AGREEMENT

## 1. AGREEMENT TO EXCHANGE.

**1.1 Authorization of the Domestication and Issuance of Exchange Shares.** Subject to and in accordance with the terms and conditions set forth in the BCA, the Company shall, at Closing, effect the Domestication, following which the Company shall be domiciled as a Delaware corporation. The Domestication and issuance of the Exchange Shares in exchange for the Shares, as set forth herein, shall, in accordance with the BCA, be subject to approval by the Company’s shareholders at the SPAC Shareholders’ Meeting. After the Domestication Effective Time, the Exchange Shares shall have the rights, preferences, privileges and restrictions set forth in the SPAC Certificate of Incorporation.

---

**1.2 Exchange of Shares.** In accordance with, and pursuant to the provisions of, Section 3.03 of the BCA, subject the conditions to Closing set forth in Article XI of the BCA being satisfied or waived (in accordance with the BCA), at the Exchange Closing (as defined below), each of the Holders shall surrender, transfer and assign the Shares held by such Holder to the Company with full title guarantee and free of any encumbrance, together with all rights attaching or accruing thereto, and the Company will issue to each such Holder, in exchange for such Shares, the Exchange Shares as specified in the Alvarium Payment Spreadsheet (the exchange of the Shares for the Exchange Shares, as described in this Agreement, being hereinafter referred to as the “*Alvarium Exchange*”). Not less than two (2) Business Days prior to Closing, Alvarium shall deliver an updated copy of Exhibit A which shall be a true and accurate statement of the Shares held by all Holders (and any new shareholders of Alvarium, each of whom shall adhere to this Agreement (or otherwise agree to participate in the Exchange on substantially the same terms as set forth in this Agreement)) immediately prior to Exchange Closing (which information shall be included in the Alvarium Payment Spreadsheet).

**1.3 Waiver of pre-emption rights.** Each Holder irrevocably waives all rights of pre-emption over, or other rights to restrict the transfer of, the Shares held by it, whether conferred by the certificate of incorporation or memorandum and/or articles of association of Alvarium Topco, any shareholders’ agreement or in any other way, and shall procure that all such rights conferred on any other person are waived no later than Exchange Closing so as to permit the transfer of the Shares pursuant to and in accordance with this Agreement. The Company may, at its sole discretion, request evidence of such valid waivers of each such Holder pursuant to this Section 1.3 and upon such request, each such Holder shall promptly provide such evidence.

## **2. CLOSING; DELIVERY.**

**2.1 Closing.** The closing of the Alvarium Exchange (the “*Exchange Closing*”) shall take place on the Closing Date, immediately following the Domestication and immediately prior to the effectiveness of the Umbrella Merger, remotely via the electronic exchange of documents.

**2.2 Delivery.** At the Exchange Closing, upon the terms and subject to the conditions hereof, the Company shall issue the Exchange Shares to the Holders in non-certificated book-entry form against the tender of the Shares, in each case duly endorsed for transfer. At the Exchange Closing, each Holder shall deliver to the Company: (a) a duly executed share transfer form in respect of the Shares held by it; (b) the share certificates representing such Shares or, in lieu thereof, or an indemnity in a customary and reasonable form provided by the Company; and (c) an irrevocable power of attorney, in the agreed form, duly executed by such Holder and any other registered owner of the Shares in favor of the Company or its nominee(s) to enable the Company (pending registration of the relevant transfers) to exercise all voting and other rights attaching to the Shares and to appoint proxies for this purpose. The register of members of Alvarium shall be updated to reflect the Alvarium Exchange in accordance with the terms of the BCA.

**2.3 Failure to Deliver.** If, at the Exchange Closing, a Holder shall fail to tender and deliver any Shares (the “*Non-Tendered Shares*”), either by failure to execute and deliver any appropriate share transfer form, share certificate or indemnity in lieu thereof, or voting power of attorney, the SPAC and each of its directors shall be authorised to execute and deliver on behalf of each such Holder the relevant share transfer form, share certificate indemnity or voting power of attorney, as applicable, and the Alvarium Exchange with respect to any such Non-Tendered Shares shall proceed in accordance with this Agreement and the BCA.

**2.4 English Law Power of Attorney.** By way of security to secure the performance of obligations owed by each Holder to the Company under this Agreement (and in default of execution by the relevant Holder), each Holder hereby irrevocably, unconditionally and severally appoints the Company and each of the Company’s directors to be that Holder’s attorney (each, an “*Attorney*”) with the power on that Holder’s behalf to execute and deliver all instruments, deeds and documents and to do all acts and things as may be required to discharge each of that Holder’s obligations pursuant to this Agreement. Each Attorney shall have the power to sub-delegate this power and to appoint a substitute attorney in addition to the Company and/or such directors. Each Holder undertakes to ratify and confirm whatever any Attorney, substitute attorney or other person to whom the power is sub-delegated, does or purports to do in good faith in the exercise of any power conferred by this power of attorney and each Holder agrees that a person who deals in good faith with any Attorney, substitute attorney or other person to whom the power is sub-delegated, may accept a written statement signed by the Company, any of its directors or any other such person, to the effect that this power of attorney has not been revoked as conclusive evidence of that fact.

### **3. ALVARIUM REORGANIZATION.**

**3.1** Alvarium shall take, or cause to be taken, all actions necessary to implement the Alvarium Reorganization in accordance with, and pursuant to the provisions of, Section 2.01(a)(ii) of the BCA.

**3.2** Each Holder irrevocably, unconditionally and severally appoints Alvarium and each of Alvarium’s directors to be that Holder’s attorney (each, an “*Alvarium Attorney*”) with the power on that Holder’s behalf to take, or cause to be taken, all actions, and to do, or cause to be done, such things as are necessary, proper, advisable, requested or required by Alvarium or otherwise, including executing and delivering all instruments, deeds and documents to consummate, make effective and implement the Alvarium Reorganization. Each Alvarium Attorney shall have the power to sub-delegate this power and to appoint a substitute attorney in addition to the Company and/or such directors. Each Holder undertakes to ratify and confirm whatever any Alvarium Attorney, substitute attorney or other person to whom the power is sub-delegated, does or purports to do in good faith in the exercise of any power conferred by this power of attorney and each Holder agrees that a person who deals in good faith with any Alvarium Attorney, substitute attorney or other person to whom the power is sub-delegated, may accept a written statement signed by the Company, any of its directors or any other such person, to the effect that this power of attorney has not been revoked as conclusive evidence of that fact.

**4. REPRESENTATIONS OF THE HOLDERS.** Each Holder hereby represents and warrants to the Company as follows:

**4.1 Title.** The Holder is, as at the date of this Agreement, the sole legal and beneficial owner of, and has good and valid title to, the shares in the capital of Alvarium set out opposite such Holder's name in columns 2 and 3 of Exhibit A, free of any liens, encumbrances, claims or restrictions, and, upon implementation of the Alvarium Reorganization, as at Closing, will be the sole legal and beneficial owner of, and will have good and valid title to, the Shares free of any liens, encumbrances, claims or restrictions, as set out opposite such Holder's name in columns 4 and 5 of Exhibit A.

**4.2 Order, Action or Proceedings.** The Holder is not and at the Closing will not be subject to any order or bound by any contract or other instrument that may have an adverse effect on the Holder's ability to comply with this Agreement or to deliver the Shares free of any liens, encumbrances, claims or restrictions, and there is no legal, administrative, regulatory or governmental proceeding or investigation (a "**Proceeding**") pending, and no person or entity has threatened in writing to commence any Proceeding, that would reasonably be expected to have such effect. No event has occurred, and no claim, dispute or other condition or circumstance exists, that might directly or indirectly give rise to or serve as a basis for the commencement of any such Proceeding against the Holder or the Shares.

**4.3 Requisite Power and Authority.** The Holder has all necessary power and authority under all applicable provisions of law to execute and deliver this Agreement and to carry out its provisions. All action on the Holder's part required for the lawful execution and delivery of this Agreement has been and at the Closing will have been taken. Upon its execution and delivery, this Agreement will be valid and binding obligations of the Holder, enforceable against the Holder in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (b) as limited by general principles of equity that restrict the availability of equitable remedies.

**4.4 Investment Representations.** The Holder understands that none of the Exchange Shares (the "**Securities**") have been registered under the Securities Act of 1933, as amended (the "**Securities Act**"). The Holder also understands that the Securities are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon the Holders' representations contained in this Agreement. The Holder further represents and warrants as follows:

**(a) Purchaser Bears Economic Risk.** The Holder has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company so that it is capable of evaluating the merits and risks of its investment in the Company and has the capacity to protect its own interests. The Holder must bear the economic risk of this investment indefinitely unless the Securities are registered pursuant to the Securities Act, or an exemption from registration is available. The Holder understands that the Company has no present intention of registering the Securities. The Holder also understands that there is no assurance that any exemption from registration under the Securities Act will be available and that, even if available, such exemption may not allow the Holder to transfer all or any portion of the Securities under the circumstances, in the amounts or at the times the Holders might propose.

**(b) Acquisition for Own Account.** The Holder is acquiring the Securities for Holder's own account for investment only, and not with a view towards their distribution.

**(c) Purchaser Can Protect Its Interest.** The Holder represents that by reason of its, or of its management's, business or financial experience, it has the capacity to protect its own interests in connection with the transactions contemplated in this Agreement. Further, the Holder is aware of no publication of any advertisement in connection with the Exchange Transaction.

**(d) Accredited Investor.** The Holder represents that it is an accredited investor within the meaning of Regulation D under the Securities Act.

**(e) Company Information.** The Holder has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. The Holder has also had the opportunity to ask questions of and receive answers from, the Company and its management regarding the terms and conditions of its investment in the Company.

**(f) Rule 144.** The Holder acknowledges and agrees that the Securities are "restricted securities" as defined in Rule 144 promulgated under the Securities Act as in effect from time to time and must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. The Holder has been advised or are aware of the provisions of Rule 144, which permits limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things: the availability of certain current public information about the Company, the resale occurring following the required holding period under Rule 144 and the number of shares being sold during any three-month period not exceeding specified limitations.

## 5. CONDITIONS TO CLOSING

**5.1 Mutual Conditions.** The obligations of each party to this Agreement to proceed with the Exchange Closing are subject to the satisfaction or appropriate waiver, as applicable, of the conditions to Closing set forth in Article XI of the BCA and the parties to the BCA having proceeded to Closing.

## 6. MISCELLANEOUS

**6.1 Governing Law.** This Agreement (other than Section 2.4 of this Agreement (the “*English Law Provisions*”)) shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in the State of New York. Any claim, action, cause of action, demand, lawsuit, arbitration, inquiry, audit, notice of violation, bid protest, hearing, proceeding (including any civil, criminal, administrative, investigative or appellate or informal proceeding), litigation, citation, summons, subpoena or investigation of any nature, civil, criminal, administrative, regulatory or otherwise, whether at law or in equity arising out of or relating to this Agreement or the transactions contemplated hereby, in each case other than the English Law Provisions (an “*Action*”) shall, to the fullest extent permitted by applicable Law, be heard and determined exclusively in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan. To the fullest extent permitted by applicable Law, the parties hereby (a) irrevocably submit to the exclusive jurisdiction of the aforesaid courts for themselves and with respect to their respective properties for the purpose of any Action, and (b) agree not to commence any such Action except in the courts described above in New York, other than any Action in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. To the fullest extent permitted by applicable Law, each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. To the fullest extent permitted by applicable Law, each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any Action, (i) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the Action in any such court is brought in an inconvenient forum, (B) the venue of such Action is improper or (C) this Agreement or the transactions contemplated hereby, or the subject matter hereof, may not be enforced in or by such courts.

**6.2 Governing Law of Section 2.4.** The English Law Provisions and any disputes or claims arising out of or in connection with them, their subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. The courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with the English Law Provisions or their subject matter or formation (including non-contractual disputes or claims).

**6.3 Waiver of Jury Trial.** Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law, any right it may have to a trial by jury with respect to any Action directly or indirectly arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the parties hereto (a) certifies that no officer, director, employee, accountant, consultant, financial advisor, legal counsel, agent, attorney or other representative of any other party has represented, expressly or otherwise, that such other party would not, in the event of any Action, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties have been induced to enter into this Agreement and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this Section 6.3.

**6.4 Entire Agreement; Assignment.** This Agreement and the Exhibits hereto constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise) by any party without the prior express written consent of the other parties.

**6.5 Parties in Interest.** This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

**6.6 Severability.** If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

**6.7 Amendment.** This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed in the same manner as this Agreement and which makes reference to this Agreement, and only upon the written consent of the Company and the Holders.

**6.8 Notices.** All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by email or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the address indicated for such party on the signature pages hereto (or at such other address for a party as shall be specified in a notice given in accordance with this Section 6.8).

**6.9 Headings.** The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

**6.10 Counterparts.** This Agreement may be executed and delivered (including by facsimile or portable document format (pdf) transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

**6.11 Specific Performance.** The parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof, and, accordingly, that the parties hereto shall, to the fullest extent permitted by law, be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including such parties' obligation to consummate the transactions contemplated hereby) in any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan without proof of actual damages or otherwise, in addition to any other remedy to which they are entitled at law or in equity as expressly permitted in this Agreement. To the fullest extent permitted by applicable law, each of the parties hereby further waives (a) any defense in any Action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security or a bond as a prerequisite to obtaining equitable relief.

In the event of rejection of the entire Subscription by the Issuer or the termination of this Subscription in accordance with the terms hereof, Subscriber’s payment hereunder will be returned promptly to Subscriber along with this Subscription Agreement, and this Subscription Agreement shall have no force or effect.

## 2. Representations, Warranties and Agreements.

2.1 Subscriber's Representations, Warranties and Agreements. To induce the Issuer to issue the Shares to Subscriber, Subscriber hereby represents and warrants to the Issuer and acknowledges and agrees with the Issuer as follows:

2.1.1 If Subscriber is not an individual, Subscriber has been duly formed or incorporated and is validly existing in good standing under the laws of its jurisdiction of incorporation or formation, with power and authority to enter into, deliver and perform its obligations under this Subscription Agreement. If Subscriber is an individual, Subscriber has the authority to enter into, deliver and perform its obligations under this Subscription Agreement.

2.1.2 If Subscriber is not an individual, this Subscription Agreement has been duly authorized, validly executed and delivered by Subscriber. If Subscriber is an individual, the signature on this Subscription Agreement is genuine, and Subscriber has legal competence and capacity to execute the same. Assuming that this Subscription Agreement constitutes the valid and binding agreement of the Issuer, this Subscription Agreement is the valid and binding obligation of the Subscriber, is enforceable against Subscriber in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

2.1.3 The execution, delivery and performance by Subscriber of this Subscription Agreement and the consummation of the transactions contemplated herein do not and will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber or any of its subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber or any of its subsidiaries is a party or by which Subscriber or any of its subsidiaries is bound or to which any of the property or assets of Subscriber or any of its subsidiaries is subject, which would reasonably be expected to have a material adverse effect on the legal authority of Subscriber to enter into and timely perform its obligations under this Subscription Agreement (a "**Subscriber Material Adverse Effect**"), (ii) if Subscriber is not an individual, result in any violation of the provisions of the organizational documents of Subscriber or any of its subsidiaries or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its subsidiaries or any of their respective properties that would reasonably be expected to have a Subscriber Material Adverse Effect.

2.1.4 Subscriber (i) is a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an "accredited investor" (within the meaning of Rule 501(a) under the Securities Act) satisfying the applicable requirements set forth on Schedule I, (ii) is acquiring the Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer, and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations, warranties and agreements herein on behalf of each owner of each such account and (iii) is not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and shall provide the requested information on Schedule I following the signature page hereto). Subscriber is not an entity formed for the specific purpose of acquiring the Shares.

2.1.5 Subscriber is (i) an institutional account as defined in FINRA Rule 4512(c), (ii) a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Shares. Accordingly, Subscriber understands that the Subscription meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

2.1.6 Subscriber understands that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Shares have not been registered under the Securities Act. Subscriber understands that the Shares may not be resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Issuer or a subsidiary thereof, (ii) to non-U.S. persons pursuant to offers and sales that occur solely outside the United States within the meaning of Regulation S under the Securities Act or (iii) pursuant to another applicable exemption from the registration requirements of the Securities Act, and in each of cases (i) and (iii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and that any certificates representing the Shares shall contain a legend to such effect. Subscriber acknowledges that the Shares will not be eligible for resale pursuant to Rule 144A under the Securities Act. Subscriber understands and agrees that the Shares will be subject to transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Shares and may be required to bear the financial risk of an investment in the Shares for an indefinite period of time. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Shares. For purposes of this Subscription Agreement, "Transfer" shall mean any direct or indirect transfer, redemption, disposition or monetization in any manner whatsoever, including, without limitation, through any derivative transactions.

2.1.7 Subscriber understands and agrees that Subscriber is purchasing the Shares directly from the Issuer. Subscriber further acknowledges that there have been no representations, warranties, covenants or agreements made to Subscriber the Issuer or any of its officers or directors, expressly or by implication, other than those representations, warranties, covenants and agreements expressly set forth in this Subscription Agreement.

2.1.8 In making its decision to purchase the Shares, Subscriber represents that it has relied solely upon independent investigation made by Subscriber. Without limiting the generality of the foregoing, Subscriber has not relied on any statements or other information provided by anyone other than the Issuer and its representatives concerning the Issuer or the Shares or the offer and sale of the Shares. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Shares, including with respect to the Issuer and the Transactions. Subscriber represents and agrees that Subscriber and Subscriber's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain and review such information as Subscriber and such Subscriber's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares, and Subscriber has made its own assessment and satisfied itself concerning the relevant tax and other economic considerations relevant to its Subscription.

2.1.9 Subscriber became aware of this offering of the Shares solely by means of direct contact between Subscriber and the Issuer or its representatives. Subscriber has a pre-existing substantive relationship (as interpreted in guidance from the Commission under the Securities Act) with the Issuer or its representatives, and the Shares were offered to Subscriber solely by direct contact between Subscriber and the Issuer or its representatives. Subscriber did not become aware of this offering of the Shares, nor were the Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Issuer represents and warrants that the Shares (i) were not offered by any form of general solicitation or general advertising, including methods described in section 502(c) of Regulation D under the Securities Act and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

2.1.10 Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and Subscriber has sought such accounting, legal and tax advice as Subscriber has considered necessary to make an informed investment decision.

2.1.11 Alone, or together with any professional advisor(s), Subscriber represents and acknowledges that Subscriber has adequately analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Issuer. Subscriber acknowledges specifically that a possibility of total loss exists.

2.1.12 Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of an investment in the Shares.

2.1.13 Subscriber represents and warrants that Subscriber is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") or in any Executive Order issued by the President of the United States and administered by OFAC ("**OFAC List**"), or a person or entity prohibited by any OFAC sanctions program, (ii) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515 or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank (collectively, a "**Prohibited Investor**"). Subscriber agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that Subscriber is permitted to do so under applicable law. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the "**BSA**"), as amended by the USA PATRIOT Act of 2001 (the "**PATRIOT Act**"), and its implementing regulations (collectively, the "**BSA/PATRIOT Act**"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required, it maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. Subscriber further represents and warrants that, to the extent required, it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Shares were legally derived.

2.1.14 If Subscriber is, or is acting on behalf of, (i) an "employee benefit plan" within the meaning of Section 3(3) of the Employee Retirement Security Act of 1974, as amended ("**ERISA**") that is subject to Title I of ERISA, (ii) a plan, an individual retirement account or other arrangement that is described in Section 4975(e)(1) of the Internal Revenue Code of 1985, as amended (the "Code") that is subject to section 4975 of the Code, (iii) an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) (collectively, "**Non-ERISA Plans**") or other plan that is subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to the fiduciary responsibility or prohibited transaction provisions of Title I of ERISA or Section 4975 of the Code (collectively, "**Similar Laws**"), or (iv) an entity whose underlying assets are considered to include "plan assets" of any of the foregoing described in clauses (i), (ii) and (iii) (each of the foregoing described in clauses (i), (ii), (iii) and (iv) referred to as a "**Plan**"), Subscriber represents and warrants that (x) neither Issuer, nor any of its respective affiliates (the "**Transaction Parties**") has acted as the Plan's fiduciary, or has been relied on for advice, with respect to the Subscriber's decision to acquire or hold the Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan's fiduciary with respect to any decision to acquire, continue to hold or transfer the Shares and (y) the acquisition and holding of the Shares will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the Code, or a similar violation of any applicable Similar Law. Additionally, if the Subscriber is, or is acting on behalf of, Non-ERISA Plans, the Subscriber further represents and warrants that (a) the Subscriber's decision to acquire or hold the Shares: (i) does not violate and is not otherwise inconsistent with the terms of any legal document constituting or governing the employee benefit plan; (ii) has been duly authorized and approved by all necessary parties; and (iii) is in compliance with all applicable laws, rules and regulations and (b) neither the Transaction Parties nor any person who manages the assets of the Transaction Parties will be subject to any laws, rules or regulations applicable to such Subscriber solely as a result of Subscriber's decision to acquire or hold the Shares.

2.1.15 Except as expressly disclosed in a Schedule 13D or Schedule 13G (or amendments thereto) filed by such Subscriber with the Commission with respect to the beneficial ownership of the Issuer's Class A Ordinary Shares prior to the date hereof, Subscriber is not currently (and at all times through the Subscription Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of equity securities of the Issuer (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

2.1.16 Subscriber will not acquire a substantial interest (as defined in 31 C.F.R. Part 800.244) in the Issuer as a result of the purchase and sale of Shares hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. Part 800.401, and Subscriber will not have control (as defined in 31 C.F.R. Part 800.208) over the Issuer from and after the Subscription Closing as a result of the purchase and sale of Shares hereunder.

2.1.17 Subscriber has, and on each date the Purchase Price would be required to be funded to the Issuer pursuant to Section 3.1 will have, sufficient immediately available funds to pay the Purchase Price pursuant to Section 3.1. Subscriber is an entity having total liquid assets and net assets in excess of the Purchase Price as of the date hereof and as of each date the Purchase Price would be required to be funded to the Issuer pursuant to Section 3.1.

2.1.18 No broker, finder or other financial consultant has acted on behalf of Subscriber in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on the Issuer.

2.1.19 The Subscriber acknowledges and agrees that any restatement, revision or other modification of the SEC Documents (as defined below) relating to or arising from the Warrant Accounting Matter (as defined below) shall be deemed not material for purposes of this Subscription Agreement.

2.2 Issuer's Representations, Warranties and Agreements. To induce Subscriber to purchase the Shares, the Issuer hereby represents and warrants to Subscriber and agrees with Subscriber as follows:

2.2.1 The Issuer has been duly incorporated and is validly existing as a company in good standing under the laws of the Cayman Islands, with corporate power and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement. As of the Closing Date, following the Domestication, the Issuer will be duly formed, validly existing as a corporation and in good standing under the laws of the State of Delaware.

2.2.2 The Shares have been duly authorized and, when issued and delivered to Subscriber against full payment for the Shares in accordance with the terms of this Subscription Agreement and registered with the Issuer's transfer agent, the Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the Amended and Restated Memorandum and Articles of Association (as amended as of the Closing Date) ("**Issuer Articles**"), or under applicable law.

2.2.3 This Subscription Agreement has been duly authorized, validly executed and delivered by the Issuer and, assuming that this Subscription Agreement constitutes the valid and binding obligation of the Subscriber, is the valid and binding obligation of the Issuer, is enforceable against the Issuer in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally and (ii) principles of equity, whether considered at law or equity.

2.2.4 The execution, delivery and performance of this Subscription Agreement (including compliance by the Issuer with all of the provisions hereof), issuance and sale of the Shares and the consummation of the certain other transactions contemplated herein will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the property or assets of the Issuer is subject, which would reasonably be expected to have a material adverse effect on the ability of the Issuer to enter into and timely perform its obligations under this Subscription Agreement (a "**Issuer Material Adverse Effect**"), (ii) result in any violation of the provisions of the Issuer Articles or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or its properties that would reasonably be expected to have an Issuer Material Adverse Effect.

2.2.5 The Issuer is not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of (i) the organizational documents of the Issuer, (ii) any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, permit, franchise or license to which the Issuer is now a party or by which the Issuer's properties or assets are bound, or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or any of its properties, except, in the case of clauses (ii) and (iii), for defaults or violations that have not had and would not be reasonably likely to have, individually or in the aggregate, a Issuer Material Adverse Effect.

2.2.6 Neither the Issuer nor any person acting on its behalf has, directly or indirectly, made any offers or sales of any Issuer security or solicited any offers to buy any security under circumstances that would adversely affect reliance by the Issuer on Section 4(a)(2) of the Securities Act for the exemption from registration for the transactions contemplated hereby or would require registration of the issuance of the Shares under the Securities Act.

2.2.7 Neither the Issuer nor any person acting on its behalf has conducted any general solicitation or general advertising, including methods described in section 502(c) of Regulation D under the Securities Act, in connection with the offer or sale of any of the Shares and neither the Issuer nor any person acting on its behalf offered any of the Shares in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

2.2.8 As of the date of this Subscription Agreement, the authorized capital shares of the Issuer consists of (i) 200,000,000 Class A Ordinary Shares, (ii) 20,000,000 Class B Ordinary Shares, par value par value \$0.0001 per share ("**Class B Ordinary Shares**"), and (iii) 1,000,000 Preferred Shares, par value \$0.0001 per share ("**Preferred Shares**"). As of the date hereof: (i) 34,500,000 Class A Ordinary Shares are issued and outstanding; (ii) 8,625,000 Class B Ordinary Shares are issued and outstanding, (iii) no Preferred Shares are issued and outstanding; (iv) 8,900,000 warrants exercisable to purchase 8,900,000 Class A Ordinary Shares (the "**Private Placement Warrants**") are issued and outstanding; and (v) 4,835,940 warrants exercisable to purchase 4,835,940 Class A Ordinary Shares (the "**Public Warrants**") are issued and outstanding. All (i) issued and outstanding Class A Ordinary Shares and Class B Ordinary Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) issued and outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. As of the date hereof, except as set forth above and pursuant to the Other Subscription Agreements and the Business Combination Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Issuer any Shares or any other equity interests in the Issuer, or securities convertible into or exchangeable or exercisable for such equity interests. As of the date hereof, other than, Umbrella Merger Sub, the Issuer has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no shareholders agreements, voting trusts or other agreements or understandings to which the Issuer is a party or by which it is bound relating to the voting of any securities of the Issuer, other than (A) as set forth in the SEC Documents and (B) as contemplated by the Business Combination Agreement.

2.2.9 Assuming the accuracy of Subscriber's representations and warranties set forth in Section 2.1 of this Subscription Agreement, (i) no registration under the Securities Act is required for the offer and sale of the Shares by the Issuer to Subscriber and (ii) no consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any federal, state or local Governmental Authority is required on the part of the Issuer in connection with the consummation of the transactions contemplated by this Subscription Agreement, except for (a) filings pursuant to Regulation D under the Securities Act and applicable state securities laws, (b) filings required by Nasdaq, including with respect to obtaining shareholder approval, (iii) filings required to consummate the Transactions as provided under the definitive documents relating to the Transactions and (iv) where the failure of which to obtain would not be reasonably likely to have an Issuer Material Adverse Effect.

2.2.10 The Issuer has made available to Subscriber (including via the Securities and Exchange Commission's (the "**Commission**") EDGAR system) a true, correct and complete copy of each form, report, statement, schedule, prospectus, proxy, registration statement and other documents filed by the Issuer with the Commission prior to the date of this Subscription Agreement (the "**SEC Documents**"). Except as to the Warrant Accounting Matter, none of the SEC Documents filed under the Exchange Act, contained, when filed or, if amended prior to the date of this Subscription Agreement, as of the date of such amendment with respect to those disclosures that are amended, any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, that the Issuer makes no such representation or warranty with respect to the registration statement and the proxy statement to be filed by the Issuer with respect to the Transactions or any other information relating to the Companies or any of their respective affiliates included in any SEC Document or filed as an exhibit thereto. Reference is hereby made to the joint statement, on April 12, 2021, by the Acting Director of the Division of Corporation Finance and Acting Chief Accountant of the Commission titled "Staff Statement on Accounting and Reporting Considerations for Warrants Issued by Special Purpose Acquisition Companies ("SPACs")" (the "SEC Statement"), which clarified guidance for all SPACs regarding the accounting and reporting for their warrants. Following review of the SEC Statement, the Company reevaluated the accounting treatment of the Private Warrants and the Public Warrants as equity, and concluded that, as a result of the SEC Statement, the Private Warrants do not meet the conditions to be classified as equity and instead should be accounted for as derivative liabilities at each reporting period (the "Warrant Accounting Matter"). As a result of the Warrant Accounting Matter, the Company was unable to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2021 (the "Delayed 10-Q Filing"). Other than in respect of the Delayed 10-Q Filing, the Issuer has timely filed each report, statement, schedule, prospectus, and registration statement that the Issuer was required to file with the Commission since its inception and through the date hereof. As of the date hereof, there are no material outstanding or unresolved comments in comment letters from the Commission staff with respect to any of the SEC Documents.

2.2.11 No broker, finder or other financial consultant has acted on behalf of the Issuer in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on the Subscriber. The Issuer agrees to indemnify and hold harmless Subscriber from any claim or demand for commission or other compensation by any broker, finder, financial consultant or similar agent claiming to have been employed by or on behalf of the Issuer and to bear the cost of legal expenses incurred by Subscriber in defending against any such claim.

2.2.12 The execution, delivery and performance of its obligations hereunder by Subscriber are, or are based on, commercial acts for purposes of applicable law.

2.2.13 The Class A Ordinary Shares are registered pursuant to Section 12(b) of the Exchange Act, and listed for trading on Nasdaq. There is no suit, action, proceeding or investigation pending or, to the knowledge of the Issuer, threatened against the Issuer by Nasdaq or the Commission with respect to any intention by such entity to deregister the Class A Ordinary Shares or prohibit or terminate the listing of the Class A Ordinary Shares on Nasdaq. The Issuer has not taken any action that is designed to terminate the registration of the Class A Ordinary Shares under the Exchange Act.

2.2.14 The Subscriber acknowledges that certain information provided to it was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The Subscriber acknowledges that such information and projections were prepared without the participation of the Issuer and that the Issuer does not assume responsibility for independent verification of, or the accuracy or completeness of, such information or projections.

### 3. Settlement Date and Delivery.

3.1 Closing. The closing of the Subscription contemplated hereby (the “**Subscription Closing**”) shall occur on the date of, and immediately prior to, the consummation of the Transactions. Upon written notice from (or on behalf of) the Issuer to Subscriber (the “**Closing Notice**”) at least seven Business Days prior to the date that the Issuer reasonably expects all conditions to the closing of the Transactions to be satisfied (the “**Expected Closing Date**”), Subscriber shall deliver to the Issuer no later than three Business Days prior to the Expected Closing Date, the Purchase Price for the Subscribed Shares, by wire transfer of United States dollars in immediately available funds to the account specified by the Issuer in the Closing Notice, such funds to be held by the Issuer in escrow until the Subscription Closing. If the Transactions are not consummated within 10 Business Days of the Expected Closing Date, the Issuer shall return the Purchase Price to Subscriber by wire transfer of United States dollars in immediately available funds to an account specified by Subscriber. Notwithstanding such return, (i) a failure to close on the Expected Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Subscription Closing set forth in this Section 3 to be satisfied or waived on or prior to the Closing Date, and (ii) Subscriber shall remain obligated (a) to redeliver funds to the Issuer in escrow following the Issuer’s delivery to Subscriber of a new Closing Notice and (b) to consummate the Subscription Closing upon satisfaction of the conditions set forth in this Section 3. At the Subscription Closing, upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 3, the Issuer shall deliver to Subscriber the Shares in certificated or book entry form (at the Issuer’s election) in the name of Subscriber (or its nominee in accordance with its delivery instructions) or to a custodian designated by Subscriber, as applicable. For purposes of this Subscription Agreement, “**Business Day**” means any day, except Saturday or Sunday, on which banks are not required or authorized to close in New York, New York.

#### 3.2 Conditions to Subscription Closing of the Issuer.

The Issuer’s obligations to sell and issue the Subscribed Shares at the Subscription Closing are subject to the fulfillment or (to the extent permitted by applicable law) written waiver by Issuer, on or prior to the Closing Date, of each of the following conditions:

3.2.1 Representations and Warranties Correct. The representations and warranties made by Subscriber in Section 2.1 hereof shall be true and correct in all material respects on and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true in all respects) with the same force and effect as if they had been made on and as of the Closing Date, but in each case without giving effect to consummation of the Transactions.

3.2.2 Compliance with Covenants. Subscriber shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by Subscriber at or prior to the Subscription Closing.

3.2.3 Closing of the Transactions. The Transactions will be consummated immediately following the Subscription Closing.

3.2.4 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any Governmental Authority, statute, rule or regulation enjoining or prohibiting the consummation of the Subscription.

3.3 Conditions to Subscription Closing of Subscriber.

Subscriber's obligation to purchase the Subscribed Shares at the Subscription Closing is subject to the fulfillment or (to the extent permitted by applicable law) written waiver by Subscriber, on or prior to the Closing Date, of each of the following conditions:

3.3.1 Representations and Warranties Correct. (i) The representations and warranties made by the Issuer in Sections 2.2.1, 2.2.2, 2.2.3 and 2.2.14 hereof shall be true and correct in all material respects as of the Closing Date as though made as of the Closing Date and (ii) all other representations and warranties made by the Issuer in Article 2 shall be true and correct in all respects with the same force and effect as if they had been made on and as of the Closing Date except, in the case of this clause (ii), where the failure of such representations and warranties to be so true and accurate would not, individually or in the aggregate, have an Issuer Material Adverse Effect, but in each case, without giving effect to the consummation of the Transactions.

3.3.2 Compliance with Covenants. The Issuer shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by the Issuer at or prior to the Subscription Closing, except where the failure of such performance or compliance would not or would not reasonably be expected to prevent, materially delay, or materially impair the ability of the Issuer to consummate the Subscription Closing.

3.3.3 No Amendment of Transaction Terms. No amendment or modification of the Business Combination Agreement shall have occurred that would reasonably be expected to materially and adversely affect the economic benefits that the Subscriber would reasonably expect to receive under this Subscription Agreement without having received Subscriber's prior written consent (not to be unreasonably withheld, conditioned or delayed).

3.3.4 Closing of the Transactions. The Transactions will be consummated immediately following the Subscription Closing.

3.3.5 Legality. There shall not be in force any order, judgment, injunction, decree, writ, stipulation, determination or award, in each case, entered by or with any governmental authority, statute, rule or regulation enjoining or prohibiting the transactions contemplated by this Subscription Agreement.

#### 4. Registration Statement.

4.1 The Issuer agrees that, within 45 Calendar Days after the consummation of the Transactions (the “**Filing Date**”), the Issuer will file with the Commission (at the Issuer’s sole cost and expense) a registration statement (the “**Registration Statement**”) registering the resale of the Shares, and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (such earlier date, the “**Effectiveness Date**”); provided, however, that the Issuer’s obligations to include the Shares in the Registration Statement are contingent upon Subscriber furnishing a completed and executed selling shareholders questionnaire in customary form to the Issuer that contains the information required by Commission rules for a Registration Statement regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of the Shares to effect the registration of the Shares, and Subscriber shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. For purposes of clarification, any failure by the Issuer to file the Registration Statement by the Filing Date or to make such Registration Statement effective shall not otherwise relieve the Issuer of its obligations to file the Registration Statement or make such Registration Statement effective as set forth above in this Section 4.

4.2 In the case of the registration effected by the Issuer pursuant to this Subscription Agreement, the Issuer shall, upon reasonable request, inform Subscriber as to the status of such registration. At its expense the Issuer shall:

4.2.1 except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Issuer determines to obtain, continuously effective with respect to Subscriber, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) two years from the consummation of the Transactions, (ii) Subscriber ceases to hold any Shares and (iii) the date all Shares held by Subscriber may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Issuer to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable). The Subscriber agrees to disclose its ownership and any other information reasonably requested to the Issuer on request to assist it in making the determination described above;

4.2.2 advise Subscriber within five (5) Business Days:

(a) when a Registration Statement or any post-effective amendment thereto has become effective;

(b) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose;

(c) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(d) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading.

Notwithstanding anything to the contrary set forth herein, the Issuer shall not, when so advising Subscriber of such events, provide Subscriber with any material, nonpublic information regarding the Issuer other than to the extent that providing notice to Subscriber of the occurrence of the events listed in (a) through (d) above constitutes material, nonpublic information regarding the Issuer;

4.2.3 use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

4.2.4 upon the occurrence of any event contemplated in Section 4.2.2(d), except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Issuer shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

4.2.5 use its commercially reasonable efforts to cause all Shares to be listed on each securities exchange or market, if any, on which the Issuer's Shares are then listed.

4.3 Notwithstanding anything to the contrary in this Subscription Agreement, the Issuer shall be entitled to delay or postpone the effectiveness of the Registration Statement, and from time to time to require Subscriber not to sell under the Registration Statement or to suspend the effectiveness thereof if the filing, effectiveness or continued use of any Registration Statement would require the Issuer to make any public disclosure of material non-public information, which disclosure, in the good faith determination of the board of directors of the Issuer, after consultation with counsel to the Issuer, (a) would be required to be made in any Registration Statement in order for the applicable Registration Statement not to contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading, (b) would not be required to be made at such time if the Registration Statement were not being filed, and (c) the Issuer has a bona fide business purpose for not making such information public (each such circumstance, a "**Suspension Event**"); provided, however, that the Issuer may not delay or suspend the Registration Statement for more than sixty (60) consecutive calendar days in any three-month period, or more than one hundred and twenty (120) total calendar days, in each case during any twelve-month period. Upon receipt of any written notice from the Issuer of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, Subscriber agrees that (i) it will immediately discontinue offers and sales of the Shares under the Registration Statement until Subscriber receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law. If so directed by the Issuer, Subscriber will deliver to the Issuer or, in Subscriber's sole discretion destroy, all copies of the prospectus covering the Shares and in Subscriber's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Shares shall not apply (i) to the extent Subscriber is required to retain a copy of such prospectus (a) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (b) in accordance with a bona fide pre-existing document retention policy or (ii) to copies stored electronically on archival servers as a result of automatic data back-up.

4.4 Subscriber agrees that, from the date of this Subscription Agreement until the Closing or the earlier termination of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Issuer. For the purposes hereof, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including, without limitation, on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers.

5. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the Parties hereunder shall terminate without any further liability on the part of any Party in respect thereof, upon the earlier to occur of (i) such date and time as the Business Combination Agreement is validly terminated in accordance with its terms, (ii) upon the mutual written agreement of each of the Parties to terminate this Subscription Agreement, or (iii) if any of the conditions to Closing set forth in Sections 3.2 and 3.3 are not satisfied on or prior to the Closing Date and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated at the Closing; provided, that nothing herein will relieve any Party from liability for any willful breach hereof prior to the time of termination, and each Party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Issuer shall promptly notify Subscriber of the termination of the Business Combination Agreement promptly after the termination of such agreement.

#### 6. Miscellaneous.

6.1 Further Assurances. At the Subscription Closing, the Parties shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the Subscription as contemplated by this Subscription Agreement.

6.1.1 Subscriber acknowledges that the Issuer will rely on the acknowledgments, understandings, agreements, representations and warranties made by Subscriber contained in this Subscription Agreement. Prior to the Subscription Closing, Subscriber agrees to promptly notify the Issuer if any of the acknowledgments, understandings, agreements, representations and warranties set forth herein are no longer accurate in all material respects.

6.1.2 The Issuer is entitled to rely upon this Subscription Agreement and is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

6.1.3 The Issuer may request from Subscriber such additional information as the Issuer may deem necessary to evaluate the eligibility of Subscriber to acquire the Shares, and Subscriber shall provide such information as may be reasonably requested, to the extent within Subscriber's possession and control or otherwise readily available to Subscriber.

6.1.4 Each of Subscriber and the Issuer shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

6.1.5 Each of Subscriber and the Issuer shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Subscription Agreement on the terms and conditions described therein no later than immediately prior to the consummation of the Transactions.

6.2 Notices. Any notice or communication required or permitted hereunder shall be in writing and either delivered personally, emailed or sent by overnight mail via a reputable overnight carrier, or sent by certified or registered mail, postage prepaid, and shall be deemed to be given and received (i) when so delivered personally, (ii) when sent, with no mail undeliverable or other rejection notice, if sent by email, or (iii) three Business Days after the date of mailing to the address below or to such other address or addresses as such person may hereafter designate by notice given hereunder:

6.3 Entire Agreement. This Subscription Agreement and the Business Combination Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof, including any commitment letter entered into relating to the subject matter hereof.

6.4 Modifications and Amendments. This Subscription Agreement may not be amended, modified, supplemented or waived except by an instrument in writing, signed by the Party against whom enforcement of such amendment, modification, supplement or waiver is sought; provided that any rights (but not obligations) of a Party under this Subscription Agreement may be waived, in whole or in part, by such Party on its own behalf without the prior consent of any other Party.

6.5 Assignment. Neither this Subscription Agreement nor any rights, interests or obligations that may accrue to the Parties (including Subscriber's rights to purchase the Shares) may be transferred or assigned without the prior written consent of each of the other Parties; provided that Subscriber's rights and obligations hereunder may be assigned to any fund or account managed by the same investment manager as Subscriber, without the prior consent of the Issuer, provided that such assignee(s) agrees in writing to be bound by the terms hereof, and upon such assignment by a Subscriber, the assignee(s) shall become Subscriber hereunder and have the rights and obligations and be deemed to make the representations and warrants of Subscriber provided for herein to the extent of such assignment; provided further that, no assignment shall relieve the assigning Party of any of its obligations hereunder.

6.6 Benefit. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the Parties and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. This Subscription Agreement shall not confer rights or remedies upon any person other than the Parties and their respective successors and assigns.

6.7 Governing Law. This Subscription Agreement, and any claim or cause of action hereunder based upon, arising out of or related to this Subscription Agreement (whether based on law, in equity, in contract, in tort or any other theory) or the negotiation, execution, performance or enforcement of this Subscription Agreement, shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to the principles of conflicts of law thereof.

6.8 Consent to Jurisdiction; Waiver of Jury Trial. Each of the Parties irrevocably consents to the exclusive jurisdiction and venue of any New York State court or Federal court of the United States of America sitting in New York City in the Borough of Manhattan (the "**Chosen Courts**"), in connection with any matter based upon or arising out of this Subscription Agreement. Each Party hereby waives, and shall not assert as a defense in any legal dispute, that (i) such person is not personally subject to the jurisdiction of the Chosen Courts for any reason, (ii) such legal proceeding may not be brought or is not maintainable in the Chosen Courts, (iii) such person's property is exempt or immune from execution, (iv) such legal proceeding is brought in an inconvenient forum or (v) the venue of such legal proceeding is improper. Each Party hereby consents to service of process in any such proceeding in any manner permitted by New York law, further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 6.2 and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Notwithstanding the foregoing in this Section 6.8, a Party may commence any action, claim, cause of action or suit in a court other than the Chosen Courts solely for the purpose of enforcing an order or judgment issued by the Chosen Courts. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS SUBSCRIPTION AGREEMENT WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT. FURTHERMORE, NO PARTY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

6.9 Severability. Whenever possible, each provision or portion of any provision of this Subscription Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Subscription Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and the Parties shall work together in good faith to modify the terms and conditions of this Subscription Agreement such that the economic terms and conditions, when taken in their totality, are substantially the same as the economic terms and conditions of the unmodified Subscription Agreement, when taken in their totality.

6.10 No Waiver of Rights, Powers and Remedies. No failure or delay by a Party in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the Parties, shall operate as a waiver of any such right, power or remedy of such Party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a Party, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such Party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a Party shall not constitute a waiver of the right of such Party to pursue other available remedies. No notice to or demand on a Party not expressly required under this Subscription Agreement shall entitle the Party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

6.11 Remedies.

6.11.1 The parties agree that the Issuer would suffer irreparable damage if this Subscription Agreement was not performed in accordance with its specific terms or was otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such damage. It is accordingly agreed the Issuer shall be entitled to equitable relief, including in the form of an injunction or injunctions, to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement in an appropriate court of competent jurisdiction as set forth in Section 6.8, this being in addition to any other remedy to which any Party is entitled at law or in equity, including money damages. The right to specific enforcement shall include the right of the Issuer to cause Subscriber to cause the transactions contemplated hereby to be consummated on the terms and subject to the conditions and limitations set forth in this Subscription Agreement. The Parties further agree (i) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, (ii) not to assert that a remedy of specific enforcement pursuant to this Section 6.11 is unenforceable, invalid, contrary to applicable law or inequitable for any reason and (iii) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate.

6.11.2 The parties acknowledge and agree that this Section 6.11 is an integral part of the transactions contemplated hereby and without that right, the Parties would not have entered into this Subscription Agreement.

6.11.3 In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing Party, if any, the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a Party to be the prevailing Party under circumstances where the prevailing Party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing Party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

6.12 Survival of Representations and Warranties. All representations and warranties made by the Parties shall survive the Subscription Closing. For the avoidance of doubt, if for any reason the Subscription Closing does not occur prior to the consummation of the Transactions, all representations, warranties, covenants and agreements of the Parties shall survive the consummation of the Transactions and remain in full force and effect.

6.13 Headings and Captions. The headings and captions of the various subdivisions of this Subscription Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

6.14 Counterparts. This Subscription Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each Party and delivered to the other parties, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or any other form of electronic delivery, such signature shall create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

6.15 Construction. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Subscription Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Subscription Agreement as a whole and not to any particular subdivision unless expressly so limited. The word “or” is not exclusive. The Parties intend that each representation, warranty, and covenant contained herein will have independent significance. If any Party has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such Party has not breached will not detract from or mitigate the fact that such Party is in breach of the first representation, warranty, or covenant. All references in this Subscription Agreement to numbers of shares, per share amounts and purchase prices shall be appropriately adjusted to reflect any stock split, stock dividend, stock combination, recapitalization or the like occurring after the date hereof.

6.16 Mutual Drafting. This Subscription Agreement is the joint product of the Parties and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties and shall not be construed for or against any Party.

7. Cleansing Statement; Disclosure.

7.1 The Issuer shall, by 9:00 a.m., New York City time, on or prior to the third Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K (collectively, the “**Disclosure Document**”) disclosing all material terms of the transactions contemplated hereby, including the Transactions.

7.2 Subscriber hereby consents to the publication and disclosure in (i) any press release issued by the Issuer, (ii) any Form 8-K filed by the Issuer with the Commission in connection with the execution and delivery of the Business Combination Agreement, the registration statement, proxy statement or any other filing with the Commission pursuant to applicable securities laws, in each case, as and to the extent required by the federal securities laws or the Commission or any other securities authorities, and (iii) any other documents or communications provided by the Issuer to any Governmental Authority or to securityholders of the Issuer, in each case, as and to the extent required by applicable law or the Commission or any other Governmental Authority, of Subscriber’s name and identity and the nature of Subscriber’s commitments, arrangements and understandings under and relating to this Subscription Agreement and, if deemed required or appropriate by the Issuer, a copy of this Subscription Agreement. Other than as set forth in the immediately preceding sentence, without Subscriber’s prior written consent, the Issuer will not use or disclose the name of Subscriber or any information relating to Subscriber or this Subscription Agreement, other than to the Issuer’s lawyers, independent accountants and to other advisors and service providers who reasonably require such information in connection with the provision of services to such person, are advised of the confidential nature of such information and are obligated to keep such information confidential. Subscriber will promptly provide any information reasonably requested by the Issuer for any regulatory application or filing made or approval sought in connection with the Transactions (including filings with the Commission).

8. Trust Account Waiver. Subscriber acknowledges that the Issuer has established a trust account containing the proceeds of its initial public offering and from certain private placements (collectively, with interest accrued from time to time thereon, the “**Trust Account**”). Subscriber agrees that (i) it has no right, title, interest or claim of any kind in or to any monies held in the Trust Account, and (ii) it shall have no right of set-off or any right, title, interest or claim of any kind (“**Claim**”) to, or to any monies in, the Trust Account, in each case in connection with this Subscription Agreement, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have in connection with this Subscription Agreement; provided, however, that nothing in this Section 8 shall be deemed to limit Subscriber’s right, title, interest or claim to the Trust Account by virtue of such Subscriber’s record or beneficial ownership of securities of the Issuer acquired by any means other than pursuant to this Subscription Agreement, including, but not limited to, any redemption right with respect to any such securities of the Issuer. In the event Subscriber has any Claim against the Issuer under this Subscription Agreement, Subscriber shall pursue such Claim solely against the Issuer and its assets outside the Trust Account and not against the property or any monies in the Trust Account. Subscriber agrees and acknowledges that such waiver is material to this Subscription Agreement and has been specifically relied upon by the Issuer to induce the Issuer to enter into this Subscription Agreement and Subscriber further intends and understands such waiver to be valid, binding and enforceable under applicable law. In the event Subscriber, in connection with this Subscription Agreement, commences any action or proceeding which seeks, in whole or in part, relief against the funds held in the Trust Account or distributions therefrom or any of the Issuer’s shareholders, whether in the form of monetary damages or injunctive relief, Subscriber shall be obligated to pay to the Issuer all of its legal fees and costs in connection with any such action in the event that the Issuer prevails in such action or proceeding.

9. [RESERVED].

10. Non-Reliance. Subscriber acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation, other than the representations and warranties of the Issuer expressly set forth in this Subscription Agreement, in making its investment or decision to invest in the Issuer.

11. Separate Obligations. For the avoidance of doubt, all obligations of the Subscriber hereunder are separate and several from the obligations of any Other Subscriber. The decision of the Subscriber to purchase the Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor. Nothing contained herein or in any Other Subscription Agreement, and no action taken by the Subscriber or Other Subscribers pursuant hereto or thereto, shall be deemed to constitute the Subscriber and Other Subscriber as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Subscriber and the Other Subscribers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. The Subscriber acknowledges that no Other Subscriber has acted as agent for the Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of the Subscriber in connection with monitoring its investment in the Shares or enforcing its rights under this Subscription Agreement. The Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber to be joined as an additional party in any proceeding for such purpose.

**OPTION AGREEMENT**

This Option Agreement (this "Agreement") is made as of September 19, 2021, by and between CGC Sponsor LLC, a Cayman Islands limited liability company (the "Sponsor"), and [INVESTOR NAME] (the "Investor").

WHEREAS, the Company (as defined below) and the Target Companies (as defined below) intend to enter into that certain business combination (the "Transaction"), pursuant to the Business Combination Agreement, dated as of September 19, 2021, by and among Cartesian Growth Corporation, an exempted company limited by shares incorporated under the laws of the Cayman Islands (whose name is expected to change to Alvarium Tiedemann Capital, Inc. and whose jurisdiction of registration will be changed from the Cayman Islands to the State of Delaware pursuant to a domestication upon the closing of the Transaction) (the "Company"), Rook MS LLC, a Delaware limited liability company ("Umbrella Merger Sub"), Tiedemann Wealth Management Holdings, LLC, a Delaware limited liability company ("TWMH"), TIG Trinity GP, LLC, a Delaware limited liability company ("TIG GP"), TIG Trinity Management, LLC, a Delaware limited liability company ("TIG MGMT" and, together with TIG GP, the "TIG Entities"), Alvarium Investments Limited, an English private limited company ("Alvarium" and, together with TWMH and the TIG Entities, the "Target Companies" each a "Target Company"), and Alvarium Tiedemann Capital, LLC, a Delaware limited liability company ("Umbrella");

WHEREAS, in connection with the transactions contemplated hereby and in consideration of the Investor's performance of the obligations described in the Subscription Agreement attached as Exhibit A hereto, dated as of September 19, 2021, between the Company and the Investor (the "Subscription Agreement"), pursuant to which the Investor has subscribed for [PIPE SHARES] shares of Class A common stock of the Company, par value \$0.0001 per share ("Class A Common Stock"), the Sponsor has agreed to grant to the Investor an option to acquire, during the Exercise Period (as defined below), [OPTION SHARES] shares of Class A Common Stock to be held by the Sponsor (the "Option Shares") pursuant to, and in accordance with, the terms and conditions hereunder.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Option to Acquire the Option Shares.

(a) Upon the terms and subject to the conditions set forth in this Agreement, commencing on the closing date of the Transaction (the "Closing Date"), the Investor shall have an option (the "Option") to acquire the Option Shares from the Sponsor at a purchase price of \$11.50 per Option Share (the "Purchase Price"). The Purchase Price shall automatically be adjusted on the same terms and subject to the same conditions if the exercise price of the warrants (the "Warrants") issued pursuant to that certain Warrant Agreement, dated as of February 23, 2021, by and between the Company and Continental Stock Transfer & Trust Company (the "Warrant Agreement"), is adjusted.

---

(b) The Option may be exercised by delivery of written notice by the Investor to the Sponsor (the “Exercise Notice”) only during the period (the “Exercise Period”) (i) commencing immediately after the Closing Date and (ii) terminating at the earlier to occur of (A) 5:00 p.m., New York City time on the date that is five years after the Closing Date and (B) the liquidation of the Company in accordance with the Company’s certificate of incorporation, which certificate, if approved by the Company’s shareholders, would take effect upon the Closing Date (such earlier time, the “Expiration Date”). If the Option is not exercised on or before the Expiration Date, it shall become void, and all rights hereunder in respect of the Option shall cease, at 5:00 p.m. New York City time on the Expiration Date. The Expiration Date shall automatically be adjusted on the same terms and subject to the same conditions if the expiration date of the Warrants is adjusted. The Exercise Notice shall be executed by the Investor, shall be irrevocable, and shall specify (i) that the Investor wishes to exercise the Option and (ii) the proposed date of the closing of the Investor’s acquisition of the Option Shares (the “Option Closing Date”), which such proposed date shall be a Business Day not less than 10 Business Days following the delivery of the Exercise Notice (or such earlier time as the Sponsor and the Investor may agree).

(c) On the Option Closing Date, the Sponsor shall deliver (or cause the delivery of) the Option Shares to the Investor or a custodian designated by the Investor, or, to the extent reasonably practicable, in book entry (electronic) form. The Sponsor and the Investor shall cooperate to the fullest extent reasonably requested by the other party (including by executing such documents and providing such information) as may be necessary to effect the delivery, transfer and assignment of the Option Shares.

(d) The Option may be cancelled, at the option of the Sponsor, at any time from the second anniversary of the Closing Date until the Expiration Date, upon no less than 30 days’ notice to the Investor, at a price of \$0.01 per Option Share (“Cancellation Price”) if the last sales price of the Class A common stock of the Company reported has been at least \$23.00 per share on each of 20 trading days within any 30 trading-day period commencing once the Option becomes exercisable and ending on the third trading day prior to the date on which notice of cancellation is given. In the event the Sponsor shall elect to cancel the Option pursuant to this Section 1(d), the Sponsor shall fix a date for the cancellation (the “Cancellation Date”) and the Investor shall continue to have the right to exercise the Option for cash until the day prior to the Cancellation Date. On and after the Cancellation Date, the Investor shall have no further rights except to receive the Cancellation Price.

(e) The Option does not entitle the Investor to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

(f) The Investor hereby acknowledges that the Option Shares are subject to the lock-up created by that certain Letter Agreement, dated as of February 23, 2021, between the Company and the Sponsor (as amended, restated, supplemented or modified from time to time, including by the Registration Rights and Lock-up Agreement to be entered into concurrently with the consummation of the Transaction, the “Lock-up Agreement”) and, upon the transfer of the Option Shares from the Sponsor to the Investor (and only to the extent such transfer occurs prior to the expiration of the Lock-up Period (as defined below)), the Investor shall enter into a written agreement with the Company, in the form of Exhibit B attached hereto, agreeing to be bound by the terms set forth in the Lock-up Agreement. For the purposes of this Agreement, the “Lock-up Period” means the period beginning on the Closing Date and ending on the earlier to occur of (A) one year after the date of the Closing Date or (B) such time, at least 150 days after the Closing Date, that the closing price of the Class A Common Stock equals or exceeds \$12.00 per share (as adjusted for share splits, share dividends, reorganizations and recapitalizations) for any 20 trading days within any 30-trading day period.

(g) The Investor shall not sell, transfer, assign, exchange, pledge, encumber or otherwise dispose of the Option or any portion thereof, other than (i) to (A) the Company's officers or directors, (B) any affiliates or family members of the Company's officers or directors, (C) any officers, directors or employees or direct or indirect partners, members or equity holders of the Investor, or any related investment funds or vehicles controlled or managed by such persons or entities or their respective affiliates, or (D) any other party subject to the lock-up restrictions contained in the Lock-up Agreement (each, a "Lock-up Party") or any direct or indirect partners, members or equity holders of such other Lock-up Party, any affiliates of such other Lock-up Party or any related investment funds or vehicles controlled or managed by such persons or entities or their respective affiliates, (ii) in the case of an individual, by gift to a member of the individual's immediate family or to a trust, the beneficiary of which is a member of the individual's immediate family or an affiliate of such person or entity, or to a charitable organization, (iii) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual, (iv) in the case of an individual, pursuant to a qualified domestic relations order, (v) in the case of a trust, by distribution to one or more of the permissible beneficiaries of such trust, (vi) to the partners, members or equity holders of such Lock-up Party by virtue of the Lock-up Party's organizational documents, as amended, upon dissolution of the Lock-up Party, or (vii) to the Company; *provided*, that prior to the exercise of the Option by any such transferee (and only to the extent such exercise occurs prior to the expiration of the Lock-up Period), the transferee shall enter into a written agreement with the Company, in the form of Exhibit B attached hereto, agreeing to be bound by the terms set forth in the Lock-up Agreement.

(d) This Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof. ## RECITALS

**WHEREAS**, SPAC, Rook MS LLC, a Delaware limited liability company, Tiedemann Wealth Management Holdings, LLC, a Delaware limited liability company, TIG Trinity GP, LLC, a Delaware limited liability company, TIG Trinity Management, LLC, a Delaware limited liability company, Alvarium Investments Limited, an English private limited company, and Alvarium Tiedemann Capital, LLC, a Delaware limited liability company, have entered into a Business Combination Agreement, dated September 19, 2021 (the "Business Combination Agreement"); and

**WHEREAS**, the Shareholder currently owns and, upon closing of the transactions contemplated by the Business Combination Agreement, will own shares of SPAC Common Stock. SPAC, after the Closing Date, is referred to herein as the "Surviving Company."

**NOW THEREFORE**, in consideration of the foregoing and of the promises and covenants contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

## AGREEMENT

**1. Election of Boards of Directors.**

**1.1 Designee.** The Shareholder shall notify the Surviving Company of its nominee designated for appointment, election or re-election to the board (the "Shareholder Designee") in writing in accordance with the shareholder nomination provisions of the Surviving Company's Certificate of Incorporation and By-Laws, together with such information concerning such nominee reasonably requested by the Surviving Company. Such designee shall be reasonably acceptable to the Board and/or Nominating Committee, and, if so acceptable, the Surviving Company and the Board and/or Nominating Committee shall use best efforts to cause the Shareholder Designee to be recommended for election at each annual meeting of shareholders (or such other meeting of the shareholders of the Surviving Company convened for the election of directors) during the term of this Agreement. The initial Shareholder Designee is Ali Bouzarif.

**1.2 Committees.** During the term of this agreement, the Surviving Company agrees that any committee of the Board of Directors of the Surviving Company shall include the Shareholder Designee; provided, however, that if the Shareholder Designee does not meet applicable independence requirements to serve on any audit, compensation or nominating committee of the Surviving Company, the Shareholder Designee shall have the right to participate in such committee meetings as an observer, as and to the extent consistent with applicable law, rules and regulations.

**1.3 Obligations.** The Shareholder and the Surviving Company agree not to take any actions that would contravene or materially and adversely affect the provisions of this Agreement and the intention of the parties with respect to the composition of the Surviving Company's Board of Directors as herein stated, and will at all times in good faith assist in the carrying out of all of the provisions of this Agreement and in the taking of all such actions as may be necessary or appropriate in order to protect the rights of the Shareholder hereunder against impairment. The parties acknowledge that the fiduciary duties of each member of the Surviving Company's Board of Directors are to the Surviving Company's stockholders as a whole.

---

**2. Termination.** This Agreement shall terminate automatically on the date that the Shareholder owns less than fifty percent (50%) of the SPAC Common Stock held by it immediately following the Closing.

**3. Amendments and Waivers.** Except as otherwise provided herein, any provision of this Agreement may be amended or the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of (i) the Surviving Company and (ii) the Shareholder.

**4. Severability.** In the event that any provision of the Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

**5. Governing Law.** This Agreement and the legal relations between the parties arising hereunder shall be governed by and interpreted in accordance with the laws of the State of New York without reference to its conflicts of laws provisions, except that all matters relating to the fiduciary duties of the Surviving Company's Board of Directors shall be subject to the laws of Delaware.

**6. Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

**EXECUTIVE EMPLOYMENT AND RESTRICTIVE COVENANT AGREEMENT**

**THIS EXECUTIVE EMPLOYMENT AND RESTRICTIVE COVENANT AGREEMENT** (this "Agreement") is made and entered into as of September 19, 2021 by and between Cartesian Growth Corporation (the "Company"), and Michael Tiedemann ("Executive"), and will be effective as of the Closing Date (as defined in BCA (as further defined below)) (the "Effective Date"). Notwithstanding anything to the contrary herein, if the Transactions (as defined below) are not consummated for any or no reason, such that the Transactions do not close, this Agreement shall be null and void *ab initio*.

**WITNESSETH:**

WHEREAS, the Company, Rook MS LLC, Alvarium Tiedemann Capital, LLC, Tiedemann Wealth Management Holdings, LLC, TIG Trinity GP, LLC, TIG Trinity Management, LLC and Alvarium Investments Limited are entering into that certain Business Combination Agreement, dated as of September 19, 2021 (as amended, the "BCA," and the transactions contemplated by the BCA, the "Transactions");

WHEREAS, as a condition to the consummation of the Transactions, Executive is required to enter into this Agreement and Exhibit A attached hereto and incorporated herein;

WHEREAS, the Company desires to secure the services of Executive for the benefit of the Company Entities (as defined in Section 15 herein), from and after the Effective Date hereof, by entering into this Agreement;

WHEREAS, Executive desires to provide such services, subject to the terms and conditions set forth in this Agreement; and

WHEREAS, the consummation of the Transactions shall be a condition precedent to the effectiveness of this Agreement and the commencement of Executive's employment with the Company hereunder.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and agreements contained herein, together with other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

**1. Services and Duties.** From and after the Effective Date, Executive shall serve the Company in the capacity of Chief Executive Officer. Executive shall be a full-time employee and officer of the Company and perform such duties as are reasonably required by the Company from time to time and normally associated with Executive's positions, together with such additional duties, commensurate with Executive's senior positions with the Company Entities, as may be assigned to Executive from time to time by the Board. Executive shall devote his full business time, attention and efforts to the performance of his duties under this Agreement, render such services to the best of his ability, and use his reasonable best efforts to promote the interests of the Company Entities. Executive shall not engage in any other business or occupation during the Employment Term, including, without limitation, any activity that (i) conflicts with the interests of the Company Entities, (ii) interferes with the proper and efficient performance of his duties for the Company Entities, or (iii) interferes with the exercise of his judgment in the Company Entities' best interests. In addition, the Company acknowledges that it has provided Executive with, and Executive acknowledges and agrees that Executive has reviewed, understands and shall adhere to and abide by, any and all policies and procedures (including without limitation any Employee Handbook, Compliance Manual or Code of Ethics) of the Company Entities, and all relevant federal, state, local and self-regulatory laws, rules and regulations, as may be in effect from time to time, which are applicable to Executive in connection with Executive's employment by the Company. Notwithstanding the foregoing, nothing herein shall limit or otherwise restrict Executive's participation in Permitted Activities (as defined in, and subject to, Section 8 of Exhibit A) as set forth on Appendix 1 attached hereto.

---

**2. Term of Employment.** Executive's employment hereunder shall be effective as of the Effective Date and shall continue until the fifth (5<sup>th</sup>) anniversary of the Effective Date (the "Initial Term"), unless terminated earlier pursuant to Section 5; provided that, on the fifth (5<sup>th</sup>) anniversary of the Effective Date and each annual anniversary thereafter (that date and each annual anniversary thereof, a "Renewal Date"), the Agreement shall be automatically extended, upon the same terms and conditions, for successive periods of one (1) year, unless either party provides written notice of his or its intention not to extend the term of the Agreement at least ninety (90) days' prior to the applicable Renewal Date. The period during which the Executive is employed by the Company under this Agreement shall hereinafter be referred to as the "Employment Term."

**3. Compensation.**

(a) Base Compensation. In consideration of Executive's duties under this Agreement, during Executive's employment, Executive will be paid a base salary at the rate of \$575,000 per annum (the "Base Compensation"), payable in accordance with the Company's regular payroll procedures, but not less frequently than semi-monthly.

(b) Bonus. With respect to each fiscal year during the Employment Term, Executive shall be eligible to receive a bonus (the "Bonus") under the Company's annual incentive compensation plan, program and/or arrangements applicable to senior-level executives as established and modified from time to time by the Compensation Committee of the Board, provided, however, that in no event shall the target Bonus in any fiscal year (including any partial year in which this Agreement is executed) be less than the 50<sup>th</sup> percentile of annual bonuses, determined based on the Benchmarking Methodology. The "Benchmarking Methodology" means the results of a benchmarking study of executives of similar title and role to Executive at comparable public companies, based on a peer group of executives and companies to be agreed upon in advance in writing by the Company and Executive, with such benchmarking study prepared by an independent third-party consulting firm that is agreed upon by the Company and Executive and engaged at the Company's expense. Any Bonus earned for any fiscal year of the Company shall be paid in the immediately following fiscal year of the Company, as soon as practicable after the audited financial statements for the Company for the year for which the Bonus is earned have been released but no later than thirty (30) days thereafter.

(c) Annual Reviews. The Base Compensation will be subject to annual review for increase, but not decrease, by the Board; provided, however, that such review may be delegated to the Compensation Committee of the Board.

(d) Equity Incentive Plan. During the Employment Term, Executive shall be entitled to an equity grant with respect to each fiscal year (including any partial year in which this Agreement becomes effective) (each, an "Equity Award") under the Company's equity and/or equity-based compensation plan(s) adopted and maintained by the Company from time to time (if any) for the benefit of select employees of the Company Entities (the "Executive Incentive Plan"). Any Equity Awards granted to Executive under the Executive Incentive Plan, and the terms and conditions thereof, shall be determined by the Compensation Committee of the Board, provided, however, that in no event shall the terms and conditions thereof be any less favorable to Executive than any other senior executive participating in an Executive Incentive Plan, and further provided that the value and vesting term for each Equity Award shall not be less than the 50<sup>th</sup> percentile of incentive equity grants, determined based on the Benchmarking Methodology.

**4. Employee Benefits.**

(a) Benefit Plans. During the Employment Term, Executive will be eligible to participate in any employee benefit plans offered to employees generally, as well as any employee benefit plans offered to employees at the executive level, subject to and in accordance with the terms and conditions of the applicable plan documents (including any eligibility requirements and limitations contained in such plans) as may be in effect from time to time and all applicable laws. Nothing in this Section 4, however, shall require the Company to maintain any employee benefit plan or provide any type or level of benefits to its employees, including Executive, and the Company may modify or terminate any employee benefit plan at any time.

(b) Paid Time Off. During the Employment Term, Executive will be entitled to paid time off ("PTO") each year, to be used in accordance with the applicable Company policies as in effect from time to time.

(c) Reimbursement of Expenses. During the Employment Term, the Company shall reimburse Executive for any expenses reasonably incurred by Executive in furtherance of Executive's duties hereunder, in accordance with the Company policies applicable to senior executives as in effect from time to time.

(d) Perquisites. Executive shall be entitled to perquisites no less than those offered by the Company to other senior executives, as well as such other perquisites as are set forth in the attached Appendix 2 attached hereto.

**5. Termination**. Subject to the terms of this Section 5, Executive's employment and the Employment Term shall terminate upon the earliest to occur of the following (the applicable date of Executive's termination of employment, the "Termination Date"): (a) the date of Executive's death; (b) a termination of Executive's employment by the Company due to Executive's Disability, effective on the date on which a written notice to such effect is delivered to Executive; (c) Executive's resignation without Good Reason subject to the Notice Period in Section 3 of Exhibit A; (d) a termination of Executive's employment by the Company for Cause, effective on the date on which a written notice to such effect is delivered to Executive or at the conclusion of any applicable cure period; (e) a termination of Executive's employment by the Company without Cause (subject to the last two sentences of this Section), effective on the sixtieth (60<sup>th</sup>) day after written notice to such effect is delivered to Executive; (f) the resignation of Executive for Good Reason by written notice, effective following the thirty (30) day cure period; or (g) the conclusion of the Employment Term in the event of non-renewal. Notwithstanding the foregoing, prior to the third (3<sup>rd</sup>) anniversary of the Effective Date, the Company shall not be entitled to terminate Executive's employment without Cause unless the determination to do so is made by a unanimous vote of the Board (after Executive has been given the opportunity to make a presentation to the Board in opposition to such determination, if he so desires), excluding Executive and any members who affirmatively indicate, in writing, that they are abstaining or recusing themselves from voting and provided that following any such abstentions or recusals, a quorum exists as under the applicable corporate documents (such determination, an "Early TWOC"). None of the Company, Executive, or any Board member shall take any undue action (including but not limited to the use of financial incentives or disincentives) to encourage or induce any Board member to vote, abstain, or recuse themselves from voting on an Early TWOC.

## **6. Consequences of Termination.**

(a) Payments and Benefits Due Upon Termination. In the event that Executive's employment ends for any reason, Executive or Executive's estate, as the case may be, shall be entitled to the following (with the amounts due under Section 6(a)(i) through Section 6(a)(iv) hereof to be paid within sixty (60) days following the Termination Date, or such earlier date as may be required by applicable law): (i) any earned but unpaid Base Compensation through the Termination Date; (ii) reimbursement for any unreimbursed business expenses incurred through the Termination Date; (iii) any accrued but unused PTO in accordance with Company policy; and (iv) any other accrued and vested payments (measured as of the Termination Date), benefits or fringe benefits to which Executive may be entitled under the terms of any applicable compensation arrangement, benefit or fringe benefit plan or program, including, without limitation, any earned yet unpaid bonuses or other incentive compensation relating to completed fiscal years prior to the Termination Date (collectively, the "Accrued Amounts").

(b) Continued Compensation Upon Termination Without Cause or With Good Reason. In the event of the termination of Executive's employment by the Company without Cause or by Executive with Good Reason, in addition to the Accrued Amounts, Executive shall be entitled to the following continued compensation (the "Continued Compensation"): (i) continuation of Executive's then Base Compensation for the longer period of (A) the remaining duration of the Initial Term as of the Termination Date or (B) twelve (12) months (such longer period, the "Severance Period"), payable as and when those amounts would have been payable had the Employment Term not ended; (ii) for each fiscal year (including any partial fiscal years) during the Severance Period, an amount equal to the Bonus payable for the fiscal year ending immediately prior to the Termination Date, payable in monthly installments over the Severance Period; (iii) immediate vesting of all Equity Awards previously granted to Executive; and (iv) continuation of the health benefits provided to Executive and his covered dependents, pursuant to COBRA and any applicable state or local equivalents, under the Company health plan as in effect from time to time after the Termination Date, at the Company's sole cost, for a period of eighteen (18) months, unless Executive commences employment with any person or entity and, thus, is eligible for health insurance benefits in which case the Company's obligations to pay for COBRA continuation premiums shall cease; provided, however, that as a condition of continuation of such benefits, the Company may require Executive and his dependents to elect to continue their health insurance pursuant to COBRA.

(c) Continued Compensation For Death or Disability. If Executive's employment terminates as a result of Executive's death or Disability, in addition to the Accrued Amounts, Executive shall be entitled to a (i) continuation of Executive's then Base Compensation for twelve (12) months, payable as and when those amounts would have been payable had the Employment Term not ended; (ii) an amount equal to the Bonus payable for the fiscal year ending immediately prior to the Termination Date, payable in monthly installments over twelve (12) months; and (iii) continuation of the health benefits provided to Executive and his covered dependents, pursuant to COBRA and any applicable state or local equivalents, under the Company health plan as in effect from time to time after the Termination Date, at the Company's sole cost, for a period of twelve (12) months.

(d) Full and Complete Satisfaction. Executive acknowledges and agrees the amounts payable to Executive pursuant to Section 6(a)-(c) hereof following Executive's termination of employment and the Employment Term shall be in full and complete satisfaction of Executive's rights under this Agreement and any other claims that Executive may have in respect of Executive's employment with the Company Entities, and Executive acknowledges that such amounts are fair and reasonable and are Executive's sole and exclusive remedy, in lieu of all other remedies at law or in equity, with respect to the termination of Executive's employment hereunder or any breach of this Agreement. For the avoidance of doubt, termination of Executive's employment under this Agreement shall not have any consequences upon the equity or other interests in the Company Entities held by Executive or his Affiliates or family members, and such consequences, if any, shall only be as expressly set forth in any other agreements with Executive specifically governing such equity or other interests.

(e) Termination by Non-Renewal. In the event Executive's employment terminates as a result of a non-renewal under Section 2 hereof, Executive shall only be entitled to payment of the Accrued Amounts. Additionally, the Parties hereby agree that in the event that Executive's employment terminates as a result of non-renewal by either Party, Executive's post-employment non-competition and non-solicitation obligations as set forth in Sections 1 and 2 of Exhibit A hereto shall be immediately null and void and without force and effect, and the Company shall have no right or entitlement to enforcement of such post-employment restrictions.

**7. Release; Continued Compliance**. The Continued Compensation will only be payable if Executive complies with all terms and conditions of this Agreement (including Exhibit A hereto) and (a) Executive (or his estate) executes and delivers to the Company a customary general release of claims in the form attached hereto as Exhibit C within forty-five (45) days or twenty-one (21) days (as may be applicable under the Age Discrimination in Employment Act of 1967, as amended by the Older Workers Benefit Protection Act) following the Termination Date, and (b) thereafter does not revoke Executive's consent to such Release within the time period prescribed therein; provided, however, that in no event shall the timing of execution (and non-revocation) of the Release, directly or indirectly, result in Executive designating the calendar year of payment, and if a payment that is subject to execution (and non-revocation) of the Release could be made in more than one taxable year, payment shall be made in the later taxable year. As a further condition to the receipt of the Continued Compensation, upon any termination of employment, unless otherwise requested by the Company's Executive Committee, Executive shall immediately resign from any officer, board (other than the Board), consultant, trustee or similar positions Executive holds with the Company or any of the Company Entities and, if Executive's employment is terminated for Cause or pursuant to an Early TWOC, Executive shall resign from the Board.

**8. Restrictive Covenants**. The parties agree that the restrictive covenants set forth in Exhibit A hereto (the "Restrictive Covenants") are incorporated herein by reference and shall be deemed to be fully contained herein. Executive understands, acknowledges and agrees that the Restrictive Covenants apply during (a) Executive's employment with the Company and (b) the specified periods following the Termination Date.

**9. Assignment**. This Agreement, and all of the terms and conditions hereof, shall bind the Company and its successors and assigns and Executive and Executive's heirs, valid assigns, executors and administrators. No transfer or assignment of this Agreement shall release the Company from any obligation to Executive hereunder. The Company may assign the rights and obligations of the Company hereunder, in whole or in part, to any of the Company Entities, or to any other successor or assign in connection with the sale of all or substantially all of the Company's assets or equity or in connection with any merger, acquisition and/or reorganization, provided the assignee assumes the obligations of the Company hereunder.

**10. Tax Withholding**. The Company shall be entitled to withhold such federal, state and local taxes and make other deductions as may be required pursuant to any applicable law or regulation or which Executive directs the Company to take.

**11. Section 409A.** To the extent applicable, the intent of the parties is that payments and benefits under this Agreement comply with or be exempt from Section 409A of the Internal Revenue Code of 1986, as amended (the “Code”), and the regulations and guidance promulgated thereunder (collectively, “Code Section 409A”); and, accordingly, to the maximum extent permitted, this Agreement shall be interpreted in accordance therewith. In no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on Executive by Code Section 409A or damages for failing to comply with Code Section 409A.

(a) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amount or benefit upon or following a termination of employment, unless such termination is also a “separation from service” within the meaning of Code Section 409A, and, for purposes of any such provision of this Agreement, references to a “termination,” “termination of employment” or like terms shall mean “separation from service.” Notwithstanding anything to the contrary in this Agreement, if Executive is deemed on the date of termination to be a “specified employee” within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered “nonqualified deferred compensation” under Code Section 409A payable on account of a “separation from service,” such payment or benefit shall not be made or provided until the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of such “separation from service” of Executive and (ii) the date of Executive’s death, solely to the extent required under Code Section 409A. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 11(a) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to Executive in a lump sum, and all remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(b) To the extent that reimbursements or other in-kind benefits under this Agreement constitute “nonqualified deferred compensation” for purposes of Code Section 409A, (i) all expense or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such, expenses eligible for reimbursement or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(c) For purposes of Code Section 409A, Executive’s right to receive installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company. Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment or benefit under this Agreement that constitutes “nonqualified deferred compensation” for purposes of Code Section 409A be subject to offset by any other amount unless otherwise permitted by Code Section 409A.

**12. Section 4999.** If any payments, rights or benefits (whether pursuant to the terms of this Agreement or any other plan, arrangement or agreement of Executive with the Company or any person affiliated with the Company) (the “Payments”) received or to be received by Executive will be subject to the tax (the “Excise Tax”) imposed by Section 4999 of the Code (or any similar tax that may hereafter be imposed), then the Payments shall be reduced to the extent necessary so that no portion thereof shall be subject to the Excise Tax, but only if, by reason of such reduction, the net after-tax benefit received by Executive shall exceed the net after-tax benefit that would be received by Executive if no such reduction was made. The process for calculating the Excise Tax, and other procedures relating to this Section 12, are set forth in Exhibit B attached hereto. For purposes of making the determinations and calculations required herein, the Accounting Firm (as defined in Exhibit B) may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The parties agree that the provisions set forth in Exhibit B hereto are incorporated herein by reference and shall be deemed to be fully contained herein.

**13. Indemnification.** Executive shall be entitled to indemnification pursuant to the governing documents of the Company, including any Articles or Certificate of Incorporation or other policy or practice, and any plans, policies, agreements or other documents that provide for indemnification rights to senior executives and/or other employees of the Company and/or the Company Entities. The Company shall also maintain a Directors and Officers insurance policy during the Employment Term which names Executive as an insured person and includes tail coverage in accordance with industry practices.

(b) Reasonableness of Restrictions; Severability; Reformation. The Company and Executive expressly agree that the restrictions contained in this Agreement (including Exhibit A) (i) are reasonable and lawful, (ii) will not unnecessarily or unreasonably restrict Executive's professional business opportunities should Executive cease to be an employee of the Company or any of the Company Entities and (iii) are no broader than necessary to protect the goodwill, confidential information, proprietary information, trade secrets and other legitimate business interests of the Company or any of the Company Entities. However, if any provision of this Agreement shall be held or deemed to be invalid, illegal or unenforceable in any jurisdiction for any reason, the invalidity of that provision shall not have the effect of rendering the provision in question unenforceable in any other jurisdiction or in any other case or of rendering any other provisions herein unenforceable, but the invalid provision shall be substituted with a valid provision that most closely approximates the intent and the economic effect of the invalid provision and that would be enforceable to the maximum extent permitted in such jurisdiction or in such case. If it is determined by a court of competent jurisdiction in any state that any restriction in this Agreement (including Exhibit A) is excessive in duration or scope or is unreasonable or unenforceable under applicable law, the parties agree to modify such restriction so as to render it enforceable to the maximum extent permitted by the laws of that state.

(c) Defend Trade Secrets Act Notice. The Employee is hereby notified in accordance with the Defend Trade Secrets Act that the Employee will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to his attorney and use the trade secret information in the court proceeding, if the individual (A) files any document containing the trade secret under seal; and (B) does not disclose the trade secret, except pursuant to court order." Nothing in this Agreement (including this Exhibit A) is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b).

(d) Whistleblower Protection. Notwithstanding anything to the contrary, no provision of this Agreement (including Exhibit A) will be interpreted so as to impede Executive (or any other individual) from exercising Executive's "Whistleblower Rights" which shall include: (i) making any disclosure of relevant and necessary information or documents in any action, investigation or proceeding relating to this Agreement, or as required by law or legal process, including with respect to possible violations of law; (ii) participating, cooperating or testifying in any action, investigation or proceeding with, or providing information to, any governmental agency, legislative body or any self-regulatory organization, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General; (iii) accepting any U.S. Securities and Exchange Commission Awards; or (iv) making other disclosures under the whistleblower provisions of federal law or regulation. In addition, nothing in this Agreement or any other agreement or Company policy prohibits or restricts Executive from initiating communications with, or responding to any inquiry from, any administrative, governmental, regulatory or supervisory authority regarding any good faith concerns about possible violations of law or regulation. Executive does not need the prior authorization of the Company to make any such reports or disclosures, and Executive will not be required to notify the Company that such reports or disclosures have been made.

(e) Entire Agreement. This Agreement (including Exhibit A and Exhibit B) constitutes the final, complete and exclusive embodiment of the entire agreement and understanding between the parties related to the subject matter hereof and supersedes and preempts any prior or contemporaneous understandings, agreements or representations by or between the parties, written or oral. This includes any agreements or understandings with the Company or any of Company Entities, which Executive agrees and acknowledges are hereby terminated and have no further force or effect.

(f) Counterparts. This Agreement may be executed in separate counterparts, any one of which need not contain signatures of more than one party, but all of which taken together will constitute one and the same agreement. A faxed, .pdf-ed or electronic signature shall operate the same as an original signature and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

(g) Amendments. No amendments or other modifications to this Agreement may be made except by a writing signed by each party hereto. No amendment or waiver of this Agreement requires the consent of any individual, partnership, corporation or other entity not a party to this Agreement.

(h) Survivorship. The provisions of this Agreement necessary to carry out the intention of the parties as expressed herein (including, without limitation, the Restrictive Covenants provided in Section 8 hereof and all of Exhibit A hereto) shall survive the Termination Date.

(i) Waiver. The waiver by either party of the other party's prompt and complete performance, or breach or violation, of any provision of this Agreement shall not operate nor be construed as a waiver of any subsequent breach or violation, and the failure by any party hereto to exercise any right or remedy which it or he may possess hereunder shall not operate nor be construed as a bar to the exercise of such right or remedy by such party upon the occurrence of any subsequent breach or violation. No waiver shall be deemed to have occurred unless set forth in a writing executed by or on behalf of the waiving party. No such written waiver shall be deemed a continuing waiver unless specifically stated therein, and each such waiver shall operate only as to the specific term or condition waived and shall not constitute a waiver of such term or condition for the future or as to any act other than that specifically waived.

(j) Captions. The captions of this Agreement are for convenience and reference only and in no way define, describe, extend or limit the scope or intent of this Agreement or the intent of any provision hereof.

(k) Arbitration; Exclusive Jurisdiction; Waiver of Jury Trial. If any dispute should arise concerning this Agreement, the interpretation of the terms of this Agreement or otherwise relating in any way to the terms and conditions of Executive's employment or its termination, including any claim of statutory discrimination, the parties agree to submit the dispute to arbitration, except with respect to claims that are required to be brought before an administrative agency as provided by law. Such arbitration will be in New York, New York before three (3) neutral arbitrators at JAMS (selected from a list provided by JAMS) pursuant to its Employment Arbitration Rules & Procedures. For injunctive relief, it is agreed that any court of competent jurisdiction may also entertain an application by either party. Any award of the arbitrator shall be final and binding, subject only to such right of review that may lie under applicable state or federal law. In the event of any court proceeding to challenge or enforce an arbitrator's award, the parties hereby consent to the exclusive jurisdiction of any federal or state court located in New York, New York and agree that such courts are not an inconvenient forum. The parties hereby agree that the existence of any such arbitration as well as any decision, award or settlement and the terms thereof shall be confidential and shall not be disclosed to any third party except as required by law, to Company employees with a genuine need to know such information, to Executive's immediate family and to Executive's tax, accounting and legal advisors, provided that Executive secures the agreement of such individuals to keep such information confidential. To the extent any award is subject to confirmation or vacatur proceeding, the parties agree to seek permission to file it under seal. The parties hereby agree that this arbitration clause shall be governed by and construed under the Federal Arbitration Act. EXECUTIVE AND THE COMPANY HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHT, POWER OR REMEDY UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ARISING FROM ANY RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT.

(l) Governing Law; Equitable Remedies. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES THEREOF).

(m) Third Party Beneficiaries. Except as expressly provided herein, nothing in this Agreement shall confer any rights or remedies upon any person, other than the parties hereto and any and all of Executive's heirs, successors, valid assigns, executors and administrators.

(n) Legal Advice. Executive acknowledges that Executive has had the opportunity to consult with legal counsel of Executive's choosing, at Executive's own expense, in connection with Executive's decision to enter this Agreement.

### Restrictive Covenants

**1. Non-Competition.** For 12 months following the Termination Date (*provided* that in the event that Executive's employment is terminated (i) without Cause prior to the third anniversary of the Effective Date, the Restricted Period shall end 6 months following the Termination Date or (ii) as a result of non-renewal of the Agreement, there shall be no Restricted Period and the provisions of this Exhibit A shall be limited as provided in Section 6(e) of the Agreement) ("Restricted Period"), Executive shall not, without the prior written consent of the Company, and other than in connection with the Company's business, directly or indirectly, sponsor, advise, promote, manage, own any interest in, control or render services to any Person who provides, or is preparing to provide, compensated investment advisory services to another Person, in each case, that competes with (a) a business line of the Company Entities as of the Termination Date or (b) a business line that Executive knows has been planned, as of the Termination Date, to be implemented within the 24 month period following the Termination Date ("Restricted Business") within the Territory. Executive undertakes not to intentionally circumvent or attempt to circumvent his obligations hereunder or otherwise to limit the effect of any provision of this Exhibit A.

**2. Non-Solicitation; Non-Interference.**

(a) During Executive's employment and the Restricted Period, Executive shall not, without the prior written consent of the Company, directly or indirectly, in any manner or capacity (other than for the sole benefit of the Company Entities), employ, engage, attempt to employ or engage, recruit or otherwise solicit, induce or influence any Person who is an employee of any of the Company Entities ("Company Personnel") to leave employment with the Company Entities; provided, that nothing contained in this Section 2 shall prohibit Executive, after the Termination Date, from (i) making any solicitation through or hiring as a result of the use of general advertising in newspapers, publications, the internet or other media of general circulation not directed or targeted at Company Personnel, (ii) making any solicitation or hiring of any administrative or executive assistants who were working for Executive immediately prior to the Termination Date or (iii) the taking of any action with respect to any former Company Personnel, if such former Company Personnel has otherwise not been employed or engaged by the Company Entities for at least six (6) months prior to the action and was not (A) induced to terminate his employment with, or service to, the Company Entities or (B) solicited for hire or engagement, in either case of (A) or (B), directly or indirectly by Executive prior to the expiration of such six (6) month period.

(b) During Executive's employment and the Restricted Period, Executive shall not, without the prior written consent of the Company, directly or indirectly, in any manner or capacity (other than for the sole benefit of the Company Entities), solicit (i) the business of any Clients or Prospective Clients of the Company Entities or (ii) the acquisition of any Prospective Portfolio Investments (as defined below), in each case, with which (or with whom) Executive first had contact on behalf of the Company Entities or as to which (or whom) Executive has accessed Confidential Information (as defined below). For purposes of this Section 2(b), (A) "Client" means any person, firm, corporation or other organization whatsoever for whom any Company Entity has provided investment advisory services and with respect to whom Executive, individuals reporting to Executive or individuals over whom Executive had direct or indirect responsibility had personal contact or dealings on a Company Entity's behalf during the one (1) year period immediately preceding Executive's Termination Date; (B) "Prospective Client" means any person, firm, corporation or other organization whatsoever with whom any Company Entity has had any negotiations or discussions regarding the possible investment in any investment vehicle or account managed or advised by any of the Company Entities (a "Company Fund") within the three (3) month period immediately preceding Executive's Termination Date and with respect to whom Executive, individuals reporting to Executive or individuals over whom Executive had direct or indirect responsibility had personal contact or dealings on the Company's behalf during such three (3) month period; and (D) "Prospective Portfolio Investment" means any prospective portfolio investments of any Company Funds that, to Executive's knowledge, were in process or under active consideration by any of the Company Entities as of Executive's Termination Date.

(c) During Executive's employment and the Restricted Period, Executive shall not, without the prior written consent of the Company, directly or indirectly, in any manner or capacity, induce or encourage any investor in a Company Fund to seek to have its capital commitment to such Company Fund reduced, or to terminate or diminish its business relationship with the Company of any of the Company Entities.

**3. Notice Period.** Executive agrees to provide at least ninety (90) days' prior written notice in advance of resigning or retiring from the Company (the "Notice Period"), provided that nothing herein shall affect or otherwise alter the timeframe set forth in the Agreement with respect to a resignation for Good Reason. During the Notice Period, Executive will continue to be an employee of the Company and shall remain subject to the terms of this Agreement, and all Company policies and procedures. In no event may Executive perform services of any kind for any other employer during the Notice Period. During the Notice Period, the Company may, in its sole discretion, remove any duties assigned to Executive, assign Executive other duties, require Executive to remain away from the Company's place of business, or waive some or all of the Notice Period and consider executive's resignation effective immediately, or on some date prior to the expiration of the Notice Period. During the effective duration of the Notice Period, and provided that Executive continues to act in a manner consistent with Executive's obligations as an employee of the Company, Executive will continue to be paid at Executive's then current Base Compensation rate and remain eligible to participate in benefit plans for Company employees in comparable positions, shall continue to be entitled to any incentive compensation and other bonus payments as if Executive had not given notice of Executive's resignation, and any compensation or other interests subject to vesting shall continue to vest during the Notice Period.

#### **4. Confidentiality.**

(a) During the Employment Term and thereafter, Executive shall not disclose, communicate or use any Confidential Information, other than in the course of Executive's performance of Executive's duties and responsibilities to the Company Entities (except as provided in Sections 14(c) and 14(d) of the Agreement to which this Exhibit A is attached).

(b) "Confidential Information" includes, but is not limited to, financial and operational information and data regarding the Company and the Company Entities and any Company Fund; investor or client lists or other contact or personal information for current and former investors or clients and prospective investors or clients, including information relating to any of their representatives or investors; contact or other information relating to investors or clients or prospective investors or clients of the Company or any of the Company Entities; account and portfolio information; proprietary software, models, processes, discoveries, inventions, strategies, know-how, and the like; track record and performance data of the Company or any fund, account or subset of assets in any such fund or account, whether managed individually or collectively (the "Track Record"), in addition to any underlying portfolio information that could support any Track Record such as investment performance data, profit and loss statements, liquidity analyses, risk reports, exposure analyses, position information and details, investment strategies and the like; internal analyses, management information reports and worksheets such as marketing and business plans, profit margin studies and compensation; accounting information, including financial statements of the Company and the Company Entities; personal and financial information pertaining to current and former employees, partners, members, officers or directors of the Company and the Company Entities; and any information provided to the Company under an obligation of confidentiality. For the avoidance of doubt, Executive acknowledges and agrees that the Company is and shall remain the sole and exclusive owner of all rights, title and interest in any Track Record, and that Executive shall take all reasonable actions and cooperate as necessary to protect and preserve the Company's ownership of and proprietary rights to any Track Record.

(c) Executive agrees to comply with all codes of conduct and compliance manuals of the Company Entities provided to Executive in writing for purposes of handling material, non-public information during the course of Executive's employment with the Company.

(d) Executive hereby agrees to deliver to the Company promptly following the Termination Date, or at any other time upon request by the Company, all property and equipment of the Company or any of the Company Entities of any kind in Executive's possession including, but not limited to, computer equipment (hardware and software), documentation of any sort and however stored (including Confidential Information as defined herein), identification cards, credit cards, cellular telephones, iPhone or similar device, magnetic key cards and the like. Executive shall also provide to the Company with all log-in, password, account and other information of any kind for any documents, programs, accounts or other password protected materials of any kind in Executive's possession or control that relate to the business of the Company.

(e) Except as provided in Sections 14(c) and 14(d) of the Agreement to which this Exhibit A is attached, if Executive receives a subpoena or other legal process that would or may require the disclosure of Confidential Information or any Company Entity's documents or information, Executive must notify the Company promptly following his receipt of such process.

#### **5. Intellectual Property; Company Work Product.**

(a) For purposes of this Exhibit A:

- (i) "Intellectual Property" means all: (A) patents, patent applications and patent disclosures; (B) trademarks, service marks, trade dress, trade names, logos, corporate names, Internet domain names and registrations and applications for the registration thereof, together with all of the goodwill associated therewith; (C) copyrights and copyrightable works (including, without limitation, mask works, computer software, source code, object code, data, databases and documentation relating thereto (collectively, "Software")), and registrations and applications for the registration thereof; (D) trade secrets and other Confidential Information (whether or not patentable), including, without limitation, inventions, discoveries, developments, improvements, know-how, ideas, concepts, products, devices, systems, processes, methods, business methods, techniques, strategies, formulas, compositions, equations, algorithms, rules, protocols, Software, research and development information, data, drawings, specifications, flowcharts, schematics, programmer notes, designs, proposals, plans, financial and marketing plans, track record (i.e., investment performance of accounts) and customer, partner and vendor lists and information; (E) other similar proprietary rights; and (F) copies and tangible embodiments thereof (in whatever form or medium); and
- (ii) "Company Work Product" means Intellectual Property that is conceived, developed, made or reduced to practice by Executive, alone or jointly with others, during the term of Executive's employment with the Company Entities, and: (A) by using equipment, supplies, facilities or information of any Company Entity (other than use of Executive's mobile device, tablet or personal computer, and not relating to the current or anticipated business activities of the Company Entities); (B) arises out of Executive's employment by the Company Entities; or (C) arises out of any of the Company Entities' current or anticipated business activities.

(b) Executive acknowledges and agrees that the Company shall own all right, title and interest in and to all Company Work Product, including, without limitation, any right to collect for past damages for the infringement or unauthorized use of Company Work Product. To the extent that any Intellectual Property that forms part of the Company Work Product does not automatically, by operation of law, vest in the Company, Executive hereby irrevocably transfers and assigns to the Company (or, to the extent not transferable, waives) all right, title and interest in and to such Intellectual Property for all forms and media, whether or not now existing, throughout the world, including, without limitation, any right to collect for past damages for the infringement or unauthorized use of such Intellectual Property and waives, to the fullest extent permitted by law, all of Executive's "moral rights" with respect to such Intellectual Property.

(c) Without limiting Executive's obligations under any other provision of this Exhibit A, Executive hereby agrees to disclose to the Company promptly and fully, maintain adequate and current records of and comply with the Company's policies regarding record keeping (as such policies may be created and amended from time to time) for any and all material Company Work Product. Such records shall be and shall remain the exclusive property of the Company and shall be made available promptly to the Company at any time upon request of the Company.

(d) Executive shall not disclose to any Company Entity, use in its business or cause any Company Entity to use any information or material that is confidential to any third party (other than where a right or permission to do so has been secured from the applicable third party), nor shall Executive incorporate into any Company Work Product any Intellectual Property of any third party, unless such incorporation has been authorized in writing by the Company. Executive hereby represents and warrants that he is not party to any agreement currently in effect (other than with respect to surviving confidentiality obligations) that obligates Executive to grant, assign or license to any party (other than the Company Entities) any interest in Intellectual Property conceived, developed, made or reduced to practice by Executive, or which would otherwise inhibit Executive from fulfilling his obligations herein.

(e) During the Employment Term and thereafter, upon the request of any Company Entity, Executive will promptly provide cooperation and assistance to the Company and its successors, assigns or other legal representatives or any other Company Entity, at the Company's expense (such assistance and cooperation including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation as may be reasonably required): (i) in obtaining and/or perfecting ownership and control over Intellectual Property included in Company Work Product; (ii) in the preparation and prosecution of any applications for, or registration of, any Intellectual Property included within Company Work Product; (iii) in the prosecution or defense of, or other participation in, any court or patent office proceedings, including, without limitation, any interference, opposition, reexamination, reissue, litigation or other proceedings, that may arise in connection with Company Work Product, including, without limitation, producing documents or providing testimony relating to Company Work Product, and assisting the Company to obtain such documents or testimony; and (iv) in obtaining any additional patents or other protection that the Company may deem appropriate and that may be secured under the laws now or hereafter in effect in any country.

(f) Executive hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as Executive's agents and attorneys-in-fact to act for and on Executive's behalf and instead of Executive, to execute and file any documents, applications or related findings and to do all other lawfully permitted acts to further the purposes set forth above in Section 5, including, without limitation, the perfection of assignment and the prosecution and issuance of patents, patent applications, copyright applications and registrations, trademark applications and registrations or other rights in connection with such inventions and improvements thereto with the same legal force and effect as if executed by Executive, in each case, exercisable solely where Executive is deceased or incapacitated or otherwise has not fulfilled his obligations hereunder in a reasonably timely manner after written request from the Company.

(g) Executive acknowledges and agrees that the Company currently owns the rights to, uses, and may at its option continue to use, "Tiedemann" as a trade name and/or as trademark or service mark (or portion thereof) (collectively, the "Company Tiedemann Marks"). Executive agrees not to challenge the validity or enforceability of the Company Tiedemann Marks and, until such time as the Company (or, if the Company Tiedemann Marks are assigned along with substantially all the assets of the Company's business, the Company's successors or assigns) ceases to use the Company Tiedemann Marks, shall not market, promote, distribute, or sell (or authorize others to market, promote, distribute or sell) to any third party, any private wealth or asset management services under the "Tiedemann" name or utilizing trademarks that are the same or similar to the Company Tiedemann Marks. Subject to the foregoing, nothing contained herein shall prohibit, limit or otherwise impair Executive in using the "Tiedemann" name with respect to any activities following Executive's employment with the Company.

**6. Non-Disparagement.** Executive agrees that Executive will not at any time, during or after Executive's employment, disparage, criticize or ridicule the Company or any of the Company Entities to current or former officers, directors or employees of the Company, to any individuals or entities with whom the Company or any of the Company Entities, has or may have a business relationship or to any third party in the financial services community. Further Executive agrees that Executive will not make any negative public comments regarding the Company or any of the Company Entities by way of news interviews, posting comments on, or publishing internet blogs or webpages (whether or not done anonymously), or publishing and/or circulating any other form of media, or the expression of Executive's personal views, opinions or judgments to the media, internet blogs or webpages, or otherwise (whether or not done anonymously). The Company likewise agrees that it shall not, and it shall direct its senior executives not to, at any time, during or after Executive's employment, disparage, criticize or ridicule Executive or Executive's reputation to third-parties, and further the Company agrees that it and they will not make any negative public comments regarding Executive by way of news interviews, press releases, public statements, posting comments on, or publishing internet blogs or webpages (whether or not done anonymously), or publishing and/or circulating same in any other form of media.

Nothing in this Section 6 or elsewhere in this Agreement shall prohibit Executive or the Company from providing truthful and complete information (a) in response to a subpoena, in testifying in any action or proceeding, or in connection with any regulatory inquiry, (b) as required or protected by law rule or regulation, or (c) in pursuing Executive's Whistleblower Rights, including communicating directly with a Governmental Agency or self-regulatory organization regarding a potential securities law violation without notice to the Company.

**7. Cooperation.** Executive agrees to cooperate fully both during Executive's employment and after the termination of Executive's employment for any reason in all respects with the Company and the Company Entities in connection with any and all existing or future claims, investigations, arbitrations, proceedings, litigations or examinations involving any of the Company Entities which relate to Executive's service. This shall include, without limitation, making Executive available on reasonable notice for interviews and other communications with in-house and outside counsel acting on behalf of the Company or any Company Entity in connection with any such matter and appearing without a subpoena for a deposition or to give testimony in any hearing, trial or arbitration at the request of the Company. The Company shall reimburse Executive for reasonable travel and related expenses (including, without limitation, reasonable legal fees and expenses) incurred in connection with any requests for cooperation hereunder upon presentation of reasonable documentation. Subject to the foregoing, reimbursement shall be made in accordance with the Company's generally applicable policies for senior executive expenses.

**8. Permitted Activities.** Notwithstanding anything herein to the contrary, this Exhibit A shall not limit or otherwise restrict the following activities, to the extent such activities do not interfere in any material respect with Executive's role and responsibilities at the Company Entities: (a) the activities of Executive's family members (to the extent not acting at the direction of or on behalf of Executive in breach of this Exhibit A), (b) Executive owning in a passive capacity up to five percent (5%) of the outstanding equity interests of (i) any publicly traded class of equity or debt securities registered under the Securities Exchange Act of 1934, as amended, or (ii) a third party investment fund that is not controlled by Executive (including by way of any investment consent rights over actions taken by such investment fund), in each case, so long as such ownership does not create any conflict of interest with Executive's duties hereunder, (c) Executive making any investment, engaging in any activities or otherwise taking any action related to bona fide charitable, non-profit, philanthropic, community, literary and artistic activities (including joining or participating in the activities or serving on the board of any bona fide non-profit organization or trade or industry group or association) or (d) Executive providing investment advice to Executive's family members or being actively involved in Executive's Family Office, if applicable (as defined below), so long as such activities are (i) not inconsistent with the restrictions set forth in Section 1 and Section 2 hereof, (ii) such investments are made in accordance with the Company's compliance and trade reporting policies and (iii) such investments do not include a diversion of an investment opportunity presented to Executive in his capacity as an executive with the Company. For the purposes of this Section 8, "Family Office" means the organization responsible for the day-to-day administration and management of Executive's and/or one or more of Executive's family member's financial and personal affairs (whether exclusively or on a collective basis with the financial and personal affairs of a limited number of friends and family and/or other Company professionals), which may include, but is not limited to, wealth management, making and managing of investments, tax planning, estate planning and philanthropic endeavors, and includes any entity which holds the personal investments of Executive or his family members; provided that Executives does not receive any investment advisory-related fees or other fees (excluding any cost allocation or expense reimbursement), directly or indirectly, from any investors in the Family Office.

**9. Incorporation.** For the avoidance of doubt, this Exhibit A is incorporated in the Employment and Restrictive Covenant Agreement, dated as of September 19, 2021, by and between the Company and Executive, and the terms of Section 14 thereto shall apply to this Exhibit A.

## EXHIBIT B

### EXCISE TAX RULES AND PROCEDURES

1. Either the Company or Executive may request that a determination be made under Section 12 of this Agreement. All determinations required to be made under Section 12 of this Agreement and this Exhibit B shall be made by an accounting firm (the "Accounting Firm") selected in accordance with Paragraph 2 below. The Accounting Firm shall provide detailed supporting calculations both to the Company and Executive within fifteen (15) business days of the event that results in the potential for an excise tax liability for Executive, which could include but is not limited to a change in control and the subsequent vesting of any cash payments or awards, or Executive's termination of employment, or such earlier time as is required by the Company. Any such determination by the Accounting Firm shall be binding upon the Company and Executive.

2. The Accounting Firm shall be a public accounting firm proposed by the Company and agreed upon by Executive. If Executive and the Company cannot agree on the firm to serve as the Accounting Firm within ten (10) days after the date on which the Company proposed to Executive a public accounting firm to serve as the Accounting Firm, then Executive and the Company shall each select one accounting firm and those two firms shall jointly select the accounting firm to serve as the Accounting Firm within ten (10) days after being requested by the Company and Executive to make such selection. The Company shall pay the Accounting Firm's fee.

3. If the Accounting Firm determines that one or more reductions are required under Section 12 of this Agreement, the Accounting Firm shall also determine which Payments shall be reduced to the minimum extent necessary so that no portion thereof shall be subject to the excise tax imposed by Section 4999 of the Code, and the Company shall pay such reduced amount to Executive. The Accounting Firm shall make any reductions required under Section 12 of this Agreement in a manner intended to maximize the net after-tax amount payable to Executive, and to such Payments as may be agreed to by Executive, and/or the later deferral of payment of such Payments, to the extent consistent with Code Sections 409A and 457A, to the extent applicable, and upon such terms as agreed to by Executive, and any such determinations shall make use, to the maximum extent available, of all applicable exemptions from the calculation of "parachute payments", including "reasonable compensation" valuations in respect of all applicable non-competition covenants.

4. As a result of the uncertainty in the application of Code Sections 280G and 4999 at the time that the Accounting Firm makes its determinations under this Exhibit B, it is possible that amounts will have been paid or distributed to Executive that should not have been paid or distributed (collectively, the "Overpayments"), or that additional amounts should be paid or distributed to Executive (collectively, the "Underpayments"). If the Accounting Firm determines, based on either the assertion of a deficiency by the Internal Revenue Service against the Company or Executive, which assertion the Accounting Firm believes has a high probability of success, or controlling precedent or substantial authority, that an Overpayment has been made, Executive must repay to the Company, without interest, the amount of the Overpayment. If the Accounting Firm determines, based upon controlling precedent or substantial authority or related interaction with the Internal Revenue Service, that an Underpayment has occurred, the Accounting Firm will notify Executive and the Company of that determination and the amount of that Underpayment will be paid to Executive promptly by the Company.

5. The parties will provide the Accounting Firm access to and copies of any books, records, and documents in their possession as reasonably requested by the Accounting Firm, and otherwise cooperate with the Accounting Firm in connection with the preparation and issuance of the determinations and calculations contemplated by this Exhibit B.

6. For the avoidance of doubt, this Exhibit B is incorporated in the Employment and Restrictive Covenant Agreement, dated as of September 19, 2021, by and between the Company and Executive.

## EXHIBIT C

### **GENERAL RELEASE OF CLAIMS**

1. Michael Tiedemann ("Executive"), for himself and his family, heirs, executors, administrators, legal representatives and their respective successors and assigns, in exchange for the consideration received pursuant to Section 6(b) (other than the Accrued Amounts) of the Employment Agreement to which this release is attached as Exhibit A (the "Employment Agreement"), does hereby release and forever discharge Cartesian Growth Corporation (the "Company"), its subsidiaries, affiliated companies, successors and assigns, and its current or former directors, officers, employees, shareholders or agents in such capacities (collectively with the Company, the "Released Parties") from any and all actions, causes of action, suits, controversies, claims and demands whatsoever, for or by reason of any matter, cause or thing whatsoever, whether known or unknown including, but not limited to, all claims under any applicable laws arising under or in connection with Executive's employment or termination thereof, whether for tort, breach of express or implied employment contract, wrongful discharge, intentional infliction of emotional distress, or defamation or injuries incurred on the job or incurred as a result of loss of employment, or for unpaid wages, back pay, commissions, bonuses, incentive pay, vacation pay, legal fees, severance or other compensation; any claims arising under any contracts, express or implied, or any covenant of good faith and fair dealing, express or implied, or fraud and breach of duty, or any legal restrictions on the Company's right to terminate employees; and any federal, state or other governmental common law, statute, regulation, or ordinance, including without limitation or under any federal, state or local law or regulation, including without limitation claims arising under or relating to Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, Section 1981 of the Civil Rights Act of 1866, the Fair Labor Standards Act, the Genetic Information Nondiscrimination Act of 2008, the Worker and Adjustment Retraining Notification Act, the Age Discrimination in Employment Act ("ADEA"), the Older Workers Benefit Protection Act, the Americans with Disabilities Act, the Equal Pay Act, the Employee Retirement Income Security Act, the Rehabilitation Act of 1973, Section 125 of the New York Workers' Compensation Law, the New York State Constitution, N.Y.S. Senate Bill 8091, the New York City Administrative Code, the New York State and City Human Rights Laws, the New York Labor Law and the New York Constitution, each of the foregoing as amended. Executive acknowledges that the Company encouraged him to consult with an attorney of his choosing, and through this General Release of Claims encourages him to consult with his attorney with respect to possible claims under the ADEA and that he understands that the ADEA is a Federal statute that, among other things, prohibits discrimination on the basis of age in employment and employee benefits and benefit plans. Without limiting the generality of the release provided above, Executive expressly waives any and all claims under ADEA that he may have as of the date hereof. Executive further understands that by signing this General Release of Claims he is in fact waiving, releasing and forever giving up any claim under the ADEA as well as all other laws within the scope of this paragraph 1 that may have existed on or prior to the date hereof. Notwithstanding anything in this paragraph 1 to the contrary, this General Release of Claims shall not apply to (i) any rights to receive any payments or benefits pursuant to Section 6 of the Employment Agreement, (ii) any rights or claims that may arise as a result of events occurring after the date this General Release of Claims is executed, (iii) any indemnification rights Executive may have as a former officer or director of the Company or its subsidiaries or affiliated companies, (iv) any claims for benefits under any directors' and officers' liability policy maintained by the Company or its subsidiaries or affiliated companies in accordance with the terms of such policy, and (v) any rights as a holder of equity securities of the Company. Nothing contained in this Agreement shall affect any right Executive has to file an administrative charge with the Equal Employment Opportunity Commission ("EEOC") or any other administrative agency with respect to which such right cannot be waived, subject to the restriction that if any such charge is filed, Executive agrees to the fullest extent permitted by law not to violate the confidentiality provisions of this Agreement. By signing this General Release, Executive further represents and agrees that, to the fullest extent permitted by law, Executive will not be entitled to any personal recovery in any action or proceeding before the EEOC or otherwise that may be commenced on Executive's behalf arising out of the matters released hereby.

2. Executive represents that he has not filed against the Released Parties any complaints, charges, or lawsuits arising out of his employment, or any other matter arising on or prior to the date of this General Release of Claims, and covenants and agrees that he will never individually or with any person file, or commence the filing of, any charges, lawsuits, complaints or proceedings with any governmental agency, or against the Released Parties with respect to any of the matters released by Executive pursuant to paragraph 1 hereof (a "Proceeding"); provided, however, Executive shall not have relinquished his right to commence a Proceeding to challenge whether Executive knowingly and voluntarily waived his rights under ADEA.

3. Executive hereby acknowledges that the Company has informed him that he has up to twenty-one (21) days following the Termination Date (as defined in the Agreement) to sign this General Release of Claims and he may knowingly and voluntarily waive that twenty-one (21) day period by signing this General Release of Claims earlier. Executive also understands that he shall have seven (7) days following the date on which he signs this General Release of Claims within which to revoke it by providing a written notice of his revocation to the Company. Executive understands that in the event he does not timely execute and return this Agreement to the Company, or if he subsequently revokes this Agreement, he shall not be entitled to and shall not receive any severance benefits from the Company.

4. Executive acknowledges that this General Release of Claims will be governed by and construed and enforced in accordance with the internal laws of the State of New York applicable to contracts made and to be performed entirely within such State.

5. Executive acknowledges that he has read this General Release of Claims, that he has been advised that he should consult with an attorney before he executes this general release of claims, and that he understands all of its terms and executes it voluntarily and with full knowledge of its significance and the consequences thereof.

6. This General Release of Claims shall take effect on the eighth day following Executive's execution of this General Release of Claims unless Executive's written revocation is delivered to the Company within seven (7) days after such execution.
